BHEA endorses Goldstein, Korbato

Howard Goldstein

The Beverly Hills Education Association has endorsed candidates Howard Goldstein and incumbent Lisa Korbato in the race for Board of Education.

What distinguished the two candidates was their knowledge on the issues affecting the district, according to BHEA President Stewart Horowitz.

Goldstein is a former Horace Mann PTA president and a former Citizen's Oversight Committee member. Horowitz said that for the last year, Goldstein has attended every Board of Education meeting.

"[Goldstein's] responses were focused, knowledgeable, and in accordance to a lot of what BHEA believes [and] what teachers in the district want to see from the Board of Education," said Horowitz, who said Goldstein wanted the board to be

Lisa Korbato

more focused on the curriculum.

Korbato was also endorsed by the BHEA when she first ran for the Board in 2009.

Horowitz said that Korbato, along with

other members of the board, was involved in changes that were important to the BHEA, such as replacing several BHUSD principals.

Horowitz said that Korbato along with current Board member Brian Goldberg and former Board member Steven Fenton hired new principals at Beverly High, El Rodeo, Beverly Vista and Horace Mann.

"We looked upon all of those changes very favorably," said Horowitz.

Horowitz said the association had been disappointed with Korbato and other board members when they were unwilling to openly support Proposition 30, the measure that raised sales tax one-fourth of a cent for four years and taxes on earnings over \$250,000 a year, to curb reductions in school funding, in November. Horowitz said this had been a big issue for BHEA and the California Teachers Association, but that it was not seen as a "make or break" issue.

Horowitz said Korbato supported a pay increase in 2011 to 2012, which was

important to BHEA. He said it was the only pay raise the union has received in four years. Horowitz said Korbatov holds teachers in high regard.

"We know her. We've worked well with her," said Horowitz. "We like her personally and we think most of her decisions have been good ones."

Four candidates are running for two open seats. All four candidates, including Beverly Hills dentist James Fabe and RealD executive John Dohm, were interviewed on Monday by BHEA.

"Both [Fabe and Dohm were] very straight forward, very nice gentleman, very thoughtful and intelligent but less knowledgeable about important issues," Horowitz said. "Compared to [Korbatov] and [Goldstein], there was a clear distinction that made the recommendations pretty straightforward for us."

Questions by the interview panel included questions about district hiring of administrative personnel, the district and its relationship with BHEA, implementation of the common core curriculum, instructional assistants, the Beverly Hills salary schedule compared to other schools statewide, the district's budget surplus and establishment of a reserve, and Measure E.

Horowitz, who recently found out that he is cousins with Goldstein, was not part of the interview panel.

Law firm hired to conduct a third party review of sports academy

The BHUSD entered an agreement with Lozano Smith, a law firm specializing in education and public agencies, to conduct a third party review of the Beverly Hills Sports Academy, a summer sports training session for Beverly High athletes.

The Board of Education voted 4 to 1 to approve the agreement with Lozano Smith with Board of Education Vice President Noah Margo voting no.

The agreement, which had been placed on the consent calendar, was pulled for discussion by Margo.

"I pulled this item because I was not in support of this," said Margo, during the meeting. "I just did not feel it necessary to engage a third party at this time."

An individual in the law firm will conduct the review, according to Superintendent Gary Woods. The rates set forth in the agreement are between \$215 to \$295 per hour for partners, senior counsel and of counsel, between \$165 to \$225 per hour for an associate, \$135 per hour for a law clerk, \$110 per hour for a paralegal, and \$125 an hour for an educational consultant.

An educational consultant is a non-attorney and could be a current or former school district administrator or a board member. Time billed is broken into increments of one-tenth of an hour.

According to the firm's website, Lozano Smith serves hundreds of K-12 and community college districts, universities, and numerous cities, counties, and special districts in California. The firm, established in 1988, has expertise in personnel matters, labor relations, real property and construction matters, constitutional issues, special education, student discipline, school funding, charter schools,

bond elections, governance, and litigation in all areas of representation.

The impetus for a review follows a Los Angeles Times article published Aug. 13, entitled "Beverly Hills principal's on-campus camp is for-profit business."

The article reported that some Beverly High parents were under the impression that the money paid for the training sessions would go to the school's athletic teams. Some stated that Principal Carter Paysinger's involvement was a conflict of interest.

Paysinger released a statement last week welcoming the third party review and the transparency a review would bring to the situation. According to Paysinger's statement, the district asked Paysinger in 1997, when he was athletic director of Beverly High, to run the summer sports program.

iPad pilot program moves forward at Hawthorne School

The Board of Education approved the purchase of iPads and carts for a one-to-one iPad pilot program at Hawthorne School on Tuesday night.

In the discussion, the Board authorized BHUSD staff to utilize a "piggyback bid" from the Glendale Unified School District for Apple equipment. Because Glendale has an existing bid that expires in October 2013, BHUSD can use the bid in order to complete the purchase faster and more efficiently. BHUSD does not have to go out for a separate bid.

Hawthorne Principal Kathy Schaeffer presented at the formal board meeting on August 13 to talk about the pilot program.

Schaeffer said they began thinking about iPads at Hawthorne about two years ago. Currently, Hawthorne has two iPad carts -- one for the middle school and one for the elementary school. Schaeffer said they found the technology was an effective teaching tool.

The iPads were being used for projects, eBooks, online textbooks, and virtual frog dissection in science classes. Schaeffer presented to the Board and said they felt ready to begin a one-to-one deployment in selected classrooms at Hawthorne.

During her presentation, Schaeffer said the purpose was to provide an increase in access to technology throughout the school day.

The price quote was for 115 iPads protected with Apple care, 1 power rack, and 5 powersync carts for storage.

The purchase is being funded by Hawthorne PTA for a purchase price of \$85,353.87.

Board of Education renews drug testing contract

The Board of Education unanimously renewed voluntary drug testing and random athletic drug testing with Bensinger, DuPont & Associates on Tuesday night.

Board of Education President Jake Manaster clarified that the firm would provide testing services for two programs: the Choices program, which is when a student is aware that he or she has a problem and comes forward, and the random drug testing for athletes.

"I think it's important to say that I'm told by someone I trust that this program is effective," said Board of Education Member Lewis Hall.

In Aug. 2006, the Board of Education approved the Choices program, of which voluntary drug testing is a component, for Beverly High. Last year, the Board added an addendum to add random drug testing for athletes.

Board of Education member Lisa Korbato said she had been very pleased at how drug testing had gone.

"We heard so little about it that I felt confident that the confidentiality were upheld and there was great anonymity and respect throughout," said Korbato. "We really got no details, which was the intention of the program."

Board of Education Member Brian Goldberg said he felt the administration had alleviated many of the concerns of the program and it should be a lesson that change can be a good thing and that the Board always has the best interests of the

students at heart.

The company used for drug testing, Bensinger, DuPont & Associates, is a firm, which works on school drug prevention programs. The firm provides consulting services in drug policy and program development, student and teacher training, drug and alcohol testing, and medical review.

The firm will also receive a listing of students who have been cleared for periodic random testing using saliva or urine. Initial testing is administered through a saliva testing device, which provides results within minutes. If the sample screens positive, the sample will be sent to a lab for confirmation. Initial non-negative results will be sent to a student's parent or guardian. A second non-negative test will be reported to the student's parents, Superintendent Gary Woods and Director of Student Services and Special Projects Chris Hertz.

According to the agreement addendum for periodic athletic drug testing, the firm will provide collectors for the administration of up to 20 tests for \$1,300. There will be an additional \$35 confirmation fee for any test that initially screens non-negative.

Hermes of Paris will hold a grand re-opening of its Rodeo Drive store on Sept.

3 from 6 p.m. to 7:30 p.m.

The event, which is by invitation only, will be held inside the Hermes boutique and the building's west side. The evening will include a ribbon-cutting ceremony and a performance in front of the building. The performance will be followed by a reception and a tour of the store.

The opening will also include dancers who will scale the façade of the boutique. According to a staff report attached to the city council's Aug. 20 study session, 150 guests are expected to be in attendance.

The event will cause a partial street closure. The northbound lanes of the 400 block of Rodeo Drive will be closed from 5:30 p.m. to 7 p.m. City Council special events liaisons Vice Mayor Lili Bosse and Councilmember Nancy Krasne both supported moving forward with the issuance of the permit.

The store will open its doors to the public on Sept. 4.

Beverly Hills City Council discusses library funding requests

At the request of Councilmember Nancy Krasne and Vice Mayor Lili Bosse, Beverly Hills City Council discussed a capital improvement project request for the Beverly Hills Public Library at the study session on Aug. 20.

"Before I give the library another dime, I want to see how it's spent," said Krasne. "I just don't think just because the money's there, we have to spend it. I'd like to see an overall cohesive plan that looks at the entire library, not just a section of it."

The Library had previously requested \$300,000 for the current fiscal year, \$150,000 for fiscal year 2015 to 2016 and \$150,000 for fiscal year 2016 to 2017.

The request presented concerns for the city council who all agreed the request should come before the council with greater detail.

The Library's lobby and children's library were recently renovated. According to the staff report, over 50 percent of the 70,000 square foot library has not been renovated since the building was renovated over 20 years ago.

The needs for capital improvements outlined in the staff report include new carpeting, painting, and refinished furniture in the adult areas of the library. The staff report also states that the public restrooms at the front of the library need new paint and new counter tops.

Krasne said she wanted to see a comprehensive plan for the library because she was tired of it being "piecemealed." Krasne also requested staff receive input from the community and Friends of the Library.

Bosse, who also requested the item be presented on the agenda, said she wanted to have a better understanding as to what the request for \$300,000 was for.

Bosse called the library the heart of the community, but said she didn't think the improvements were a priority. Bosse also said it was important that the Friends of the Library, as the fundraising arm, know what is being proposed.

Rendering of Paolobongia façade remodel

Architectural Commission requests oversight in design changes in the field

Paolobongia, a jeweler located at 439 N. Rodeo who had been previously approved for a façade remodel, returned to the Architectural Commission at its meeting on August 21 because the façade's design had been modified during construction.

"They did not build it as approved," said Architectural Commission Chair James Blakeley.

The applicant had been initially approved for a façade remodel on May 16, 2012.

According to the staff report, the primary feature of the previously approved façade remodel included a projecting diamond-like window, comprised of separate glass panels fitted together with silicon joints. The projecting diamond-like window was proposed on both elevations of the store on North Rodeo Drive and the Rodeo Collection courtyard.

During construction of the facade, the diamond-like windows were changed so that it required the use of brushed stainless steel mullions on the North Rodeo Drive elevation to hold the various glass pieces together. The window on the Rodeo Collection courtyard was revised to be a single pane of glass, according to the staff report.

"We as a commission needed to find out why that was done and how it got where it went without coming back to us because it was a major change," said Blakeley. "It was changed on the field and we don't know how it happened, so the questions that we had as a commission was, if that was a major change, then why did it not come back to us?"

Engineering issues during construction had led to the revision in design. The design would have required the applicants to tear out the whole façade at a high cost, Blakeley said.

The commission understood the need for the revision and accepted the façade changes but discussed the item in order to avoid situations such as this one in the future.

Blakeley said that changes on the field that change the architectural integrity of the building should be brought back the commission.

Gucci, located at 347 North Rodeo Drive, had also been approved for a façade remodel over a year ago. The applicants returned to the commission with a revision to the building, which Blakeley said made the building better.

Saint Laurent, located at 326 North Rodeo Drive, requested approval for a façade remodel at the meeting, sign accommodations, and a construction barricade.

"They were approved with the addition of adding more height to the building to give modulation to the street," said Blakeley.

A façade remodel to a commercial building at 132 South Beverly Drive was not approved. The commission asked the property owners to return with a design that enhances the streetscape, Blakeley said.

K-Biz, located at 425 North Beverly Drive, requested approval for a façade modification and a construction barricade graphic. The commission approved the graphic, but did not approve the façade modification because the applicant did not present a plan.

"They were asking us for something that we weren't going to give them prior to seeing something they wanted to do," said Blakeley.

The architectural commission approved a façade remodel for a dentist office at 8660 Wilshire Boulevard. The project had previously appeared before the commission. The applicants modified the façade based on the commission's comments. Signage for the building was not approved because the size of the sign did not work with the building.

Architectural designs for Infiniti-Sales on Wilshire Boulevard and Infiniti-Service on Olympic Boulevard had previously been approved. The signage for the dealership went before the commission on Aug. 21.

The commission asked that the sign for the sales building be smaller and that the sign at the service building be more consistent with architecture of the building.

BOARD OF EDUCATION UNANIMOUSLY SUPPORTS HIRING OF GENERAL COUNSEL

But will it help lower the cost of the district's legal fees?

By Andrea Aldana

The Board of Education voted unanimously to approve the hiring of a general counsel position for BHUSD at the Board's formal meeting on Tuesday.

"Some of the benefits [of having a general counsel] are that you have an individual that understands the breadth and depth of our legal issues. They're here all day long and in many cases we don't have to use outside counsel," said Superintendent Gary Woods. "We also want this person to review our current legal use and fees and help [us] monitor those."

Woods said the goal of hiring this position was to curb legal fees incurred by the district. This would minimize the need to call outside counsel, for which the district would be billed separately.

Woods said the hiring of this position had the potential of saving the district quite a bit of money.

"I think it would be very fortuitous and helpful to have counsel present on the dais here to answer questions, as one of my colleagues has suggested, to be a parliamentarian, to review minutes, correct characterizations, bring clarity, [and] bring facts to the discussions," said Board of Education President Jake Manaster, who said having a general counsel was a model that every high end school district had.

Board of Education Member Brian Goldberg said there was confusion and misinformation within the community regarding legal fees, in particular with money paid out of the general fund.

Goldberg said that in his own analysis, he found that two-thirds of the legal fees paid by the district come from human resources, special education and student services, and not on lobbying or other fees that he said people seem to focus on.

"I believe that this position will not only help our staff refocus and have their attention and priorities back where they want it to be, which is on our curriculum and our students, but it will also end up saving us money in the long run, which is always something good because every dollar saved on administration and overhead is a dollar we can spend in the classroom on our students and on our teachers, so I support this wholeheartedly," said Goldberg.

A chart reflecting BHUSD's legal fees, which totaled over \$700,000 for the period of April 1 to June 30, was reported in the Weekly in issue #724. The total number reflects expenditures paid from both the general fund and Measure E. The chart is separated by general fund and Measure E expenditures, as well as by individual law firm.

The individual hired as the general counsel would report to the superintendent. The individual would plan and organize direct professional legal counsel and representation for the superintendent, the Board of Education, and administrative staff on BHUSD legal matters. General Counsel would also oversee litigation and administrative law hearing, and supervise and evaluate the performance of assigned personnel, according

the attachment in the board packet.

Examples of duties listed include acting as a legal advisor for the district in employee discipline, monitor all legal expenditures, including experts and consultants, and preparing legal documents.

The district will post the position and begin the application process.

Unlike the Beverly Hills city attorney, the district's general counsel will be an employee of the district. City attorney Larry Wiener is not a city employee, but rather a partner at the law firm, Richards, Watson and Gershon, who contracts with the city.

The position's salary is to be determined. Superintendent Gary Woods said establishing an appropriate salary depended on the qualifications of the candidate and would be part of the negotiation process. Woods said the district will study what other general counsels in school districts in the state are being paid.

Woods said Long Beach, LAUSD, and Oakland -- all very large districts -- are some examples of some school districts that have general counsels.

Though it is unique for a small district to have its own full-time attorney, the Alameda Unified School district, has a general counsel. AUSD has fewer than 9,000 students enrolled, about double the BHUSD's enrollment size.

"Even though our size is small in terms of student enrollment, we're a very complex legal environment," said Woods.

BHUSD ENROLLMENT STEADY DESPITE PHASING OUT PERMITS

Numbers show slight decline in student population

By Andrea Aldana

BHUSD kicked off the school year with 4,261 students, down slightly from the 4,547 students enrolled at the end of August 2012.

The Board of Education's 2010 decision to phase out the opportunity permit program has led to a lower student population.

However, now that BHUSD is a basic aid district, the state of California no longer pays the district per pupil. A basic aid school district is a district that receives all of its general purpose funding from the local property tax.

The district currently has 214 students on permits, including 140 permits for BHUSD faculty/staff and city employees, 21 permits so students may graduate with their class, and 53 educational

options permits. Juniors and seniors who move out of the district may be given a permit so they can graduate with their class. Legacy permits are included within educational options permits.

Legacy permits are a limited number of out-of-district permits for children of alumni and grandchildren of Beverly Hills residents.

Chief Administrative Officer Dawnalyn Murakawa-Leopard said BHUSD was still enrolling students daily and do not generally compare enrollment to past years until later in September or October.

Though enrollment has been slightly declining, Superintendent Gary Woods said there was not much concern regarding enrollment levels because there is

very little empty classroom space in the district.

Woods said the district tries to maxi-

mize the number of students per teacher, as well as, general classroom space, lab space and open space.

NOTICE TO POTENTIAL BIDDERS If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on a property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free

and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 1-800-281-8219 or visit this Internet Web site www.reconstrustco.com, using the file number assigned to this case TS No. 10-0088393. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. Notice is hereby given that the real properties listed below were declared to be in tax default at 12:01 a.m. on July 1, 2011, by operation of law. The declaration of default was due to non-payment of the total amount due for the taxes, assessments, and other charges levied in 2010-2011 tax year that were a lien on the listed real property. Property upon which a nuisance abatement lien has been recorded and non-residential commercial property shall be subject to sale if the taxes remain unpaid after three years. If the 2010-2011 taxes remain unpaid after June 30, 2014, the property will be subject to sale at public auction in 2015. All other property that remains unpaid after June 30, 2016, will be subject to sale at public auction in 2017. The name of the assessee and the total tax, which was due on June 30, 2011, for the 2010-11 tax year, is shown opposite the parcel number. Tax defaulted real property may be redeemed by payment of all unpaid taxes and assessments, together with the additional penalties and fees as prescribed by law, or it may be paid under an installment plan of redemption.

All information concerning redemption of tax-defaulted property will be furnished, upon request, by Mark J. Saladino, Treasurer and Tax Collector, 225 North Hill Street, Los Angeles, California 90012, 1(888) 807-2111 or 1(213) 974-2111.

I certify under penalty of perjury that the foregoing is true and correct. Executed at Los Angeles, California on August 9, 2013.

NOTICE is hereby given that Witkin & Neal, Inc., as duly appointed trustee pursuant to that certain Notice of Delinquent Assessment and Claim of Lien (hereinafter referred to as "Lien"), recorded on 9/6/2012 as instrument number 2012-1330474 in the office of the County Recorder of Los Angeles County, California, and further pursuant to the Notice of Default and Election to Sell thereunder recorded on 5/9/2013 as instrument number 20130699689 in said county and further pursuant to California Civil Code Section 1367.1 and those certain Covenants, Conditions and Restrictions recorded on 6/9/1980 as instrument number 80-557413, WILL SELL on 9/19/2013, 9:00 AM Behind the fountain located in Civic Center Plaza, 400 Civic Center Plaza, Pomona CA. at public auction to the highest bidder for lawful money of the United States payable at the time of sale, all right, title and interest in the property situated in said county as more fully described in the above-referenced Lien. The purported owner(s) of said property is (are): Jeremy Norrie, a single man. The property address and other common designation, if any, of the real property is purported to be: 1330 N. Crescent Heights Blvd. #7, West Hollywood, CA 90046, APN 5554-006-022. The undersigned trustee disclaims any liability for any incorrect-

ness of the property address and other common designation, if any, shown herein. The total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of this Notice of Sale is: \$11,073.39. The opening bid at the foreclosure sale may be more or less than this estimate. In addition to cash, the trustee will accept a cashier's check drawn on a state or national bank, a check drawn on a state or federal credit union or a check drawn on state or federal savings and loan association, savings association or savings bank specified in Section 5102 of the California Financial Code and authorized to do business in this state. In the event tender other than cash is accepted, the trustee may withhold the issuance of the Trustee's Deed Upon Sale until funds become available to the payee or the endorsee as a matter of right. Said sale shall be made, but without covenant or warranty, express or implied regarding title, possession or encumbrances, to satisfy the indebtedness secured by said Lien, advances thereunder, with interest as provided in the Declaration plus the fees, charges and expenses of the trustee. THIS PROPERTY IS BEING SOLD IN AN "AS-IS" CONDITION. Witkin & Neal, Inc. is attempting to collect a debt. Any information obtained will be used for that purpose. If you have previously received a discharge in bankruptcy, you may have been released from personal liability for this debt in which case this notice is intended to exercise the secured party's rights against the real property only. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER AND ALL OTHER INTERESTED PARTIES: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-573-1965 or visit this Internet Web site: www.priorityposting.com using the file number assigned to this case J12-01194. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. IMPORTANT NOTICE: Notwithstanding anything to the contrary contained herein, the sale shall be subject to the following as provided in California Civil Code Section 1367.4(c)(4): "A non judicial foreclosure sale by an association to collect upon a debt for delinquent assessments shall be subject to a right of redemption. The redemption period within which the separate interest may be redeemed from a foreclosure sale under this paragraph ends 90 days after the sale."
