## Rosen alleges BHPD discrimination

An explosive complaint filed at the end of March by Beverly Hills Police Captain Mark Rosen alleges he was subjected to discrimination, harassment and retaliation by the Beverly Hills Police Department for being Jewish and over 40 years old.

The defendants named as the harassers and discriminators include but are not limited to Chief Sandra Spagnoli and former Vice Mayor Nancy Krasne.

The complaint, obtained by the *Weekly*, details a series of defamatory remarks allegedly made by Spagnoli, Krasne and others about Rosen and a few of his BHPD colleagues.

Some of the “derogatory comments” from the list read:

- ““What do you call those funny hats your people wear when they go to church?” (10/11/16) at Command Staff Meeting, Chief’s Office.
- “When Rosen advised Spagnoli that Rosen was being recognized, she responded, ‘It’s your nose.’”

BHPD Captain Mark Rosen

• “On Dec. 14, 2016 in the evening there was a Disaster Communications System meeting. Many civilians and members of the BHPD were present. Among them was Lieutenant Lincoln Hoshino, an Asian man over 50 and [Rosen]. When Spagnoli got to Hoshino’s name, she called for him multiples as if looking for him, then said, ‘there he is in the back, stand up Lincoln.’ Lincoln was standing.”

• “Lieutenant Renato Moreno invited Spagnoli to his house for an Administrative Holiday Party in December 2016. Moreno is Hispanic. Spagnoli asked, ‘do I have to dress Mexican[?]’”

Rosen believes Spagnoli transferred him to BHPD’s LEXIPOL project to retaliate for the initial employment discrimination complaint he filed against her last December with the Department of Fair Employment and Housing.

The new complaint outlines a series of events, which occurred prior to Rosen’s reassignment.

Vera Markowitz, who is identified in the complaint as “a Jewish woman,” attended the Dec. 6 study session to address the City Council regarding the need to promote from within for the previously vacant Assistant Chief of Police

### **AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING BEVERLY HILLS MUNICIPAL CODE REGULATIONS RELATED TO ROOFTOP USES ON BUILDINGS LOCATED IN THE COMMERCIAL ZONES OF THE CITY**

Adoption of the Ordinance would amend Beverly Hills Municipal Code (BHMC) §10-3-3107 pertaining to regulating rooftop uses on buildings located in the commercial zones of the City. The Ordinance would modify existing rooftop use development standards. In summary, the modifications would:

- Allow the Planning Commission to approve the development of rooftop uses on commercial buildings that do not exceed the maximum allowable height of the commercial zone in which the building is located. This is in addition to the existing regulation that allows the Planning Commission to approve the development of rooftop uses on commercial buildings that exceed the maximum allowable height of the commercial zone in which the building is located.
- Under limited circumstances, allow the Director of Community \ Development to approve unenclosed rooftop uses on buildings located in commercial zones.
- Modify existing regulations to allow the Planning Commission to require parking spaces for certain larger rooftop uses.
- Modify existing regulations to place additional restrictions on the maximum allowable size of rooftop uses.
- Modify existing regulations to add additional setback requirements for rooftop structures.
- Add a landscaping requirement for rooftop uses.
- Add additional detail as to which uses qualify as rooftop uses.

The City previously issued a public notice regarding the Planning Commission's consideration of the Zone Text Amendments and a proposed rooftop lunchroom project at 228 South Beverly Drive. At its September 8, 2016 meeting, the Planning Commission adopted a resolution recommending that the City Council approve the Zone Text Amendments to BHMC §10-3-3107. At the City Council hearing on April 20, 2017 the subject Ordinance will be introduced. The City Council may adopt the Ordinance at a subsequent meeting, and the Ordinance would take effect on the 31st day thereafter.

The Zone Text Amendments have been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. The Amendments appear to qualify for a Class 5 Categorical Exemption pursuant to Section 15305 of the State CEQA Guidelines for minor changes in land use regulations. The City Council will consider finding that the Amendments will not have a significant environmental impact and are exempt from the provisions of CEQA.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. ## NOTICE OF PUBLIC MEETING

### UPDATES ON PROGRAM DEVELOPMENT AND IMPLEMENTATION OF THE AMENDED RENT STABILIZATION ORDINANCE

The Beverly Hills City Council will discuss plans for implementing changes to the Rent Stabilization Ordinance at its next scheduled meeting. ***Please note that changes to the content of the Rent Stabilization Ordinance will not be discussed and will be considered after the facilitated meetings between landlords and tenants at a future date.***

**DATE:** Thursday, April 20, 2017  
**TIME:** 7:00 p.m.  
**LOCATION:** City Hall, Council Chamber, 455 N. Rexford Drive, Beverly Hills, CA 90210

On April 4, 2017, the City Council gave final approval to an ordinance that modified the Rent Stabilization Ordinance; (Chapters 5 and 6 of Title 4) with three key changes. The new ordinance:

1. Requires landlords to pay relocation fees to tenants who are evicted without cause from their apartment units
2. Establishes a not-to-exceed 3% annual rent increase, with a provision for appeals
3. Establishes a rental registry database.

Topics to be discussed at the April 20th meeting include: a timeline for creating the rental registry database; a timeline for facilitated meetings between landlords and tenants; and creation of an ad hoc committee to oversee the program.

### BACKGROUND

On February 21, 2017, the City Council approved an urgency ordinance and conducted the first reading of the permanent ordinance that modified the Rent Stabilization Ordinance. On April 4, 2017, the City Council conducted the second reading of the permanent ordinance which was adopted. The permanent ordinance will become effective after 30 days, on May 5, 2017 and the urgency ordinance remains in place until then.

More information can be found at [www.beverlyhills.org/rent](http://www.beverlyhills.org/rent) or by calling the Community Development Department at (310) 285-1119.

action” asserting that Spagnoli had made this assumption “because Rosen and [Markowitz] are both Jewish.”

On Dec. 13 Spagnoli reportedly confronted Rosen, Hoshino and Captain Tony Lee about Markowitz’s statement. That same day Rosen was “reassigned by Spagnoli without justification.” By Dec. 14, Spagnoli had sent an email to the entire BHPD advising that Rosen was reassigned to LEXIPOL, “an assignment for lower level employees, thereby marginalizing the Jewish Captain.”

Last week, the BHPD announced Marc Coopwood, a Sacramento Police Captain, was named the new Assistant Chief.

“The City has been making tremendous progress under this chief and this lawsuit will not interfere with that progress,” said City Attorney Larry Wiener.

Rosen’s lawyer Bradley Gage did not return the *Weekly’s* call for comment.

### Independent arborist suggests removal of 11 trees adjacent to Parcel 13

The City Council received a recommendation from staff during study session on Tuesday, April 4 for the removal of 11 trees from the City’s right of way along Civic Center Drive, adjacent to Parcel 13.

Community Services Director Nancy Hunt-Coffey and Tree Care LA Master Arborist Nick Araya attended the meeting

to present on the health and safety of the Eucalyptus trees on this property.

“These are trees that I believe at some point over the next five years, have a much higher likelihood of posing a problem for the City,” Araya said.

At the end of 2016, Araya and his team from Tree Care LA were retained by the City to evaluate all 83 of the Eucalyptus trees on the City’s right of way along Civic Center Drive. The report from the independent arborist determined 46 of the 83 trees are in fair condition.

Fair is defined as tending “to have minimal structural defects and a reasonably full canopy with properly colored leaves,” according to the study session staff report.

Staff opted to recommend the pruning, crown cleaning, cabling, and root collar excavation of some of the other trees, in addition to the removal of 11 trees identified in the arborist’s report.

Five of these 11 trees suggested for removal have “structural concerns,” according to the study session staff report. Four of the five trees lean toward the street. Four of the other trees are dead, one has already fallen across the property, and one tree has previously been disfigured and harshly cut.

Tree removal has become a sensitive subject for the City following the saga of issues that resulted from Parcels 12 and 13. Several residents attended the study session in order to express residual concerns.

“Some of the people who read this report were outraged, not by the report, but by what it said about what happened in November of 2015,” said resident Lionel Ephraim. “[Trees vanished] because a small section of staff kept you [the Council] in the dark, and kept us [the public] in the dark until after the fact. We really don’t want to see that happen again and I hope you don’t either.”

Located in the area between Santa Monica Boulevard and Civic Center Drive, parcels 12 and 13 were stripped of their trees in November 2015 without notification to neighboring residents, businesses and the Department of Toxic Substance Control.

Mayor Lili Bosse asserted that because the risk was not classified as “immediate” by the arborist’s report, public outreach should be prioritized this time around.

“I think we should embark on a public process and, with the community, decide what makes the most sense. If there was immediate risk I can assure you that everybody that would come up here would say ‘take care of it.’ But that’s not what was said.”

### El Rodeo parking problem causes tension among neighbors

More issues continue to arise as few solutions were offered to resolve the displaced parking of El Rodeo School’s faculty and staff at the Traffic and Parking

Commission meeting last Thursday.

Whittier Drive resident Dave Loftus spoke during public comment to express his concerns regarding the increased number parked cars on his street resulting from the El Rodeo construction.

“Compared to other streets in Beverly Hills, Whittier Drive is narrow to start with,” Loftus said. “By adding El Rodeo cars on both sides of the street, the street barely allows two cars to pass in some spots.”

At its last meeting, the Traffic and Parking Commission chose to deny a temporary parking permit program that would have allowed faculty and administration to park on adjacent residential streets during the school’s ongoing construction.

Approximately 60 parking spots are no longer available as a result of onsite construction staging.

School employees currently park on Lomitas Avenue and Whittier Drive on street blocks that do not have parking restrictions and then take a shuttle to and from the school at designated times throughout the day.

As a result of continued resident complaints, the four-hour parking signs on the west side of Whittier Drive between Elevado and Lomitas Avenues were enforced and at least 10 school employees have received parking citations.

ly brought this issue to the City Council's attention at a meeting on January 24. He explained his concern about the long distance his staff members have to walk to their cars, often while carrying instructional materials, when shuttles are not available. He also noted that teachers are not able to quickly access their cars in the event of an emergency.

Chair David Seidel told Loftus the BHUSD should be responsible for finding a solution to the problem.

"[Going into our meeting in March], we realized the residents were being asked to cash a check the school district had written on their behalf," Seidel said. "[The Commission first action was] to throw this back at the school district to search for solutions, which we believe should have been done a long time ago, [in order] to come up with an accommodation for the teachers at El Rodeo that didn't lay this in the laps of the residents along Whittier [Drive], Trenton [Drive] and [other] adjacent streets."

City staff was also directed by the Commission to examine the parking along Whittier Drive and potentially modifying the four hour parking zone, according to Seidel.

### Design Review Commission halts construction of new home South Canon Drive

The Design Review Commission con-

Proposed house, source: April 6 staff report available at [www.beverlyhills.org](http://www.beverlyhills.org) sidered the construction of a new two-story single-family residence at 245 S. Canon Dr.

However, the Commission unanimously agreed to bring the project back to the next meeting for a second look following discussion of the proposed architectural style.

Property owner Mason Pari and architect Sia Jazayeri submitted a proposal to the City which identifies the architectural style as Italianate.

City staff's review determined the residence is more accurately designed in a Mediterranean architectural style with the

use of barrel-tile roofing and a smooth steel-troweled cement plaster finish, according to the staff report.

The Commission also received two letters from residents in the neighborhood expressing concerns about some of the project's details.

Mark Elliot, who has also been an active proponent of the recently enacted Rent Stabilization ordinance, is a renter on neighboring South Reeves Drive. In his letter to the Commission, Elliot requested to address "a number of factual mistakes, statements or omissions [made] in section A of the [project] application."

"This design includes few [features] characteristic of the Italianate style," Elliot wrote. "[This project] bears qualities we see in suburban subdivisions from Ventura to Las Vegas. The project if completed in its current form will establish yet another precedence for character busting, boxy houses on Canon."

Jazayeri's response to Elliot's letter, which was read into the record, alluded he may believe Elliot has ulterior motives.

"I believe [Mr. Elliot] to be very active and a good citizen; however, I believe he has other agendas in mind in terms of massing and development within the City of Beverly Hills," Jazayeri said. "I don't know why he wants to mask the fact he's a tenant in an apartment building not even directly behind this building. In his previous correspondence he always cites his address [and apartment number]; however, he made sure to omit

that fact in his letter to the Design Review Commission."

Commissioner Ilona Sherman encouraged the applicants to conduct additional community outreach before returning to the Commission.

"When a new house comes into the neighborhood, change is always difficult," Sherman said. "People think you're encroaching on their space, but if you talk to them and tell them that you're well-meaning it really [makes a difference.]"

The project is expected to return at the next meeting on May 7.

### Bloom backs off rent control bill

Assemblymember Richard Bloom (D-Santa Monica) put a year-long hold on his new proposal to expand rent control in California following outward opposition from landlords.

Senate Bill AB 1506, co-authored by State Senator Ben Allen, intended to repeal the landmark Costa-Hawkins Act, a 1995 law that eliminated rent caps on single-family homes and apartments built after that year. AB 1506 was introduced by Bloom in February, along with Assemblymembers David Chiu (D-San Francisco) and Rob Bonta (D-Alameda).

Bloom's Chief of Staff Sean MacNeil told the Weekly, Bloom requested that a vote not be taken this year because "this is a complicated issue that deserves more

“There’s been substantial feedback, both on the pro and con side,” MacNeil said. “The legislative process doesn’t always allow for enough time to review complicated issues like this. [The members] want

Richard Bloom

to provide more time for all the stakeholders to dialogue.”

Bloom intends to have a vote on the bill in 2018, the final year of the legislative term.

Statewide, rents have increased 60 percent when adjusted for inflation leaving 84 percent of renters “financially overburdened by housing costs,” according to an official statement from the three assemblymembers.

The Costa-Hawkins Act was enacted to address restrictive local rent control policies like vacancy decontrol and new construction prohibition.

Landlord groups have blasted a Costa-Hawkins repeal, arguing developers will build fewer homes if they don’t have assurance that their projects can’t be subject to rent control.

An opposition letter written on behalf of the Apartment Association of Greater Los Angeles and Santa Barbara Rental Property Association explains “AB 1506 would remove this carefully negotiated balance and have catastrophic impacts for rental housing.”

AAGLA’s Director of Government Affairs Fred Sutton did not return the Weekly’s call in time for comment.

## NAZARIAN'S CAUSE

The Weekly's exclusive interview with Health and Safety Chair Dr. Daniel Nazarian

By Madelyn Pariser

**You're retired as a Periodontist. What made you want to pursue dentistry?**

When I was an undergrad at USC, I started working as an assistant at a dental office. At the time, it seemed like a career that would be interesting to me. I actually choose dentistry because of my interest in science and biology. I worked in the industry for 23 years before retiring.

My background has also helped me make positive contributions on the Health and Safety Commission. [I chose the Health and Safety Commission] because I thought my knowledge of dentistry and interest in science would [be] beneficial for the City.

**Your wife Sharona is a former Human Relations Commissioner who is active in the City. What advice did she give you about serving on a commission?**

She had a very positive experience serving on the Human Relations Commission. She would always share with me all the intricate nuances she learned about the City [during her time as a commissioner]. She really enjoyed every moment of it.

I knew I wanted to learn more about our city, which I've been living in for over 35 years. Because of [my wife's experience] I realized that if I wanted to learn more, I needed to become a more active part of the community rather than remain uninvolved.

My wife was very supportive and helped me move forward. She always reminds me to learn with an open mind, be receptive to everybody's ideas and work toward the betterment of our city.

**Tell us about some of the major issues facing your commission.**

We're actually having a very busy year. One of our biggest [tasks] is [drafting] a policy on smoking regulations for multi-unit housing. This is something that the City Council has asked us to look into.

We have spent, I would say, over six months now gathering information, talking to both landlords and renters to try to get all the information we can so we can come up with a fair outcome for the City. We also worked on a policy for the City to have more stringent non-smoking outdoor regulations.

For example, outdoor dining areas used to have a minimum of five feet where people could smoke. Now we're trying to find out if it would be better for people to have [the regulation be] at least 20 feet away.

Enforcement has been one of the challenges with the smoking regulations. We're trying to figure out how we can enforce anything we want to [implement] as policy. We have to make sure that not just the residents, but also the businesses will be on board and be supportive of any policy we suggest to the Council.

To bring everybody together and to make sure we write [regulations] that will make life better for everybody will be the biggest challenge.

We also have a Health and Safety recognition program, which has been going on for a while now. I'm very proud of the recognition program. Every month, all of our

commissioners have a chance to recognize an individual or a group, like a business, that has worked to promote the health and safety of the residents.

This year, I'm also trying to bring more attention to cyber security so that residents will be more aware of ways they can protect themselves from things like email hacking. Hopefully we can promote this as much as possible through our commission.

**Do you think too much time has been spent on the smoking issue?**

Absolutely not. We cannot just submit a proposal to the Council without knowing all the facts. It would be wrong, on our part, not to do our due diligence to find more information from all sides before coming up with a proposal that is supposed to be fair and as thorough as possible.

I believe [smoking regulations] will help the City's overall health and it will be for the betterment of the City to have these smoking policies enacted.

**Tell us about your sons.**

I have three boys, Noah [who is 17], Aaron [who is 15] and Jonah [who is 12]. Two of my boys, Noah and Aaron, are part of the City's Police Explorers program. They are very involved with the City as well.

Noah expressed interested in the program and after he applied and was accepted, my other son wanted to be involved and be a part of the community. They've seen me and Sharona take an active role with the City even

before we were on commissions. [Sharona and I] were both graduates of Team Beverly Hills. That was a very good opportunity for both of us to learn more about the City.

**What is one thing you would like to have accomplished at the end of your term as chair?**

I'd like for us to be able to finish our smoking regulations policy to the best of our ability. As a chair, my new mission is to try to improve the lives of our citizens through cyber security [via] the distribution of information and education. It's a new age with new technologies, so I would like to be able to inform people about how they can protect themselves.

And as always, I would like to continue disaster preparedness awareness. If our citizens are educated, we will be prepared in the case of an emergency.

*"I believe [smoking regulations] will help the City's overall health and it will be for the betterment of the City to have these smoking policies enacted."*

Aaron, Jonah, Daniel, Sharona and Noah Nazarian

If a landlord brings an action to recover the possession of an apartment unit that is subject to the provisions of this Chapter 6 for any of the reasons set forth in Section 4-5-502, 4-5-503, 4-5-504, 4-5-505, 4-5-507 or 4-5-508 of this Title, the landlord is not required to pay a relocation fee to the tenant residing in the unit. However, if a landlord serves a notice of eviction on a tenant for any other reason, or for no specified reason, the landlord shall pay to such tenant a relocation fee in accordance with the provisions of this section. The relocation fee shall be due and payable to the tenant, regardless of whether the landlord actually utilizes the apartment unit for the purposes stated in the notice of eviction, unless the landlord notifies the tenant in writing of the withdrawal of the notice of eviction prior to such time as the tenant has given the landlord notice of his or her last date of occupancy, or has vacated the unit, if a notice of the last date of occupancy is not given by the tenant. The landlord also shall file a copy of the notice of eviction with the Community Development Department within one week after serving the notice on the tenant.

B. The relocation fee or pro rata share thereof shall be paid to any tenant who vacates the apartment unit at the time he or she vacates it. If the landlord cannot in good faith determine if the tenant is entitled to receive the relocation fee, it shall be deposited in escrow in accordance with Paragraph D of this section.

C. The entire fee shall be paid to a tenant who is the only tenant in an apartment unit. Where an apartment unit is occupied by two (2) or more tenants, payment may be prorated among the tenants, or payment may be made to one tenant, provided all the adult occupants of the apartment unit concur with the allocation or have signed a stipulation to judgment as described in Paragraph D of this section. In no event shall a landlord be liable to pay a total amount that exceeds the fee required by paragraph E of this section.

D. Deposit of relocation fee into escrow.

1. When the apartment unit has not been vacated, the relocation fee shall be deposited in escrow if the tenant has furnished the landlord with the tenant's notarized stipulation to judgment in favor of the landlord for the repossession of the apartment unit by the landlord within sixty (60) days after the payment of the relocation fee to such tenant. The fee shall be released from escrow to the tenant on the day the tenant vacates the apartment unit. Nothing in this subsection shall be deemed to require any tenant to vacate any apartment unit before the expiration of the full notice time to which such tenant is entitled. The sixty day period referred to in this paragraph 1 shall not apply to any eviction where the eviction notice was given by the landlord to the tenant on or before January 20, 2017.

2. If the landlord in good faith is unable to determine which persons are entitled to receive the relocation fee, the landlord shall deposit the relocation fee into escrow. The landlord shall give written notice of such deposit to each person, including the tenant and any occupant other than the tenant, who in the landlord's good faith judgment may be entitled to receive the relocation fee. Upon agreement by all persons so notified, the escrow holder

may distribute the relocation fee in the manner agreed upon. If such parties cannot reach agreement within thirty (30) days after the date the notice of deposit is given, the division and distribution of the relocation fee shall be determined by the hearing officer following a hearing on the matter. No distribution from an escrow may occur until the tenant who is to receive the relocation fee has signed a notarized stipulation to judgment pursuant to subsection A of this section if the tenant still occupies the apartment unit.

3. All the costs of an escrow opened pursuant to the provisions of this section shall be borne by the landlord.

E. The amount of the relocation fee payable to a tenant entitled to such fee pursuant to the provisions of this section shall be determined as follows:

Apartment Size	Relocation Fee
1. Studio	\$6,193
2. 1 bedroom	\$9,148
3. 2 or more bedrooms	\$12,394

Provided further, those households that include a senior, disabled person, or a minor shall be entitled to an additional relocation fee in the following amount of \$2,000.

Any tenant whose occupancy of the apartment unit began after the date when the required notice of termination was given shall not be entitled to any relocation fee.

Commencing July 1, 2018, and on July 1st of each year thereafter, the amounts of the relocation fees set forth above shall be increased annually by a percentage equal to the percentage increase, if any, of the consumer price index for the Los Angeles/Riverside/Orange County area, as published by the United States Department of Labor, Bureau of Labor Statistics between May 1st of the then current year and May 1st of the immediately preceding year.

F. In lieu of the relocation fee required by paragraph E of this section, the landlord, at his or her option, may relocate the tenant into a comparable replacement apartment unit satisfactory to the tenant, in which event the landlord shall be liable only for the actual costs of relocating the tenant, up to the maximum as set forth in paragraph E of this section per apartment unit. A tenant shall not unreasonably withhold the approval of a replacement apartment unit offered by the landlord. For the purposes of this paragraph only, comparability shall be determined from the following factors: size, price, location, proximity to medical and recreational facilities, parks, community centers, shops, transportation, schools, churches, and synagogues, amenities, and, if the tenant desires, the location of the apartment unit in the city.

G. Waiver of relocation fee.

1. If a tenant who has received a thirty (30) day notice to vacate premises does not vacate the apartment unit within such time, and the landlord thereafter files a complaint for writ or judgment restoring possession, and the court orders such tenant to vacate the apartment unit, such tenant shall be deemed to have waived all rights to any relocation benefit to which he or she is otherwise entitled pursuant to this section and shall return to the landlord any relocation fee or other benefit so received, plus interest at the rate allowed by law.

2. After the required notice period has passed, if a tenant has signed a stipu-

lation for judgment and received a relocation fee, whether directly or as the result of the distribution of a deposit, and does not vacate the apartment unit within sixty (60) days after such receipt, the tenant shall be deemed to have waived all rights to any relocation benefits to which he or she is otherwise entitled pursuant to this section, and the tenant shall be obligated to return to the landlord any relocation fee or other benefit so received, plus interest at the rate allowed by law.

**Section 9.** The City Council hereby amends Chapter 6 of Title 4 of the Beverly Hills Municipal Code to add new Section 4-6-10 thereto to read as follows:

**4-6-10: REGISTRATION OF RENTAL UNITS:**

- A. **Initial Registration.** A landlord must register every rental unit that is subject to the provisions of this Chapter 6 within 30 days of receipt of notice from the city that registration is required, unless the rental unit is specifically exempt under this Chapter. Registration is complete only when all required information has been provided to the city and all outstanding fees and penalties have been paid.
- B. **After Terminated Exemption.** When a rental unit that was exempt from this chapter becomes governed by this chapter for the first time, the landlord must register the unit with the city within thirty days after the exemption ends.
- C. **Re-registration.** When a rental unit is re-rented after a vacancy, the landlord must reregister the unit with the city within thirty days after the re-rental.
- D. **Registration Amendment.** A landlord must file a registration amendment with the city within thirty days of a change in a rental unit's ownership or management, or a change in the owner's or manager's contact information.

**Section 10.** The City Council hereby amends Chapter 6 of Title 4 of the Beverly Hills Municipal Code to add new Section 4-6-11 thereto to read as follows:

**4-6-11: RENT ADJUSTMENTS UPON APPLICATION:**

- A. **Basis for Application.** A landlord may file a rent adjustment application with the city for all rental units in the landlord's rental complex to achieve a just and reasonable return based on net operating income principles as set forth in paragraph B of this section, or on any other ground authorized by this chapter or by regulations adopted by the city council.
1. **Application.** An application for a rent adjustment pursuant to this chapter shall be filed upon a form prescribed by the city and shall be accompanied by the payment of a fee as determined by resolution of the City Council. If no fee has been established at the time of application, the applicant shall pay a fee within 30 days of the date the fee is established. The applicant shall produce at the request of the hearing officer any records, receipts, reports or other documents in the applicant's possession, custody or control that the hearing officer may deem appropriate to make a determination whether a rent adjustment should be approved. The application shall be made under penalty of perjury and supporting documents shall be certified or verified as requested. Once the registration process is established by the city, no application from a landlord shall be accepted un-

less the building in which the unit is located is registered and any registration fees have been paid. If a landlord is seeking an adjustment pursuant to subparagraph 1(g)(2) of paragraph B of this section the application shall not be filed with or accepted by the city unless the landlord provides any and all documents and information on which the landlord relies to establish that the base date rent was disproportionately low.

2. **Incomplete Applications.** The city shall determine whether said application is complete within ten business days of filing of the application by the landlord. If it is determined that an application is not complete, the applicant shall be notified in writing as to what additional information is required. In the event the applicant notifies the hearing officer that the requested information is unavailable, the hearing officer shall proceed with scheduling a hearing as though the application is complete. Notice that an application has been filed shall be sent to the landlord and all affected tenants by the hearing officer; said notice shall invite submittal of evidence from all concerned parties.
3. **Hearing Date.** The hearing officer shall hold a hearing on said application within sixty days after the application is determined to be complete. Notice of the time, date, and place of the hearing shall be mailed to the applicant and the affected parties at least ten business days prior to date of the hearing. The notice of the hearing also shall be delivered to the affected parties by posting the notice at the property at least ten business days prior to date of the hearing. The notice to the affected parties shall include a brief summary of the stated justification for the rent increase application and shall state that all submitted documents and materials as well as any report prepared by the hearing officer or staff will be available for public review prior to the hearing.
4. **Hearing Rules.** At the hearing, the parties may offer any documents, testimony, written declarations, or other evidence that is relevant to the requested rent adjustment. Formal rules of evidence shall not be applicable to such proceedings.
5. **Conduct of Hearing.** The Hearing Officer shall control the conduct of the hearing and rule on procedural requests. The hearing shall be conducted in the manner deemed by the Hearing Officer to be most suitable to secure that information and documentation that is necessary to render an informed decision, and to result in a fair decision without unnecessary delay.
6. **Ex Parte Communications.** There shall be no oral communication outside the hearing between the Hearing Officer and any party or witness. All discussion during the hearing shall be recorded. All written communication from the Hearing Officer to a party after the hearing has commenced shall be provided to all parties.
7. **Order of Proceedings.** The hearing shall ordinarily proceed in the following manner, unless the Hearing Officer determines that some other order of proceedings would better facilitate the hearing:
  - a. A brief presentation by or on behalf of landlord, if landlord desires to expand upon the information contained in or appended to the petition for rent

adjustment, including presentations of any other affected parties and witnesses in support of the application.

- b. A brief presentation of the results of any investigations or staff reports by staff in relation to the petition
- c. A brief presentation by or on behalf of opponents to the petition, including presentations of any other affected parties and witnesses in opposition to the application.
- d. Rebuttal by landlord.
- e. The Hearing Officer shall establish equitable time limits for presentations at a hearing, subject to adjustments for translation and reasonable accommodation.
- f. The Hearing Officer shall maintain an official hearing record, which shall constitute the exclusive record for decision.

8. **Right of Assistance.** All parties to a hearing shall have the right to seek assistance in developing their positions, preparing their statements, and presenting evidence from an attorney, tenant organization representative, landlord association representative, translator, or any other person designated by said parties to a hearing.
9. **Re-opening of Hearing.** The hearing officer may re-open the hearing record when he or she believes that further evidence should be considered to resolve a material issue, when the hearing has been closed, and when a final decision has not been issued by the hearing officer. In such circumstances, the parties may waive a further hearing by agreeing in writing to allow additional exhibits into evidence.
10. **Hearing Decision.** Within thirty days after the hearing is closed, the hearing officer shall issue a decision, with written findings in support thereof, approving, partially approving or disapproving a rent adjustment.
11. **Notice of Decision.** A written notice of decision on a rent adjustment application shall be mailed to the applicant and all affected tenants within one day of the issuance of the decision by the hearing officer. Such notice shall be accompanied by a copy of the hearing decision.
12. Any final decision of the hearing officer is subject to judicial review pursuant to California Code of Civil Procedure section 1094.5 and must be filed in accordance with the time periods specified therein.

**B. Substantive Grounds for a Rent Increase Application**

A rent adjustment shall be approved in order to provide a just and reasonable return and maintain net operating income in accordance with the following criteria:

1. **Fair Net Operating Income.** Fair return applications shall be considered according to the following guidelines:
  - (a) Net operating income equals gross income minus operating expenses.
  - (b) Gross income equals the following:
    - (1) Gross rents, computed on the basis of one hundred percent occupancy, using current rent levels, including the current year annual general adjustment. To the extent that the annual general rent adjustment was not

fully implemented or received during the entire current year, it shall be annualized to reflect the total annual gross rents to which the property owner is already entitled, plus

- (2) Interest from security and cleaning deposits (except to the extent that said interest is payable to the tenants), plus
  - (3) Income from services, garage and parking fees, plus
  - (4) All other income or consideration received or receivable for or in connection with the use or occupancy of rental units and housing services, minus
  - (5) Uncollected rents due to vacancy and bad debts, to the extent that the same are beyond the landlord's control. Uncollected rents in excess of five percent of gross rents shall be presumed to be unreasonable and shall not be deducted from gross rents unless it is established that they result from circumstances that are likely to continue to exist in future years.
- (c) **Operating Expenses – Inclusions.** Operating expenses shall include the following:
- (1) Rent increase application filing fees (if the application is found to be meritorious);
  - (2) Annual registration fees to the extent that they cannot be passed through to tenants, pursuant to resolution of the city council;
  - (3) License fees, real property taxes, utility costs, insurance;
  - (4) Normal and reasonable repair and maintenance expenses for rental units and the building or complex of buildings of which the building is a part, including common areas, which shall include, but not be limited to, painting, normal cleaning, fumigation, landscaping, repair and replacement of all standard services, including electrical, plumbing, carpentry, furnished appliances, drapes, carpets and furniture. Owner-performed labor shall be counted at reasonable rates established by the cost of obtaining similar services in and around the city, provided the applicant submits documentation showing the date, time, and nature of the work performed by the property owner.
  - (5) Allowable legal expenses, and management expenses (contracted or owner performed), including necessary and reasonable advertising, accounting, other managerial expense. Management expenses are presumed to be six percent of gross income, unless established otherwise. Management expenses in excess of eight percent of gross income are presumed to be unreasonable and shall not be allowed unless it is established that such expenses do not exceed those ordinarily charged by commercial management firms for similar residential properties;
  - (6) Attorney's fees and costs incurred in connection with successful good faith attempts to recover rents owing and successful good faith unlawful detainer actions not in violation of applicable law, to the extent the same are not recovered from tenants;
  - (7) Building improvements, the cost

of any improvement mandated by any government statute, rule or regulation enacted after January 1, 2017, major repairs, replacement and maintenance, except to the extent such costs are compensated by insurance proceeds, subject to the condition that said improvements shall be amortized in years according to the schedule below, provided that the Hearing Officer may use 7 years for unlisted items, or such other period of time as is determined by the Hearing Officer to be reasonable.

(8) Reasonable expenses, fees and other costs for professional services reasonably incurred in the course of successfully pursuing or defending rights under or in relationship to this chapter.

(d) Excluded from Operating Expenses. Operating expenses shall not include:

(1) Maintenance and repair work that resulted from the intentional deferral of other repairs or work, which deferral caused significant deterioration of housing services, the building or individual units (if the time since the work was performed significantly exceeds the amortization periods established in paragraph (c)(7) above, it shall be presumed that it was intentionally deferred);

(2) Avoidable and unnecessary expense increases since the base year;

(3) Mortgage interest and principal payments; fees, other than fees expressly authorized by subsection (c) of this section;

(4) Penalties and interest awarded for violation of this or any other law; or legal fees, except as provided in this section;

(5) Depreciation;

(6) Any expenses for which the landlord has been reimbursed by any utility rebate or discount, security deposit, insurance settlement, judgment for damages, or settlement;

(7) Any expense that has been passed through lawfully to tenants pursuant to the provisions of this chapter.

(e) Base year for the purpose of this chapter shall be 2016. Landlords are required to keep all financial records

for 2016, which may be necessary for making a net operating income determination. In the event that an owner for good cause cannot produce base year income and expense information, the hearing officer may use a different base period or estimate base year income and expenses.

(f) **Presumption of Fair Base Year Net Operating Income.** Except as provided in subdivision (g), it shall be presumed that the net operating income produced by the property during the base year provided a fair return (fair net operating income). Landlords shall be entitled to earn a just and reasonable return and to maintain and increase their base year net operating income in accordance with subdivision (h) of this subsection, below.

(g) **Rebutting the Presumption.** It may be determined that the base year net operating income yielded other than a fair return, in which case, the base year net operating income may be adjusted accordingly. In order to make such a determination, the hearing officer must make at least one of the following findings:

(1) The landlord's operating and maintenance expenses in the base year were unusually high or low in comparison to other years. In such instances, adjustments may be made in calculating such expenses so that the base year operating expenses reflect average expenses for the property over a reasonable period of time. In considering whether the base year net operating income yielded more or less than a fair net operating income the hearing officer shall consider the following factors:

(i) The landlord made substantial capital improvements during the base year, which were not reflected in the base year rent levels;

(ii) Substantial repairs were made due to damage caused by uninsured disaster or vandalism;

(iii) Maintenance and repair were below accepted standards or resulted from the intentional deferral of other repairs or work, which deferral caused significant deterioration of housing services, the building or individual units. If the time since the deferred work was performed significantly exceeds the amortization periods established in paragraph (c)(7) above, it shall be presumed that it was intentionally deferred;

(iv) Other expenses were unreasonably high or low, notwithstanding prudent business practice.

(2) The rent in the base year was disproportionately low due to the fact that it was not established in an arms-length transaction or other peculiar circumstances. To establish peculiar circumstances, the landlord must prove one or more of the following: there existed between the tenant and the owner a family or close friend relationship; the rent had not been increased for three years prior to the base year; the tenant performed services for the owner; there was low maintenance of the property by the owner in exchange for low rent increases or no rent increases; or any other special circumstances which affected the rent level outside of market factors.

(h) **Fair Net Operating Income.** If the Hearing Officer adjusts the base year

rents, then the Hearing officer shall permit rent increases in the maximum allowable rent such that the landlord's net operating income shall be increased by one hundred percent of the percentage increase in the Consumer Price Index between the base year and the current year. Unless the hearing officer selects a base period other than the year 2016, the base year CPI shall be 240.007. For the purposes of this chapter, the current CPI shall be the CPI last reported as of the date of the application. A rent increase granted pursuant to this chapter shall not exceed the increase requested in the application.

C. Nothing in this chapter shall be construed to prevent the grant of a rent adjustment upon application by a landlord when required to permit a just and reasonable return to the landlord. This paragraph is a savings clause which provides a basis for a hearing officer to receive relevant evidence demonstrating that a landlord is not receiving a just and reasonable return under the provisions of the net operating income formula, so that the application of the net operating formula may be modified to provide a just and reasonable return to the landlord.

**Section 11.** The City Council hereby amends Chapter 6 of Title 4 of the Beverly Hills Municipal Code to add new Section 4-6-12 thereto to read as follows:

4-6-12 REMEDIES:

A. **Illegal Rent or Withholding of Relocation Fees.**

(1) It shall be unlawful for any landlord willfully to demand, accept, receive, or retain any payment of rent in excess of the maximum lawful rent permitted for an apartment unit by this chapter.

(2) It shall be unlawful for any landlord willfully to fail to provide any tenant with any relocation benefit to which such tenant is entitled.

B. **Reduction of Housing Services.**

It shall be unlawful for any landlord to reduce housing services with the intent, or for the purpose, of circumventing substantially the requirements and/or provisions or spirit of this chapter. A violation of this section shall be deemed an increase in rent to the extent of the monetary advantage achieved thereby for the landlord or to the extent necessary for the tenant to incur expenses to gain equivalent housing services by other means, whichever is greater. Any such violation shall accordingly be subject to the tenants' remedies prescribed in paragraphs C and D of this section.

C. **Refusal to Comply with Illegal Requests**

(1) A tenant may refuse to pay any increase in rent which is in violation of the provisions of this chapter, and such violation shall be a defense in any action brought to recover the possession of an apartment unit or to collect rent.

(2) In addition to the remedies set forth in subparagraph 1 of this paragraph C, in any action brought to recover the possession of an apartment unit, the court may consider as grounds for denial of the request for possession any violation of any provision of this chapter. In addition, a court determination that the action was brought in retaliation for the exercise of any right conferred by this chapter shall also be grounds for denial of the request for possession.

D. **Civil Remedies.**

Whenever it is necessary for any tenant to file a court action to recover the payment of rent which was in excess of the maximum lawful rent allowed by the provisions of this chapter, or to collect any relocation fee provided for in this chapter, or whenever it is necessary for the tenant to defend against any wrongful action filed in court against the tenant by the landlord to recover the possession of the tenant's apartment unit, the landlord shall be liable to the tenant for damages in the amount of five hundred dollars (\$500.00) or not more than three (3) times the amount by which the payment or payments demanded, accepted, received, or retained exceed the lawful amount of rent or relocation fees due to the tenant, whichever is greater. The prevailing party in any such suit shall be entitled to reasonable attorney fees and costs as determined by the court.

E. **Penalties.**

Any person violating any of the provisions, or failing to comply with any of the requirements, of this chapter shall be subject to the penalties and punishment of title 1, chapter 3 of this code.

**Section 12. CEQA.** This ordinance is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15061(b)(3), which is the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment, and CEQA does not apply where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment. It can be seen with certainty that the amendments to the City's rent stabilization regulations to lower the amount of the rent increase that can be imposed annually on certain rental units; to require landlords to register certain rental units located within the City; to establish a process to increase rents pursuant to a hearing; to require landlords who evict tenants without cause to pay relocation fees to the tenants, and to increase the amount of the relocation fees that are required to be paid to tenants will not cause a significant effect on the environment. In addition, the amendments to Chapters 5 and 6 of Title 4 of the Beverly Hills Municipal Code are not a project that is subject to the provisions of CEQA, pursuant to CEQA Guidelines section 15378(b)(2) and (b)(5).

**Section 13.** Ordinance No. 17-0-2725 is hereby repealed.

**Section 14. Severability.** If any provision of this ordinance is held invalid by a court of competent jurisdiction, such provision shall be considered a separate, distinct and independent provision and such holding shall not affect the validity and enforceability of the other provisions of this ordinance.

**Section 15. Publication.** The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the city within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance and shall cause this Ordinance and the city Clerk's certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this city.

**Section 16. Effective Date.** This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.

**Section 17. Certification.** The City Clerk shall certify to the adoption of this Ordinance.

## ORDINANCE NO. 17-O-2730

### AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING CHAPTER 5 OF THE BEVERLY HILLS MUNICIPAL CODE TO ADOPT STRICTER SMOKING REGULATIONS

WHEREAS, the City seeks to strengthen and expand its current smoking regulations to protect the health and safety of its children, residents and visitors who are exposed to second hand smoke.

WHEREAS, tobacco use and exposure to secondhand smoke cause death and disease and impose great social and economic costs as evidenced by the fact that 480,000 people die prematurely in the United States from smoking-related diseases every year, including more than 41,000 deaths resulting from secondhand smoke exposure.<sup>1</sup>

WHEREAS, the Centers for Disease Control and Prevention has found that tobacco-related diseases is the nation's leading cause of preventable death.<sup>2</sup> The World Health Organization estimates that tobacco accounts for the greatest cause of death worldwide accounting for nearly 6 million deaths per year, and current trends show that tobacco use will cause more than 8 million deaths annually by 2030.<sup>3</sup>

WHEREAS, the U.S. Surgeon General,<sup>4</sup> the U.S. Environmental Protection Agency<sup>5</sup> and the California Environmental Protection Agency<sup>6</sup> have found secondhand smoke to be a public health risk and have classified secondhand smoke as a group A carcinogen, the most dangerous class of carcinogen.<sup>7,8</sup>

WHEREAS, secondhand smoke is a human carcinogen and has long term risks to persons exposed to it. Acute effects of secondhand smoke are serious and include increased frequency and severity of asthma attacks, the initiation of asthma, respiratory symptoms such as coughing and shortness of breath, and respiratory infections such as bronchitis and pneumonia.<sup>9</sup>

WHEREAS, exposure to secondhand smoke increases the risk of coronary heart disease by about 25 percent to 30 percent<sup>10</sup> and increases the risk of stroke by 20 to 30 percent.<sup>11</sup>

WHEREAS, in 2016, the California legislature enacted five separate bills, Senate Bills 5 and 7 and Assembly Bills 7, 9 and 11 (collectively "the Smoking Legislation"), which regulate tobacco and tobacco products. With limited exceptions, the Smoking Legislation does not prohibit the adoption of local standards, or enforcement of local ordinances, that impose greater restrictions than the State standards.

WHEREAS, it is the intent of the City Council in enacting this Ordinance to provide for the public health, safety, and welfare by discouraging smoking and tobacco use around non-tobacco users, where they live, work, and play; by reducing the potential for children to wrongly associate smoking and tobacco use with a healthy lifestyle and by affirming and promoting a healthy environment in Beverly Hills.

WHEREAS, the City Council does hereby find that tobacco smoke is detrimental to the health, welfare and comfort of the general public and that the health, safety and general welfare of the residents of, persons employed in, and persons who frequent this city would be furthered by expanding the prohibition on smoking near open air dining and prohibiting smoking in the public right of way. The purpose of this ordinance is to ensure a healthier environment within the city, improve public safety by reducing litter from smoking waste and the risk of fire from smoking, and enhance the welfare of residents, workers, and visitors by reducing exposure to second hand smoke, which studies confirm can cause negative health effects in non-smokers, and balance the needs of persons who smoke with the needs of nonsmokers, including children and youth, to be free from the discomforts and health threats created by exposure to second-hand smoke.

THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Code Amendment. The City Council hereby amends Section 5-4-2 (SMOKING IN OPEN AIR DINING AREAS PROHIBITED) of Chapter 4 (SMOKING REGULATIONS) of Title 5 (PUBLIC HEALTH, WELFARE, AND SANITATION) of the Beverly Hills Municipal Code to read as follows:

"Smoking is prohibited in all open air dining areas located on private or public property, including the public right of way. In addition, smoking is prohibited within twenty feet (20') of an open air dining area, except smoking will be allowed if, and only if, the smoker is actively passing by the open air dining area. Notwithstanding this prohibition, smoking shall be allowed in up to twenty five percent (25%) of contiguous deck space surrounding hotel swimming pools."

Section 2. Code Amendment. The City Council hereby rennumbers Section 5-4-17 (PENALTIES AND ENFORCEMENT) as Section 5-4-18 (PENALTIES AND ENFORCEMENT) and adds a new Section 5-4-17 (PROHIBITION OF SMOKING IN THE PUBLIC RIGHT OF WAY) to the Chapter 4 (SMOKING REGULATIONS) of Title 5 (PUBLIC HEALTH, WELFARE, AND SANITATION) of the Beverly Hills Municipal Code to read as follows:

"Smoking is prohibited in the public right of way (including all public sidewalks and alleyways) in the City, except smoking will be allowed if, and only if, the smoker is actively traveling on the public right of way."

Section 3. CEQA. The City Council hereby finds that it can be seen with certainty that there is no possibility the adoption of this Ordinance will have a significant adverse effect on the environment because the Ordinance only expands upon existing smoking use restrictions. It is therefore exempt from California Environmental Quality Act review pursuant to Title 14, Section 15061(b) (3) of the California Code of Regulations.

Section 4. Severability. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall remain in full force and effect.

Section 5. Publication. The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the city within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance and shall cause this Ordinance and the City Clerk's certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this city.

Section 6. Effective Date. This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.
