- In “Council Passes Smoke-Free Multi-Unit Housing Ordinance,” the story should have indicated that the ordinance passed by the City Council ended up treating leased units and owned units the same. Therefore, there will be no two year phase-in period for condominiums.
- In “Planning Commission to Hear 9200 Wilshire Blvd Project Modification,” the story should have indicated that the Planning Commission special meeting will take place on October 2.

“Center Stage: Women Leaders & The Arts” [Issue #938]

I was dismayed when I received an invitation to the Center Stage: Woman Leaders & The Arts event on Facebook when I saw that the event was to be held on the first day of Rosh Hashanah. In spite of numerous comments about the date, the planners remained silent.

The insensitivity of The Wallis and Los Angeles Magazine to schedule what appears to be a very interesting program on this date, and in this community especially, is very troubling.

Many of us were in our synagogues instead. It is their loss, not ours.

Commission Weighs Non-Resident Use of Dog Park

Following its first year of operation, the Recreation and Parks Commission reviewed the progress of the Community Dog Park.

On September 18, Chair Howard Rosoff and Vice Chair Simone Friedman met with City Council Liaisons Mayor Lili Bosse and Councilmember John Mirisch to discuss progress and recommendations.

Regarding the hours of operation, the liaison recommendation is to keep the park open from 8:00 a.m. to 8:00 p.m. seven days a week.

Currently, the park is open to Beverly Hills residents, individuals who work in the City of Beverly Hills, Beverly Hills hotel guests, and City residents' guests. The recommendation is to have a 6 month trial period that would allow approximately 200 non-residents access to the park. While the trial period would be at no-cost, charges may apply once it ends.

Regarding the permit process, the recommendation is to keep the current online

registration process in place in order to insure dog park users' dogs have current vaccinations, and to monitor/control access to the off leash area, according to the staff report. Staff is working to develop the process for the registration of non-residents on a first come first serve basis for the trial period.

A ranger is currently present during all operating hours, but the recommendation is to only have a ranger present during peak hours, High Holy Days and weekends. Peak hours are considered 8:00 a.m. to 10:00 a.m. and 4:00 p.m. to 8:00 p.m.

They will also patrol the dog park throughout non-peak hours to monitor peak usage and address any issues. Staff has recommended that the rangers patrol Beverly Canon Gardens, Beverly Gardens Park and La Cienega Park.

At the meeting, Commissioner Frances Bilak said that staff should specify which High Holy days the rangers should be present for. She also noted that in both surveys sent out to the public, many stakeholders expressed that they don't want to open the dog park to non residents.

"I'm a little concerned about opening it up to non-residents when residents don't want to open it up to non-residents," said Bilak.

Rosoff responded to her by pointing out that the park is rarely, if ever, used to capacity. He said that at the liaison meeting, the thought was that because there isn't full implementation, they could open the park to non-residents on a limited basis and see how it works.

"If we're not fully utilizing it, we should be fair to the people who live adjacent to the City and want to make use of it," said Rosoff.

Commissioner Julian Javor said that another potential option would be to open the park to non residents during non peak hours. He added that five digit codes could be given to non-residents instead of the four digit code that residents receive.

Although there was no formal vote, the

commission showed support for the project. Their comments and recommendations will be forwarded to the City Council, who will discuss the item at a later date.

BHUSD Faculty and Staff to Receive Salary Increase

At their meeting on September 26, the Board of Education approved a salary increase for several district employee unions.

They include the Beverly Hills Education Association (BHEA) California Teachers' Union, the BHEF Instructional Assistants Unit, the BHEA Office Technical Business Unit, and the California School Employees Association (CSEA).

Effective on July 1, the increase will start at 2.174 percent for the first year, upping to 3.003 percent for 2018-2019 and back down to 2.805 percent for 2019-2020.

The salary formula was initially approved by the Board in July 2014 to provide salary enhancements for these specific employee groups. It's based on a percentage applied to secured property tax revenue growth. For 2017-2018 that applied percentage is 55, thus resulting in the 2.174 percent increase.

With the cost of the agreements, the district projects reserves of 16.7 percent for 2017-2018, 19.48 percent for 2018-2019, and 21.83 percent for 2019-2020 in the General Fund and Fund 17.

BHUSD to Spend Over \$3,000 on Temple Emanuel Rental

As the KL Peters Auditorium continues to be closed, the BHUSD will rent Temple Emanuel's Corwin Family Sanctuary for the Beverly High choir's Winter Concert.

The concert is scheduled for December 13 with a dress rehearsal on December 6. The cost of these two evenings is \$3,321.50, not including a cleaning/damage deposit of \$500.00.

According to the staff report, the rental will be paid for through Measure E funds "because the [KL Peters Auditorium] is unavailable as a consequence of the construction of the Beverly Hills High School Modernization Project."

The KL Peters Auditorium will be unavailable for at least the 2017-2018 school year, and possibly longer.

Alive & Running 5K Run/Walk Raises \$375,000

On September 24, over 2,000 participants showed up for the 19th annual Alive & Running Walk/Run for Suicide Prevention. The event raised about \$375,000 for Didi Hirsch Mental Health Services’ Suicide Prevention Center.

Wrapping up Suicide Awareness and Prevention Month, the event included special performances by the Baker Brothers Jazz Combo and Chikara Daiko, a Taiko drum group. The Reverend Shawn Amos, a blues artist who lost his mother to suicide, also spoke about the healing power of sharing stories on social media.

Didi Hirsch Board member and event co-chair Pamela Kluff, who lost her sister, Beth, to suicide, presented Didi Hirsch Board member Sara Rutenberg and her brother, Andrew Berman, with the Hope Award. Rutenberg and Berman created Team L’Chaim in memory of their sister, Julie, who died by suicide 41 years ago and shared their loss for the first time on the Alive & Running website.

“By speaking honestly and openly about their sister’s suicide, they have given other survivors hope that healing is always possible—even after decades of silence,” Kluff said.

Beverly Hills Receives Luxperience Award

The Beverly Hills Conference & Visitors Bureau was awarded the 2017 Destination Award at Luxperience last week in Sydney, Australia.

The Destination Award acknowledges the activities of Regional State and National Tourism Offices in the Luxury and Experiential Travel space, and recognizes destinations that incorporate luxury and high-end experiential travel as a key contributor to their overarching global strategy.

Nominees are judges based on the Tourism body or office's demonstrating how they incorporated a luxury and/or experiential product and destination strategy to increase visitation. They provided measurable targets like the number of campaign partners, number of visitors, length of stay, regional dispersal, and expenditure.

It is the Southern Hemisphere's only luxury business event that "connects the

The members are comprised of 6th-10th graders from BHUSD schools or residents attending private schools. They are selected through an application/interview process, and serve for 10 months.

At Tuesday's Recreation and Parks Commission meeting, this year's crop was in attendance to introduce themselves and discuss what activities they have planned for the upcoming year.

The 2017-2018 TAC members include Yalli Karen-Pinto, Lenna Mor, Caleb Sayah, Leila Kashani, Hanna Levy, Julia Tabatabai, Aiden Hamid, Justine Cohan, Sarah Lepkowitz, Eli Ramer, Philip Sayah, Natasha Melamed, LianMarcho Atienza, Ryan Tabatabai, JJ Gluckman, and Jenny Kim.

BHPD Arrests Prowling Suspect in Stolen Vehicle

The Beverly Hills Police Department has made two arrests in connection with a residential prowling incident.

On September 15 at approximately 12:45 p.m., the BHPD received a report of a residential burglary in progress in the 600-block of North Roxbury Drive. The resident called in after he observed a male subject on his property tampering with a window of the residence.

Beverly Hills patrol officers quickly arrived and observed a vehicle fleeing the scene. It was later determined that the vehicle had been reported stolen from Los Angeles that same day. Officers stopped the vehicle and made contact with the driver, Jonathan Enrique Herrera, and a passenger, Larry Eugene Shipp.

Officers conducted a field investigation and determined that Herrera was the subject allegedly prowling on the victim's property.

Herrera, 27, of Los Angeles, was arrested for Driving a Stolen Vehicle, Prowling, Burglary and Possession of Narcotics Paraphernalia. Shipp, 65, of Los Angeles, was arrested for a No-Bail Parole warrant.

Artem Galleries held its "Valiant: Reality of Shadows" event, featuring paintings by Sheida Nasseri. Pictured above is Artem Galleries proprietor Erit Majdipour.

At the time of the arrest, Shipp was on active post release community supervision for Robbery.

BHPD detectives completed an additional follow-up investigation and later presented the case to the Los Angeles County District Attorney's Office. Herrera was charged with Prowling. No charges were filed against Shipp; however, he remains in custody for the warrant.

Herrera is scheduled to appear at the Airport Courthouse on October 12.

COLDWATER CANYON PLAYGROUND TO BE REBUILT

Surrounding neighbors show little interest in park construction

By Olivia Anderson

On September 26, the Recreation and Parks Commission meeting featured a presentation on the proposed conceptual design for the Coldwater Canyon Park renovation.

The presentation comes after the selection of architectural firm March Studios and playground equipment vendor Landscape Structures, which Recreation Services Manager Teri Angel previously said will bring a different, unique aspect the area hasn't seen before. She called their playground schematic design "whimsical" and "woody."

The objective of the playground is to "provide a friendly, cohesive and enrich-

ing experience for the preschool as well as park visitors and a well-functioning facility for staff," but since the current equipment is approximately 15 years old and has faced maintenance and safety concerns, staff felt it was time for an upgrade.

"The current playground has just reached the end of its lifespan," Angel previously told the Weekly.

On September 18, staff and Recreation and Parks liaisons appraised City Council liaisons of the process and renovation concepts at a meeting.

Staff notified residents within 2,000 feet of the park of Tuesday's commis-

Proposed design rendering

sion meeting, inviting them to comment on the new design. Additionally, an e-blast of the meeting went out to all Coldwater Preschool parents and those families enrolled in recreation classes at the park.

About two community members showed up at the meeting, none of whom spoke.

Tuesday's presentation highlighted the new equipment and structure, which features additions like all new playground surfacing, two picnic tables, a fully-shaded swing area, a sand play area, a spiral slide, and even sensory panels that include bongo drums.

The swing set includes one infant

swing, three regular swings, and a parent/child swing which allows the parent and child to make eye contact while swinging—something staff said is desired by the residents.

At deliberation, the commissioners commended the thoroughness of the project, expressing their approval.

"I think it looks like a lot of fun," said Commissioner Alissa Roston. "I wish I [were] four or five years old again—for about ten minutes."

With the commission's unanimous vote in support of the proposal, staff will now present the Coldwater Canyon Park playground renovation project to the City Council next month.

four or five key players,” Geanakos said after his team was shut out for the third time this season.

The Normans had 23 players in uniform compared to 49 for the Panthers, according to coach David Young.

Some of the players who missed the game informed Geanakos Saturday they would not be at the game, others on Tuesday and Wednesday, he said.

“With all this technology of communicating, to get something the night before or the day of or two days before is not good,” Geanakos said.

Geanakos said it was “really upsetting” to have four or five players miss the game because their families were out of town for Rosh Hashana.

The Panthers (3-2) scored touchdowns on each of their first three possessions. Aidan Kuykendall threw 22- and 32-yard touchdown passes to Jared Patterson and Ethan Han and Han ran four yards for a touchdown to give Peninsula a 20-0 first-quarter lead.

Kuykendall ran five yards for a touchdown nine minutes, six seconds before halftime and 52 yards for another touchdown with 7:54 left in the third quarter.

Jacob Hangartner returned a punt 53

yards for a touchdown with 5:38 left to play in the third quarter. The rest of the game was played with a running clock after that.

Jack Haworth kicked a 27-yard field goal for the only points in the fourth quarter.

Running back Ilai Dardashti, defensive end Greg Carter, who made three quarterback sacks, offensive tackle Paul Chun Jr. and offensive tackle-defensive end Hyunjae Won drew praise from Geanakos for their play for Beverly Hills (0-5).

When asked how his team could benefit from the game against Peninsula, Geanakos responded, “The kids see that after having a couple games like this earlier in the season

and being able to be in position to win, it just takes a few kids not giving their all or a few kids missing that then can have disastrous effects.”

The Normans are 0-11-1 against Peninsula, formed in 1991 by the merger of Miraleste, Palos Verdes and Rolling Hills high schools, including a 45-0 loss last season. (Palos Verdes High School reopened in 2002.)

The game was scheduled when the Panthers “were in a down period,” Geanakos said. Peninsula had a 2-5 on-field record in 2015 and canceled its final three games because it believed it could no longer safely field a team “without putting the health of our remaining student-athletes in jeopardy,” then-Principal Mitzi Cress said.

“The minute we schedule them, they bring a coach over from (Palos Verdes High) and started to bring kids back in their program,” said Geanakos, whose team will next play at Hawthorne Oct. 6 to begin Ocean League play.

The Panthers improved to 7-4 in 2016 in Young’s first season as coach.

“For us to continue to schedule them is probably not wise for us,” Geanakos said. “I wish we saw in our community the desire to have their kids play football, which seems to be waning.

“The kids that are in program (are) staying, but we’re not getting new kids into the program. I know we’re doing something right to keep kids in the program, but I think we’ve maxed out on how many people in Beverly Hills are going to allow their kids to play football.”

sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. The requirements of California Civil Code Section 2923.5(b)/2923.55(c) were fulfilled when the Notice of Default was recorded. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-730-2727 or visit this Internet Web site www.ndscorp.com/sales, using the file number assigned to this case 16-20479-SP-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. Contractors are encouraged to submit prequalification packages as soon as possible, so that they may be notified of omissions of information to be remedied or of their prequalification status in advance of the prequalification deadline for this Project.

Answers to questions contained in the attached questionnaire are required. The CITY will use these documents as the basis of rating Contractors with respect to whether each Contractor is qualified to bid on the Project, and reserves the right to check other sources available. The CITY's decision will be based on objective evaluation criteria.

The CITY reserves the right to adjust, increase, limit, suspend or rescind the prequalification rating based on subsequently learned information. Contractors whose rating changes sufficiently to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing procedures described below for appealing a prequalification rating.

While it is the intent of the prequalification questionnaire and documents required therewith to assist the CITY in determining bidder responsibility prior to bid and to aid the CITY in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the CITY from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The prequalification packages should be submitted under seal to the **Office of the City Clerk, City of Beverly Hills, 455 North Rexford Drive, Room 290, Beverly Hills, CA 90210**. The following should be clearly marked on the outside of the package "CONFIDENTIAL PREQUALIFICATION STATEMENT FOR THE SERVICE INSTALLATION AND NETWORK MAINTENANCE OF THE BEVERLY HILLS FIBER SYSTEM, PROJECT 17-45"

The prequalification packages submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent per-

mitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the CITY and provide updated accurate information in writing, under penalty of perjury.

The CITY reserves the right to waive minor irregularities and omissions in the information contained in the prequalification application submitted, and to make all final determinations. The CITY may also determine at any time that the prequalification process will be suspended for the Project and the Project will be bid without

prequalification.

Contractors may submit prequalification packages during regular working hours on any day that the offices of the CITY are open. Contractors who submit a complete prequalification package will be notified of their qualification status no later than ten business days after submission of the information.

The CITY may refuse to grant prequalification where the requested information and materials are not provided by the due date indicated above. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. Neither the closing time for submitting prequalification packages for this Project will be changed in order to accommodate supplementation of incomplete submissions, or late submissions, unless requested by the CITY in its sole discretion.

In addition to a contractor's failure to be pre-qualified pursuant to the scoring system set forth in the prequalification package, a contractor may be found not prequalified for either

omission of or falsification of, any requested information.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made by the unsuccessful Contractor. An appeal is begun by the Contractor delivering notice to the CITY of its appeal of the decision with respect to its prequalification rating, no later than two business days following notification that it is not pre-qualified. The notice of appeal shall include an address where the Contractor wishes to receive notice of the appeal hearing. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the CITY, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal, a hearing shall be conducted no earlier than five business days after the CITY's receipt of the notice of appeal and not later than five business days prior to the date of the Notice Inviting Bids for this Project. Prior to the hearing, the Contractor shall, in writing, be advised

of the basis for the City's pre-qualification determination.

The hearing shall be conducted by a panel consisting of three members of the Department of Public Works senior management staff (the "Appeals Panel"). The Appeals Panel shall consider any evidence presented by the Contractor, whether or not the evidence is presented in compliance with formal rules of evidence. The Contractor will be given the opportunity to present evidence, information and arguments as to why the Contractor believes it should be pre-qualified. Within one day after the conclusion of the hearing, the Appeals Panel will render a written determination as to whether the Contractor is pre-qualified. It is the intention of the CITY that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.
