# BHPD pitches in to help after UCLA shooting

Two people were killed in a murdersuicide in an engineering building at UCLA on Wednesday morning. As police searched for the gunman, the campus was placed on lockdown.

"The BHPD has deployed assets in the form of K9s and motorcycle officers to assist the UCLA police department in postincident operations," BHPD Lieutenant Lincoln Hoshino said Wednesday.

The BHPD assisted with traffic control and explosive detection, Hoshino said.

Based on the appearances of the deceased, police believe that a professor has been shot by a student who then turned the gun on himself, a law enforcement official told the *Los Angeles Times*. Both of the deceased were male.

The lockdown was lifted around noon.

# Fine Art Commission accepts art proposal for 121 San Vicente

With a 3-1 vote May 19, the Fine Art Commission approved proposals for two separate art installations for the building located at 121 San Vicente Boulevard, a \$210,000 project. Commissioner Michael Smooke dissented.

"I really wish I could vote for this piece because I love the artist and I love the sophistication of it, but I don't think that this meets my criteria for visible from the street," Smooke said.

Smooke said the art pieces, which will be installed inside the building's entry lobby, will not be visible from the street.

"I echo [Smooke's] sentiments, but I'm going to vote for it because I do appreciate the time and effort and credence that you gave to the suggestions we gave before moving it forward," Vice Chair Alan Kaye said.

The project encompasses two art installations, one by Joel Morrison and the second by Chris Burden.

As it needs to be affixed to a wall, the piece is better suited for an indoor space, according to Gagosian Gallery artist liaison Alexandra Magnuson.

Commission Chair Brenda Potter was absent from the meeting.

# BHHS pole vaulter qualifies for state meet with new school record

Hours after graduating from Beverly High, Amanda Block qualified for the 98th annual CIF State Track and Field championships by breaking her own school record in the girls' pole vault in the Southern Section Masters meet.

Block cleared 12 feet, one inch, to finish sixth Friday at Cerritos College. Santa Margarita junior Erin Gerardo also cleared 12-1, but placed fifth on the basis of fewest misses. Anaheim Canyon junior Rachel Baxter cleared 13-7 to win.

Block had set the previous record

of 12 feet Feb. 13 in the Winter State Championship Feb. 13 and tied it March 19 at the California Relays.

The school girls' pole vault record was 8 feet before Block began her high school career in 2013, according to Simon Langer, who operates a website devoted to the school's track and cross country programs.

The top five finishers at the Masters meet, along with any other vaulters clearing 11-7 qualify for the state meet. All but one of the 12 vaulters qualified for the state meet, which will begin Friday at Buchanan High School in Clovis.

Block has announced she will continue to compete at Brown University, which like all Ivy League schools does not offer athletic scholarships.

In a meet where vaulters attempted different heights than at the Masters meet, the second-place finisher in the Ivy League Outdoor Track and Field Championships cleared 12-1 ½.

Finalists included Health and Safety commissioner Myra Demeter and Public Works commissioner Jerrold Felsenthal. Both were among Gold and Vice Mayor Nancy Krasne's top picks (see chart above), but did not receive backing from Bosse or Mirisch.

Later, Gold and Bosse deadlocked on

the issue of whether a commissioner should take over the position, with the latter expressing resistance to appointing

"Since there are good candidates that are not on a commission that can take the seat immediately, then I don't understand why I shouldn't support them if I find that they are good candidates," Bosse said.

Reims, who pledged not to run in her application, will be sworn in at the June 6th Council study session.

THE Decedent's Will was admitted to probate on June 16,1998. The will and any codicils are available for examination in the file kept by the court. THE AMENDED PETITION requests au-

thority to administer the estate under the Independent Administra-tion of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important ac-tions, however, the personal representa-tive will be re-quired to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the peti-tion and shows good cause

why the court should not grant the authority. A HEARING on the amended petition will be held on June 3, 2016 at 8:30 AM in Dept. No. 99 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the Califor-nia Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

Made pursuant to Revenue and Taxation Code Section 3361

Notice is hereby given that real property taxes and assessments on the parcels described below will have been defaulted five or more years, or, in the case of nonresidential commercial property, property on which a nuisance abatement lien has been recorded, or that can serve the public benefit by providing housing or services directly related to low-income persons when three or more years have elapsed, and a request has been made by a city, county, city and county, or nonprofit organization that property, will become subject to the Tax Collector's power to sell.

The parcels listed will become subject to the Tax Collector's power to sell on July 1, 2016, at 12:01 a.m., by operation of law. The right to initiate an installment plan terminates on June 30, 2016. Thereafter, the only option to prevent the sale of the property at public auction is by pay-ing the taxes in full.

The Treasurer and Tax Collector's Office will furnish, upon request, information concerning payment in full or initiating an installment plan of redemption. Requests must be made to Joseph Kelly, Treasurer and Tax Collector, County of Los Angeles, 225 North Hill Street, First Floor Lobby, Los Angeles, California 90012. For more information, please visit our website at ttc.lacounty.gov.

# Environmental sustainability is more than just a phrase at One Beverly Hills

The design of One Beverly Hills will incorporate environmentally sustainable features in order to achieve, at a minimum, LEED<sup>®</sup> Silver certification under the U.S. Green Building Council's Rating System.

State-of-the-art greywater reclamation technology will be integrated throughout the property to maximize the reuse of precious water resources.

Sustainable native landscaping and weather-based irrigation systems will significantly decrease watering needs.

Advanced technologies, including passive heating and cooling systems and high-efficiency/ low-energy LED light fixtures, will reduce overall electricity consumption.

Site-specific architectural features will harness daylight and prevailing westerly breezes to create naturally illuminated and ventilated interiors.
