Weekly 'SLAPPs' Courier

First published in Tuesday's e-blast.

Ronald Richards

On Monday, *Beverly Hills Weekly* filed a SLAPP motion in Los Angeles Superior Court to quash *Beverly Hills Courier's* recent lawsuit.

"In this particular case, the *Courier* with this lawsuit is trying to interfere with the editorial [and] the publication decisions of *Beverly Hills Weekly*," said *Weekly* attorney Ronald Richards.

The SLAPP (Strategic Lawsuit Against Public Participation) statute is a vehicle in which a defendant can file a motion if they were sued for matters related to freedom of speech.

"The problem with their lawsuit is a court

can't tell a newspaper how to run legal notices," said Richards. "If the notices are ineffective, then they're ineffective, but the newspaper has the right to run any notice anyway it wants."

Among other things, the complaint filed by the *Courier* alleges that the *Weekly* is not running certain legal notices at the correct font size.

"Even if [the *Weekly*] did violate it, it's not for the *Courier* to complain about it. In this case, the County of Los Angeles has accepted all of the *Weekly's* notices and the court can't regulate the publishing decisions of the newspaper," said Richards.

Richards said the *Courier* filed the motion "tactically" knowing the city would soon be awarding its legal advertising contract.

The SLAPP motion prevents the *Courier's* lawyers from amending the original complaint. If the court accepts the motion, the *Courier* will have to pay Richards' legal fees.

"We'll be seeking full [attorney] fees, and if we lost the motion, we have an automatic right of appeal," said Richards.

Richards recently won a major SLAPP case on behalf of model Jayde Nicole who was being sued by "Girls Gone Wild" founder Joe Francis for reporting her statements about an alleged attack by Francis. Because Francis is a public figure, he had to show Nicole had made the statements with malice.

Interestingly, the California SLAPP statute arose after a California Supreme Court case as a result of a lawsuit involving Beverly Hills residents who spoke out against a developer in the late 1970's.

Okun vs. Superior Court, named for its lead defendant, the late-Erwin Okun, involved a

proposed development in the Beverly Hills industrial area. Okun's widow, Judy Okun, was one of the lead activists in the recent attempt to downsize the rebuilding of Roxbury Park.

Okun, Betty Harris, and Joann Ruden were sued by a developer for defamation and interference with business opportunities after they successfully led a grassroots campaign that overturned a deal between the city council and the developer. *The Weekly* profiled the case in 2002 in issue #135.

The *Weekly's* case will be heard December 5.

Beverly Gardens renovation expected to begin in July

The Beverly Hills City Council agreed 4-0 to approved construction plans and documents to renovate Beverly Gardens Park at the study session on June 4.

Vice Mayor Lili Bosse recused herself because she and Jon Bosse are lead donors in the park's renovation.

"I have to tell you: I think your presentation is plenty spectacular," said Councilmember Nancy Krasne to Mia Lehrer, the project's architect.

Local businessman Steve Gordon approached the city in 2012 with a plan to privately raise funds to restore the park to its former historical standards.

The project has collected \$495,170 to date, according to a staff report attached to June 18's formal meeting.

The City Council pledged \$750,000 of City funds from last year's \$10.2 million surplus to the park's renovation as a matching fund requirement. City staff and Gordon are confident they can raise the matching requirement before award of construction, which is anticipated to be July 16, according to Director of Community Services Steve Zoet.

What is being referred to as "phase one" development includes restoration of the park's Historic Lily Pond and the surrounding block.

"I think the Lily Pond, with the fountain behind -- I remember that, that's the passive area of the park that's really very lovely and beautiful. I think this will be fantastic," said Councilmember Willie Brien, who said bringing the pond back will change the face of the city.

Mayor John Mirisch said the restoration of the Lily Pond was a "wonderful gift to the community."

Staff anticipates phase one work to be completed before the City's centennial celebration.

"I have to say, it's been amazing to see this thing grow from Mr. Gordon's concept to the work that everybody has done," said Councilmember Julian Gold. "I think it's gorgeous, so full speed ahead."

The council also approved a CEQA exemption for the project to facilitate the bid process.

Two seats are up in the Nov. 5 election. Board of Education President Jake Manaster has announced he will not run for re-election. Board of Education member Lisa Korbatov has announced she will run for re-election.

Superintendent lobbies State Senate on bond legislation

Superintendent Gary Woods traveled to Sacramento yesterday with Board of Education member Lewis Hall to testify before the Senate Education Committee on a bill that would impose limits on capital appreciation bonds.

"We want to offer an opinion on behalf of districts like ours who need to address their buildings," said Woods. "We have very old buildings. We don't have time to wait and

waiting for us costs money and costs our taxpayers money."

Capital appreciation bonds are bonds that defer interest and principal payments until the bond's maturity. School districts may issue current interest bonds, in which interest and principal is paid semi-annually and capital appreciation bonds to complete construction projects. The capital appreciation bonds have been considered risky when misused.

The two most restricting regulations imposed by the bill include a repayment ratio of no more than \$4 for every dollar borrowed and a maximum maturity of 25 years. Currently, districts are allowed to issue 40 year notes.

Woods said the limits may be an advantage for some districts, but not for BHUSD.

"We have a current bond that has been voted on and the more time we waste in getting this stuff done, we're losing the present value of the bond itself," said Woods. "We could literally lose millions of dollars in value if we're not allowed to structure our bonds in a certain way."

The bill overwhelmingly passed the State Assembly and is in the Senate. If passed and signed by the governor, the law would take effect Jan. 1, 2014.

Woods said the exact restrictions are still being discussed and there is a chance the bill may be amended.

The Senate Education Committee is chaired by Carol Liu (D-La Cañada).

Woods also sent a letter on behalf of the

district to Liu on June 6 in opposition to the measure, AB 182.

In the letter, Woods wrote that the BHUSD opposes AB 182 because it puts a retroactive penalty on districts that have already passed bonds, it would constrict bond funding making it impossible for major renovation, and that it will result in decaying schools all over the state.

Woods said major groups such as the Association of California School Administrators and California's Coalition for Adequate School Housing have offered opinions with concerns about AB 182.

Planning Commission approves Hillside R-1 permit for Coldwater Canyon property

The Beverly Hills Planning Commission approved an R-1 hillside permit request for 1111-1115 Coldwater Canyon Drive to allow the construction of a new game court fence and lights and an accessory structure at the commission's meeting on June 13.

The commission voted to approve the permit 4-1. Commissioner Alan Block dissented.

"We also approved a bridge that goes

from across the driveway from one property to another," said Planning Commission Chair Craig Corman.

Block could not make the findings for the bridge because he said he did not feel it

respected the existing topography.

The commission also reviewed an R-1 permit to allow the total cumulative floor area on the site to exceed 15,000 square feet for the proposed construction of a new

The Hero Project, a one book, one school event, encourages all students, staff and parents to read a common book.

Akhtar, a recent Pulitzer Prize winner for his play *Disgraced*, joined students and staff during the assembly. On the same day, 40 staff members attended a PTSA sponsored luncheon with Akhtar.

On June 6, Akhtar also joined Beverly High's parent-teacher book group for a discussion moderated by professional book club facilitator and Beverly High English teacher Julie Goler. The event, June 6, was held at the home of Charles and Natasha Rahban.

Cultural Heritage Commission to review historical significance of home set to be demolished by end of June

The Cultural Heritage Commission initiated nomination for landmark designation of a property that is slated to be demolished at the commission's meeting on June 5.

The house, constructed in 1921, is an example of a kit house that had been assembled by Pacific Ready Cut Homes.

"Pacific Ready Cut Homes built more than 37,000 kit houses between 1908 and 1940 and there were a number of these homes in Beverly Hills," said Cultural Heritage Commission Chair Noah Furie. "The vice chair of the commission, Richard Waldow, asked the landmark advisory subcommittee to look at this and the subcommittee recommended to the full commission that we initiate landmark nomination proceedings to determine if this property should be considered for local landmark designation."

Staff will compile a report and present it to the commission, who will then vote whether or not to recommend the property as a landmark.

Furie said the property, located at 724 North Camden Drive, has a notice of a demolition permit issued that would allow the property owner to demolish it come June 29. Furie said the commission thought the property was worthy of analysis.

"[It] is probably the best example of this type and method of construction and architecture in the city," said Furie, who believes there may be less than a dozen of these homes left in the city.

"This is by far the largest and the most architecturally significant of the ones that are still standing," said Furie.

Furie said this type of home is significant because of the method of construction, the integrity of the property and the impact it had on local development in the City in the early part of the 20th century.

two-story single-family residence at 1006 Laurel Way.

In the hillside area, if a proposed development exceeds 15,000 feet, the project must be vetted by the Planning Commission, according to Corman.

The commission sent the project to work with a Planning Commission subcommittee to try to reduce the mass of the property.

SUMMER READING

What are your neighbors reading?

By Andrea Aldana

City

The Great Books Discussion Group, which meets year-round, will continue to meet throughout the summer on the second and fourth Mondays at 6 p.m. at their new location on the second floor of the Beverly Hills Public Library in meeting room north.

The group will discuss Dante Alighieri's *Il Purgatorio* (Pt II of *Divine Comedy*) on June 24, Alessandro Manzoni's *The Betrothed (I Promessi Sposi)* on July 8, Euripides' *Bacchae* on July 22, Soren Kierkegaard's *Diary of a Seducer* on August 12, and Albert Camus' *The Fall* on August 26.

The Friends of the Public Library's Book Club will be discussing Jess Walter's *Beautiful Ruins* in July and M.L. Stedman's *The Light Between Oceans* in August.

The group meets in Library Meeting Room South and will hold three meetings in July and three meetings in August. Meeting dates are set for July 2 at 10:15 a.m., July 10 at 10:15 a.m., July 18 at 1p.m. Meeting dates for August are August 6 at 10:15 a.m., August 14 at 10:15 a.m., and August 18 at 1 p.m.

The Beverly Hills Public Library has doubled its summer reading club programs this year, all launching on June 14 and will continue through August 11.

The City will now offer Grown-Up Summer Reading Club, in addition to the Children's Summer Reading Club, a 'Tween Summer Reading Club and the Teen Summer Reading Club.

The new Grown-Up Reading Club is a self-directed program that encourages local adults to read or listen to books and even write brief reviews and recommendations. Those who register in the Grown-Up Reading Club are eligible to win prizes, including an eReader.

Children

Signups for the Children's Summer Reading Club have already begun.

Children, ages pre-k through third grade, can sign up in the Children's Library during library hours and report their reading progress until August 11.

The theme for all four of the library's reading clubs this year is Have Book -- Will Travel!

Children's Librarian Sandra Abini said the theme represents the idea that any book can take you on a journey.

Upon registering, participants receive a book bag, a reading log and a bookmark.

Participants who read six books or 750 pages will receive a reading certificate, a free paperback book and a treat box.

This summer, the City added a 'Tweens Summer Reading Club geared to fourth and fifth graders. 'Tweens can also register in the Children's Library.

"We've been offering the summer reading program for so many years that children have been participating for such a long time that we thought the fourth and fifth graders deserved something a bit special," said Abini, who said there were approximately 500 participants from the fourth and fifth grade last summer.

Tweens will receive a reading log upon registration. Once participants have read 15 hours, they will receive a free book. Once participants have read 30 hours, they will receive a \$5 gift card and will be entered in a drawing for prizes.

The Children's Reading Clubs will kick off this Sunday, June 23 at 5:30 p.m., which will feature a performance by the children's performer, Jumbo Shrimp Circus. Beginning July 9, the library will offer Terrific Tuesday outdoor performances at 3:30 p.m. in the Civic Center Plaza. The line-up for the events includes Allen Oshiro

Magician and Illusionist, juggler Michael Rayner, We Tell Stories Children's Theater and The Beat Buds Music Duo. The performances will be held every Tuesday in the month of July.

Children who attend one of the K-8's in Beverly Hills Unified School District can also earn points for their reading medal program by participating in the Children's Summer Reading Club.

Children's librarian Karen Smith-Chen said Jennifer Nielsen's new trilogy, *The Ascendance*, has been popular among 'tween boys. The first of the series is the *False Prince* and the second in the series is *The Runaway King*.

Abini recommended *The One and Only Ivan* by Katherine Applegate. Abini said it's been very popular among children.

Beginning July 9, the library will also offer family storytime programs on Mondays, Tuesdays, Wednesdays and Thursdays at both 10:30 a.m. and 11:15 a.m. Programs will be held Saturdays at 11:15 a.m., as well.

Baby storytimes will be held Mondays at 10:30 a.m., Tuesdays at 11 a.m. and Wednesdays at 11:30 a.m.

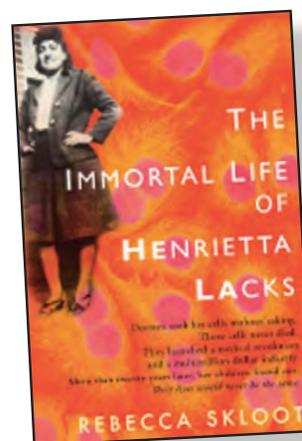

High School

Beverly High students entering honors and AP English courses have a full plate of reading to do this summer.

Completion of summer reading will be assessed by essay testing for all grades. The assessments count for 10 percent of the student's semester grade. Due to the shortened summer this year, the required reading list has been shortened the requirement for the 2013 year only.

Incoming freshman are required to read three books, sophomores are required to read two of five books, juniors are required to read three of nine books, and seniors are required to read three texts including Virgil's *Aenid*.

Selections for the various grades include Roger Lancelyn Green's *King Arthur and His Knights of the Round Table*, William Golding's *Lord of the Flies*, and Ralph Ellison's

Invisible Man.

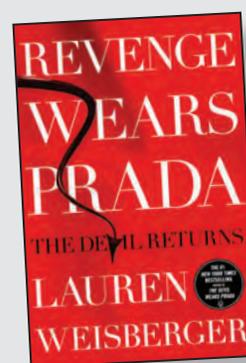

The department has also added Rebecca Skloot's *The Immortal Life of Henrietta Lacks* as required reading for the both the Medical Science Academy and junior english classes, according to Beverly High English Teacher Julie Goler.

"Now we are working with both history and science in our summer reading so that there is more crossover in the programs," said Goler.

The story is about Henrietta Lacks, a poor African-American woman, who had cells removed from her body in 1950.

"They were the first cells that were really stable and continued to grow and multiply. Medicine made a ton of money on her and she never received a penny, so its partially a science story but it's also her story," said Goler, who said the book was a great book for families to read with their children.

Teens in grades six to twelve can sign up for the Beverly Hills Public Library's Teen Summer Reading Club. Teens will receive a log book and incentives including free books and invitations to special gaming events, parties and book discussions. Once participants have read 15 hours, they will receive a free book. Once participants have read 30 hours, they will receive a \$5 gift card and will be entered in a drawing for prizes.

What are you reading?

Recreation and Parks Commissioner FRANCES BILAK is going on a road trip this summer with her family and has her Kindle ready with some titles she's anxious to read.

On her summer reading list is Lauren Weisberger's *Revenge Wears Prada*, the sequel to *The Devil Wears Prada*, which was adapted to a popular movie.

Others on her list are Jeffery Deaver's *The Kill Room* and Malcolm Gladwell's *Outliers*.

"[*Outliers*] is a story of success. Based on people's cultural, environmental upbringings, [it explores] why certain people become really successful," said Bilak. "He talks about everyone from

Oppenheimer, Bill Gates and it interested me because there's something that apparently keeps coming up in the book, which is called the 10,000 hour rule."

The rule is that one must practice a certain task for 10,000 hours to get it down, says Bilak.

Another nonfiction book on her list is Eben Alexander's *Proof of Heaven*. Alexander is a neurosurgeon who wrote a memoir on his near death experience.

Planning Commissioner ALAN BLOCK has been reading a series by Daniel Silva about an Israeli spy. The book he's about to start: *The Fallen Angel* by Daniel Silva.

Block, a baseball fan, says Hank Greenberg's new biography by John Rosengren, released in March of 2013, is next on his summer

reading list.

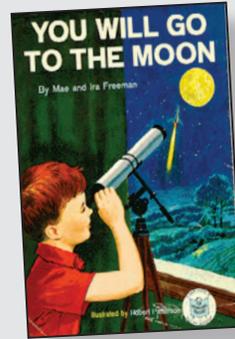

“About a couple of months ago, there was a review about it in the *Los Angeles Times* Sunday section,” said Block, who said he generally reads biographies and mystery titles. Block said he likes to read Robert Crais, Lee Child, and Michael Connelly. Block said he enjoys reading books on his tablet. He said in the past two years he’s read about 35 books on his tablet.

Traffic and Parking Commissioner JEFF LEVINE’s summer reading list includes everything from a music autobiography to poetry. Levine plans on reading Marcus Luttrell’s *Lone Survivor*, Buddy Guy’s autobiography, *When I Left Home*, Sun Tzu’s *The Art of War*, and Edgar Allan Poe’s *Complete Poetical Works*.

“Buddy Guy is one of my favorite Blues guitar players, so I’m very curious to learn more about him as a person, so that had me kind of intrigued,” said Levine, who plays the guitar.

Levine also plans on reading Jenna Hill’s *Beyond Belief*, her personal story of how she escaped the Church of Scientology. Hill is the niece of Church of Scientology leader David Miscavige.

Consistent with his love of palm trees, City arborist KEN PFALZGRAF is currently reading P.B. Tomlinson’s *Structural Biology of Palms*.

“It’s about the anatomical physiology of palm trees,” said Pfalzgraf, who writes and gives presentations on palm trees.

Next up on his summer reading list is *Anatomy of the Monocotyledons: Palmae* by P.B. Tomlinson.

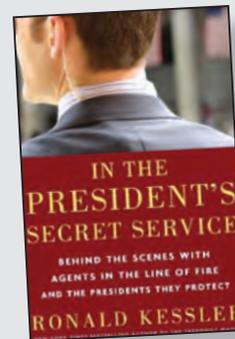

Pfalzgraf said the only fiction book he will read is *You Will Go to the Moon* by Mae and Ira Friedman. He says it was his favorite when he was six years old and he owns a first edition copy signed by Buzz Aldrin.

City Clerk’s Office Executive Assistant JASON LAWRENCE said he’d like to get to Stephen King’s *11/22/63* this summer.

“That was the date that John Kennedy was assassinated and the point of the book is what if there was someone who went back in time and tried to foil that attempt?” said Lawrence, who said he enjoys reading mysteries and autobiographies.

Lawrence said he is about 70 percent done with Stephen King’s *The Stand*.

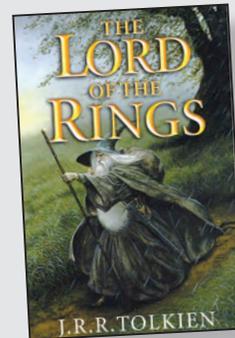

Traffic and Parking Commission Vice Chair ANDY LICHT is currently reading Ronald Kessler’s *In the President’s Secret Service*.

“I just like to know how things work,” said Licht. “I almost never read fiction.”

Next on his list is Bill Carter’s *Desperate Networks*, which chronicles the behind the scenes history of the television business.

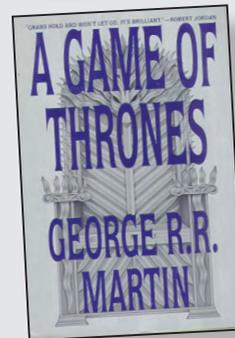

“It’s the last 15 years of the T.V. business and how shows came together,” said Licht, who said he enjoys learning when he reads. Licht said he also plans on reading Dr. Seuss’ *Oh, The Places You’ll Go*.

Hawthorne PTA President GREENDA DAVID plans on reading the J.R.R. Tolkien’s *Lord of the Rings* trilogy this summer.

“I just loved [*The Hobbit*] so much. I just want to finish the next book,” said David.

David said she and her daughter recently read *The Hobbit*, the prequel to the *Lord of Rings* trilogy, together. The trilogy is a fantasy about a hobbit who inherits the “one ring,” which rules all other rings of power and corrupts those who wear it. The title refers to the story’s main antagonist Dark Lord Sauron.

Traffic and Parking Commissioner JULIE STEINBERG is such an avid reader and a huge *Game of Thrones* fan, that she is reading *A Game of Thrones* by George R.R. Martin.

“It’s almost exactly like the show,” said Steinberg. “The book is a little more in-depth with the characters. You can figure out who they are, but yeah, it’s great.”

Next on her list is Arlene Pascal’s *Breaking Free*, written by Steinberg’s mother. Steinberg said it’s a wonderful book about a woman in the 1960’s and her adventures in Israel.

Steinberg said she mostly reads thrillers.

After she finishes *A Game of Thrones*, she plans to read Clive Cussler’s *Zero Hour* and Steve Barry’s *The King’s Deception*.

NOTICE OF PETITION TO ADMINISTER ESTATE OF LESLIE EDWARD PHILLIPS aka LESLIE E. PHILLIPS aka L.E. PHILLIPS Case No. BP141735

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of LESLIE EDWARD PHILLIPS aka LESLIE E. PHILLIPS aka L.E. PHILLIPS A PETITION FOR PROBATE has been filed by Victor Fieldgrass in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Victor Fieldgrass be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on July 1, 2013 at 8:30 AM in Dept. No. 11 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. Notice is hereby given that RECONTRUST COMPANY, as duly appointed trustee pursuant to the Deed of Trust executed by LINDA HAMM, A SINGLE WOMAN, dated 04/20/2006 and recorded 4/28/2006, as Instrument No. 06 0938383, in Book N/A, Page N/A, of Official Records in the office of the County Recorder of Los Angeles County, State of California, will sell on 07/18/2013 at 9:00AM, Doubletree Hotel Los Angeles-Norwalk, 13111 Sycamore Drive, Norwalk, CA 90650, Vineyard Ballroom at public auction, to the highest bidder for cash or check as described below, payable in full at time of sale, all right, title, and interest conveyed to and now held by it under said Deed of Trust, in the property situated in said County and State and as more fully described in the above referenced Deed of Trust. The street address and other common designation, if any, of the real property described above is purported to be: 1153 NORTH FORMOSA AVENUE #101, WEST HOLLYWOOD, CA, 900465808. The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. The total amount of the unpaid balance with interest thereon of the obligation secured by the property to be sold plus reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is \$1,270,509.64. It is possible that at the time of sale the opening bid may be less than the total indebtedness due. In addition to cash, the Trustee will accept cashier's checks drawn on a state or national bank, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state. Said sale will be made, in an "AS IS" condition, but without covenant or warranty, express or implied, regarding title, possession or encumbrances, to satisfy the indebtedness secured by said Deed of Trust, advances thereunder, with interest as provided, and the unpaid principal of the Note secured by said Deed of Trust with interest thereon as provided in said Note, plus fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust. NOTICE TO POTENTIAL BIDDERS If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on a property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the pub-

lic, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 1-800-281-8219 or visit this Internet Web site www.recontrustco.com, using the file number assigned to this case TS No. 08-0078905. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE OF PETITION TO ADMINISTER ESTATE OF FRIEDA BERLINSKI
Case No. BP142114

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of FRIEDA BERLINSKI
A PETITION FOR PROBATE has been filed by Eddie Chan in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Eddie Chan be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on July 8, 2013 at 8:30 AM in Dept. No. 11 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

PROJECT 13-39

**CITY OF BEVERLY HILLS
PROJECT ADMINISTRATION
345 FOOTHILL ROAD
BEVERLY HILLS, CALIFORNIA 90210**

**REQUEST FOR PREQUALIFICATION
OF BIDDERS AND PREQUALIFICATION
INSTRUCTIONS FOR:
POLICE FACILITY OVERSIZED VEHICLE
STORAGE PROJECT**

Notice is hereby given that the City of Beverly Hills ("CITY") has determined that all bidders for the construction of the Police Facility Oversized Vehicle Storage ("Project"), must be pre-qualified prior to submitting a bid on that Project. It is mandatory that all Contractors who intend to submit a bid, fully complete the prequalification questionnaire, provide all materials requested herein, and be approved by the CITY to be on the final qualified Bidders list.

No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid. The last date to submit a fully completed questionnaire is **2:00 PM Friday, July 12, 2013**. [Insert time, including a.m. or p.m., and date - month, day, year]~Contractors are encouraged to submit prequalification packages as soon as possible, so that they may be notified of omissions of information to be remedied or of their prequalification status in advance of the prequalification deadline for this Project.

Answers to questions contained in the attached questionnaire are required. The CITY will use these documents as the basis of rating Contractors with respect to whether each Contractor is qualified to bid on the Project, and reserves the right to

check other sources available. The CITY's decision will be based on objective evaluation criteria.

The CITY reserves the right to adjust, increase, limit, suspend or rescind the prequalification rating based on subsequently learned information. Contractors whose rating changes sufficiently to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing procedures described below for appealing a prequalification rating.

While it is the intent of the prequalification questionnaire and documents required therewith to assist the CITY in determining bidder responsibility prior to bid and to aid the CITY in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the CITY from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The prequalification packages should be submitted under seal to the **Office of the City Clerk, City of Beverly Hills, 455 North Rexford Drive, Room 290, Beverly Hills, CA 90210**. The following should be clearly marked on the outside of the package **"CONFIDENTIAL PREQUALIFICATION STATEMENT FOR THE POLICE FACILITY OVERSIZED VEHICLE STORAGE PROJECT"**

The prequalification packages submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for

that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the CITY and provide updated accurate information in writing, under penalty of perjury.

The CITY reserves the right to waive minor irregularities and omissions in the information contained in the prequalification application submitted, and to make all final determinations. The CITY may also determine at any time that the prequalification process will be suspended for the Project and the Project will be bid without prequalification.

Contractors may submit prequalification packages during regular working hours on any day that the offices of the CITY are open. Contractors who submit a complete prequalification package will be notified of their qualification status no later than ten business days after submission of the information.

The CITY may refuse to grant prequalification where the requested information and materials are not provided by the due date indicated above. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. Neither the closing time for submitting prequalification packages for this Project will be changed in order to accommodate supplementation of incomplete submissions, or late submissions, unless requested by the CITY in its sole discretion.

In addition to a contractor's failure to be pre-qualified pursuant to the scoring system set forth in the prequalification package, a contractor may be found not prequalified for either omission of or fal-

sification of, any requested information.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made by the unsuccessful Contractor. An appeal is begun by the Contractor delivering notice to the CITY of its appeal of the decision with respect to its prequalification rating, no later than two business days following notification that it is not pre-qualified. The notice of appeal shall include an address where the Contractor wishes to receive notice of the appeal hearing. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the CITY, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal, a hearing shall be conducted no earlier than five business days after the CITY's receipt of the notice of appeal and not later than five business days prior to the date of the Notice Inviting Bids for this Project. Prior to the hearing, the Contractor shall, in writing, be advised of the basis for the City's pre-qualification determination.

The hearing shall be conducted by a panel consisting of three members of the Department of Public Works & Transportation senior management staff (the "Appeals Panel"). The Appeals Panel shall consider any evidence presented by the Contractor, whether or not the evidence is presented in compliance with formal rules of evidence. The Contractor will be given the opportunity to present evidence, information and arguments as to why the Contractor believes it should be pre-qualified. Within one day after the conclusion of the hearing, the Appeals Panel will render a written determination as to whether the Contractor is pre-qualified. It is the intention of the CITY that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.
