Committee Hears Early Plans for Wilshire/La Cienega Station

At its last meeting on December 20, the Beverly Hills Strategic Planning Committee was presented with preliminary ideas

Wilshire/La Cienega Station Schematic

and schematics for the Wilshire/La Cienega subway station, which will be operational in mid-2023 as part of the Metropolitan Transportation Authority's Purple Line Extension project.

City Project Manager Robert Welch said the tunnel for the station will be 3.92 miles long and is expected to accommodate 10,000 daily boardings when it first opens in 2023. That ridership is expected to drop to 6,500 daily boardings after section three of the extension project, which will connect downtown Los Angeles to the Westside, opens in 2026.

The goal of the subway station itself, however, is to draw those riders into Beverly Hills by presenting them with a design that pulls them off of the subway and up to the street level. Plans for how to accomplish this are in the early stages, Welch said, though he did share some of the early plans for street-level amenities, such as bike storage lockers, a bike share dock, artwork, landscaping, elevators, stairs, and escalators.

Committee member Kathy Reims asked Welch whether or not pick-up and drop-off would be included as part of the station, noting that it would "not be safe or efficient if it's added in as

an afterthought."

"We see rideshare cutouts and queuing lots at every venue these days, so I'm surprised that would not be immediately available as part of this," Committee member Myra Lurie agreed. "I think we can very safely predict people will be using that for first and last mile transit."

Welch said that Metro typically does not include drop-off and pick-up areas when constructing stations, but City Manager Mahdi Aluzri clarified that the City is planning to provide an area for dropping off and picking up subway users.

"One of the primary reasons the City acquired the Gale property is to provide for that opportunity," Aluzri said, referencing the City's purchase of 8421 Wilshire Boulevard, which was bought as part of the Memorandum of Agreement with Metro and is currently being used as a staging yard. "The unfortunate thing about it is the possession of the site is going to be later during the process because they're using it, so that might delay our chances to put something in place that will be available at the time that the station becomes operational. So, we're looking at other opportunities in the area to see what opportunities we have."

More details of what will be constructed at the street-level for the Wilshire/La Cienega station will be discussed at the January 10 meeting of the Traffic and Parking Commission as part of the City's Complete Streets Plan, which will outline potential infrastructure projects, policies and programs to be implemented city-

PTA Elections Focused on Fairly Representing Reconfigured Schools

Following BHPD reconfiguration, elections for next academic year's BHUSD parent-teacher associations (PTAs) will be focused on having fair representation across school families, according to current Beverly Vista PTA President Nathan Kruger.

At Beverly Vista, where students from each of the district's elementary schools will be pooled together to create Beverly Hills' first-ever middle school, representation is especially important.

"All these parents are going to be coming to Beverly Vista from the other schools, so obviously the parents from BV could easily be overrepresented on the executive board," Kruger said. "Because of that, we're doing a lot of work now to reach out to parents from other schools to build relationships and figure out who is most interested in taking on a leadership role. We really want to make sure we get them in."

One of the ways Beverly Vista is working to accommodate and represent all of the current K-8 schools on its new executive board, according to El Rodeo PTA President Molly Corey, is to change the number of individuals on their nominating committee—the group responsible for selecting the slate from which voters select board members—from three to five.

"BV has changed their nominating committee from three to five so that there will be one representative from each cur-

rent K-8 as well as a high school PTA parent without a kid in the younger grades," Corey said. Kruger called the high school parent a "tiebreaker" representative, who would help keep votes equitable.

In order to vote, serve on the nominating committee, or vote for who serves on the nominating committee, members must join their new school's PTA before January 26. After joining, parents can fill out forms at each of the district's schools to nominate himself or herself or another PTA member for an executive board position.

The nominating committee, which Corey said would form in February, will then use those nomination sheets to form a slate of potential candidates for the new executive board. In April, the full PTA will vote on which of the candidates will officially take the lead going into the 2019-20 school year.

"The dates have been pushed back a month so that more people will have the opportunity to get involved," Corey told the Weekly. "There has been a great deal of discussion about making the process equitable between the schools as well as having representation from each school on the executive board. If people really want to participate and volunteer their time,

Nathan Kruger

there will always be a space for them."

The play takes place in Hank's Bar, a roadside joint on a desolate highway, and opens with Hank, played by actor Kurtis Bedford, passing the time by perusing a porn magazine. Jonas, played by actor George Villas, is a drifter who wants to drink and not chat. The three of them become trapped inside the bar when a dust storm kicks up outside.

Stephen Daldry's Modern Reimagining of An Inspector Calls Comes to The Wallis

Stephen Daldry will direct his National Theatre of Great Britain's landmark production of J.B. Priestly's classic thriller *An Inspector Calls*, hailed as the theatrical event of its generation, in an exclusive West Coast engagement at the Wallis Annenberg Center for the Performing Arts from Tuesday, January 22 to Sunday, Feb-

ruary 10, 2019.

Featuring an iconic grand-scale set, Daldry's *An Inspector Calls* masterpiece was first staged in London in 1992, went on to award-winning runs in the West End, Broadway and elsewhere, including Los Angeles at the Ahmanson Theatre in 1996, and has been seen by over 4 million theatergoers worldwide. It has won an unprecedented number of awards during its runs, including three Olivier's, four Tony's and seven Drama Desk Awards.

Daldry faithfully and expertly remounts *An Inspector Calls* as a modern reimagining of the original 1945 script, set in 1912, about Inspector Goole and his unexpected arrival at the prosperous Birling family home, shattering their peaceful dinner party by his investigations into the death of a young woman. His startling

Stephen Daldry

revelations shake the very foundations of their lives and challenge audiences to question their own consciences. Cast members include Liam Brennan (Inspector Goole), Christine Kavanagh (Sybil Birling), Jeff Harmer (Arthur Birling), Andrew Macklin (Gerald Croft), Lianne Harvey (Sheila Birling), Hamish Riddle (Eric Birling) and Diana Payne-Myers (Edna).

"Daldry's iconic production of *An Inspector Calls* was a transformative moment for theater in the UK," says The Wallis' artistic director Paul Crewes. "Daldry, and his designer, Ian MacNeil, created an aesthetic that helped tell this story to a whole new generation of audiences. It's one of the most gorgeous pieces of theater I've seen."

Daldry, lauded for his work as a director and producer of film, theater, and television, is known for his work as Executive Producer and Director on the highly acclaimed Netflix series "The Crown" and for his work on Broadway and the West End, including his award-winning *Billy Elliot the Musical*, which opened at the Victoria Palace Theatre in 2005 and ran for 11 years. It has also played on Broadway, in Holland, Seoul, Sydney, Melbourne, Chicago, Toronto, Tokyo and across the US. In 2009, the production won ten Tony awards, including Best Musical, more than any other British show in Broadway history.

Tickets, \$35 to \$105, are on sale now and, available at TheWallis.org/Inspector. The Wallis Annenberg Center for the Performing Arts is located at 9390 N. Santa Monica Blvd.

Hubbard Street Dance Chicago and Third Coast Percussion at The Wallis

The Wallis Annenberg Center for the Performing Arts is set to present the highly anticipated West Coast premiere

of excerpts from the first collaboration between the acclaimed Chicago-based company Hubbard Street Dance Chicago and Grammy Award-winning Third Coast Percussion with three performances on Thursday, January 10 through Saturday, January 12 at 7:30 p.m.

The new works, both by Los Angeles choreographers, include "For All Its Fury" by YouTube sensation Emma Portner, who gained international attention for her video and tour choreography for Justin Bieber, and "Everything Must Go," by Teddy Forance, whose work has been featured on the hit television show "So You Think You Can Dance." Inspired by the principal of sustainability and loosely intertwined, the works feature a powerful score by British singer/songwriter/composer Devonté Hynes, also known as Blood Orange, which will be performed live on stage by Third Coast Percussion. The highly regarded quartet of classically trained percussionists also performs a solo interlude by Hynes. Hubbard Street's Wallis debut launches a four-month North American tour by the company that also includes stops in New York City, West Palm Beach, FL, and Vancouver, British Columbia.

Additionally, Hubbard Street will perform three works from its established repertoire, among them "Ignore," an excerpt from "Decadence/Chicago" choreographed by Ohad Naharin for Hubbard Street and premiered by the company in June 2018. Featuring five female dancers and set to the music of Arvo Pärt, it includes spoken word by Bobbie Jene Smith. Naharin, the former artistic director of the Tel Aviv-based Batsheva Dance Company who developed the dance style known as Gaga, was lauded by Chicago *Slash Magazine* for work that "unlocks a fresh dance vocabulary, and for his accessible, interactive creations."

Three of the company's male dancers are spotlighted in Alejandro Cerrudo's witty "PACOPEPEPLUTO," featuring the characters Paco, Pepe and Pluto and set to songs popularized by the "king of cool," Dean Martin, in the '50s and '60s. Cerrudo, Hubbard Street's first-ever Resident Choreographer, has created 15 works for the company.

Closing the program is "Solo Echo," a weighty work for seven mixed dancers choreographed by Crystal Pite to Brahms' "Sonata for Cello and Piano in E Minor" and based on "Lines for Winter," a poem reflecting on life, loss and death by Pulitzer Prize recipient and former American Poet Laureate Mark Strand.

Single tickets are \$35-\$105 and are available for purchase at TheWallis.org, over the phone at (310) 746-4000, or at The Wallis ticket services office located at 9390 N. Santa Monica Boulevard.

REMEMBERING BARBARA YAROSLAVSKY

A 1965 Beverly High graduate, Barbara Edleston Yaroslavsky, wife of former Los Angeles County Supervisor Zev Yaroslavsky, died last Wednesday at Cedars-Sinai Medical Center after complications from West Nile virus. She was 71.

In life, Yaroslavsky was a longtime activist and volunteer in the Jewish community and on behalf of several nonprofit and social services agencies, particularly those focused on education and healthcare.

She was president of Los Angeles' Commission on Community and Family Services at the time of

her death and was a former chair of the Medical Board of California. Yaroslavsky also served on the advisory board of LA's BEST Afterschool Enrichment Program for underserved youth.

She is survived by her husband of 47 years, two children, four grandchildren, a brother and sister-in-laws.

Funeral services were held on Sunday, where speakers included members of her family and Los Angeles Mayor Eric Garcetti.

We asked a handful of her Beverly Hills-area friends to share their favorite memories of her.

Toni and Bruce Corwin:

"Barb was, simply said, the REAL DEAL. She knew what mattered. She knew how to get things done. Her heart knew only kindness and how to share it with others. She will be missed by the countless friends who shared her life and were part of her village."

Former Congressman Jane Harman (D-Venice):

"Zev was already a political hot shot when I first ran for Congress in 1992. He didn't have to have much time for me, but he—and especially the warm and wonderful Barbara—provided guidance and friendship. This continued through the years, and their partnership was a fabulous example to the rest of us struggling with work/life balance. Their post-elected politics chapter was proceeding so well until a cruel and rare illness struck Barbara. Her unexpected death is a shock wave. Zev has to know how many of us will do everything we can to fill the void and cherish her memory."

Ada Horwich:

"It's so very hard to imagine being at an important Democratic or Jewish community event without seeing dear Barbara. I always made a point of saying hello, giving her a hug or throwing her a kiss. I loved her humor and intelligence and her devotion to her values and principles. Barbara will truly be missed and never forgotten."

Former Congressman Mel Levine (D-Santa Monica):

"Barbara Yaroslavsky was beloved in our community for many reasons. She seemed to be everywhere—working smartly and effectively to help on so many causes and issues: education, health care, the arts (especially music), embodying and advocating the values of tikkun olam. And, whatever the cause and wherever the venue, she always combined preparation, wisdom, clarity, wit and a sly sense of humor. She was deeply knowledgeable. When she spoke, people listened—and responded. She was forceful while still being graceful. She was wise and knew when and how to most effectively suggest the most effective course of action. And she was al-

ways warm and inclusive. As my sister, Dena Schechter, put it she seemed to materialize wherever she was needed. I will greatly miss her sense of humor, poking fun at pretension in a lighthearted way.

Barbara and Zev's marriage seems to me to have been a 47-year love affair. Throughout those years, Barbara's uncommon insights, warmth, wise counsel, energy and broad and deep engagement provided incredible blessings not only to her family and close friends but throughout our community."

Dick Rosenzweig and Judy Henning:

"Barbara, a genuine force of nature, with her compassion, intellect, dedication to social values, closeness to family and friends and a wonderful sense of humor was a truly unique woman. She was a star that burned brightly whose warmth and deeds will forever live on – a special person in our lives."

Retired BHPD Chief Dave Snowden and Ellyn Snowden

"We are shocked and saddened by the tragic loss of Barbara Yaroslavsky. Our thoughts

and prayers are with Zev and the family as we join their many friends in mourning her passing. We have had the privilege to know both Barbara and Zev personally and professionally for many years. Barbara was an example to others of how to live your life, to serve the community, to take risks, and to be productive with a never-ending zest for new experiences. Go in peace, go in love, knowing the heart of the community was strengthened by your presence. May your memory be a blessing to all of us."

Former Board of Education member Myra Lurie:

"I adored Barbara Yaroslavsky. A woman of exceptional intelligence, warmth and seemingly endless energy in pursuit of tikkun olam (repairing the world), she was also a really fun lunch buddy. I will deeply miss our treasured friendship, her wise and thoughtful counsel, and sharing short-rib sandwiches."

City to Help With Christmas Tree Removal

As the holiday season comes to a close in Beverly Hills, the City has promised to help residents properly dispose of their Christmas Trees.

According to Public Information Officer Keith Sterling and Public Information Coordinator Garin Hussenjjan, all residents need to do if they want the City to take away their tree is place it beside their trash containers on their regular trash pick-up day.

"Please remove all ornaments off your tree and, if you can, remove the tree stand," Hussenjjan said. "Leave the tree next to your trash containers on trash pick-up day. We'll take care of the rest!"

Hussenjjan said the City will continue collecting trees until there are none left to pick-up.

Water Repairs Completed, Conservation Order Lifted

Crews from the Metropolitan Water District (MWD) of Southern California completed repairs on the main water delivery pipeline serving Beverly Hills

last week and Sunset at Alpine Drive reopened in both directions on Sunday morning, with final repairs to be made to the roadway this month.

"We are thankful for the community's cooperation and the diligence of all who worked to resolve this leak as quickly as possible," said Beverly Hills Mayor Julian Gold.

During the repairs, city residents and businesses were asked to take extra steps to conserve water until the water line was returned to service. Normal water-efficient habits have since resumed.

"Thanks to the patience and cooperation of the residents, visitors and businesses in Beverly Hills, we've been able to make these emergency repairs and ensure the city has a reliable water supply," said Jim Green, MWD's water systems operations manager.

Evidence of the leak was first discovered at the intersection of Sunset Boulevard and Alpine Drive in late December. After pinpointing the exact location of the leak in the Santa Monica Feeder, which spans 24 miles and provides treated water to five cities along the way including Beverly Hills, crews began repairs last Wednesday.

WHAT'S YOUR NEW YEAR'S RESOLUTION?

By Kelcey Caulder

It's that time again. As Beverly Hills rings in the New Year and the holiday season shifts into one of new expectations, community members are setting their goals for 2019. This year, the Weekly asked various city officials and community members to reflect on their New Year's resolutions.

BOARD OF EDUCATION VICE PRESIDENT ISABEL HACKER

"Aiming to live each day with good purpose."

BHEA PRESIDENT ETHAN SMITH

"I'm proud that the Beverly Hills Education Association and the BHUSD have worked together this year and avoided a strike. I resolve to do all I can during re-configuration to continue to improve relations between BHEA and BHUSD and give our students

the best education possible."

ARCHITECTURAL COMMISSION CHAIR SHERI HIRSCHFELD

"Try to make someone's day each and every day. It doesn't take much to make that happen."

PTA COUNCIL CO-PRESIDENT ROSE KAISERMAN

"This year, aside from the usual 'I want to shed a few pounds' resolution, I would like to put more effort into taking time to spend with my loved ones. My eldest will be entering his senior year at Beverly High this fall and I am reminded of how quickly time passes. I

want to cherish every moment with him and the ones I love because the one thing I've learned as I grow older is that time is worth so much more than money and the memories you make with the ones you care about are absolutely priceless."

HUMAN RELATIONS COMMISSION CHAIR SONIA BERMAN

"I have three resolutions for 2019. First, personally. I hope to be less harsh on myself when I fall short of my own expectations for accomplishments. Second, professionally. I want to continue teaching the life-saving skills of CPR and First Aid in order to

save more lives. And third, the community. I want to continue promoting and practicing civility in all aspects of both the community and my life."

SANDY AND BARRY PRESSMAN

"We resolve to laugh more and to better navigate the humps and bumps that life presents."

ATTORNEY RONALD RICHARDS

"My new years resolution: To stay out in front of all pending Hillside projects and make sure our Hillside's maintain their current appearance and natural landscape for generations to come."

ARCHITECTURE COMMISSION VICE CHAIR SHARON PERSOVSKI

"For this New Year's 2019 Resolution, I would like to see a great impact in cultural arts integration in our community; the benefits of outstanding cultural programs enriches the lives of our residents, businesses and vis-

itors. We take pride in our City and we all need to work together in taking care of its image. The Architecture Commission sets high standards because Beverly Hills deserves nothing else than excellence. Let's hope 2019 is the year that we accomplish our highest goals!"

You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE OF PETITION TO ADMINISTER ESTATE OF:

SALLY A. MASON
CASE NO. 18STPB11409

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of SALLY A. MASON.

A PETITION FOR PROBATE has been filed by GEORGE ANN MASON AND TERESA A. PETERS in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that GEORGE ANN MASON AND TERESA A. PETERS be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act . (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site WWW.STOXPOSTING.COM, using the file number assigned to this case 073812-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. FOR SALES INFORMATION: (844) 477-7869 CLEAR RECON CORP 4375 Jutland Drive San Diego, California 92117

PROJECT 19-01
CITY OF BEVERLY HILLS

DEPARTMENT OF PUBLIC WORKS
345 FOOTHILL ROAD
BEVERLY HILLS, CALIFORNIA 90210

REQUEST FOR PREQUALIFICATION OF BIDDERS AND PREQUALIFICATION INSTRUCTIONS FOR MULTIPLE PROJECTS:

LIBRARY DATA CENTER UPS SYSTEM REPLACEMENT PROJECT

Notice is hereby given that the City of Beverly Hills ("CITY") has determined that all bidders for the Library Data Center UPS Replacement ("Projects") must be pre-qualified prior to submitting a bid on that Project. This prequalification is valid for two years and for more than one project. It is mandatory that all Contractors who intend to submit a bid, fully complete the prequalification questionnaire, provide all materials requested herein, and be approved by the CITY to be on the final qualified Bidders list.

No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid. The last date to submit a fully completed questionnaire is **5:00PM on Tuesday, January 15, 2019**. Contractors are encouraged to submit prequalification packages as soon as possible, so that they may be notified of omissions of information to be remedied or of their prequalification status in advance of the prequalification deadline for this Project.

Answers to questions contained in the attached questionnaire (posted on the City's Website [Beverlyhills.org -> Business -> Bid Listings -> Prequalification Package Beverly Library Data Center UPS Replacement Project]) are required. The CITY will use these documents as the basis of rating Contractors with respect to whether each Contractor is qualified to bid on the Project, and reserves the right to check other sources available. The CITY's decision will be based on objective evaluation criteria.

The CITY reserves the right to adjust, increase, limit, suspend or rescind the prequalification rating based on subsequently learned information. Contractors whose rating changes sufficiently to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing proce-

dures described below for appealing a pre-qualification rating.

While it is the intent of the prequalification questionnaire and documents required therewith to assist the CITY in determining bidder responsibility prior to bid and to aid the CITY in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the CITY from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The prequalification packages should be submitted under seal to the Office of the City Clerk, City of Beverly Hills, 455 North Rexford Drive, Room 290, Beverly Hills, CA 90210. The following should be clearly marked on the outside of the package "**CONFIDENTIAL PREQUALIFICATION STATEMENT FOR THE LIBRARY DATA CENTER UPS SYSTEM REPLACEMENT PROJECTS**". For any Questions regarding the questionnaire and the qualification package contact, **Mandana Motahari (email: mmotahari@beverlyhills.org)**.

The prequalification packages submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the CITY and provide updated accurate information in writing, under penalty of perjury.

The CITY reserves the right to waive minor irregularities and omissions in the information contained in the prequalification application submitted, and to make all final determinations. The CITY may also determine at any time that the prequalification process will be suspended for the Project and the Project will be bid without prequalification.

Contractors may submit prequalification packages during regular working hours on any day that the offices of the CITY are open. Contractors who submit a complete prequalification package will be notified of their qualification status no later than ten business days after submission of the information.

The CITY may refuse to grant prequalification where the requested information and materials are not provided by the due date indicated above. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. Neither the closing time for submitting prequalification packages for this Project will be changed in order to accommodate supplementation of incomplete submissions, or late submissions, unless requested by the CITY

in its sole discretion.

In addition to a contractor's failure to be pre-qualified pursuant to the scoring system set forth in the prequalification package, a contractor may be found not prequalified for either omission or falsification of, any requested information.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made by the unsuccessful Contractor. An appeal is begun by the Contractor delivering notice to the CITY of its appeal of the decision with respect to its prequalification rating, no later than two business days following notification that it is not pre-qualified. The notice of appeal shall include an address where the Contractor wishes to receive notice of the appeal hearing. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the CITY, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal, a hearing shall be conducted no earlier than five business days after the CITY's receipt of the notice of appeal and not later than five business days prior to the date of the Notice Inviting Bids for this Project. Prior to the hearing, the Contractor shall, in writing, be advised of the basis for the City's pre-qualification determination.

The hearing shall be conducted by a panel consisting of three members of the Department of Public Works senior management staff (the "Appeals Panel"). The Appeals Panel shall consider any evidence presented by the Contractor, whether or not the evidence is presented in compliance with formal rules of evidence. The Contractor will be given the opportunity to present evidence, information and arguments as to why the Contractor believes it should be pre-qualified. Within one day after the conclusion of the hearing, the Appeals Panel will render a written determination as to whether the Contractor is pre-qualified. It is the intention of the CITY that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

Introducing

COMPASS CONCIERGE

Investing in physical improvements to a home can increase its sale price dramatically, but many clients aren't able to spend that money. With Compass Concierge, I can now fund the cosmetic services that will increase the value of your property--staging, repairs, deep cleaning, landscaping--and when your home sells, you'll simply add that amount (and nothing more) to the commission.
