## CBOC Presents Annual Report

The Citizens' Bond Oversight Committee (CBOC) presented its annual report regarding the 2020-2021 fiscal year bond funds for Measure E and Measure BH for the period from July 1, 2020 through June 30, 2021, at last Tuesday's Board of Education meeting.

The CBOC is charged with overseeing bond fund expenditures and ensuring they are used for their intended purpose.

The CBOC said that a lack of a staffing plan for the Bond Manager resulted in poor oversight and possible unchecked growth in staffing expenditures.

According to the report, there was no clear staffing plan or budget that regulated labor costs for the bond manager, TCDS, which is run by Don Blake. TCDS staff were given several raises and then the District was charged those higher rates, without any Board oversight or approval. Moving forward, in order to assure cost controls, the CBOC recommended that the District create and approve a clear staffing plan with an accompanying budget and provide greater oversight on any pay increases with the bond manager and other vendors. The District has also taken steps toward addressing this issue.

The CBOC is also concerned with how the District provided TCDS with a con-

tract to develop a comprehensive security program.

According to the CBOC, there is little transparency about the security project, making it unclear exactly what the security contract requires and are concerned that this project may not be appropriate to be spent out of bond funds. The contract was initially planned for \$3 million and ended up costing \$12 million. The CBOC recommended that the Board review the security program, provide greater transparency to the CBOC and the community, determine whether this project should have been conducted using Bond funds, and examine why the cost of the project grew so much.

The CBOC recommended the District hire experienced personnel to oversee expenses and evaluate that costs are within contract and guidelines because they believe the District had insufficient staff in place to oversee the bond program and has been relying solely on the contractor's billings.

The CBOC also stated that frustration has grown within the community as the bond program's budget shortfall has become clear. They believe that presentations at Board meetings are not sufficient to keep the community informed as to the progress of campus projects and the budget issues. They believe that the District should conduct more proactive community outreach to update parents, taxpayers, and stakeholders.

Lastly, the CBOC recommended that the Board of Education undertake a more comprehensive audit focused on charges from the general contractor, ProWest based on their concerns about the lack of transparency, and the results of the Audit of projects B1 and B2 at Beverly High, and poor oversight of expenditures.

The Board has since issued an RFP and will approve a new contract for bond management services with Fonder-Salari, Inc.

"The CBOC recommendations are aligned with the changes recently made by the BOE and the District to the Construction and Security program. Many of these recommendations have been part of the Moss Adams Audit report repeatedly since 2016. All of these changes are critical for effective management and oversight of our Bond Program and will provide better transparency and accountability," Board President Mary Wells said.

## Board Discusses Recording Committee Meetings

At last Tuesday's meeting, the Board of Education discussed whether the district should start recording committee meetings, such as the CBOC, and uploading them onto the district website for the public to view.

Prior to COVID, the district did not record committee meetings and now that many meetings are coming back in person they are not being recorded.

"My preference would be that we make those Zoom licenses available to our committee members and whether or not they're meeting in person or virtual, someone just opens up zoom, record, and at some point, we upload the committee meeting just in the interest of transparen-

## Ride For The Living

Local pediatrician Nicole Nourmand participated in Ride For The Living with her synagogue IKAR on July 1. Her husband Jason and son Joshua also participated in the event.

Ride For The Living is a 60-mile bike ride commemorating the Holocaust and honoring the Jewish community in Krakow, Poland beginning from the gates of Auschwitz-Birkenau to the Jewish Community Centre (JCC) in Krakow, giving participants the opportunity to immerse themselves in Krakow's Jewish history.

Jason, Joshua, and Nicole completed the bike ride on the hottest day on record for Krakow. Nicole raised the most money from her temple, at about \$8,500. A lot of that money goes to supporting Holocaust survivors and Ukrainian refugees.

cy," Board member Gabriel Halimi said.

Assistant Superintendent of Business Services Wade Roach said that the District is currently working on the technology to be able to tape the meetings and then upload them but that is not feasible quite yet.

Halimi recommended that the committee bylaws be updated to have an expectation to use Zoom or Google Meet to record committee meetings and post them on the District website within 72 hours.

## Traffic and Parking Commission to Receive Slow Streets Program Update

The Traffic and Parking Commission is expected to receive an informational update regarding the Slow Streets Program, at their Thursday meeting.

The City has installed nine Neighborhood Slow Streets designations. Neighborhood Slow Streets are residential street blocks restricted to local traffic by using the entire street width for walking, cycling, or other modes of non-motorized transportation.

Neighborhood Slow Streets are not street closures and allow local traffic access for residents and their visitors, delivery vehicles, street sweeping, trash pickup, and emergency vehicles.

The program requires a resident sponsor who lives on the proposed street block to nominate their street block for consideration, serve as the block sponsor in obtaining the support of their neighbors, monitor the signs and conditions on the street, and communicate with City staff.

As of June 28, 2022, no new applications have been received and ten applications are pending receipt of the qualifying number of signatures from street block residents.

Slow Streets signs have been installed

on the following street blocks: 400 block of South Camden Drive; 400 block of South Crescent Drive; 400 block of South Peck Drive; 200 block of South Rodeo Drive; 300 block of South Maple Drive; 100 block of North Oakhurst Drive; 400 block of South Clark Drive; 400 block of Spalding Drive; and 300 block of South Clark Drive.

Only local residential street blocks with a 25 MPH speed limit are eligible for consideration.

## Rent Stabilization Commission to Discuss Surcharges

At their Wednesday meeting the Rent Stabilization Commission is expected to discuss recommendations to the City Council regarding possible amendments to the Rent Stabilization Ordinance (RSO) regarding surcharges that allow housing providers to pass through costs to tenants relating to water service penalties and/or surcharges, and refuse fees.

For Chapter 5 tenants only, the Commission is also expected to discuss capital expenditures, improvement expenses mandated by law, including seismic retrofit, utility expense, and for additional tenants; as well as possible amendments regarding the amount of the maximum allowable annual rent increases.

On April 6 the Commission discussed the pass through and maximum allowable rent increase topics and on May 4 discussed the "just and reasonable return" doctrine and the rent adjustment application process.

The Commission is expected to discuss pass through comparison of surrounding jurisdictions; pass through sample calculation of applied existing pass throughs; additional tenant passthrough by other ju-

risdictions; water shortage service penalties and seismic retrofit timelines.

### Hochman Questions Bonta's Publication of Concealed Carry Permit List

Nathan Hochman for California Attorney General had issued a statement in response to California Attorney General Rob Bonta publishing the state's concealed carry permit holders list last week.

"In releasing its 2022 Firearms Dashboard Portal, following the Supreme Court's Second Amendment decision in Bruen, Bonta claimed that he was trying to improve transparency by sharing firearms-related data about the issuance of Concealed Carry Weapons permits and Gun Violence Restraining Orders. 'Transparency is key to increasing public trust between law enforcement and the communities we serve,' said Bonta in his press statement. Instead of increasing trust, Bonta's massive leak of privacy data of hundreds of judges, law enforcement officers, prosecutors, and domestic violence victims' full names, home addresses, and dates of birth has irreparably broken the public's trust in Bonta's ability to handle extremely sensitive and private data. Bonta's Department of Justice has now facilitated criminals' ability to target the homes of hundreds of judges, law enforcement officers, prosecutors and domestic violence victims. His feeble solution to provide 'credit monitoring services' to those affected is like trying to put a band-aid on a potentially life-threatening wound. If he were president of a public company, such a grave error would result in the board firing him immediately. As Attorney General, the public will have that chance when it votes him out of office in November," Hochman said.

### Newsom Approves Funding for California Holocaust Survivor Assistance Program

On June 30 Governor Gavin Newsom approved the 2022-23 State Budget, which includes \$36 million dollars in funding for the California Holocaust Survivor Assistance Program.

The California Holocaust Survivor

Assistance Program (CHSAP) provides resources for five Jewish Family Service agencies - in Los Angeles, San Diego, San Francisco, East Bay, and Silicon Valley. Jewish Family Service LA (JFSLA) offers trauma-informed services including home care, culturally appropriate case management, home-delivered meals and groceries, transportation, and more to the aging Survivors of the Holocaust population in Los Angeles.

"We are deeply grateful to Governor Newsom and the State Legislature for providing this critical funding. As the last Survivors of the Holocaust reach extreme advanced age, their needs are increasing. Survivors of the Holocaust deserve to live with dignity and this much-needed funding will ensure that Survivors never face hunger, eviction, isolation, and despair again," Eli Veitzer, President & CEO of Jewish Family Service LA said.

Jewish Family Service LA currently provides services to nearly 1,000 survivors of the Holocaust. In addition to filling gaps in care for current clients, this new funding will allow JFSLA to provide services to over three hundred Survivors currently on a wait list for care.

As the lesson unfolds, Chopin reveals secrets about the art of the piano, composition, and himself. Delving deep into the music and psyche of the man, considered by his contemporaries, and now by history, as the true "Poet of the Piano," Felder performs some of the pianist-composer's most beautiful and enduring music.

# Q&A Mark Katz

## Afghan Assistance

Temple Emanuel and Temple Isaiah have teamed up in a joint Welcome Circle to help an Afghan refugee family in need of assistance. Welcome Circle's help Afghan refugees launch in their new country over a six-month period. The mother of the family of five was in great need of dental work. Volunteers included Dr. Mark Katz, Dr. Doug Galen, who completed the oral surgery part, and Elizabeth Friedman. We spoke with Mark Katz to tell us more about what happened.

**You performed free work for an Afghan refugee. Tell us about that.**

***"In the meanwhile, we're giving her back the smile she had"***

She's actually a work in progress. She's had [eight] extractions and now she's getting the restorative work. My daughter [Laura Katz] and I have been longtime members of [Temple Isaiah] and the Rabbi reached out to see if we could help with the dental treatment and we really had no idea what was involved. All we knew was that she was part of an Afghan family refugee who was being assisted in great part by the temple. We said 'of course, we will do what we can. When meeting her, she did not speak English. So, my sister in law [Mandana Katz] has provided translation because I

Mark Katz

guess there's enough of an overlap with Farsi. She's very nice, quiet-spoken, and scared. She's never had any kind of first-world health care. She's been great. She's been a very good patient. She's just been really tough and my daughter has formed the first phase of the restorative part. We are trying to save the teeth that we can. Dr. Doug Galen did the extractions to [eight] teeth that were hopeless. She's still healing and healing well, but we did not want to delay the restorative part because the decay can get deeper. So, we are trying to save the teeth that we can.

**What dental work did you do?**

What we are doing is restoring the teeth with fillings, crowns, and get what's called a removable ridge. In the meanwhile, we're giving her back the smile she had. We're just in the throes of restorative work. There's a lot to be done and she may need other attention like root canals and things like that because the decay is deep in a couple of the teeth.

**How much would the cost of the work have been had they paid out of pocket?**

[About \$30,000], I think that's a fair estimation.

**Tell us about the car the Temple is trying to get the family and how people can help.**

I think they have been trying to get the word out and perhaps this article will be helpful in that. Maybe if someone has a vehicle they are not using and they want to give it away as a tax deduction.

# Q&A David Isaacman

## Love on the Spectrum

2014 Beverly High graduate David Isaacman has appeared on Season 1 of Love on the Spectrum on Netflix. The reality show is about adults on the autism spectrum exploring the world of love and relationships. Isaacman met his current girlfriend Abbey Romeo on the show and they have been dating since.

**You were on the show Love on the Spectrum. Tell us about that.**

***"The camera crew asked me if I wanted a girlfriend, and I said yes, and now I finally have one"***

I first met Abbey at the wildlife learning center. That's where they have American Bald Eagles and Porcupines. Then we went to Huntington Beach for our third date to watch the ocean and the boats. On our fourth date, we made gingerbread houses at her house. I did a pretty good job and at least Abbey tried her best. [On that date] I asked her to be my girlfriend and she said yes.

## PETER'S PASSION

### Incoming Conference and Visitor Bureau President Peter Humig Talks Tourism

By Danielle Berjikian

**You are the Regional Vice President and General Manager of the Beverly Wilshire. Tell us about that.**

I got here in summer of 2018, so I've been fairly new to Beverly Hills but I've been with Four Seasons for the last 22 years. When I joined the Beverly Wilshire I was asked to join the CVB.

Which is obviously wonderful because it was a great opportunity for me to get to know the community and some of the stakeholders. [CVB CEO] Julie [Wagner] asked me to join the Board I think six months after I got here. And then I served as the President the summer of 2020 – 2021. Obviously, that wasn't the year I had imagined when I was appointed Chairman the first time around. So, this time I said to Julie 'give me another try' because I think we have a lot left to be done that I was unable to complete in my first year. This is kind of how I ended up in my second time as Chairmen for the CVB.

**What location were you at before Beverly Hills?**

I came from New York. I was at the Four Seasons in New York downtown, which was a fabulous hotel [and] location. Pre-pandemic New York was incredibly energetic, busy, and just a huge place. So, I had a wonderful couple of years in New

York. But, my family and I used to live in California before when I worked at the Four Seasons in San Diego many years ago. We always wanted to come back to Southern California. When the opportunity presented itself to move to the Beverly Wilshire it was too good to be true because I was able to professionally grow my career and at the same time my

family could come back to a place they fell in love with. My sons were actually born in La Jolla. We really felt lucky when we returned to Southern California in 2018 for the second time. My wife has made it very clear that this is her home - she's here to stay and whatever happens to me she will not ever leave again. She

***"I don't have to tell you that Beverly Hills suffered quite a bit in the summer of 2020. Not necessarily because of COVID but because of all the civil unrest that we had. There was so much bad press and we still suffer from this. Unfortunately, people remember the bad news; they don't remember the good news. We are focused to reintroduce Beverly Hills as a destination that is safe, exciting, vibrant, and that offers a lot not only to the people that come here to shop but there is a plethora to do from shopping to dining, arts, and culture"***

just loves this place. I actually met her in LA at UCLA many years ago. California's just a very special place for us.

**What are some goals you have for the CVB?**

Our first goal is to re-establish Beverly Hills as a luxury destination coming out of COVID. I don't have to tell you that Beverly Hills suffered quite a bit in the summer of 2020. Not necessarily because of COVID but because of all the civil unrest that we had. There was so much bad press and we still suffer from this. Unfortunately, people remember the bad news; they don't remember the good news. We are focused to reintroduce Beverly Hills as a destination that is safe, exciting, vibrant, and that offers a lot not only to the people that come here to shop but there is a plethora to do from shopping to dining, arts, and culture. Beverly Wilshire obviously being the center of it. We are one of the hotels that benefit from it being the hub of LA. But so do all the other hotels. That really is our number one goal, to go out to the world and say 'Beverly Hills is better and stronger and more beautiful than ever before.'

**Have you noticed tourism is back since the Pandemic?**

Tourism is back, but tourism isn't back in full force. Domestic clients have returned to Beverly Hills. What we are not

seeing yet in the same numbers is the international travelers. We are still missing a certain percentage from Europe. We're missing a lot of the Chinese business. The Middle Eastern business has come back to a good extent. The rest of the world has not so much yet. But when you look at it on the world map, America is very strong. The rest of the world, not so much yet. It has to do with that until recently it was somewhat challenging to come into the US with travel restrictions and COVID testing. Until this is fully removed, I don't think we will see the same numbers. But I think hotels and tourism-related businesses will start to do better again. Are we back to pre-COVID levels? Not quite. But I think we are very optimistic that in 2023 and beyond we are able to quickly regain what we have lost and then add on top of that. I think unless we get into a recession next year, the future looks very promising.

**What kind of questions do foreign tourists ask about Beverly Hills?**

It's the same questions as pre-pandemic. Which is, 'what's there to do?' 'Where should I go and experience LA?' Sometimes people come to Beverly Hills not just because of Beverly Hills but because we are smack in the middle. They use it as a centralized location to explore LA. Which includes Santa Monica, Malibu, Beverly Hills, LA, and Hollywood. So, I think that's always the first question. 'What's there to do?' 'What's exciting?' And I think all of our hotels are trying to stay informed and be able to speak to our clients with the newest and latest things that have opened or changed, especially in the restaurant scene. That's always the number one scene. What is the best restaurant, or coolest restaurant? That's really what people are asking when they come to a place like Beverly Hills. The shopping you don't have to explain. That's sort of self-explanatory. Rodeo Drive doesn't need an explanation. It's more – what there is to do aside from that.

**Tell us about your family.**

I met my wife [Angelika] in LA at UCLA. We lived here in 2005. I have twin boys [Leopold and Maurus] who were born in La Jolla. I have two girls. They are 20 [Leonie] and 17 [Valentina]. So, a total of four kids. My oldest one is a student at UCSB – University of California Santa Barbara. My second daughter is a senior in high school. We live outside the city, just next to Calabasas in Oak Park, which is a small place. We are a very outdoorsy family. Which is why we picked that small spot. We love to go hiking. We are avid mountain bikers. We love to go to the beach, buggy board, and surf. We love to take advantage of all that California has to offer. We are also big into skiing. Mammoth, Lake Tahoe, Big Bear, the winter is where we spend the weekends. We truly enjoy the outdoors and have a fun time that we can do year round. Which is something we missed on the east coast where six months out

of the year the weather is really bad and there's not much you can do. That's what we enjoy most in Southern California as a family. We spend quite a bit of time together and enjoy the outdoors as much as we can.

**In Issue #1033 of the Weekly, incoming Conference and Visitors Bureau Chair Eliot Finkel said there is a lot of cross connection between the CVB and the Chamber of Commerce. How do you see the CVB and the Chamber of Commerce working together to achieve common goals?**

Yes, he is absolutely right. I actually would expand it a little bit. It's the CVB, Chamber of Commerce, and the City Council. I think these are the three forces in Beverly Hills who partner. We partner to have all the businesses. The CVB is predominantly focused on growing tourism. The Chamber is focused on the well-being of the businesses. But at the end of the day, we're all following the same goal – which is to make sure all of our businesses prosper. And I think the City Council of course needs to make sure there is balance between tourism, the businesses, and the folks that live in Beverly Hills. I think the beautiful thing about Beverly Hills is that we're much smaller than LA but it allows us to have a much more amicable environment. We truly know one another. We know what the strengths of these organizations are. We can complement each other and really make sure to move forward in unison. I think that's very important. I worked at Cities where it's very disjointed where each of these organizations just does what it believes is right. In Beverly Hills, there is a strong sense of unity between the City Council, the CVB, and the Chamber of Commerce. And that allows us to achieve these goals much quicker and much faster, which is to the benefit of all three stakeholders.

**What do you hope to accomplish as CVB President?**

What I really would like to do during my Presidency this year is make sure that we re-establish ourselves as set initially. We have a lot of work to do filling the hotels and restaurants. We need to accelerate tourism and TOT. Which is a big indicator – which is the tax the City collects from the hotels. Which is used to fund the CVB. It can only happen if you fill the hotels. Obviously, it's important to make sure to not just bring tourism to town. We also need to get jobs back. A lot of hotels have not brought back the entire work force that we had pre-pandemic. So, we want to make sure we get people back to work, all of them. We want to make sure with the tourism that comes back to Beverly Hills we get to fill the restaurants; we get to fill the businesses. People spend money. I really see us a bit as an economic engine. If we do well, the hotels and the rest of the City will too. My primary goal is to accelerate the growth so we all benefit from that.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court. There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association.

**NOTICE OF TRUSTEE'S SALE UNDER DELINQUENT ASSESSMENT LIEN YOU ARE IN DEFAULT UNDER A NOTICE OF DELINQUENT ASSESSMENT LIEN DATED 2/1/2021. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDINGS AGAINST YOU, YOU SHOULD CONTACT A LAWYER. On 7/28/2022 at 10:30 AM, Best Alliance Foreclosure and Lien Services Corp. as the duly appointed Trustee under and pursuant to Delinquent Assessment Lien, recorded on 2/3/2021 as Document No. 20210193933, of Official Records in the Office of the Recorder of Los Angeles County, California, property owned by: **Robert West, WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER FOR CASH**, (payable at time of sale in lawful money of the United States, by cash, a cashier's check drawn by a state or national bank, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, savings association, or savings bank specified in section 5102 of the Financial Code and authorized to do business IN this state.) At: **THE FRONT STEPS OF BUILDING LOCATED AT 17305 GILMORE STREET, LAKE BALBOA, CA 91406**, all right, title and interest under said Delinquent Assessment Lien in the property situated in said County, describing the land therein: **As more fully described on the above-mentioned Notice of Delinquent Assessment**. The street address and other common designation, if any, of the real property described above is purported to be: **9005 Cynthia Street No. 209, West Hollywood, CA 90069****

The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be made, "AS-IS" and "WITH ALL FAULTS" and that no representations or warranties are made as to the legal title, possession, legal condition, location, or encumbrances existing or regarding the physical condition of the property, to pay the remaining principal sum due under said Notice of Delinquent Assessment Lien, with interest thereon, as provided in said notice, assessments, interest, late charges, estimated fees, charges, costs of collection, and expenses of the Trustee, to-wit: **:\$22,421.14** Estimated. Accrued interest, assessments, late charges, costs of collection and charges, if any, will increase this figure prior to sale. **If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. This sale shall be subject to a right of redemption. The redemption period within which this property interest may**

**be redeemed ends 90 days after the date the sale is final. NOTICE TO POTENTIAL BIDDERS:** If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property or necessarily a 100% ownership interest in the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off or resolving ownership interest issues, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens as well as the ownership interest(s) and salability of the property that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust or lien on the property. **Please Note, the sale may not be final until either 15 or 45 days after the sale date – see Notice to Tenant.** Further, no Certificate of Sale or Trustee's Deed may be issued until the sale is final. Your bid is subject to being over bid by the Tenant or "eligible

bidder" after the sale and if your bid is over bid, your only remedy is to the refund of your actual bid amount without interest or payment of any other costs, expenses or funds of any kind or nature incurred by the initial successful bidder. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, lien holder, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (866) 266-7512 or visit this Internet Web site [www.elitepostandpub.com](http://www.elitepostandpub.com) using the T.S. number assigned to this case. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify sale or postponement information is to attend the scheduled sale. **NOTICE TO TENANT:** You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bid-

der," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. **Step one,** 48 hours after the date of the trustee sale, you can call (866) 266-7512, or visit this internet website [www.elitepostandpub.com](http://www.elitepostandpub.com) using the file number assigned to this case TS# 20-20344 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. **Step two, you must send a written notice of intent to place a bid ("NOI") accompanied by an affidavit or declaration in accordance with Civil Code Section 2924m(c)(2)(A)(B)(C)(D) so that the trustee receives it no later than 5 p.m. on the 15th day after the trustee's sale.** **Step three,** you must submit a written bid along with the funds constituting the bid payable in lawful money of the United States, in the form of cash, a cashier's check drawn on a state or national bank, check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state so that the trustee receives the bid and the funds no later than 5 p.m. on the 45th day after the trustee's sale. **Bids will only be accepted from an eligible tenant buyer or eligible bidder who has submitted a timely NOI in accordance with Step two above.** If

you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The claimant under said Delinquent Assessment Lien heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located, and more than three months have elapsed since such recordation. **Date: 6/27/2022**
