## City Council unanimously approves fracking ban

City Council unanimously approved a hydraulic fracturing ban with a 4 – 0 vote on Tuesday. Councilmember Nancy Krasne was absent.

Hydraulic fracturing, also known as fracking, is a process that injects highly pressurized liquids into horizontally drilled wells to create fissures in rock formations beneath the surface to stimulate oil and gas production. Fracturing fluids include a mixture of water and sand, as well as chemicals that include hydrochloric acid and carcinogens.

Fracking may cause potential groundwater contamination, potential increased seismic activity, and environmental and health impacts, according to Director of Community Development Susan Healy Keene.

Though Keene said that not enough scientific research has been conducted to conclude whether or not fracking is safe, community members and professionals affected by fracturing voiced their support for Beverly Hill's fracking ban.

Residents who live in high oil producing areas, such as Inglewood and Carson City,

gave personal accounts on the environmental, health, and community impacts that oil drilling caused in their cities. Effects included death from pancreatic and brain cancer, and closed school facilities due to land damage. According to Food and Water Watch activist Brenna Norton, oil companies have used 12 of the most dangerous, known carcinogens and toxic air chemicals in the L.A. area in unconventional oil and gas production methods.

The lone voice opposing the fracking ban was California Independent Petroleum Association Public Affairs Director Blair Knox.

"I encourage you to take your time when looking at this," Knox said to the City Council. "We urge you not to jump early on this one."

According to Knox, increasing oil production would reduce the need in foreign oil, and the proposed ban would prevent energy independence.

"Maybe it's not us jumping too early in protecting the interests of our community until we have adequate science," Brien said. "Maybe it's the industry that's jumped a little too early in actually doing these types of things in urban areas where people, families, animals, and children live, work, and play."

A 10-foot high, 15-foot wide, 20-foot long, and 4,000 pound birthday cake served up to 15,000 slices to Centennial Block Party attendees on April 27. The cake was a replica of Beverly Hills' City Hall, complete with palm trees and shopping bags that represented Rodeo Drive stores. Luxe Rodeo Drive Hotel and Guittard Chocolate Company paid approximately \$200,000 for the cake including materials, labor, and other costs, and presented it to the City as a gift for its Centennial.

Among 162 listed properties in Los Angeles, L.A. Clippers owner Donald Sterling owns 34 various use properties in Beverly Hills.

On Tuesday, NBA Commissioner Adam Silver banned Sterling for life from the league and issued a \$2.5 million fine, the maximum amount allowed under the NBA constitution, in response to racist remarks Sterling made in a recorded conversation.

Silver is urging the NBA Board of Governors to force the sale of the L.A. Clippers team.

“We have a great group of volunteers

and teachers and a wonderful administration that we work with,” Manavi told the Weekly. “We’re really blessed to have this relationship where we can sit down, problem solve, and actually get some results. It’s a really wonderful and fulfilling experience.”

Linda Jankowski was introduced to El Rodeo’s PTA by a former El Rodeo PTA member prior to her son, Luke, being enrolled at El Rodeo.

“She said that it’s a great PTA, [it’s] an inclusive group of people, there’s a great community feel to it, and I would find out a lot about the school and what was going on if I started attending PTA meetings early,” Jankowski said.

When Jankowski’s son started in the fall 2011, she joined the hospitality committee and later joined the directory committee. She also helped with the teachers’ year end luncheon and eventually co-chaired the community service and service learning group with PTA President Marjaneh Manavi.

Jankowski was previously a litigation attorney for 10 years before becoming fully involved with El Rodeo’s PTA. Her son Luke is currently a sixth grader at El Rodeo.

“My goal is to achieve more volunteerism amongst the parents and the school and to make everyone feel included in all of the activities and committees that the PTA offers,” Jankowski said. “When parents volunteer, it’s a great model for the kids at the school as well. It

By Nancy Yeang

**Your mother Rose Toren is a Holocaust survivor. In what ways did this influence you?**

She was in the death camp Auschwitz, and she lost her family at a very, very young age. She hid out during the very famous death march; when everybody was walking she left the walk and hid in a barn to survive.

[My parents] met in Israel, and after Israel they came to the United States to try and live the American Dream. They had me, and they moved to Beverly Hills because of the schools and the quality of life here. I initially lived in Queens, [N.Y.] and when I was nine years old my parents moved to Beverly Hills. They were hoping to be able to provide the American Dream for me since I was an only child.

[My mom] always instilled in me a sense of a belief that nothing was impossible. That everything is possible and you should never give up. Her words that I have heard as a child up until now as an adult was to never give up no matter what type of roadblocks come before you, to always move ahead. She has always been a very strong role model for me as a woman and having a strong optimistic nature in the face of diversity. To always keep going and not to let anything hold you back. I admire her sense of strength.

**You mentioned in your speech that you didn't appreciate how special your parents were when you were a child. When did you start to really understand your family's history and what it meant to you?**

As we get older we have a different perspective about the world around us as well as ourselves. When I became a mother myself, I had a whole other perspective about what it's like to be a mother.

As a child, I think my parents were the only ones I knew [who] were not American. My parents

had thick accents and they didn't speak or write well so I felt very alone in that all my other friends' parents were very Americanized.

I think a huge turning point for me was when I went to visit Auschwitz [two years ago with my husband, Jon]. As I walked around and saw the crematoriums and the gas chambers and just stood there on that land, what really stuck with me was that the human spirit, no matter what was being thrown at all the people [who] unfortunately died during the war, they all wanted to survive. Even though their dignity was trying to be taken away from them they had a very strong will to live. By standing on that sacred soil it really changed me in a way that I really understood what people went through when they

were going through such [an] incredible, horrible part of history.

**In your speech you say, "We are the six million Jews and they are us." What impact does your family history have on your sons, Andrew and Adam?**

They grew up hearing stories from my mother and from my father and they also heard it from me. They also didn't grow up with an extended family because everybody had died in the Holocaust. I think it's something that became the fiber of who they are as well.

They're the next witness to keep this story alive because [we're unfortunately losing] Holocaust survivors due to their age, so it's really up to the next generation, and the generations after that. This is something they will take either to their children, or to their children's children, so I think that it will actually help define who they are.

**Tell us about 30 Years After and the Yom Ha'Shoah Remembrance event last Sunday.**

[Sunday] was the first time that 30 Years After had done this event. They did it at Nessah Synagogue. The room was full; every seat was taken. People of all ages [attended] which was also really nice, it was multi-generational.

[Other speakers included a Holocaust survivor Eva Brettler, Doctor Ari Babaknia who is the author of, Humanity, Not, and filmmaker Ben-Hur Sephr. Co-sponsors of the event were 30 Years After, Jimena, Nessah, The Los Angeles Museum of the Holocaust, The Memorah Foundation, and The Righteous Conversations Project.]

Then we did a candle lighting in honor of the six million Jews that perished.

Sam Yebri asked me to speak. [He founded 30 Years After]. It's an organization for Persian American Jews to remember what they went through in Iran with the coming of the Shah, to remember what they as a culture have gone through. [It's] a very similar crossover between immigrants; trying to maintain their culture and their sense of values and family when they are coming to the United States. It's [a] very similar feeling to my parents' generation who were Polish immigrants coming to the United States

I think many of us who come from immigrant backgrounds can really relate to the experience of having parents from different cultures, then coming to America and trying to hold on to your heritage and your culture, and also fitting into the American Dream.

*Mayor Lili Bosse's speech at Nessah Educational and Cultural Center  
Yom Ha'Shoah Remembrance Event  
April 27, 2014*

*When I was running for office three years ago, I spoke at Nessah Synagogue. Some of you may have been there, as I was very choked up standing here. I said then is how I feel now, being here. I felt like I was home, a sense of belonging. I am the only child of Holocaust survivors. My parents were Polish. They were older than my friends' parents. They had accents that my American friends' parents didn't have. They were different.*

*My mother had a tattooed number on her arm and kids would tease and ask if that was our telephone number.*

*As a child, I must admit as kids often do, I really didn't appreciate how special my parents were. At times I felt a bit embarrassed by their accents, or by the fact that they didn't write or speak English well.*

*I had no grandparents, brothers, sisters, aunts or uncles. My parents' entire family was murdered by Hitler. I knew we were different so therefore I was different, and being an only child, I carried this alone in my heart.*

*I grew up hearing the stories of what would have been if my grandparents, aunts, and uncles had survived.*

*I heard about the Shabbat dinners, the close knit family that my parents themselves had as children, only to be stolen from them by the gas chambers and crematoriums of the concentration camps.*

*When I ran for office I told everyone that I was an only child of Holocaust survivors. Some people asked me why am I even mentioning it, what does that have to do with serving in political office?*

*To me, the answer was simple: it had everything to do with it. It had defined me. It has made me who I am to every ounce of the fiber of my being.*

*My moral compass, my love of community and family is because I am the proud daughter of Holocaust survivors.*

*Two years ago, my husband Jon and I went to visit Auschwitz. There are no words to express how that moment changed me forever. Standing on that sacred soil, what has imprinted me was that no matter what dignity Hitler tried to take away from the lives of the Jews, we had a will to survive, we did survive, we thrived, and we will never, ever forget.*

*My parents, as immigrants, sacrificed everything to give me a chance for the American dream. They came to America and had me with the hope that I can lead the life that was taken from them.*

*As I stand here as Mayor of Beverly Hills, the most world famous city in the world, the only child of Rose and Jack Toren, Holocaust survivors, I thank God every day for the gift that all survivors have given us all.*

*A chance to honor them in our lifetimes, a chance to look into each other's souls and hearts and see the sparks of life that lost their lives, to that we could continue the flame.*

*They live in our hearts. They live in each of us every day to every second of every breath we take.*

*We will always remember. We will never forget. We are the six million Jews and they are us.*

### 5-10-1: DEFINITIONS

The following definitions apply to this Chapter:

bag was manufactured, and the percentage of postconsumer recycled material used, if any; and (6) if made of plastic, is a minimum of at least 2.25 mils thick.

J. "Store" means any of the following retail establishments located within the City of Beverly Hills:

(1) A retail store with gross annual sales of two million dollars (\$2,000,000) or more that sells a line of dry grocery, canned goods, or non-food items and some perishable items;

### 5-10-2: PLASTIC CARRYOUT BAGS PROHIBITED

No store shall provide to any customer a plastic carryout bag. This prohibition applies to bags provided for the purpose of carrying away goods from the point of sale and does not apply to produce bags or product bags.

### 5-10-3: PERMITTED BAGS

All stores shall provide or make available to a customer only recyclable paper carryout bags or reusable bags for the purpose of carrying away goods or other materials from the point of sale, subject to the terms of this Chapter. Nothing in this Chapter prohibits customers from using bags of any type that they bring to the store themselves or from carrying away goods that are not placed in a bag, in lieu of using bags provided by the store.

### 5-10-4: REGULATION OF RECYCLABLE PAPER CARRYOUT BAGS

A. Any store that provides a recyclable paper carryout bag to a customer must charge the customer 10 cents (\$.10) for each bag provided, except as provided in Section 5-10-6.

B. No store shall rebate or otherwise reimburse a customer any portion of the 10-cent (\$.10) charge required in Subsection A.

C. All stores must indicate on the customer receipt the number of recyclable paper carryout bags provided and the total amount charged for the bags.

D. All monies collected by a store under this Chapter will be retained by the store and may be used only for any of the following purposes: (1) costs associated with complying with the requirements of this Chapter, (2) actual costs of providing recyclable paper carryout bags, or (3) costs associated with a store's educational materials or education campaign encouraging the use of reusable bags, if any.

E. All stores must report to the Director of Public Works Services, on a quarterly basis, the total number of recyclable paper carryout bags provided, the total amount of monies collected for providing recyclable paper carryout bags, and a summary of any efforts a store has undertaken to promote the use of reusable bags by customers in the prior quarter. Such reporting must be done on a form prescribed by the Director of Public Works Services, and must be signed by a responsible agent or officer of the store confirming that the information provided on the form is accurate and complete. For the periods from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, all quarterly reporting must be submitted no later than 30 days after the end of each quarter.

F. If the reporting required in Subsection E is not timely submitted by a store, such store shall be subject to the fines set forth in Section 5-10-7.

### 5-10-5: USE OF REUSABLE BAGS.

A. All stores must provide reusable bags to customers, either for sale or at no charge.

B. Each store is strongly encouraged to educate its staff to promote reusable bags and to post signs encouraging customers to use reusable bags.

### 5-10-6: EXEMPT CUSTOMERS

All stores must provide at the point of sale, free of charge, either reusable bags or recyclable paper carryout bags or both, at the store's option, to any customer participating either in the California Special Supplemental Food Program for Women, Infants, and Children pursuant to Article 2 (commencing with Section 123275) of Chapter 1 of Part 2 of Division 106 of the Health and Safety Code or in the Supplemental Food Program pursuant to Chapter 10 (commencing with Section 15500) of Part 3 of Division 9 of the Welfare and Institutions Code.

### 5-10-7: ENFORCEMENT AND VIOLATION—PENALTY

A. The Director of Public Works Services has primary responsibility for enforcement of this Chapter. The Director of Public Works Services is authorized to promulgate regulations and to take any and all other actions reasonable and necessary to enforce this Chapter, including, but not limited to, investigating violations, issuing fines and entering the premises of any store during business hours.

B. If the Director of Public Works Services determines that a violation of this Chapter has occurred, he/she will issue a written warning notice to the operator of a store that a violation has occurred and the potential penalties that will apply for future violations.

C. Any store that violates or fails to comply with any of the requirements of this Chapter after a written warning notice has been issued for that violation shall be guilty of an infraction.

D. If a store has subsequent violations of this Chapter that are similar in kind to the violation addressed in a written warning notice, the following penalties will be imposed and shall be payable by the operator of the store:

(1) A fine not exceeding one hundred dollars (\$100.00) for the first violation after the written warning notice is given; A fine not exceeding two hundred dollars (\$200.00) for the second violation after the written warning notice is given; or

(2) A fine not exceeding five hundred dollars (\$500.00) for the third and any subsequent violations after the written warning notice is given.

E. A fine shall be imposed for each day a violation occurs or is allowed to continue.

F. All fines collected pursuant to this Chapter shall be deposited in the Solid Waste Conservation Fund to assist the Department of Public Works Services with its costs of implementing and enforcing the requirements of this Chapter.

G. Any store operator who receives a written warning notice or fine may request an administrative review of the accuracy of the determination or the propriety of any fine issued, by filing a written notice of appeal with the Director of Public Works Services no later than 30 days after receipt of a written warning notice or fine, as applicable. The notice of appeal must include all facts supporting the appeal and any statements and evidence, including copies of all written documentation and a list of any witnesses that the appellant wishes to be considered in connection with the appeal. The appeal will be heard by a hearing officer designated by the City Manager. The hearing officer will conduct a hearing concerning the appeal within 45 days from the date that the notice of appeal is filed, or on a later date if agreed upon by the appellant and the City and will give the appellant 10 days prior written notice of the date of the hearing. The hearing officer may sustain, rescind, or modify the written warning notice or fine, as applicable, by written decision. The hearing of-

ficer will have the power to waive any portion of the fine in a manner consistent with the decision. The decision of the hearing officer is final and effective on the date of service of the written decision, is not subject to further administrative review, and constitutes the final administrative decision.

### 5-10-8: OPERATIVE DATE

This Chapter shall become operative on July 1, 2014, for stores defined in Subsections J(1) and J(2) of Section 5-10-1. For stores defined in Subsections J(3) and J(4) of Section 5-10-1, this Chapter shall become operative on January 1, 2015.

**Section 2. CEQA Findings.** The City Council hereby finds that the adoption of this ordinance is exempt from the provisions of the California Environmental Quality Act (Pub. Res. Code Sec. 21000 et seq., State CEQA Guidelines, 14 Cal. Code. Regs. 15000 et seq. (collectively "CEQA")). This ordinance constitutes a regulatory action of the City Council to assure the maintenance, restoration, or enhancement of a natural resource involving protection of the environment because it will minimize impacts associated with plastic bags on the environment of the City and region. Therefore the project is found and determined to be exempt from CEQA pursuant to State CEQA Guidelines Section 15307. Further, this ordinance is a regulatory action of the City Council to assure the maintenance, restoration, enhancement and/or protection of the environment, which does not involve any construction activity or relaxation of any standards allowing environmental degradation. Therefore, as a separate and independent basis, the project also is found exempt from CEQA pursuant to CEQA Guidelines Section 15308. The findings and determinations on exemption from CEQA are, in part, based on the following: (1) plastic carryout bags create significant litter problems in Beverly Hills' neighborhoods, parks, public streets, and sewer systems; (2) the production and disposal of plastic carryout bags has significant environmental impacts, including the contamination of the environment, the depletion of natural resources, use of non-renewable polluting fossil fuels, and the increased clean-up and disposal costs; and (3) studies document that banning plastic carryout bags and placing a mandatory charge on recyclable paper carryout bags will dramatically reduce the use of both types of bags and increase customers' use of reusable bags.

**Section 3. Severability.** If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall be remain in full force and effect.

**Section 4. Publication.** The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the City within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance and shall cause this Ordinance and the City Clerk's certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this City.

**Section 5. Effective Date.** This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.

ORDINANCE NO. 14-O-2659

AN ORDINANCE OF THE CITY OF BEVERLY HILLS REGULATING TOBACCO AND ELECTRONIC CIGARETTE USE IN OUTDOOR SERVICE LINES, FARMERS MARKETS, PUBLIC PLAZAS AND OUTDOOR PUBLIC GATHERING PLACES.

THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS HEREBY ORDAINS AS FOLLOWS:

**Section 1.** On April 1, 2014, the City Council considered the introduction of this Ordinance at a duly noticed public meeting and on the basis of the record thereof finds the following facts to be true:

A. Tobacco use and exposure to secondhand smoke cause death and disease and impose great social and economic costs; and

B. The Centers for Disease Control and Prevention have found that more than 480,000 people die in the United States from tobacco-related diseases every year, making it the nation's leading cause of preventable death<sup>1</sup>; and

C. The World Health Organization estimates that by 2030, tobacco will account for eight million deaths per year, making it the greatest cause of death worldwide<sup>2</sup>; and

D. The U.S. Environmental Protection Agency has found secondhand smoke to be a risk to public health and has classified secondhand smoke as a group A carcinogen, the most dangerous class of carcinogen<sup>3</sup>; and

<sup>3</sup>U.S. Environmental Protection Agency. *Health Effects of Exposure to Secondhand Smoke*. <http://www.epa.gov/smokefree/healththeffects.html>

E. Secondhand smoke is responsible for an estimated 42,000 deaths among non-smokers each year in the United States, which includes 7,333 lung cancer deaths and 33,951 deaths due to heart disease<sup>4</sup>; and

F. Electronic cigarettes, commonly known as e-cigarettes, e-cigars, e-cigarillos, e-pipes, and e-hookahs, are battery operated devices designed to look like and be used in the same manner as conventional tobacco products. Electronic cigarettes employ the use of a cartridge, generally containing up to 20 mg of nicotine to deliver vaporized nicotine to users. Some cartridges used by electronic cigarettes can be refilled with liquid nicotine solution, creating the potential for exposure to dangerous concentrations of nicotine<sup>5</sup>; and

G. The U.S. Food and Drug Administration ("FDA") conducted laboratory analysis of electronic cigarettes and found the following: 1) Diethylene glycol, an ingredient used in antifreeze and toxic to humans, was found in one cartridge; 2) Certain tobacco-specific nitrosamines, which are human carcinogens, were detected in half of the samples tested; 3) Tobacco-specific impurities suspected of being harmful to humans—*anabasine*, *myosmine*, and *β-nicotyrine*—were detected in a majority of the samples tested; 4) All but one tested cartridge labeled as containing no nicotine did in fact contain low levels of nicotine; 5) Three identically labeled cartridges emitted markedly different amounts of nicotine with each puff. Nicotine levels per 100 mL puff ranged dramatically from 26.8 to 43.2 mcg nicotine; and 6) One high-nicotine cartridge delivered twice as much nicotine to users as was delivered by a nicotine inhalation product approved by the FDA for use as a smoking cessation aid which was used as a control; and

H. The FDA has raised concerns that electronic cigarettes, which are often marketed in appealing flavors, can increase nicotine addiction among young people and may lead youth to try conventional tobacco products<sup>6</sup>; and

I. The FDA has also raised concerns that electronic cigarettes are marketed and sold to young people and are readily accessible online and via mall kiosks<sup>7</sup>; and

J. A study published in the *American Journal of Public Health* found similar results to the FDA testing and concluded that the electronic cigarettes tested so far have demonstrated "poor quality control; toxic contaminants, albeit at low levels; misrepresentation of the nicotine delivered; and insufficient evidence of the overall public health benefit"<sup>8</sup>; and

K. Clinical studies about the safety and efficacy of electronic cigarettes for their intended use have not been submitted to the FDA, and for this reason, consumers currently have no way of knowing: 1) whether electronic cigarettes are safe for their intended use; 2) what types or concentrations of potentially harmful chemicals the products contain; and 3) what dose of nicotine the products deliver<sup>9</sup>; and

L. The World Medical Association has determined that electronic cigarettes "are not comparable to scientifically-proven methods of smoking cessation" and that "neither their value as therapeutic aids for smoking cessation nor their safety as cigarette replacements is established"<sup>10</sup>; and

M. The federal law restricting the sale of tobacco products to minors currently applies only to cigarettes, cigarette tobacco, roll-your-own tobacco, and smokeless tobacco, not electronic cigarettes. 21 U.S.C. § 387a(b). However, California law prohibits the sale of electronic cigarettes to minors. Health & Safety Code § 119405; and

N. Between 2010 and 2011, rates of both awareness and use of unregulated electronic cigarettes by adults increased significantly<sup>11</sup>; and

O. Electronic cigarettes often mimic conventional tobacco products in shape, size, and color, with the user exhaling a smoke-like vapor similar in appearance to the exhaled smoke from cigarettes and other conventional tobacco products; and

P. A study published in the *Journal of Environmental and Public Health* suggests that electronic cigarettes "may have the capacity to 're-normalize' tobacco use in a demographic that has had significant denormalization of tobacco use previously"<sup>12</sup>; and

Q. Recent newspaper reports from across the nation indicate that electronic cigarettes have a propensity for exploding while charging or in use. These explosions have caused severe burns and physical injuries to users. Additionally, these explosions have caused property damage; and

R. The use of electronic cigarettes in smoke free locations threatens to undermine compliance with smoking regulations and reverse the progress that has been made in establishing a social norm that smoking is not permitted in certain locations; and

S. The City of Beverly Hills has been among a growing list of progressive cities throughout the nation which have adopted more stringent local smoking and tobacco control ordinances to protect public health. In 2008, the City Council adopted the "90210 Fresh Air Dining Ordinance" (BHMC Title 5, Chapter 4), which banned smoking in all outdoor dining areas. In 2010, the City Council adopted an ordinance to regulate tobacco retailers through an annual permitting process (BHMC Title 4, Chapter 2, Section 2101, et seq). On March 4, 2014, the City Council adopted an ordinance to regulate electronic cigarette retailers just as the City regulates cigarette retailers, and to regulate electronic cigarettes in a manner similar to tobacco.

**Section 2.** The City Council hereby renumbers Section 5-4-12 ("Penalties and Enforcement") of Chapter 4 ("Smoking Regulations") of Title 5 ("Public Health, Welfare, and Sanitation") of the Beverly Hills Municipal Code to be Section 5-4-16 and amends it to read as follows:

**"5-4-16: Penalties and Enforcement:**

A. It is unlawful for any person who owns, manages, operates or otherwise controls the use of any premises subject to the regulation under this chapter to fail to comply with its provisions.

B. It is unlawful for any person to smoke in any area where smoking is prohibited by the provisions of this chapter.

C. The city prosecutor, any peace officer and any city code enforcement officer shall have the authority to enforce the provisions of this chapter.

D. Punishment under this Municipal Code shall not preclude punishment pursuant to any provision of law pertaining to smoking or littering. Nothing in this chapter precludes any person from seeking any other remedies, penalties or procedures provided by law. The remedies provided in this Municipal Code are cumulative and in addition to any other remedies available at law or in equity."

**Section 3.** The City Council hereby adds new Section 5-4-12 ("Prohibition of Smoking in Outdoor Service Lines") to Chapter 4 ("Smoking Regulations") of Title 5 ("Public Health, Welfare, and Sanitation") of the Beverly Hills Municipal Code to read as follows:

**"5-4-12: Prohibition of Smoking in Outdoor Service Lines:**

Smoking is prohibited in all outdoor service lines. For purposes of this section, an outdoor service line shall mean any outdoor area designed to be or regularly used by one or more persons to receive or wait to receive a service, enter a public place, or make a transaction whether or not such service or transaction includes the exchange of money including, for example, ATMs, bank teller windows, telephones, ticket lines, information kiosks and takeout counters."

**Section 4.** The City Council hereby adds new Section 5-4-13 ("Prohibition of Smoking in Farmers Markets") to Chapter 4 ("Smoking Regulations") of Title 5 ("Public Health, Welfare, and Sanitation") of the Beverly Hills Municipal Code to read as follows:

**"5-4-13: Prohibition of Smoking in Farmers Markets:**

Smoking is prohibited in all farmers markets. For

purposes of this section, a farmers market shall mean any food market at which local farmers sell fruit and vegetables and other items such as meat, cheese, and bakery products directly to consumers, whether on public or private property."

**Section 5.** The City Council hereby adds new Section 5-4-14 ("Prohibition of Smoking in Public and Private Plazas") to Chapter 4 ("Smoking Regulations") of Title 5 ("Public Health, Welfare, and Sanitation") of the Beverly Hills Municipal Code to read as follows:

**"5-4-14: Prohibition of Smoking in Public and Private Plazas:**

Smoking is prohibited in all public and private plazas except in areas of private plazas that are specifically set aside for smoking and designated by posted signage, provided that such areas are not within twenty feet of building entrances or exits or designated pathways. For purposes of this section, a public and private plaza shall mean any publicly owned unenclosed place, other than a sidewalk, that is paved and permanently set aside for pedestrian use, including, for example, a courtyard, plaza or promenade."

**Section 6.** The City Council hereby adds new Section 5-4-15 ("Prohibition of Smoking at Outdoor Public Gatherings") of Chapter 4 ("Smoking Regulations") of Title 5 ("Public Health, Welfare, and Sanitation") of the Beverly Hills Municipal Code to read as follows:

**"5-4-15: Prohibition of Smoking at Outdoor Public Gatherings:**

Smoking is prohibited at all outdoor public gatherings, except in areas specifically set aside for smoking and designated by posted signage. For purposes of this section, an outdoor public gathering shall mean an unenclosed area where members of the general public are attending, viewing or participating in a group activity, such as a special event, parade or fair."

**Section 7. CEQA.** The City Council hereby finds that it can be seen with certainty that there is no possibility the adoption of this Ordinance will have a significant adverse effect on the environment because the Ordinance only expands upon existing cigarette and electronic cigarette use restrictions. It is therefore exempt from California Environmental Quality Act review pursuant to Title 14, Section 15061(b)(3) of the California Code of Regulations.

**Section 8. Severability.** If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall remain in full force and effect.

**Section 9. Publication.** The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the City within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance and shall cause this Ordinance and the City Clerk's certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this City.

**Section 10. Effective Date.** This ordinance shall go into effect and be in full force and effect at 12:01 a.m. on June 1, 2014.
