Goldberg reinstated as Board president; blames Snowden, Fentons and the Weekly

The BHUSD Board of Education reinstated Board member Brian Goldberg as president with a 4-0-1 vote at their meeting Tuesday night. Board member Howard Goldstein, who was appointed to the position just last month, abstained from the vote.

Goldberg stepped down as president early this March, after being arrested by the BHPD on charges of battery.

“I believe that Dr. Goldberg went beyond the Board [of Education] bylaws when he stepped down a month ago,” Board member Noah Margo said. “As president, the Board bylaws do not dictate that he needs to do that, he chose to do it. I respected that decision. I will support reinstating Dr. Goldberg until such evidence is put in front of me that would trigger that Board bylaw and say otherwise.”

At the meeting, Goldberg spent nearly 20 minutes reading a letter to the community that placed blame for the incident on BHPD Chief David Snowden, BHPD Captain Mark Rosen, BHPD Lieutenant Lincoln Hoshino, former Board of Education member Steven Fenton and his

mother Judie, and *Beverly Hills Weekly* publisher Josh Gross.

"I tell my children, that if you have to hide or lie about something you are doing, then ultimately you know it is wrong," Goldberg said. "Chief Snowden lied and tried to hide what he was doing with [Evidence Based Inc.] because he knew it was wrong. Because I exposed Chief Snowden, he's trying to bury me personally, professionally and politically. My grandmother always said, 'The fish stinks from the head.' City Council, the ball is now in your court: If you want to change the culture and return to the values BHPD stands for, it begins with you chopping the head of the stinky fish off. In order to clean house, you must fire Chief Snowden for cause and remove or demote members of his demand staff that corrupt and abuse their power."

In his speech, Goldberg attempted to "connect the dots" between his arrest by the BHPD last month and his denunciation of Snowden's involvement with EBI.

"I want to say unequivocally to my political enemies—and I say enemies, because that is what they are—that you can continue to attack me personally and try to discredit me with lies, misinformation, half-truths and look through every aspect of my life trying to find dirt," Goldberg said. "You can even take my freedom away. But as long as I have any breath in my lungs, I will continue to stand up [and] speak out against cor-

ruption and abuse of power. Let me be crystal clear: there is nothing the Fentons, the Grosses, the Snowdens, the Rosens or the Hoshinos, or their ilk, can do about it, because I am not afraid of you or what you can do to me." Goldberg is scheduled to appear at LAX Superior Court on May 4.

Public Works Commission reviews City's water conservation efforts

Earlier this month, Governor Jerry Brown enforced a statewide 25-percent water cutback to continue through February 2016.

Last week, the State Water Resources Control Board issued a draft regulation to help reach that goal, proposing a four-tier structure that assigns a conservation target for all cities and water providers throughout the state.

The water conservation target for Beverly Hills is 35 percent; water-use data for 2014 was used to determine which tier each city would occupy.

"I think there should be some sort of forced tier consideration because if people are living in the first tier they really are basically using just the minimal needs to get by and I think asking them to cut back 30 percent is an unfair burden," said Vice Chair Sandra Aronberg.

The City's existing water conservation rules prohibit restaurants from serving water, unless it has been requested; the washing of driveways or sidewalks is

also restricted, and although no fines are issued, outdoor water violation warnings are administered.

City staff is currently considering the implementation of a new set of State emergency measures. These include prohibiting the irrigation of ornamental lawns on public medians with potable water.

The City is looking to elevate water conservation efforts to Stage D, the fourth level in a five-part system that includes 5% reduction (Stage A), 10% reduction with \$100 fines (Stage B), 20% reduction with \$500 fines (Stage C) and Emergency allocation (Stage E).

The "Stage D" package combines 30 percent reduction with mandatory outdoor watering restrictions and \$1,000 fines.

Staff has recommended a modified version of Stage D, which features the above-mentioned elements, but also includes reducing outdoor watering to two times per week and prohibiting the exterior

washing of buildings and vehicles.

City Council approves bike share pilot program

At their study session last week, the City Council agreed to purchase 50 "smart" bicycles with the goal of launching a city-wide bike-sharing program by fall.

The \$327,000 purchase covers 50 bicycles equipped with a GPS tracking system, docking stations, information and sales kiosks and one year of operating expenses.

Beverly Hills will be the second city in the region to implement a bike share program following Santa Monica. Although Beverly Hills' bicycle sharing program will be branded separately, it will use the same bicycle manufacturer and be compatible with Santa Monica's program.

Other neighboring cities, including Los Angeles, are also developing bike share

NOTICE OF PUBLIC HEARING

The Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, April 21, 2015 at 7:00 p.m., or as soon thereafter as the matter may be heard**, in the Council Chambers of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE TO EXPAND THE IN-LIEU PARKING PROGRAM

The City's in-lieu parking program currently allows owners of properties located within the Business Triangle that meet certain criteria to pay into the City's in-lieu parking fund rather than provide all required parking spaces on-site. The proposed Ordinance would amend Article 33 of Chapter 3 of Title 10 of the Beverly Hills Municipal Code to add areas along five commercial corridors as additional districts that qualify for participation in the City's existing in-lieu parking program. The additional areas consist of:

- The area consisting of properties that front on, or have a street side lot line adjacent to South Beverly Drive north of Olympic Boulevard and south of Wilshire Boulevard, including the properties facing Olympic Boulevard between South Beverly Drive and El Camino Drive and the properties facing Olympic Boulevard between South Beverly Drive and Reeves Drive.
- The area consisting of the properties that front on, or have a street side lot line adjacent to South Robertson Boulevard north of Whitworth Drive and south of Wilshire Boulevard,
- The area consisting of the properties that front on South Santa Monica Boulevard west of Wilshire Boulevard and east of Moreno Drive,
- The area consisting of the properties that front on, or have a street side lot line adjacent to Wilshire Boulevard west of San Vicente Boulevard and east of Crescent Drive, and
- The area consisting of the properties that front on, or have a street side lot line adjacent to Olympic Boulevard west of Robertson Boulevard and east of South Rexford Drive, including the three commercial lots on each side of Doheny Drive that are north of the intersection of Doheny Drive and Olympic Boulevard, and the two commercial lots on each side of Doheny Drive that are south of the intersection of Doheny Drive and Olympic Boulevard.

This Ordinance has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The adoption and implementation of the Ordinance is eligible for a class 5 categorical exemption for minor changes in land use limitations and will not have a significant environmental impact. Accordingly, the City Council will consider the recommendation to find the Ordinance exempt from the environmental review requirements of CEQA pursuant to Section 15305 of Title 14 of the California Code of Regulations.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. 100 Years After

Assemblymember Adrin Nazarian discusses AB-659

Assemblymember Adrin Nazarian (D-Sherman Oaks) represents the 46th district, which includes Studio City, Sherman Oaks, Lake Balboa, Van Nuys, Valley Village, Toluca Lake, Hollywood

Hills, North Hills and Panorama City. In January 2014, the California State Assembly Education Committee unanimously adopted AB-659, a measure introduced by Nazarian to strengthen California's commitment to teaching the Armenian Genocide, which began in April 1915, to public school students in Grades 7-12.

Why is the genocide bill important and what does its adoption mean to other ethnic groups?

What I tried to do with the bill is actually make it very broad and I wanted to address man's inhumanity to man. Genocides or massacres or the Holocaust are all different forms of what, unfortunately, we as human beings are capable of doing. Whether it's been Armenians being slaughtered on their own homeland, Jews being slaughtered in different countries where they were diasporans, a regime in

Cambodia doing it to its own people or in Rwanda, seeing two different tribes trying to decimate one another. Unfortunately, what a study of these atrocities tells us is that genocide sometimes doesn't even see race, ethnicity, religion—because it's sometimes people doing it to themselves.

And so that's why it's very important to me to make sure that California students are learning about these issues and becoming better aware of the world we live in. The more you know about this the better you're prepared to know what we need to do to be able to move forward and transcend and also never allow for it repeat.

What do you hope the genocide bill will accomplish?

Better awareness and knowledge about history. If we don't understand how history has shaped us we're doomed to repeat the same mistakes. There's a famous quote attributed to Hitler where he said "Who now remembers the Armenians?" as he was giving the orders of extermination in late 1938, 1939. And so it tells you that especially at a time like that when the media wasn't what it is now—you didn't have the social media component, of course, so you didn't even have media as

advanced as it what came out years after that. In the absence of there being good reporting or the opportunity to effectively communicate in mass what's going on in different places, in dark corners unfortunate circumstances like this were taking place. So how do you best learn from that and address it so it's not repeated again? That's why I thought it was important for a place like California to understand what's happened throughout the world and be better aware.

I was proud that it became part of the state Education Code, but we still have a lot of work. Sometimes it's not just by legislation—there's the legislative component but there's also the mindset. You need to educate enough on the issue so that people become better aware. There are many facets to it and it is ongoing.

As a legislator you have the wonderful opportunity to address any issue that you'd like to address. Now, of course, if the scope of the issue falls within your jurisdictional powers, then [you have] more ability to effectuate change. And since the educational curriculum falls under the state's purview, it was something that I could directly impact so I decided to advance the issue.

Board votes to deny claim for damages filed against district

At their meeting Tuesday night, Board of Education members unanimously agreed to deny a claim filed by Madison Resource Funding Corp against the BHUSD alleging breach of contract, aiding and abetting fraud and conversion based on its contract with the now-defunct private security company Evidence Based Inc (EBI).

The BHUSD hired EBI last year to provide security services to all five district campuses.

Madison Resource Funding Corp claims that its Master Agreement with EBI requires the district to directly pay the staffing and recruiting firm for funding EBI's payroll for security officers.

"We get a lot of criticism about legal fees," Board president Brian Goldberg

said. "Here's an example of one of the most despicable lawsuits that's come before us—and many despicable lawsuits have come. This is from the company that was lending money to [Evidence Based Inc.], we do not have a contract with them but because EBI is not financially sound, they're looking to come out for the deep pockets of the district."

Madison alleges that EBI failed to pay two invoices totaling around \$400K.

On November 6, EBI announced that it would no longer provide services to the district's five campuses due to financial difficulties.

The district is trying to recoup the \$135,015.86 owed to it following EBI's declaration of bankruptcy.

BOARD VOTES TO CLOSE THREE SCHOOL AUDITORIUMS

By Mina Riazi

In a 3-2 vote at their meeting Tuesday night, the Board of Education approved the closing down of the main auditoriums on the Beverly High, Hawthorne and El Rodeo campuses.

"In an act of what I believe to be irresponsible governing, my colleagues decided to immediately shut down use of the main auditoriums at [Beverly High], Hawthorne and El Rodeo," Board member Noah Margo wrote in a Facebook post Wednesday. "This occurred without any documentation from a structural engineer or state agency. There was no discussion between our facilities consultant, my colleagues and site administrators as to where upcoming planned events would be relocated, nor was there any plan discussed regarding the repair of the auditoriums and the potential term of the closure. This is a

dark time for the rebellion to say the least."

Board member Howard Goldstein, who also did not support the auditorium closures, recommended an amendment be made to the agenda item, which would have required a structural engineer to visit the closed-off sites in order to confirm that the buildings are unsafe.

Backed by Board president Brian Goldberg and Board members Lisa Korbatov and Lewis Hall, the original motion passed.

"The parents are extremely frustrated that we received no warning, no information and no discussion at any time during this year about the potential defects in our auditorium," said Hawthorne PTA President Tara Cucci. "[We] are perplexed why the Board [of Education] chose to close the auditorium."

Several parents present at the Board meeting Tuesday night wondered why the auditorium closures could not be postponed until the summer vacation.

Shutting down the Hawthorne auditorium will throw off several events happening in the next few weeks, including dance classes, after-school programs and musical theater performances.

"It will impact a lot of different things," Cucci said.

As of Wednesday morning, El Rodeo and Hawthorne parents had not been notified of the auditorium closures.

Earlier that same night, Board members approved a "piggyback" leasing agreement with Williams Scotsman, Inc. via their contract with Los Alamitos Unified School District.

Under the agreement, the BHUSD will rent more than 60 portable buildings for use at Hawthorne and El Rodeo. At their March

31st meeting, Board members approved a similar agreement for the procurement of portable classrooms and other buildings for use at Beverly High.

The 36-month lease period is slated to begin December 2015.

The Board will now hire a structural engineer to assess the auditoriums. All three auditoriums have withstood three major earthquakes in the last 80 years with little to no damage.

BOARD VOTES AGAINST MEASURE E BOND ACCELERATION

By Mina Riazi

After much debate, the Board of Education voted not to accelerate the Measure E bond at their meeting Tuesday night following a 3-2 vote. Board President Brian Goldberg, Board Vice President Howard Goldstein and Board member Noah Margo voted against acceleration.

Board members Lisa Korbatov and Lewis Hall sent out a Beverly Hills Courier email blast earlier that day advocating for acceleration and threatening retribution to those who did not.

"[The] Courier is 100% in support of selling all bonds now," the e-blast reads. "[The Courier] will not be sympathetic to Board members that do not sell bonds."

They also urged residents to support acceleration in an e-blast last week.

"A failed election in 2016 or later will create further monetary losses with no solution and thousands of students left in portables," write Hall and Korbatov in the emailed letter. "Do you really need an election that will waste money, time, and opportunity and delay safe and mod-

ern schools for our students and public?"

Korbatov left the meeting following the Board's decision Tuesday night, only to return 10 minutes later, after being heckled by a member of the audience.

"At what point does it become so unsafe that you cannot ignore it? Well, you're there," said BHUSD Director of Facilities Tim Buresh.

Buresh has consistently expressed the viewpoint that several district buildings are unsafe. Margo seemed unswayed by Buresh's analysis.

"What is apparent in the district is that our buildings do have recorded seismic deficiencies. That I will say," Margo said. "I will not get behind this banner that the buildings are unsafe for use. That I have not seen."

When voters approved the \$334-million Measure E bond in 2008, the ballot stated that the bond would improve the safety of the district without raising taxes for property owners, promising a rate of \$49.71 per \$100,000 of assessed value.

"I believe the best approach to advance

our school construction program is for the district to demonstrate that it can accomplish the following," Goldstein said. "First, effectively manage the

Measure E expenditures; second, substantially complete the construction of the new building at Horace Mann; third, finalize the [Beverly High], El Rodeo

"I believe the best approach to advance our school construction program is for the district to demonstrate that it can accomplish the following: first, effectively manage the Measure E expenditures; second, substantially complete the construction of the new building at Horace Mann; third, finalize the [Beverly High], El Rodeo and Hawthorne construction plans so that they can be submitted to the Division of the State Architect (DSA)."

and Hawthorne construction plans so that they can be submitted to the Division of the State Architect (DSA)."

The Board could place the acceleration on the ballot for the spring of 2016.

All right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described as:

Street Address or other common designation of real property: 935 Westbourne Drive,, Unit 305, West Hollywood, CA 90069

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on this property.

Note: Because the Beneficiary reserves the right to bid less than the total debt owed, it is possible that at the time of the sale the opening bid may be less than the total debt

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (866)-960-8299 or visit this Internet Web site <http://www.altisource.com/MortgageServices/DefaultManagement/TrusteeServices.aspx> using the file number assigned to this case 2014-02152-CA. "NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid on a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of the outstanding lien that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and if applicable, the rescheduled time and date for the sale of this property, you may call 714-277-4845, or visit this internet Web site www.usa-foreclosure.com, using the file number assigned to this case T.S.# 80746. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet Web site. The best way to verify postponement information is to attend the scheduled sale." FEI # 1077.00212 04/16/2015, 04/23/2015, 04/30/2015
