The current Beverly Hills Board of Education vote to close down the main auditoriums at Beverly High, Hawthorne and El Rodeo is confusing, inappropriate and obfuscating. ## BHPD Chief David Snowden announces retirement

Beverly Hills Police Department Chief David Snowden announced earlier this week that he will be retiring June 13 after 49 years in law enforcement. His retirement was advanced by several months due to upcoming back surgery.

David Snowden

Snowden, a former brigadier general in the U.S. Military Reserve, began his term as BHPD Chief of Police in 2004. Over the years, Snowden has received numerous awards, including the Sherman Block Law Enforcement Professional of the Year Award, Costa Mesa Hall of Fame Award and the National Law Enforcement Commendation Medal.

“Our residents and businesses have benefited tremendously from Dave’s commitment to providing the community with the finest in public safety,” said Mayor Julian Gold in a statement. “We wish him well in his retirement and thank him for his years of service.”

During Snowden’s tenure, the City’s police department launched and expanded high-tech public safety programs, including citywide security cameras and automated license plate readers.

Prior to his service to Beverly Hills,

Snowden served as Chief of the Costa Mesa Police Department (1986-2003) and Chief of the Baldwin Park Police Department (1980-1986).

## Many unanswered questions surround BHUSD auditorium closures

Tim Buresh

The agenda item pertaining to the auditorium closures at Beverly High, El Rodeo and Hawthorne, which was approved by the Board of Education at their April 14th meeting, appears to have been a last-minute addition by BHUSD interim Director of Facilities Tim Buresh.

At the PTSA meeting last Friday, Board President Brian Goldberg expressed uncertainty about the agenda item’s origins, initially stating that Superintendent Gary Woods had approved the addition.

Board Vice President Howard Goldstein later said that Woods had been absent during that time and could not have reviewed and authorized the agenda item, which was slipped in April 10 at 5 pm.

“The agenda item was snuck on at the eleventh hour by an anonymous staff member,” said former BHEF President Jonathan Prince at the PTSA meeting. “It just reeks of lack of transparency—there’s no transparency”

Though the auditoriums were closed last week, licensed structural engineers have not yet examined them, leading numerous community members to wonder why the buildings were deemed unsafe before an engineer’s assessment.

### “Extending the Venoco oil lease”

The primary focus of the Beverly Hills Unified School District should be providing each student in the district with the top quality education experience possible. Currently, the school district is under financial stress. This leads to cutbacks in new equipment and fewer opportunities for the students in our community. This is not the direction my neighbors and I want to see our local schools turn.

I urge the [BHUSD] to enter into negotiations with Venoco to extend their lease at Beverly Hills High School, bringing much-needed funds into the classroom. It only makes sense that the school district pursues partnerships like this that are mutually beneficial to everyone involved.

**Harriet Birns**  
Los Angeles

In an emailed letter to the district Wednesday morning, Woods called the closures temporary, and said that they “were ordered pending the receipt of a formal written safety assessment by structural engineers/experts.”

Woods also revealed that the district has requested a letter from engineering geology firm Earth Consultants International (ECI) to “assist in placing the various seismic risks facing the district in perspective.”

“The auditoriums, if indeed they are in danger, if indeed the reports that you have on file have proven that they have been unsafe for however many years that you’ve had these files, I wonder why the decision wasn’t made years ago,” Prince said. “Why was it made this week? Why did that happen?”

## Friedman, Gibbons elected new COC Chair and Vice Chair

Joshua Friedman

El Rodeo parent and Citizens’ Oversight Committee member Joshua Friedman was elected Chair of the group at the COC meeting last week.

Friedman, an attorney who graduated from the

University of Pennsylvania and Loyal Law School, was nominated by former COC Chair Woody Clark at the committee’s March hearing. Clark stepped down from the role earlier this month.

COC member Bradley Gibbons, also nominated by Clark, was elected Vice Chair of the committee. Gibbons is married to Monique Maas Gibbons, a Beverly Hills Education Foundation (BHEF) Board member.

Gibbons’ mother-in-law Virginia Maas served on the Board of Education from 1995 to 2003.

## BHUSD paid \$2K to hide information from the Weekly

According to BHUSD Chief Administrative Officer La Tanya Kirk-Carter, the district paid \$2,000 to redact bills requested by the *Weekly* late last year.

“Our legal counsel [Vincent Ewing]—we had a reduced rate—redacted 40 pages and the total amount was \$2,000,” Kirk-Carter said at the Citizens’ Oversight Committee meeting last week.

In December, the *Weekly* requested billing information pertaining to BHUSD interim Director of Facilities Tim Buresh’s involvement in producing a series of videos with KBEV on the Metro issue.

As covered in issue #798 of the *Weekly*, the district initially redacted the requested billing information. Ewing, in an email response, wrote that the “information has been redacted because it is exempt from

there are “engineering reports here in our main office,” but, “we have also requested to have a second opinion from a licensed structural engineer to verify the current recommendation.”

The fact that there is a disagreement between Mr. Margo and Mr. Goldstein on the one hand, and Ms. Korbatov, Mr. Goldberg and Mr. Lewis, and Mr. Woods on the other hand is inexcusable, confusing and untrustworthy. Why would Mr. Margo maintain there are no engineering reports to merit closure, if as Mr. Woods says, there are such reports?

All diagnostic engineering reports should have been considered BEFORE any vote for closure. The fact that there is a disagreement and not unanimous agreement is sophomoric. There should be no guesswork: the auditoriums are either safe or they are not safe. No action should have been taken until CONCLUSIVE EVIDENCE AND PROOF were provided to everyone and there should have been a UNANIMOUS DECISION IN FAVOR OF CLOSURE or AGAINST CLOSURE - not a 3-2 vote in favor!

Why is a second structural engineer being

### Goldberg attacks Snowden on 870 AM radio show

Board of Education President Brian Goldberg continued his attacks on Beverly Hills Police Department Chief David Snowden during a guest appearance on *The Randy Economy Show* Saturday night.

“Chief Snowden is a very large, tall gentleman, he uses his body—his physical proximity with you—in order to be intimidating,” Goldberg told host Randy Economy.

During the 10-minute segment, Goldberg accused Snowden of harboring a “personal vendetta” against him because “[he] had

exposed [Snowden’s] corrupt behavior and practices” with regard to the now-defunct private security firm Evidence Based Inc.

“I’ve learned a very valuable lesson from this experience,” Goldberg said. “There is unfortunately corruption that exists here in Beverly Hills and across the country.”

Repeating claims he made in a letter to the community last week, Goldberg

asserted that Snowden had targeted him and his family.

“I think that it’s important to send a message, not only to Chief Snowden, but to his command staff in Beverly Hills and other

cities and communities around the country, that we’re not going to stand for this type of behavior and there’s going to be some kind of accountability,” Goldberg said.

## COUNCIL APPROVES NEW WATER CONSERVATION MEASURES

### Violations punishable by \$1,000 fines

By Mina Riazi

At their study session Tuesday afternoon, City Council members approved the implementation of a modified version of Stage D of the City's emergency water conservation program in order to meet the state-mandated goal of a 36% reduction in water use.

"We are in a crisis situation with the drought and Beverly Hills is determined to meet the new water conservation goals," said Mayor Julian Gold in a statement. "We will evaluate our progress on a regular basis and make adjustments to our conservation program as needed. New technology as well as education will be a big part of the program because saving water is a long range as well as a short range goal."

The new conservation measures were

imposed in response to the severe statewide drought and a projected 15% cutback in water delivery from the Metropolitan Water District, which supplies 90% of the City's water.

The changes include limiting landscape watering to two days a week, rather than three. The City will also launch an outreach program to educate residents about the new restrictions and the ways that they can lessen their water usage.

"I do believe that we as a community need to lead and I don't believe we can ask residents and businesses to do something but we don't," said councilmember Lili Bosse.

Reduction of residential landscaping irrigation, which currently accounts for 60% to

70% of the City's annual water usage, will be a main focus moving forward.

The City's new water conservation requirements are listed below:

- Restaurants shall serve water upon request only.

- All public restrooms in the City and private bathrooms in hotels shall notify patrons and employees of water conservation goals.

- Plumbing and irrigation leaks shall be repaired as soon as practicable. The City may issue notices to repair visible leaks.

- Landscape irrigation shall be restricted to two days per week

- Existing swimming pools cannot be drained and refilled

- Exterior wash-down of buildings and wash-down of vehicles shall be prohibited, unless:

- The washing is done on the immediate premises of a commercial car wash or commercial service station or with reclaimed wastewater.

- The health, safety and welfare of the public are contingent upon frequent vehicle cleaning, such as the cleaning of garbage trucks and vehicles to transport food and perishables.

- Water usage from fire hydrants shall

be limited to firefighting, related activities or other activities necessary to maintain the public health, safety and welfare.

- Except for single-family and multi-family residential users in tier 1 who will remain in tier 1 for the next billing cycle, users shall reduce water usage to seventy percent (70%) of the amount in the baseline period as determined by the City council.

- Except for single-family and multi-family residential users in tier 1 during the current billing cycle, a tiered water penalty surcharge based on the cost of providing the higher volume of water will be established.

- Violation by any person of the mandatory requirements for outdoor watering shall constitute a misdemeanor and, upon conviction, shall be punished by a fine not to exceed one thousand dollars (\$1,000.00). Continued excessive use may result in termination of water supply through irrigation water services and/or restriction of water supply through domestic meters. The violation of each element, and each separate violation thereof, shall be deemed a separate offense, and shall be punished accordingly.

## MEL SPITZ ANNOUNCES BOARD OF EDUCATION CANDIDACY

Wants to resolve “formidable problems” in the BHUSD

By Mina Riaz

Mel Spitz

In a letter to current and former City councilmembers, former Board of Education members and City Treasurers (see right), longtime Beverly Hills resident Mel Spitz announced Tuesday that he will run for a seat on the Board in the November 3 election.

Spitz, who previously served on the Board from 1971 to 1979 and the BHUSD Finance Committee from 2011 to 2013, listed the “unsound” financial condition of the district as one of the reasons driving his decision.

A 1950 UCLA graduate, Spitz worked for Hilton Hotels for 10 years, starting out as a trouble-shooting auditor in the early 1950s before becoming chief accountant of Hilton international hotels. He later played an integral role in opening several international hotels.

Later, as managing partner of Bedline Manufacturing, a company that manufactures folding steel construction for furniture and bedding, including sofa sleeper mechanisms, Spitz designed several products and developed 25 patents.

Spitz and his wife Barbara will be married 60 years this November. Their sons Steven and Ken are both Beverly High graduates and their grandson David is a 4th grader at El Rodeo.

Dear Former School Board Members,

I have received a petition signed by more than 100 residents urging me to run for the school board in November. Under normal conditions I would not consider it; but the financial and organizational problems of the District have become critical:

Micromanagement by the school board over the past several years has sidelined the superintendents and blocked them from providing essential leadership. As a result, turnover of key personnel has been excessive, violations of employment policies have spawned lawsuits, morale throughout the District is low, the educational program is at an all-time low as measured by the percentage of high school graduates attending junior colleges, and the California Department of Education has designated the high school academic program as deficient. Support and confidence within the community has been diminished.

The financial condition of the District is unsound. Expenditures other than those related to Measure E exceed \$14,000 per student, which is 40% more than the average of five neighboring high-performing school districts. The District is involved in many lawsuits, the costs of which will likely deplete its reserves. Maintenance of capital assets has been deferred for years and is critically needed. An unprecedented formula adopted in the 2013 collective bargaining agreements ties salary scales to property tax revenue, and requires that salaries be higher than those of any other school district in L.A. County. Consequently, the District will operate at a deficit in any future school year when property tax revenue is less than that of the prior year.

The Karen Christiansen court award of \$13.7 million plus her legal expenses will be appealed by the District. Meanwhile, the judgment is drawing interest of ten percent annually. The District is not required by law to record these liabilities during the appeal process; however, later this year the independent auditors may require such recording, which would expose the District’s insolvency; or they could settle for a footnote in the financial statements which would hide it.

The 2008 \$334 million bond Measure E has been mismanaged according to the two latest annual independent performance audits. Now, seven years after passage of the measure school buildings remain unsafe in need of seismic upgrading, and this school board cannot agree on a sensible comprehensive plan for remediation.

To serve our community once again I will be a candidate for one of three seats in November. Hopefully other qualified persons will step up, to offer the voters a competent majority for the school board, capable of supporting a new superintendent and resolving these formidable problems.

Respectfully,

Mel Spitz

Earlier this year, Beverly High Principal Carter Paysinger announced that he will be pursuing one of the three available Board seats in the November election.

Incumbent Board members Brian Goldberg and Noah Margo have told supporters that they plan to run again as well.

### 14 single-family homes sold in Beverly Hills during first quarter

Sotheby’s International Realty released its 2015 first-quarter market report last week, which counted 14 single-family home sales in Beverly Hills. This number reflects a 75% increase from the eight sales closed last month. Comparatively, 11 sales were closed in March 2014.

The average sales price for the first-quarter of 2015 was \$5.9 million, down from \$6.4 million last year.

In Beverlywood, there were 19 single-family home sales, a 138% increase from the eight sales closed last month. The average sales price was \$1 million.

The report utilizes market data from 33 Los Angeles neighborhoods to monitor and analyze the barometer of industry activity.

All right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described as:

Street Address or other common designation of real property: 1234-1236 N SPAULDING AVE, West Hollywood, CA 90046-5415  
A.P.N.: 5530-004-030

The undersigned Trustee disclaims any liability for any incorrectness of the street address or other common designation, if any, shown above.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on this property.

Note: Because the Beneficiary reserves the right to bid less than the total debt owed, it is possible that at the time of the sale the opening bid may be less than the total debt

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (866)-960-8299 or visit this Internet Web site <http://www.altisource.com/MortgageServices/DefaultManagement/TrusteeServices.aspx> using the file number assigned to this case 2014-07288-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale

Contractors wishing to obtain this book may purchase copies directly from the publisher, Building News, Inc., 1612 South Clementine Street, Anaheim, California, 92802; (800) 873-6397. References in the project specifications to the American Water Works Association (AWWA) Standards refer to the latest version of the applicable Standard. AWWA Standards can be purchased online at http://www.awwa.org/publications/standards.aspx

LIQUIDATED DAMAGES - There will be a One Thousand Dollar (\$1,000) assessment for each calendar day that work remains incomplete beyond the time stated in the Proposal Form. Refer to the Proposal Form for specific details.

ENGINEER'S ESTIMATE - The preliminary cost of construction for this work has been prepared and the said estimate is \$2,219,000.

TIME FOR COMPLETION - The work on this project shall start within 7 calendar days from the date of receipt of written notice to proceed from the City Engineer and must be completed within 252 calendar days from the initial Notice to Proceed date.

PREVAILING WAGES - In accordance with the provisions of Section 1770 et seq, of the Labor Code, the Director of Industrial Relations of the State of California has determined the general prevailing rate of wages applicable to the work to be done.

Labor Code Section 1725.5 requires all contractors and subcontractors to annually register with the Department of Industrial Relations (DIR) before bidding or performing on any public works contract. A contractor or subcontractor must be registered with the DIR in order "to be qualified to bid on,

be listed in a bid proposal or engage in the performance of any public work contract."

The Contractor will be required to pay to all workers employed on the project sums not less than the sums set forth in the documents entitled "General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773, 1773.1."

A copy of said documents is on file and may be inspected in the office of the City Engineer located at 345 Foothill Road, Beverly Hills, California 90210.

Attention is directed to the provisions of Sections 1777.5 and 1777.6 of the Labor Code concerning the employment of apprentices by the Contractor or any subcontractor under him. The Contractor and any subcontractor under him shall comply with the requirements of said sections in the employment of apprentices.

Information relative to apprenticeship standards and administration of the apprenticeship program may be obtained from the Director of Industrial Relations, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

PAYROLL RECORDS - The Contractor's attention is directed to Section 1776 of the Labor Code, relating to accurate payroll records, which imposes responsibility upon the Contractor for the maintenance, certification, and availability for inspection of such records for all persons employed by the Contractor or by the Subcontractors in connection with the project. The Contractor shall agree through the Contract to comply with this section and the remaining provisions of the Labor Code.

INSURANCE AND BOND REQUIREMENTS - The Contractor shall provide insurance in accordance with Section 3-13 of the City of Beverly Hills, Capital Assets Department, Standard Contractual Requirements, included as part of these Specifications. All subcontractors listed shall attach copies of the Certificate of Insurance naming the Contractor as the additional insured as part of their insurance policy coverage. In addition, the Contractor shall guarantee all work against defective workmanship and materials furnished by the Contractor for a period of one (1) year from the date the work was completed in accordance with Section 2-11 of the Standard Contractual Requirements. The Contractor's sureties for the "Performance Bond" shall be liable for any work that the Contractor fails to replace within a specified time.

CONTRACTORS LICENSE- At the time of the Bid Deadline and at all times during performance of the Work, including full completion of all corrective work during the Warranty Period, the Contractor must possess a California contractor's license or licenses, current and active, of the classification required for the work, in accordance with the provisions of Chapter 9, Division 3, Section 7000 et seq. of the Business and Professions Code.

In compliance with Public Contract Code Section 3300, the city has determined that the Bidder must possess the following license (s): "A"

In submitting its bid, each Bidder will be required to certify that he/she has a minimum of five consecutive years of current experience in the type of work related to this project, completed a potable drinking water treatment plant rehabilitation or potable drinking water treatment plant upgrade project within the past five years, and that this experience is in actual operation of a firm with permanent employees performing a part of the work as distinct from a firm operating entirely by subcontracting all phases of the work. If a Bidder fails to meet these qualifications, City shall consider the Bidder to be not responsible.

The successful Bidder will not receive a Contract award if the successful Bidder is unlicensed, does not have all of the required licenses and project-related experience, or one or more of the licenses are not current and active. If the City discovers after the Contract's award that the Contractor is unlicensed, does not have all of the required licenses, or one or more of the licenses are not current and active, the City may cancel the award, reject the Bid, declare the Bid Bond as forfeited, keep the Bid Bond's proceeds, and exercise any one or more of the remedies in the Contract Documents.

SUBCONTRACTORS' LICENSE AND LISTING- At the time of the Bid Deadline and at all times during performance of the work, each listed Subcontractor must possess a current and active California contractor's license appropriate for the portion of the Work listed for such Subcontractor and shall hold all specialty certifications required for such Work. When the Bidder submits its Bid to the City, the Bidder must list each Subcontractor whom the Bidder must disclose under Public Contract Code Section 4104 (Subcontractor Listing Law), and the Bidder must provide all of the Subcontractor information that Section 4104 requires (name, address, and portion of the Work). In addition, the City requires that the Bidder list each Subcontractor's license number, Department of Industrial Relations (DIR) number and the dollar value of each Subcontractor's labor or services.

SUBSTITUTION OF SECURITIES- Pursuant to California Public Contract Code Section 22300, Substitution of securities for withheld funds is permitted in accordance therewith.

GENERAL INSTRUCTIONS - Bids must be submitted on the Proposal Form prepared for this project and shall be delivered at the office of the City Clerk within a sealed envelope supplied by the City and marked on the outside as follows: "PROPOSAL FOR REVERSE OSMOSIS WATER TREATMENT PLANT REHABILITATION (Job #10102)." Each bid shall be accompanied by a cashier's check or certified check drawn on a solvent bank, payable to "City of Beverly Hills", for an amount equal to ten percent (10%) of the total maximum amount of the Bid. Alternatively, a satisfactory corporate surety Bid Bond for an amount equal to ten percent (10%) of the total maximum amount of the Bid may accompany the Bid (See Exhibit A for Bid Bond Form). Said Security shall serve as a guarantee that the successful Bidder will, within fourteen (14) calendar days after the date of the award (tentatively June 2015) of the contract, enter into a valid contract with the City for said Work in accordance with the Contract Documents.

THE CITY RESERVES THE RIGHT TO REJECT ANY BID OR ALL THE BIDS AND TO WAIVE ANY INFORMALTY OR IRREGULARITY IN ANY BID, BUT IF THE BIDS ARE ACCEPTED, THE CONTRACT FOR THE IMPROVEMENT WILL BE LET TO THE LOWEST RESPONSIBLE BIDDER FOR THE PROJECT AS A WHOLE.

Please contact Anne Zaworski, Principal Civil Engineer at the Department of Capital Assets, at 310-285-2520 or at azaworski@beverlyhills.org for any procedural questions or concerns regarding this project.
