The article “BHUSD settles with Quinn Emanuel law firm for \$450K” mistakenly stated that Quinn Emanuel was the law firm that represented Board of Education President Brian Goldberg when he sued his former attorney. In fact, the law firm Pagano & Kass represented Goldberg.

## BHUSD settles with Paysinger for \$685K

The Board of Education unanimously approved a settlement agreement with former Beverly High Principal Carter Paysinger for \$685,000 in closed session June 18.

BHUSD General Counsel Vincent Ewing, who disclosed the news at the Board of Education meeting later that day, was asked to repeat his statement after audience members said they could not hear him clearly the first time.

Paysinger filed a lawsuit against the district and Board of Education member Lewis Hall on nine causes of actions, including discrimination and retaliation, last July.

Paysinger’s attorney Reed Aljian had no comment.

## Measure E bond accelerated for second time; property taxes to increase

For the second time since the inception of the Measure E bond, the BHUSD Board of Education accelerated the bond during their meeting June 18. Following a brief discussion, the Board voted 3-2 to issue the third series of bonds in an amount not-to-exceed \$76 million.

Board President Brian Goldberg and Board member Noah Margo dissented.

“I’ve expressed, and I’ll just express briefly, that I think a resolution that deals with an increase in taxes should be given to the voters,” Margo said. “I also am a little apprehensive about the aggressive nature of our construction plan; I feel we may be left without capital in the long run to finish many of our projects.”

Moving forward, the Measure E tax rate will be \$77 per \$100,000 of assessed value in the early years; the average tax rate for the life of the bond will be \$65 per \$100,000 of assessed value.

The current tax rate stands at \$45.84 per \$100,000 of assessed value.

Board Vice President Howard Goldstein, who voted against acceleration in April, backed the decision Thursday, mentioning that the BHUSD Finance Committee supports acceleration.

“Prior Boards have been criticized for not following the recommendations made by the district Finance Committee,” Goldstein said.

As mentioned in a statement drafted by the Finance Committee and read into the record by Goldstein, delaying acceleration may cost the district and the community money due to rising construction costs and escalating interest rates.

Measure E was approved by voters in November 2008 to finance school reconstruction projects and seismic repairs. To date, committed Measure E funds total about \$124 million.

## Recreation & Parks OKs auto-replacement of Park Way ficus trees, under conditions

For nearly a decade, several Park Way residents have advocated for the removal and replacement of the Ficus trees lining their street, citing concerns with the trees’ sidewalk-coating berries, which are shed annually.

In a petition addressed to Parks and Urban Forest Manager Ken Pfalzgraf late last year, Park Way resident Abraham Assil— who collected signatures from eight of the nine homeowners on his block—requested that, “the

Ken Pfalzgraf

trees fronting [their] homes be removed and replaced with more appropriate, non-fruiting, non-intrusive and flowering trees.”

In an effort to address the concerns of both supporters and opponents of the tree removal, the Recreation and Parks Commission considered a proposal for the automated replacement of the trees at their meeting Tuesday. Recreation and Parks Commission Vice Chair Frances Bilak was absent from the hearing.

As outlined by Pfalzgraf, under the proposal, the Ficus trees will be replaced with Podocarpus trees on the residential side of Park Way under the following conditions: a tree site is currently vacant; a tree has declined to the point where its main scaffold limbs are involved; infrastructure repair involves the

cutting of anchor roots which could destabilize a tree; a property owner wishes to maintain continuity along a parkway with several tree sites in which a Ficus tree has been lost to one of the aforementioned conditions.

As a result of the Commission’s 4-0 vote, the City Council will now consider the proposal.

### The Wanda Group unveils One Beverly Hills

David Shu, general manager of Wanda Beverly Hills properties, unveiled One Beverly Hills—the development proposed for the former Robinsons-May site—at Spago Tuesday night.

### Planning Commission approves accessory structure for 603 North Canon Drive

Following a 5-0 vote, the Planning Commission approved a 620-square-foot, 22-foot-tall addition to an existing 2,498-square-foot accessory pool house structure through the issuance of a Central R-1 Permit at their meeting June 11.

The accessory structure is located towards the rear of the property, along the alley.

“We’re seeing a proliferation of larger accessory structures in the City,” said Planning Commissioner Craig Corman. “This one is pretty long—it has 76-feet of frontage in the alley at two stories.”

Corman said he wants to ensure that the final structure does not have an “apartment feel.”

The existing accessory building is located in both required rear and side yards for the main residence; the proposed addition encroaches in the required rear yard, and exceeds the otherwise maximum allowable height of 14 feet.

“I also share Commissioner Corman’s concern about [having] a ‘Chinese wall’ effect in the alley, but it’s the alley, it’s not the street,” said Planning Commission Vice Chair Alan Robert Block.

Planning Commission Chair Howard Fisher expressed concern that alleys in the City are being blocked due to construction activity.

Located at 603 North Canon Drive, the residence is estimated to have been built in 1912. Master Architect Gerard Colcord designed an accessory structure and remodeled the main residence in 1938.

Alan and Judy Levine are the owners of the property.

The first in a series of “Southeast in Motion” community workshops will be held at the La Cienega Community Center July 1 from 7 to 9 pm.

The workshops will give residents and business owners the opportunity to provide input regarding their needs and preferences for the Southeast area of the City, including the area around the future subway station at La Cienega and Wilshire boulevards.

Neighborhood amenities, mobility and design are among the topics that will be discussed. Participants will also have the chance to provide input on how they would like to make use of the station and its surrounding area.

This input will allow the City to create a plan to implement the community's vision for the neighborhood. Practical issues will be addressed in the plan including potential urban design and mobility enhancements, preferred land uses and connectivity to the subway station.

The workshop will build upon work completed by the City's Southeast Taskforce. Future workshops will focus on other areas, including the Wilshire, Robertson and Olympic corridors.

# SUMMER READING

## What are your neighbors reading?

By Mina Riazi

### The City

City Librarian Nancy Hunt-Coffey said she wants everyone to read *The Luminous Heart of Jonah S.* by BHPO resident Gina Nahai.

The book, which tells the story of an Iranian-Jewish family tormented by a crafty financier, will be discussed by the Friends of Beverly Hills Public Library Reading Group on August 18 at 10:15 am, August 19 at 10:15 am and August 20 at 1:00 pm. Nahai is slated to appear at the library auditorium July 21 at 2 pm to talk about the book and answer questions.

*The Invention of Wings* by Sue Monk Kidd marks the reading group's July selection. The book is about a young girl who is given a slave for her 11th birthday and grows up to be an abolitionist.

Facilitated by Judith Palarz, the Friends of Beverly Hills Public Library Reading Group will discuss *The Invention of Wings* on July 14 at 10:15 am, July 15 at 10:15 am and July 16 at 1:00 pm.

The sessions are free for members of the Friends of the Beverly Hills Public Library and cost \$5.00 for non-members. For more information visit [www.bhpl.org](http://www.bhpl.org).

### Children

School might be out for the summer, but Library Services Manager Marilyn Taniguchi says that it's important for children to continue reading in order to avoid the "summer slide."

"Children are out of school for 10 weeks, and instead of not continuing to read and practice their reading skills, we help them reinforce their skills so that they continue to get stronger as readers," Taniguchi said.

The Beverly Hills Public Library offers three different clubs for young readers. Children up to and entering third grade, including those who are not yet reading on their own, can join the children's reading club.

The "tween" reading club caters to fourth and fifth graders and the teen reading club is for sixth through 12th graders.

Thanks to the library's nifty 90210 To Go site, summer globetrotting won't have to get in the way of summer reading.

"Readers can join a reading club and check out books from the library's virtual [branch]," Taniguchi said.

Taniguchi, who recently finished reading Andy Weir's *The Martian*, said she is still recommending last year's One Book, One City selection: *The Boys in the Boat* by Daniel James Brown.

"It's a favorite," Taniguchi said.

PTA Council co-president **ROSE KAISERMAN** admits that she was first drawn to *The Rosie Project* because the title "more or less" contains her name.

"However, after reading the first few pages, I knew I'd be hooked," Kaiserman said.

*The Rosie Project* tells the story of Don Tillman, a genetics professor who searches for his "perfect" wife using a scientific approach he develops called The Wife Project. Although Tillman quickly finds his match—a woman named Rosie—he soon discovers that love isn't always logical.

"Not only do I appreciate the scientific approach the author [Graeme Simsion] uses—having been a science major myself—[but] I also enjoy reading lighthearted romance novels," Kaiserman said.

Next on her list is *Sharp Objects*, author Gillian Flynn's debut novel.

"If it's anything like *Gone Girl*, I am sure it will be a good read," Kaiserman said.

Planning Commission Chair **HOWARD FISHER** says he reads about one book every week—and it's the action-adventure stories that hold his interest.

Last week, Fisher dove into a new John Locke novel. The first self-published author to sell one million eBooks on Kindle, Locke pens "really gruesome, violent novels."

Fisher recently finished reading *Ready to Kill*, the fourth installment in author Andrew Peterson's Nathan McBride series. McBride, a former Marine sniper and covert CIA operative, is the kind of engaging character that keeps Fisher turning the page.

"When you get a character you like, you kind of follow them," Fisher said.

This summer, Beverly High PTA co-president **MARJANEH MANAVI** is reading *David and Goliath*, a classic underdog tale by Malcolm Gladwell.

"It's a selection of short stories and what the author is trying to reveal is basically the keys to success," Manavi said. "He talks about perseverance, hard work and how the underdogs become successful when they think outside the box."

Recreation & Parks Commissioner **SUSAN GERSH** recently finished *The Goldfinch* by Donna Tartt, which was awarded the 2014 Pulitzer Prize for Fiction—but Gersh says she began reading the 784-pager before it received the accolade.

The story takes place in present-day America and revolves around "The Goldfinch," the 17th-century painting by Dutch artist Carel Fabritius.

"*The Goldfinch* deals with themes of obsession, fate, loss and love," Gersh said. "The book is beautifully written."

A Hanukkah present from her husband David, *All the Light We Cannot See* by Anthony Doerr is next on Gersh's reading list. Interestingly enough, the book is a 2015 Pulitzer Prize winner, suggesting that Gersh has a special knack for attracting winners of the esteemed award.

El Rodeo PTA co-president **LINDA JANKOWSKI** kicked off summer reading with Lily King's *Euphoria*, a character-driven story focusing on the lives of three gifted anthropologists living in the 1930s. Next on her list is *The Martian* by Andy Weir.

"For me, summer is a great time to read science fiction, and from the review, it looks like [*The Martian*] combines 'real science' with science fiction," Jankowski said.

An avid summer reader, Beverly Vista PTA co-president **MARTHA RAMIREZ** gets most of her books from the Beverly Hills Public Library.

Ramirez recently wrapped up *Maya's Notebook* by Isabel Allende. The story centers on Maya, a young girl who turns to drugs and alcohol after the death of her grandfather. Her grandmother later steps in, helping Maya escape to a remote island in Chile where she tries to make sense of her life.

Ramirez has already picked up a new book: *Love Life* by actor Rob Lowe.

"It's a well-written book," Ramirez said. "Lowe narrates with some humorous anecdotes of his life."

Ramirez, who is always on the lookout for great book recommendations, said she likes setting an example for her kids.

briefs cont. from page 5

The projected risks cost for Fiscal Year 2015-2016 totals \$6 million, an amount derived by adding the accelerated conservation measures (\$1.2 million), MWD costs (\$3.8 million) and DWR costs (\$1 million).

The costs outlined above are used to evaluate and develop a penalty surcharge structure that is equitable and that will be implemented via the City's utility billing

system Munis. The penalty surcharge structure is assessed for excess water use beyond an established baseline, which is currently set at 70%, under the existing Stage D Conservation Program.

The Metropolitan Water District enacted a 15 percent water-use reduction, which will become effective July 1, meaning the City will have to pay \$29.40/acre foot if it uses more than 77 percent of its MWD

water supply.

Based on customer databases, Rhay assumes that 50 percent of residents will reduce their water usage by 30 percent; 25 percent will reduce their water usage by 15 percent and 25 percent will not decrease their water usage.

"I don't believe assumptions have any value at all because the cost is the cost," said Commissioner Barry Pressman. "If

your assumptions are wrong, you're still going to have to pay the penalty fee."

Pressman later called the rate structure "unconstitutional."

If the City does not reach its conservation goal, the State Board may fine the City at the rate of \$10,000 per day.

NOTICE OF PETITION TO ADMINISTER ESTATE OF  
BEVERLY N. KARP  
Case No. BP163463

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of BEVERLY N. KARP

A PETITION FOR PROBATE has been filed by Glenn M. Gottlieb in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Glenn M. Gottlieb be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on July 8, 2015 at 8:30 AM in Dept. No. 29 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (714)730-2727, using the file number assigned to this case 5826. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The property heretofore described is being sold "as is".
