## “Beverly Hills Fire Fighter Vaccine Mandate”

AN OPEN LETTER FROM COUNCILMEMBER JOHN MIRISCH

Dear Beverly Hills Fire Association board members,

Thank you for your letter [to the Council] which we received on Aug.27 in which you “strongly oppose vaccine mandates for our firefighters and believe that each individual should maintain the right to make their own medical decisions.”

In that email it further states: “Our hope is that the City of Beverly Hills will be supportive in the effort to find alternatives or accommodations for our members that are unable or unwilling to get vaccinated.”

As your note states, vaccinations protect the employees as well as the members of our community. The flip side of that statement is that unvaccinated employees put themselves as well as the members of our community at risk.

Of course, individuals have the right to make their own medical decisions, but there are quite naturally consequences attached to those decisions. What is not acceptable is for any of our employees to put members of our community further at risk, especially not the members of the Fire Department, who are meant to protect our residents and community. Considering that more than 80% of Fire Department calls are EMS calls, the members of the BHFDF come into closer contact with our residents – including those who are medically vulnerable – than almost any other class of city employee.

Allowing unvaccinated employees to come into contact with our community members exposes those community members to unnecessary risk. As such, I am both surprised and disappointed that you would be willing to put our community members at further risk of infection.

Personally, I believe all of our employees who come into contact with any member of the public must be vaccinated, unless there is a medical or religious reason for an exception. It should be considered a job requirement like any other. In situations where there are medical or religious exceptions, unvaccinated employees should not be allowed to come into contact with members of the public or other employees. We might be able to accommodate those who are unable or unwilling to be vaccinated with remote work, but only if they can adequately perform their duties completely remotely.

Vaccine mandates are legal and they serve to protect both the employees and our community members. While employees can make decisions for themselves, they cannot and should not be allowed to make a decision which would unnecessarily expose a community member to Covid-19 as a matter both of policy and

ethics.

Please understand that my views represent my personal perspective and that I do not speak on behalf of the Council.

## Traffic and Parking Commission to Discuss San Vicente Bike Lanes

At their Sept. 2 meeting, the Traffic and Parking Commission is expected to discuss the conceptual design of bike lanes on southbound San Vicente Boulevard. The feedback from the commission will be incorporated into the bike lane design, which is expected to be finalized in the fall.

Bike lanes on southbound San Vicente Boulevard are recommended in the Complete Streets Plan, which is a design approach that integrates places and people in the design, planning, operation, construction, and maintenance of our transportation networks. This results in a connected system where certain streets prioritize different modes of travel.

Proposed and Existing Bike Facilities

Through the implementation of the Complete Streets Plan, the city aims to transform the community into one that embraces all modes of travel.

“I do think the San Vicente bicycle lane as proposed is good for the community for several reasons. San Vicente is a high-volume, high-speed corridor that fails to prioritize the safety of those who choose to ride a bicycle. What is needed on the southbound

## NOTICE OF PUBLIC HEARING

The Council of the City of Beverly Hills, at its regular meeting to be held on **Tuesday, September 14, 2021 at 7:00 p.m., or as soon thereafter as the matter may be heard**, will hold a public hearing to consider:

### RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS AMENDING THE COMPREHENSIVE SCHEDULE OF TAXES, FEES & CHARGES TO ADD A ROOFTOP DINING PERMIT APPLICATION FEE FOR THE FISCAL YEAR 2021-22

The fee resolution would amend the comprehensive schedule of taxes, fees, and charges for Fiscal Year 2021-2022 to include a new fee for the processing of a “Rooftop Dining Permit” application request. The Rooftop Dining Permit is a discretionary entitlement that allows rooftop dining uses on certain properties located in the C-3 Commercial Zone in the Business Triangle area of the city, upon review and approval.

### HOW TO PARTICIPATE IN THE CITY COUNCIL MEETING

Pursuant to Executive Order N-25-20 members of the Beverly Hills City Council and staff may participate in this meeting via teleconference/video conference. In the interest of maintaining appropriate social distancing, members of the public can access City Council meetings telephonically, through live webcast, and BHTV Channel 10 on Spectrum Cable.

To submit Audio/Oral comments during the hearing call: 310-288-2288, to submit written comments please email: [cityclerk@beverlyhills.org](mailto:cityclerk@beverlyhills.org), to submit video comments (during public comment only) use <https://beverlyhills-org.zoom.us/my/bevpublic> (passcode: 90210). To Watch Video Live use <http://beverlyhills.org/live> or On-Demand use <http://beverlyhills.org/citycouncilmeetings>.

It is recommended that public written comments be submitted to the City Clerk’s office by 12:00 p.m. on the meeting date. Public comments will also be taken during the meeting when the topic is being reviewed by the City Council. Written comments should identify the Agenda Item Number or Topic in the subject line of the email. Written comments will be allowed with a maximum of 350 words, which corresponds to approximately 3 minutes of speaking time. If a comment is received after the agenda item is heard, it will not be a part of the record. Public comment via video conference will be 3 minutes per each individual comment, subject to City Council discretion.

Any interested person may participate in the meeting and be heard or present written comments to the City Council. According to Government Code Section 65009, if you challenge the Council’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

side is a dedicated, high-visibility space where bicyclists belong and where drivers will know where to look for them,” Mark Elliot, founder of Better Bike said in a statement to the Weekly.

Based on feedback received from the commission at their Aug. meeting, staff intends to implement the bike lanes.

“The proposal would slightly narrow the travel lanes and that is all to the good because it may also reduce the speed of motor traffic. Lower speeds improve street safety for all users — pedestrians, bicyclists and motorists too,” Elliot said.

This bikeway is not identified as a high priority project in the Complete Streets Action Plan; however, it can be installed without significant tradeoffs, and there would be no loss of parking or reduction in vehicle lanes. The existing street configuration on southbound San Vicente Boulevard includes three 12-foot travel lanes and one on-street parking lane. The proposal for bike lanes on San Vicente Boulevard would narrow the travel lanes to 10-feet to provide a 6-foot bike lane.

“Bicycle lanes will mean more people choosing to ride for convenience. Survey respondents have told the city that when they see a bicycle lane they feel better about bicycling; and they say they are

more likely to choose to bicycle for local trips. That’s exactly what we want to happen because our city plans for more than a decade have encouraged people to travel by means other than a single-occupancy vehicle. That’s good for the environment, it’s better for vehicle congestion, and it’s better for our collective health too,” Elliot said.

Design and installation of the bike lanes on San Vicente Boulevard is estimated to cost \$80,000 to \$90,000.

### Planning Commission Denies Request for Historic Incentive Permit

The Planning Commission unanimously adopted a resolution at their Thursday meeting to deny the request for a Historical Incentive Permit (HIP) that waives certain development standards.

HIPs allow deviations and waivers from development standards and are available to properties that are designated as local historic landmarks.

A proposed project for the Anthony-Kerry House, located at 910 North Bedford Drive, was initially reviewed by the Planning Commission at its Thursday, July 22

meeting. The commission was not supportive of the requested Historic Incentive Permit and implied they would not be able to make the findings required to approve the project. The commission was specifically concerned with whether the project met the intent of a HIP; the scale of the addition to the property; and maintaining the garden quality of the city.

The property is located at the southeast corner of the intersection of North Bedford Drive. It is a two-story single-family residence with an area of approximately 33,971 square feet. The residence was

910 North Bedford Drive

originally constructed in 1909 on a property in Los Angeles. In 1923, the property was relocated to Beverly Hills by actor Norman Kerry after he and his wife pur-

chased the house to avoid its demolition. The residence has retained most of its character-defining features and is known as the best example of high-style Craftsman architecture in the city.

The Cultural Heritage Commission has previewed the proposed project at various meetings in 2019 and 2020 and was unable to provide unanimous support for the proposed project. The proposed project would involve a two-story addition with a two-story subterranean basement.

### Rodeo Drive Committee Discuss Holiday Lighting Celebration Proposal

At their Aug. 30 meeting, the Rodeo Drive Committee discussed a proposal for the 2021 Holiday Lighting Celebration, which will occur on Rodeo Drive on the evening of Thursday, Nov. 18.

Each year the city sponsors a holiday program designed to celebrate the season and attract visitors to shop and dine in the city. The celebration is scheduled from 5 p.m.-8 p.m. and will include; live vocal performances, an appearance by Santa, photo activations, oversized bicycle and stilt performers, LED drummers, fireworks, a beer and wine garden, and food trucks with at least one Kosher food option.

The committee is also proposing to have

## NOTICE OF PUBLIC HEARING

The Council of the City of Beverly Hills, at its regular meeting to be held on **Tuesday, September 21, 2021 at 7:00 p.m., or as soon thereafter as the matter may be heard**, will hold a public hearing to consider:

### AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE IN LIEU PARKING REGULATIONS AND PARKING REQUIREMENTS FOR RESTAURANT USES, AND TO AMEND PRIVATE TRAINING CENTER REGULATIONS

The proposed Ordinance would amend various sections of the Beverly Hills Municipal Code (BHMC) to amend existing parking regulations for restaurants, as follows:

- Reduce the parking requirements for restaurant uses, with varying requirements for restaurants located inside and outside of the Business Triangle;
- Reduce the fees for the In Lieu Parking program for restaurant uses; and
- Change the review process and eligibility criteria for restaurants participating in the In Lieu Parking program to allow restaurants to utilize the program more easily.

The changes related to restaurants are generally consistent with the regulations enacted in Interim Urgency Ordinance No. 19-O-2796 by the City Council in December 2019. In addition, the City Council will consider the Planning Commission’s recommendation to approve proposed changes to regulations pertaining to private training centers, which are boutique-type fitness uses. These proposed changes may include, but are not limited to the following:

- Reductions to parking requirements for private training centers, with varying requirements based on the size of the private training center and location either inside or outside of the Business Triangle;
- Allow private training centers up to a certain size to be permitted by-right or through a Conditional Use Permit (CUP) inside and outside of the Business Triangle;
- Allow private training centers on the ground floor of the Business Triangle, and allow visible exercise areas for private training centers on the ground floor of the Business Triangle;
- Replace the maximum student-to-teacher ratio limit with a limit based on total attendees, and allow up to 30 attendees in a private training center at any one time, and a maximum ratio of 1 person per 100 square feet of floor area, not including the class instructor; and
- Require that any private training center located on the ground floor provide a retail and reception area with a minimum 5% of floor area dedicated to retail uses, and a minimum 10-foot setback from the store façade for any exercise area.

**UPDATE:** A resolution recommending City Council adoption of the Ordinance including the restaurant and fitness changes was reviewed by the Planning Commission on September 14, 2021. The Planning Commission unanimously approved the resolution.

### ENVIRONMENTAL REVIEW

The proposed Ordinance has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. Upon review, the

Ordinance appears to be exempt from CEQA regulations, pursuant to Section 15061(b)(3) of the State CEQA Guidelines, which is applicable to projects for which it can be seen with certainty that there is no potential to have a significant effect on the environment. In addition, the draft ordinance appears to qualify for a Class 5 Categorical Exemption (Minor Alterations in Land Use Limitations) in accordance with the requirements of Section 15305 of the State CEQA Guidelines, which is applicable to projects with minor alterations to land use limitations in areas with an average slope of less than 20% and do not result in changes to land use or density. Since the proposed Ordinance may include changes to regulations pertaining to restaurant and fitness uses, these exemptions are applicable, and the City Council may find the Ordinance exempt from further review under CEQA pursuant to Sections 15061(b)(3) and 15305.

### HOW TO PARTICIPATE IN THE CITY COUNCIL MEETING

### Rodeo Drive

an enhanced audio system and playlist for the five weekends between Nov. 18th and Dec. 24th. This enhanced audio system will include speakers in the center median of Rodeo Drive, as well as a customized playlist.

The celebration would require an overnight street closure of Rodeo Drive from Wilshire Boulevard to South Santa Monica Boulevard, as well as portions of Brighton Way and Dayton Way.

The holiday lighting celebration is funded by the Tourism and Marketing budget. Funding is available to cover the funding request by the committee of \$529,776 as well as the music playlist cost of \$11,500.

### Traffic and Parking Commission to provide Update on Free Parking Structures

The Traffic and Parking Commission is expected to provide an update on the city's Parking Access Revenue Control System upgrade and replacement project, at their Thursday meeting. Currently, there are 14 gated off-street public parking structures and a parking command center with a total of 5,942 parking spaces.

The Parking Access and Revenue Control System is the parking equipment used for the collection of parking fees. This equipment includes cash registers, gate arms, pay-on-foot machines, ticket dispensers, validation machines, monthly parking keycards, and other related hardware and software used to operate the parking facilities.

The current Parking Access Revenue Control System equipment and software is at the end of its life. City Council approved a contract with SKIDATA, Inc. for the Parking Access and Revenue Control System Replacement and Upgrade Project.

The city will transition all 14 off-street parking structures towards a more virtual parking program and will largely rely upon a license plate-

based system. This integration will give Traffic Control Officers the ability to more efficiently monitor compliance of parking regulations within the parking structures.

Structures with lower traffic volumes will receive the updated equipment before attempting to convert higher volume facilities. Implementation at all facilities is expected to be completed by 2023.

The estimated cost of the project is \$5,365,862.28.

### Planning Commission Discuss Inclusionary Housing Regulation

The Planning Commission provided feedback for a future draft ordinance on inclusionary housing regulations at their Thursday meeting.

On December 17, 2019, the City Council adopted an interim urgency ordinance that established inclusionary housing requirements for certain residential developments due to concerns of the lack of affordable housing. Since the ordinance was immediately effective, it provided the benefit of applying an inclusionary housing requirement on new housing projects, and provided time to further study this topic to adopt permanent regulations.

Although the ordinance is currently in effect, the ordinance may not be extended further and will expire on December 16, 2021, due to limitations in state law. The city council has directed staff to prepare studies related to this topic and to work on drafting permanent regulations to be adopted prior to the expiration of the urgency ordinance.

"If we just do what we've always been doing, which is crafting a similar ordinance now, we are not going to make any progress, because we've already seen it doesn't work. The interim ordinance was in place and we haven't gotten applications moving and projections going," said Commissioner Myra Demeter.

The Inclusionary housing program is designed to help slow or prevent displacement in a community by providing new units at affordable rates for those that may be priced out of traditional housing. The program is intended to encourage the development of affordable housing by requiring developers to provide a certain number of affordable units in a project.

The study looked at how to draft the inclusionary housing production requirements while still maintaining the interests

of property owners and developers, and not deprive the owner of a reasonable and fair return on their investment.

The study concluded that the maximum inclusionary housing percentage for a low-income rental development is 12%, while the maximum for moderate-income is 15%.

The commission will continue the hearing at their Sept. 9 meeting.

### City Council to Consider Final Draft Plan

The City Council is expected to consider adoption of the Final Draft Plan for "Connect Beverly Hills," at their Sept. 14 meeting.

In May 2020, the city launched the first in a series of streetscape plans that are intended to design new street standards for commercial corridors throughout the city. Connect Beverly Hills is intended to create a streetscape plan for both Wilshire and La Cienega Boulevards to set the stage for an enhanced street environment that is both safe and comfortable.

The streetscape plan also establishes guidelines for the public right-of-way and is intended to help develop a vision for new sidewalk designs and pedestrian amenities that help prepare the community for the opening of the subway.

The city expects an increase in pedestrian activity along Wilshire and La Cienega Boulevards, with the coming Metro D Line, scheduled to open in 2023.

This project is the first step in completing streetscape plans for other commercial streets.

### Purchase Order Pulled From BHUSD Consent Calendar

Mary Wells

At the Aug. 24 BHUSD meeting, Board of Education Member Mary Wells pulled the purchase order from the consent calendar as a discussion item.

Bond Management Services had nine separate orders, totaling

\$6,100,985. According to the bond performance audit report, the document that included a detailed review of the staffing needs by the district was not available.

Based on inquiry, the district conducted a review of the bond program staffing needs, however, this review was not included in the purchase order.

"I think it's appropriate for us to now follow up with that by asking for the backup when we receive these purchase orders, and so I have requested to receive that information," said Wells.

### BHUSD Approves New Agreement for Restoration of BHHS Logo

The BHUSD Board approved an agreement with Boss Graphics, Inc. to restore a branded logo on the upper east facing exterior gym wall and to replace the old logo on the lower east facing exterior Gym wall, at their Aug 24. meeting.

The board also voted to go with a white background on the upper east facing exterior gym wall, rather than an orange one.

Unofficial Mockup of Logo

"I do think the orange background on the logo is a tad bit much, especially to those passing by in front of the school. It's definitely rather distracting which may have been what we were going for, but I think that a white background would both help to make it simpler. Which is sometimes better, as well as emphasize the logo itself rather than the background," said Student Board Member Eli Ramer.

The contract will not exceed more than \$33,425.00.

## MISS TEEN UNIVERSE TO COMPETE IN DUBAI

### Alana Morgan to Share Her Platform of Spreading Kindness

By Danielle Berjikian

**Tell us a little bit about how and why you got involved in pageants?**

I started off doing pageants because of my mom. She never really did one herself, but her and her family always wanted to growing up, and they loved what these women represented and they loved how it showcased more than just beauty, as well as having the brains to back up your beauty. She kind of inspired me in a way to join them by educating me,

and we watched them together. I started off in 2015 when I joined the Miss West Coast Pageant [directed by Tara Rice] and I ended up winning. So I really got started into all of this because of my mom [Tina Perkins].

**Tell us about the Pageant in Dubai you will be competing in.**

I am currently Miss Teen Universe USA. I will be representing the USA in Dubai. It will be for around two weeks, I believe Oct.

25 is when I leave to Nov. The 7th. It will be held [at the] Atlantis [in] Dubai. So, I am really excited because my pageant journey has been absolutely amazing and incredible, and I've been able to inspire so many people across the country for being able to represent the USA in Dubai. It has been an absolutely amazing experience as well as my platform.

**Tell us a little bit about your platform.**

I have the platform of kindness. Kindness covers everything that's going on in our world today, that's why I picked it. It's a universal topic and so I worked with a kindness organization and some things that we did is we created a kindness wall

at my high school where I recently graduated, Beverly Hills High School. We did it in honor of a teen story we heard on social media. We got a proclamation made in his honor because he was brutally murdered in New York. We also got kindness pins from the Mayor of Beverly Hills at the time and everything to create this whole kindness wall at Beverly Hills High School, and some other acts of kindness that we've done recently

***“So many of those words [verbal bullying] are exactly what they are today, they're words, they can't hurt you, don't let it affect you, and to use those words as a platform to become bigger and better, and to use it as motivation to be able to reach your goals to not let it get you down overall”***

is I was able to give out over 5,000 toys to children for Christmas. I also partnered with Helpful Honda Dealers [see issue 1138] to give out free ice cream to different communities, pay for people behind me. Just different acts like that. I just feel like kindness goes hand in hand with anything that's going on in the world today, and it would really help with a positive word, or just saying something kind to someone would really

ly make their day. You never know what someone is going through, so I really wanted to choose a topic that was universal and could connect to everyone.

**Tell us about the work you have done with the Mathew Silverman Memorial Foundation and the weRpossible Project, and how you got started with them?**

They were actually when I first started doing pageantry I became a board member for the weRpossible Project and so pretty much the Mathew Silverman Foundation and the weRpossible Project are all projects to help in teen suicide. I started working with them from the amazing person who helped run it all

behind the scenes, Candace Yoder. She really helped really put it all together and so I just became at the forefront to help those who were struggling with mental illnesses, or to be at the forefront of different teen issues to let them know that they should never make a temporary decision permanent and to just kind of be their light at the end of the tunnel when they needed it.

**In a previous interview with the Weekly, you mentioned that bullying had a lot to do with you pursuing pageants, can you elaborate on that?**

Yes, so growing up I was bullied and it was really hard for me at times. I wouldn't say it was as extreme as a lot of peoples bullying often were but I definitely have been feeling this courage I felt as people were saying negative things to me to bring me down and they would often try to just kind of get my head out of the game and just make me feel as if I were worthless. So, it definitely played a big role in my pageantry journey because I was able to use that story as a sense of the way I overcame and became the amazing girl and woman that I am today, and the amazing queen that I am today. So many of those words are exactly what they are today, they're words, they can't hurt you, don't let it affect you, and to use those words as a platform to become bigger and better, and to use it as motivation to be able to reach your goals to not let it get you down overall.

**You're a recent high school graduate, are you currently in college?**

I was doing the University of Florida online. It's what I've been really focused on, I will be pursuing that after the pageant. I was going to start next semester but I've also had the amazing opportunity to join the Azusa Pacific University track team. So, as of right now I will be on that track team and I will continue the University of Florida later on as well.

**You recently joined the Next BH Committee, tell us a little about that.**

I got started with that from the *Weekly* itself. [Publisher] Josh [Gross], he's amazing, he actually helped me get on to the committee and I also worked with [Chair] Noelle [Freeman], she's helped me as well. So, I've recently been doing that. I've only had two meetings so far, with her once a month, but I love it be-

cause it's an amazing way for me to be involved in my community, and me to know the different events that are happening, and to use my title for the better, to be able to overall just spread more positivity and share who I am as an individual

**Tell us about some of the other volunteer work you have done in the community.**

I worked with #Hashtag Lunchbag where we helped to feed the homeless. We created bagged lunches, where we helped give them out on skid row. I also worked with

Alana Morgan

the Skid Row Carnival of Love and there was a whole day where we were in booths and we gave out blankets and anything, anyone needed we helped give that out. If there were kids who needed diapers, or if there were just anyone who really needed something, and necessities, we were able to give out food, toiletries. I also have my own organization called Behind Fences, where I help animals come from behind fences and cages and bring them into great homes. We were also able to do so many other things, like write letters to Children's Hospital, and recently me and my sister just came out with a book called "Queen Bee," that is actually available for pre-order on Amazon, and it's really just to help kids become more confident, and to learn more about themselves, and help them embrace who they are as well. It's a book about confidence and interacting with others.

**What is one goal you have for Dubai?**

Definitely becoming Miss Universe, of course. Just because I am going there to be able to represent the USA in the most amazing way and to be able to get my platform out to a larger audience. I think that's extremely important and it's definitely a goal to hopefully become the next queen. To be able to share my platform on an international level, and to be able to kind of help beautiful young girls all across the county and be there for anyone who needs help, or who may need that happiness or just something to be there for them, and so that's definitely another goal for me to give my platform out on an international level.

### BHHS Football Team Loses Season Opener

By Steven Herbert

The Beverly Hills High School football team "had a lot of first-half jitters" and were without several key players in the second half of a season-opening 38-0 loss to Maranatha in a nonleague game at Nickoll Field Friday night, coach Marquis Bowling said.

The Normans lost about 10 players due to unexpected reasons such as cramping, Bowling said.

Quarterback Will Harris, running

back-linebacker Dan Menache, running back Andrew Villaflor and center Eddie Carmosino were among the players forced to leave the game, Bowling said.

"We don't have a lot of depth," said Bowling, who was making his debut as Beverly Hills' coach. "We have numbers now, but we don't have a lot of experience and that really showed in the second half."

Bowling said he was "pleased with

## RESIDENCY COMPLAINT FILED AGAINST WALKER-SHUMAN

### Board of Education Member Denies the Allegation

By Danielle Berjikian

A complaint has been filed with the Los Angeles District Attorney, the California Secretary of State, and the Los Angeles County Office of Education (LACOE), alleging that Board of Education Member Tristen Walker-Shuman does not live in Beverly Hills, a requisite for serving in elected office. Walker-Shuman denied the allegations

Moving Van in Front of Former Walker-Shuman Residence on Hillgreen Drive

in a statement to the Weekly. "I continue to reside within the boundaries of Beverly Hills and my focus remains committed to the students of Beverly Hills Unified School District," Walker-Shuman said. The complaint alleges that Walker-Shuman moved from California to Pittsburgh, Pennsylvania on or around Aug.

2021, where her husband David Shuman works.

According to the complaint, Walker-Shuman currently has two properties in Pennsylvania recorded to a family trust with her husband. There are no properties in California that are recorded in their family trust or individually.

Walker-Shuman resided in a rental property located on Hillgreen Drive, upon filing for her original candidacy with the LA County Recorder in 2018 and up until August 2021. Around June 2021, the rental property at Hillgreen Drive was listed with an availability date of Sept. 15, 2021, according to the complaint.

The complaint further alleges that on Aug. 5, 2021, there was a moving truck and a garage full of moving boxes at the residence on Hillgreen Drive. (See photo at left)

On Aug. 8, 2021, a moving company headquartered in Pittsburgh, where the Walker-Shuman Trust properties are located, removed many personal belongings from the residence on Hillgreen Drive, according to the complaint.

The complaint alleges that Walker-Shuman intends to use the home of her mother and stepfather as an address on South Rodeo Drive to attempt

Tristen Walker-Shuman

to qualify her to continue her position on the board. Walker-Shuman has not listed this address as her residence since 2010.

"It is apparent this address is not Walker-Shuman's residence or domicile, but merely a facade hoping to maintain a perceived presence in the City of Beverly Hills to continue in office," the complaint alleges.

According to the complaint, around Aug. 12, 2021, Walker-Shuman withdrew her child from enrollment in the district. David Shuman also filed a request with the family court to relocate and enroll his child in Pennsylvania beginning June 1, 2021.

"Walker-Shuman has sole legal and physical custody of her biological minor child, and has leave of court to make all decisions, educational, legal, etc., on behalf of her biological minor child without seeking leave of court," according to the complaint. "Tristen Walker-Shuman and David Shuman are married and lived together in California, and now in Pennsylvania. The recent purchases of real property and recent recording of title in their family trust signifies an intent to reside and be domiciled in Pennsylvania."

First elected in 2018, Walker-Shuman's term does not end until Dec. 2022.

where we're going, what I saw, what our potential can be."

Beverly Hills committed five turnovers which Bowling said was the result of "jitters for the most part."

A first-half fumble the Normans lost the official "on our sideline said the runner was down and he got overruled," Bowling said.

The Minutemen (1-0) opened the scoring in the first quarter on the first of freshman Miles O'Malley's three touchdown runs.

Freshman Owen Meleka kicked a 35-yard field goal with one minute, 34 seconds left in the first half.

The Normans drove to Maranatha's 2-yard line in the final seconds of the first half. Harris was tackled for a 3-yard loss on the final play of the half and suffered a shoulder injury when an opposing line-

man "landed on him," forcing him to miss the second half, Bowling said.

The third quarter began with Mimi Kesler kicking off for Beverly Hills.

O'Malley ran 50 yards for a touchdown in the third quarter after Joe Kazarian recovered a fumble.

JoJo Ingram ran 52 yards for a touchdown with 5:40 left in the third quarter and 1 yard in the fourth quarter for the Minutemen's final touchdown.

O'Malley ran for 261 yards on 15 carries. Junior Conner Patterson completed six of eight passes for 55 yards for Maranatha which gained 411 yards.

Menache "was the absolute man out there, flying around on defense" and running for 74 yards in the first half, Bowling said.

Junior receiver-cornerback Connor Saul and freshman outside linebacker-running back Cameron Park also drew praise from

Bowling.

#### What's Next?

The Normans are scheduled to play at Hoover Friday at 5 p.m. in a nonleague game. The Tornados defeated Mark Kappel, 64-24, Aug. 20, and Lynwood, 20-13, Friday.

"We really hope to control the football," Bowling said. "I want to run the ball effectively. If (freshman) Matthew (Recupero) is in the game, I don't want to him to throw the ball 30 times. I want to make sure he comfortable."

Hoover sophomore quarterback Ethan Davis has completed 15 of 23 passes for 231 yards and three touchdowns with one interception and has run for 133 yards and four touchdowns on 22 carries, an average of 6 yards per carry.

#### Olympics

Sandra Uptagrafft, a 1989 Beverly High graduate, helped the United States to a

10th-place finish in the field of 20 in the qualifying portion of the 10-meter air pistol mixed team event in the Tokyo Olympics July 27.

Uptagrafft scored 290 points and partner James Hall 283. The maximum score for each shooter was 400.

The team total was 573. The top eight teams advanced to the second round. Iran had the eighth-highest score, 575.

Competing in her second Olympics, Uptagrafft finished 33rd in the women's 25 meter-sport pistol and 49th in the women's 10-meter air pistol.

## There is no direct connection between “The Great Unification” and democracy —— on the mistakes Liu Zhongjing has made in his remark on “the Great Unification”

Looking at the development of China’s political civilization over 2,000 years, “the Great Unification” is undoubtedly a very important political thought. However, when discussing this issue, under the influence of modern Western learning, some scholars often come to the conclusion that “The Great Unification” will inevitably hinder democracy and freedom, or that “The Great Unification” will inevitably lead to autocracy. Regarding this point, Liu Zhongjing, a folk scholar who is called “Auntie” by netizens, also fell into the logical argumentation that “The Great Unification” is incompatible with liberal democracy.

Since 2015, Liu Zhongjing has systematically expounded his understanding of Chinese history, especially “The Great Unification” in his book reviews, essays, and interviews (such as his interview with *Mingjing News*). He argued, since Qin Shi Huang (Emperor Qin), the checks and balances on despotism and kingship has been destroyed and replaced by a unified empire, generating scattered-sand individuals under the absolute ruling of kingship. Liu further pointed out that “The Great Unification” and liberal democracy are mutually contradictory, with its side effect mainly manifested in the fact that “there is none such a case, up to now, that a unified empire will bring the realization of democracy”.

Liu Zhongjing’s conclusion was based on the following two reasons: **one is that unification eliminated competition among the states and clamped down on the local liberalization.** Liu believed that “The Great Unification” emphasized uniformity, and the competition among the units (states) has been eliminated due to the monarch monopolization of all powers. As a result, the local freedom has been restrained and the whole society lacks the motivation to promote technological progress, which eventually led to the stagnation and depression of the whole empire. Liu often cited the history of European civilization in his exposition of this point. Liu believed that the key factor of the origin of modern capitalism and the progress of military technology in Europe was the competition among states. The progress of Europe depended on mutual competition. Although Europe was constantly threatened by the invasion of the Mongols and other nomads from the Ukrainian side, it was competition that eventually made it able to turn the weak into the strong. While under the unified ruling system, with less and less competition, “Zhuxia (Cathaysia)” became weaker and weaker when in the face of “Zhuya (Inner Asian)”. Therefore, if the “Zhuxia (Cathaysia)” wanted to become strong, it needed to initiate some reform like what Japan experienced in *Meiji Restoration*, or back in *the Spring and Autumn Period and the Warring States Period* when all the states were discrete, or like the western European states, the driving force of technological progress derived from competing in separation.

**The other reason is that contemporary China is still a unified empire, similar to the empire in the period of “the Great Unification”.** Today’s China inherits the territory of the Qing Empire, and is still a pre-modern empire in nature. Therefore, in accordance with the historical development patterns of European and American, in order to pursue modern freedom and democracy, different ethnic groups in China must be separated from the Empire. **If they stay in this Empire, they cannot achieve freedom and democracy.** Liu believed that the so-called democratic constitutionalism was a ruling mode formed in the process of the emergence of a national state, which was not applicable to the multi-ethnic and multi-cultural empire. Under this logic, if China wanted to move towards freedom and democracy, it needed all its ethnic groups to break away from the “Empire”, going into the paradigm of “Zhuxia (Cathaysia)” competition, establishing their own national states, and then moving towards liberty. **In short, Liu Zhongjing’s basic viewpoint is that only when a big country is divided into various regions (states) can it truly realize democratization.**

**However, Liu Zhongjing has made a very serious political mistake**, that is, he put “liberal democracy” (political system) and “The Great Unification” (structural form of a nation) into complete opposition, and mixed democracy with the size of the state and the number of ethnic groups.

**The concept “Great Unification” discusses the form of state structure, which emphasizes the construction of the country, however, it has no direct relationship with country size.** The state structure emphasizes the relationship between the state as a whole and its constituent parts, that is, the relationship between the central and the local, which corresponds to federalism, unitary system (such as centralized system) and etc., while the political system focuses on the formation form of the government or the operation of the political system. The main difference lies in that the Great Unification is characterized by the indivisible power of the state, which can only be delegated by the central government to the local governments. The great unification of China since the Qin and Han Dynasties did not lay emphasis on “great” or “unity”, but on “oneness”. After *the Spring and Autumn Period and the Warring States Period*, feudalism gradually disintegrated and the state was established on the basis of individuals. The central government was established before the local government, and the local government became the agency of the central government. Legalist *Han Feizi* said, “Things should be done by local officials, but the power should be in the hands of the emperor, all the locals should work together to help the emperor” was to emphasize the core of the national structure was in the central government. The core of the prefectures and counties system established after the Qin Dynasty was also based on the fact that the empire was not built on the basis of local politics. In short, all local powers were delegated from the central government, and it was the core of the “great unification”.

However, generally, non-unification has the nature of decentralization, for example, feudalism is, essentially, a kind of decentralization. Federalism is the modern version of feudalism. Take the United States as an example, in the early period of the United States, there was the independence of the 13 states of the British colonies, and then in 1787, the 13 states gathered in Philadelphia to convene the Constitutional Convention and formulated the Constitution, and the United States established a federal system with checks and balances. In the process of the founding of the United States, the basic logic was that the states would first delegate their powers to a constitutional convention to form a federal state. In addition to the United States, the founding process of the shogunate in Japan and the Germanic empire in Middle Ages Europe was also made up of feudal vassals initially.

**It is obvious that the great unification corresponds to the relationship between the central and the local, rather than to democracy or non-democracy. There is no necessary connection between the political system and the size or fragmentation of a unified country,** and it is impossible to infer a country’s democratic or non-democratic structure in a simple way. There is absolutely no logic in Liu Zhongjing’s doctrine that we must overturn “The Great Unification” because it hinders the realization of freedom and democracy; China has to bid farewell to the great unification and split into several different countries to realize liberal democracy. **France is a so-called liberal democracy, but France has always been a centralized country in the form of its state structure.** In the Fifth Republic, de Gaulle publicly reiterated that France was a centralized state. Obviously, de Gaulle did not deny France’s liberal democratic system due to the reason that France was a centralized state.

Today’s China has long already achieved the construction of a modern national state from the bottom up through the social revolution, rather than the “pre-modern empire” depicted by Liu Zhongjing. One of the most important characteristics of the political structure of contemporary China is that the central government was established before the local government. China is not made up of regions. On the contrary, China has a center, from which the regions derive. In other words, China’s modernization has basically followed the historical path of “The Great Unification”. It is impossible for China to quickly realize freedom and democracy by adopting non-historical methods and going back to *the Spring and Autumn Period and the Warring States Period*, when the states were divided. In that case, it would have cost much.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call **916-939-0772** for information regarding the trustee's sale or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: **CA-17-779001-CL**. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. **NOTICE TO TENANT:** You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call **916-939-0772**, or visit this internet website <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: **CA-17-779001-CL** to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. Non-residential commercial property and property upon which there is a recorded nuisance abatement lien shall be

**NOTICE OF PETITION TO ADMINISTER ESTATE OF DEANE FRANK JOHNSON aka DEANE F. JOHNSON aka DEANE F. JOHNSON, SR.**

Case No. 21STPB08275  
To all heirs, beneficiaries, creditors,

contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of DEANE FRANK JOHNSON aka DEANE F. JOHNSON aka DEANE F. JOHNSON, SR.

A PETITION FOR PROBATE has been filed by Kate E. Johnson in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Kate E. Johnson be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Sept. 30, 2021 at 8:30 AM in Dept. No. 5 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
