Hilton project: no free parking after 6:00 p.m.

The Hilton project had two court hearings last week. Last Friday, a suit brought by Beverly Hills resident Alma Ordaz was heard in court.

Judge Mary H. Stobal ruled the statements in favor of the Hilton Condominium Tower Initiative were not “false and/ or misleading” as suggested by the writ of mandate filed on Aug. 12 by the plaintiff.

In addition, the judge ruled there was not enough convincing evidence to invalidate the Beverly Hills North Homeowners Association’s endorsement of the initiative.

Earlier that week, Judge James C. Chalfant ruled largely in favor of the City when he denied a request for the Residents for the Beverly Hills Garden & Open Space Initiative to delete the word “Tower” from the initiative’s title.

A covenant filed on Aug. 17 between the City and Oasis West Realty, on behalf of the Hilton/ Wilshire Garden, only permits “free” two-hour parking for residents using the garden before 6:00 p.m.

Parking provided by the Hilton is only free between 6:00 a.m. and 6:00 p.m., according to the covenant and agreement obtained by the Weekly. Residents who wish to park and use the garden after 6:00 p.m. will be required to pay.

The development of the Hilton/ Wilshire Garden will be voted on as a garden and open space area as part of the Beverly Hills Garden and Open Space Initiative.

The covenant is “binding upon the Owner and any successors or assigns of Owner who acquire an interest in the Hilton/ Wilshire Garden” if the initiative receives a majority vote from Beverly Hills residents on Nov. 8.

“While we are disappointed that the court has allowed proponents of Measure HH to hide their false and misleading statements by attempting to fix them after the fact, we are pleased that this action forced the proponents of Measure HH to finally file their promised, but flawed, covenant now, rather than after the election, so the community understands their real intent, such as no free parking after 6:00 p.m.,” said No on HH consultant Adam Englander. “We are also happy that our suit forced the Beverly Hills North Homeowners Association to comply with state law and finally become a legal organization again.”

Hilton filed a SLAPP, a lawsuit which alleges infringement of First Amendment rights. Since the SLAPP motion prevailed, the Hilton will be entitled to attorney’s fees.

Unresolved issues emerge during tech conversation at Board meeting

Long-standing, simmering tension resur-

faced between the Board of Education members, during a discussion about technology, at last Tuesday’s meeting.

President Howard Goldstein accused Vice President Mel Spitz and Board member Isabel Hacker, of being “hypocrites” after they advocated the district foot the bill for leasing programs to obtain technology equipment for students.

“You both had an opportunity to vote for a technology bond [that would] move forward the funding [for this project],” Goldstein said during the meeting. “This is the height of hypocrisy.”

Goldstein is referring to a previous 3-2 vote to approve a new bond for the Nov. 8 election, where Spitz and Hacker dissented.

El Rodeo Principal Kevin Allen, Beverly Vista Principal Christian Fuhrer and BHUSD Director of Technology Bernadette Lucas were seeking permission to move forward with a proposal to take advantage of the low interest rates associated with leasing programs for technology.

However, PTAs cannot participate in this type of financing because the district has to be the debtor of a lease program. The Board would become the actual lease holder, but the PTAs would commit the funds to make the payments for the program.

Although a majority of board members were in agreement that the district should pay for the technology lease (rather than the PTAs), Goldstein became emotional during his comments and was angered that his colleagues would advocate for this.

“What we were asked to vote for was a hell of a lot more than \$17,000 a year,” Spitz said. “It was to increase our deficit over a million dollars. I resent your comments.”

Earlier in the meeting, Spitz and Hacker requested to table to the agenda items dealing with technology until the technology-specific study session on Oct. 5.

Superintendent Steve Kessler advised against delaying the matters any further.

“I have a right to sit in this chair and be independent from you,” Hacker said, referring to Goldstein. “I think the Board in the past has been very indecisive, but I don’t think I disagree with you Mr. Goldstein. It’s an issue of timing.”

The Board unanimously agreed to allow the PTAs to move forward.

Ad Hoc committee discusses format for Hilton initiative debate to be held Sept. 29

A debate on the Hilton initiative will take place in the Council Chamber on Sept. 29 at 7:00 p.m.

League of Women Voters representative Elizabeth Ralston will moderate the forum.

At an Ad Hoc committee meeting last Friday, Ralston provided information on two types of debate formats. The debate will take the format of an issues forum.

She also indicated that forum sponsors generally determine the rules of the event, according to the meeting highlights.

An issues forum has two to three people representing both sides. The exact number of representatives has not yet been determined.

Starting with the pro, each side has the

same amount of time for an opening statement and then again for rebuttal. Questions from the audience will be directed to one side. There will be time for each side to

NOTICE OF PUBLIC HEARING

DATE: September 19, 2016
TIME: 1:30 PM, or as soon thereafter as the matter may be heard
LOCATION: Commission Meeting Room 280A - Beverly Hills City Hall
455 North Rexford Drive, Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at its SPECIAL meeting on Monday, September 19, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider the following:

PROJECT DESCRIPTION

The proposed project involves the construction of a new multi-family residential condominium building containing a total of 31 units on the property located at 332-336 N. Oakhurst Drive. The subject property is partially located in the City of Beverly Hills (westerly portion, including building frontage on N. Oakhurst Drive), with a majority portion located in the City of Los Angeles (easterly portion). The proposed project would have a maximum height of 3 stories and 39’ for the portion of the building located in Beverly Hills, and a maximum height of 5 stories and 60’ for the portion of the building located in Los Angeles. The portion of the building located in Beverly Hills would contain a total of 7 units, with the remaining 24 units located in Los Angeles. The project would contain a total of 91 subterranean parking spaces, 30 of which would be located in the Beverly Hills portion of the project, with the remaining 61 parking spaces located in Los Angeles. Approval of the project requires approval of a Vesting Tentative Tract Map and a Development Plan Review.

The Planning Commission previously considered this project at its regular meeting held on October 8, 2015. At the conclusion of that meeting, the Planning Commission directed the applicant to redesign the project, and voted to create a Subcommittee consisting of two Planning Commissioners to work with the applicant and members of the public on the design changes. The Subcommittee held one meeting on April 12, 2016 to review a new design. The applicant subsequently requested for the matter to be brought forward to the full Planning Commission for a decision.

ENVIRONMENTAL REVIEW

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The subject property is partially located in the City of Beverly Hills, with a majority portion located in the City of Los Angeles. As the designated lead agency for this project, the City of Los Angeles prepared an Initial Study to determine the proposed project’s potential impact on the environment. After reviewing the Initial Study, the lead agency determined that this project may have a significant effect on the environment, but by implementing certain mitigation measures, the project’s potentially significant effects could be reduced to less than significant levels. Accordingly, a Mitigated Negative Declaration (MND) was prepared and adopted by the City of Los Angeles. The City of Beverly Hills, as a responsible agency, will consider the MND prepared and adopted by the City of Los Angeles.

Any interested person may attend the meeting and be heard or present written comments to the Commission.

According to Government Code Section 65009, if you challenge the Commission’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Andre Sahakian, Associate Planner** in the Planning Division at (310) 285-1127, or by email at asahakian@beverlyhills.org. Copies of the project plans and associated application materials are on file in the Community Development Department, and can be reviewed by any interested person at 455 North Rexford Drive, Beverly Hills, CA 90210.

Sincerely:
Andre Sahakian, Associate Planner

NOTICE OF PUBLIC HEARING

HEARING DATE: Monday, September 19, 2016
TIME: 1:30 PM, or as soon thereafter as the matter may be heard
LOCATION: Council Chamber
 Beverly Hills City Hall
 455 North Rexford Drive
 Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at its SPECIAL meeting on Monday, September 19, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider a request to allow a new restaurant with a 100% valet-operated mechanical parking garage and reduced rear setbacks to be constructed and operate with extended hours and open air dining on the commercial property located at 250-260 North Canon Drive. The proposed project requires the following entitlements:

Zone Text Amendment. The project includes a request to amend portions of the Beverly Hills Municipal Code (BHMC). One proposed Zone Text Amendment would amend BHMC §10-3-100 and add BHMC §10-3-2730.4 and BHMC §10-3-3800.2 to allow car elevators, mechanical parking lifts, and aisle parking in commercial zones through a Conditional Use Permit. The proposed Zone Text Amendment would establish criteria for such alternative parking systems that are 100% valet-operated. The other proposed Zone Text Amendment would amend BHMC §10-3-1952A and §10-3-1953A to allow a commercial property that is adjacent to an RMCP zone to reduce or eliminate the rear setback requirement and reduce or eliminate the requirement for a wall along the rear property line through a Minor Accommodation.

Conditional Use Permit. The proposed project includes a request for a Conditional Use Permit to allow the use of car elevators, mechanical parking lifts, and aisle parking to accommodate 102 code-required parking spaces for the new restaurant and existing office building on the subject property. Parking would be provided in three subterranean levels accessed from the alley and 100% valet-operated. The requested Conditional Use Permit is contingent upon the approval and implementation of the proposed Zone Text Amendment.

Minor Accommodation. The proposed project includes requests for Minor Accommodations to eliminate the required rear setback from the alley both above and below ground, and to eliminate the required wall along the rear property line that separates the property from the alley. If approved, the Minor Accommodations would allow the first level of the underground garage and the second and third floors above ground to be built to the rear property line instead of having a 6' setback, and would waive the requirement for a 3' wall on the rear property line. The requested Minor Accommodations are contingent upon the approval and implementation of the proposed Zone Text Amendment.

Open Air Dining Permit. The proposed restaurant includes an outdoor patio on private property with 915 square feet of open air dining area. In addition, large portions of the walls and roof of the 12,040 square foot restaurant building would be able to be opened. Therefore, the approximately 2,650 square feet of interior bar and dining areas also require approval of an open air dining permit.

Extended Hours Permit. The proposed restaurant requires an Extended Hours Permit in order to receive patrons after 10 PM. The requested hours extend until 1:30 AM daily.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. The project appears to qualify for a Class 5 Categorical Exemption pursuant to Section 15305 of the State CEQA Guidelines for minor changes in land use regulations. The proposed Zone Text Amendment would allow mechanical parking garages and reduced rear setbacks under certain circumstances on properties located in commercial zones in the City. The project also appears to qualify for a Class 32 Categorical Exemption pursuant to Section 15332 of the State CEQA Guidelines for in-fill development projects. The Planning Commission will consider finding that the project will not have a significant environmental impact and is exempt from the provisions of CEQA.

Any interested person may attend the meeting and be heard or present written comments to the Commission. Please note that any communication received by the City becomes part of the public record.

According to Government Code Section 65009, if you challenge the Commission's action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Emily Gable, Assistant Planner** in the Planning Division at (310) 285-1192, or by email at egable@beverlyhills.org. Copies of the project plans and associated application materials are on file in the Community Development Department, and can be reviewed by any interested person at 455 North Rexford Drive, Beverly Hills, CA 90210.

Sincerely,
 Emily Gable, Assistant Planner

Approval of remodel to Hawthorne auditorium reconfirmed by Board

After confusion following the Aug. 30 study session, the Board of Education revisited the proposed plans to proceed with the Hawthorne School's auditorium remodel, during its meeting last Tuesday.

The purpose of the discussion was to clarify the Board's position as to whether or not they are in favor of moving forward with Hawthorne's auditorium remodel.

DLR architects were looking to hear from the Board if they should proceed with the auditorium plans and submit the proposal to the Department of State Architecture.

There was an additional question about the inclusion of scope changes made to the plans by DLR, which include modifications to the bathrooms and the omission of the elevator because in the next phase there will be a larger elevators that will not only serve the auditorium but the additional reconstructed buildings as well.

"As everyone knows, I was against the closing of the auditorium until we specifically began construction on the buildings themselves. We have started that process at El Rodeo and the high school. We have already voted to bifurcate this auditorium to get it completed sooner rather than later," said Board member Noah Margo. "For all the theories about Hawthorne closing or becoming a dedicated middle school, the Board has up until now only voted for schematics and design drawings for Hawthorne that maintain the K-8 model. We have currently engaged the architects to provide plans that remodel the historic building at Hawthorne and rebuild the north and south buildings."

The Board unanimously agreed to move forward with the plans to remodel the Hawthorne auditorium and submit the proposal, including the scope changes, to DSA.

Rooftop addition on South Beverly Drive makes fourth appearance before Planning Commission

A request to construct a 2,202 square foot rooftop lunchroom at 228 South Beverly Dr. was presented before the Planning Commission for the fourth time, during its meeting on Sept. 8.

Staff drafted amendments to the City's rooftop regulations, which were unanimously approved by the Commissioners.

Amendments to the rooftop regu-

lations include the floor of a rooftop addition cannot exceed 10 percent of the total floor area of a building, additions larger than 10 percent of the total size of a building or 50 percent of the floor below are acceptable if the applicant provides additional parking, and submission of a rooftop landscape plan is required.

Project applicant Moshe Kraiem and attorney and former mayor Joseph Tilem, who represents Kraiem, did not attend the meeting.

At the time of the writing of the staff report, the applicants had not redesigned the project and indicated they did not intend to do so, according to Principle Planner Masa Alkire. The staff report recommended the Commissioners deny the application.

On the day of the meeting, Tilem emailed Alkire to express that Kraiem is willing to redesign the project to be compliant with the new rooftop regulations, Alkire reported. The size of the project will be reduced from 2,200 square feet to 780 square feet.

The project applicants requested the Commission continue the development plan review application, instead of denying the proposal.

"Mayor Tilem has had plenty of time to come up with a revised plan," said Commissioner Alan Block. "He accused us of delaying it and he's been continuing it numerous times."

The Commission originally reviewed the proposed project on Feb. 27, 2014. Over

the past two-and-a-half years, the project has gone back and forth between commissioners, city staff members and an ad-hoc subcommittee.

At a previous meeting in July, Tilem said it has "been the most dragged-out process that [he has] ever encountered."

Review of the development plan application will be continued on a date not yet determined.

Planning Commission advises against zone change for condos on South Santa Monica Boulevard

The Planning Commission expressed concerns with the proposed condominium project at 9908 South Santa Monica Blvd., during last week's meeting.

The Commissioners mainly took issue with the creation of a residential overlay zone, which would allow for the residential use of condos in a traditionally commercial zone.

"This is a commercial street, and it has always been commercial," said Chair Joe Shooshani. "I don't think this is the place for it. You need to have some retail."

The project proposed the construction of a new 27-unit luxury condominium building with units ranging from one to four bedrooms. It includes approximately 89,988 square feet of floor area and consists of four full stories of residential units plus a stepped back fifth penthouse level,

according to the staff report.

Commissioners also received a draft of the environmental impact report.

“This project has 80 percent less traffic than other alternatives that have been studied,” said project attorney and former mayor Tom Levyn. “That’s 80 percent of a less impact on the southwest, on other commercial properties in the area, including the Peninsula hotel.”

Project alternatives studied in the draft

EIR included a mixed use residential and commercial project, a mixed use office and commercial project, and an office project.

“As far as

the environmental effects, I agree traffic is probably less with the residential component as distinguished from the commercial component,” said Commissioner Alan Block. “I have concerns about the use. I have concerns about what the public benefit is going to be for the zone change. This area is deficient in parking.”

The project will appear before the Commission again on a date not yet determined.

Temporary security fence voted down by Board

The Board of Education did not approve the contract for the installation of a temporary security fence at Beverly High by a 3-2 vote, during its meeting last Tuesday. Vice President Mel Spitz and Board member Lisa Korbatov voted in favor of the fence.

On June 14, the Board authorized staff to solicit bids for the installation of a temporary security fence to cover the gap along Moreno Drive between the existing construction fencing.

Principal David Jackson has made comments about the campus being “porous” and that it is a security issue, according to Superintendent Steve Kessler.

The issue is being revisited by the Security Committee.

Public Works moves forward with City’s water projects

The Public Works Commission received update on the City’s four main water projects from City Engineer Mark Cuneo, at its meeting last Friday.

Although construction has been completed on the reverse osmosis water treatment plant, there are still several phases to go before the plant is fully functioning again,

Jerrold Felsenthal

according to Cuneo. Staff needs to complete training and the proper permits need to be received before the plant is up and operating.

“There are still a lot of things to do as far as getting the plant back online,” Cuneo said. “There’s still a lot of work to do. There’s been progress, but it has been challenging to say the least.”

The shallow groundwater wells are in the process of receiving conveyance and treatment design from Tetra Tech. Cuneo reported the design drawings for the pipelines are about 50 percent complete.

“Who could’ve imagined it would take three years to drill a shallow groundwater well? It can’t take three years to drill a well and move it 300 yards,” said Commissioner Jerrold Felsenthal. “I don’t know what we’re doing wrong, but some-

thing isn’t working right.”

The Greystone reservoir rehabilitation is on schedule. Repairs to the east basin have been completed. The tank has been disinfected and it is set to be filled and fully in service in October.

A preconstruction meeting has taken place for the Cabrillo Reservoir project. Construction is anticipated to begin at the end of September or early in October.

The Cabrillo Reservoir had been taken out of service because of persistent groundwater seepage. Proposals for the next phase of the project include the conveyance pipeline from the reservoir to the City’s parks.

Public Works Commission plans to bring green streets to Beverly Hills

The Public Works Commission received an update on the Green Streets and Water Efficient Landscape Project on the Burton Way median, during its meeting on Sept. 8. It is the City’s first green streets project.

Green streets are structural functions, such as medians, that capture, infiltrate or treat urban runoff. The project is currently in the initial feasibility and design phase, according to the staff report.

Burton Way is a highly exposed median and it is larger than a typical median. The staff report also stated the median was selected for green streets opportunities because of the deteriorating lawn condition and need to re-landscape as well as the potential for minimal traffic impact because most work will be done inside the median.

Project manager Derek Nguyen reported the main goals will be to capture urban runoff, exhibit water efficient landscape and incorporate public art pieces. The Public Works and Fine Arts Commissions will have active roles in advising the Council on this project.

Commissioner Barry Pressman voiced concern regarding pedestrians not on foot using the median as a pathway.

“We don’t want skateboards and we don’t want roller skates and we don’t want bicycles, [so] we need to break up the walkway,” Pressman said. “I recommend highly you consider a way to make it a walkway for pedestrians that discourages any other kind of use.”

Staff will be seeking community input on the water efficient landscape design at a public workshop this Saturday from 10:00 a.m. to 12:00 p.m. in the Municipal Gallery.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, September 20, 2016, at 7:00 p.m.**, in the Council Chamber of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

A Vesting Tentative Tract Map, Development Plan Review, and Density Bonus Permit to allow the construction of a 4-story, 8-unit residential building inclusive of a very low-income affordable housing unit on the property located at 250 North Crescent Drive. On March 10, 2016, the City of Beverly Hills Planning Commission conditionally approved the Tentative Tract Map, Development Plan Review and Density Bonus Permit for the Project. On April 5, 2016, the City Council voted to review the decision and thereafter set the matter for the de novo hearing.

The project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. Projects characterized as in-fill development that meet certain criteria are categorically exempt from CEQA pursuant to Section 15332 of the State CEQA Guidelines. The project appears to meet all five of the following criteria set forth in Section 15332 of the State CEQA Guidelines for in-fill development projects:

- a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.
- b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.
- c) The project site has no value as habitat for endangered, rare, or threatened species.
- d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.
- e) The site can be adequately served by all required utilities and public services.

Therefore, the City Council will consider the finding that the project will not have a significant environmental impact and is exempt from further environmental review under CEQA.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. The comments should be received prior to the hearing date.

Please note that if you challenge the Council’s action in regards to this matter in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Cynthia de la Torre, Assistant Planner** in the Beverly Hills Community Development Department at (310) 285-1195, or by email at cdelatorre@beverlyhills.org. THE BEVERLY HILTON'S COMMITMENT TO OUR NEIGHBORS: FOREVER A GARDEN – OPEN TO THE PUBLIC

DEAR NEIGHBORS,

ON AUGUST 17, 2016, I recorded a legally binding covenant with the County of Los Angeles that permanently protects the 1.7-acre garden and park that will be created by Measure HH, the Beverly Hills Garden & Open Space Initiative. The garden and park will be environmentally sustainable for the entire Beverly Hills community to enjoy, privately maintained, at no cost to taxpayers and will feature a large variety of flower and plant species, beautiful fountains and amenities.

If Measure HH is approved by voters on November 8, the covenant ensures:

1. The garden and park will forever remain a garden and cannot be eliminated in the future, period, by myself or any future owner because it is permanently tied to the property.
2. Like our City's parks, the garden will remain open to the public and portions of the garden will occasionally be used for events.
3. Two hours of free parking will be provided to Beverly Hills residents while enjoying the garden.

Additionally, last week, the Los Angeles County Superior Court affirmed the permanency of the covenant, saying it means "the owner and successors cannot build habitable structures that would detract from the use of the open space by the public as a garden." The court also affirmed the covenant "provides for two hours of free parking."

If you want to see the full recorded covenant, visit BHGardenOpenSpace.com/Covenant. We are excited about the benefits that Measure HH will bring to Beverly Hills and look forward to working together to make our community better.

Sincerely,

A handwritten signature in black ink that reads "Beny Alagem".

City Arborist Ken Pfalzgraf runs for Board of Acton Agua Dulce Unified School District

Urban Forest and Parks Maintenance Manager Ken Pfalzgraf is a candidate for the Acton Agua Dulce Unified School District Board of Education, during elections on Nov. 8.

"I've been going to school board meetings for the better part of five years," Pfalzgraf said. "It's time to serve my board."

Pfalzgraf is the City's arborist and has been an employee of Beverly Hills for 15 years.

"My street tree master plan typically involves a great deal of transparency and public participation," Pfalzgraf said. "The reporting and transparency is something I can bring to the school board."

The small, rural school district in northern Los Angeles County is home to three traditional schools and 1,100 students, according to an article published in the LA School Report in 2014.

The article also reported the district has

seen a sharp drop in enrollment in recent years and has struggled to meet its budget needs of \$10 million.

Saturday marks World Marrow Donor Day

World Marrow Donor Day will be celebrated globally this Saturday, Sept. 17.

Over 50 countries worldwide participate in the celebration to honor donors who have helped save lives and those who are entered in the registry.

Councilmember Julian Gold was the recipient of a stem cell donation while he was battling Leukemia almost 10 years ago.

"There are many people, like me, who need this," Gold said during a Council meeting on Sept. 6. "You could save a life. And hopefully the life of somebody you save goes on to do some good in the world."

WMDD raises awareness about being a stem cell donor and the impact of blood stem cell transplants on patients' lives. Although there are 28 million donors in the global registry, many children and adults in

need of a transplant are still unable to find a match.

More potential volunteer donors are recruited to help increase the chances of saving lives.

Obama and U.S. Banks Don't Want You to Know About this IRS "Cheat Code" ...

Obama would like you to think that the ONLY way to save for retirement is by putting money into the stock market. You get an IRA or 401(k) and then you load up on stocks and bonds, right? You feed the Wall Street beast.

But I'm sure that I don't need to tell you that this "beast" can bite the hand that feeds it. It bit Americans hard in 2008, when Wall Street tanked and took the nation down with it. Now, there are indications that it may soon do it again.

These 4 Market Crash Signals Are Flashing Red

Many experts - like Peter Schiff and Gerald Celente - are predicting "imminent stock market crash". Now you can add John Hussman's name to the list.

Hussman, a former professor of economics, uses four signals to predict stock market peaks and crashes. These signals correctly predicted the peaks in 1972, 2000 and 2007. Each of these peaks was followed by a dramatic crash.

Now, for the first time since the last financial crisis, ALL FOUR signals have appeared again.

This is why it's time to consider getting your retirement out of stocks and bonds and into assets that will help you weather the coming financial storm.

Thankfully you have options.

Did you know that you can move your retirement savings out of stocks, and KEEP your tax-advantaged status?

While you still can

Get a FREE Info Kit on Gold, and the IRS "Cheat Code" to legally move your IRA or 401(k) to precious metals.

There is ZERO cost and ZERO obligation to you. This comprehensive, 16-Page "Insider's" Kit reveals how Gold:

- Safeguards from a falling dollar
- Protects in times of uncertainty
- Offers tremendous growth potential

I have some of these FREE Info Kits available today - request yours now!

Have you heard about Section 408(m)(3)?

It's a little-known cousin of Section 401(k) of IRS code. I like to call it the "cheat code" that unlocks investments you simply can't find on Wall Street. Here's what I mean ...

Section 408(m)(3) lets you open a Precious Metals "Self Directed" IRA and put REAL gold and silver into a tax-advantaged account.

Here are four good reasons to consider this IRS "cheat code" ...

REASON #1:

Precious metals can protect you during times of economic uncertainty (like right now), and are a hedge against inflation.

REASON#2:

Unlike stocks, gold and silver will NEVER go to zero. They will always be worth something.

REASON#3:

Since 2001, gold has MASSIVELY outperformed the stock market, by over six times!

REASON#4:

Gold and silver are recognized around the world as currency. This means you could use precious metals to pay for goods and services if something catastrophic ever happened to the dollar, a scenario that looks more probable every year.

QUENCHING CALIFORNIA

MWD representative Robert Wunderlich on the future of local water supply and the upcoming Council election

By Madelyn Pariser

How did you become the Beverly Hills representative on the Metropolitan Water District Board?

I was appointed by the Council. The Council posted a notice and had to seek a replacement because my predecessor Betty Harris was stepping down. Then there was an interview process by the Council. It was my first experience working for city government.

I think part of the Council's decision for picking me was because of my background. I'm an economic and business consultant and I have been for 25 or so years now. Before that I was a scientist and an engineer, and in fact for some of my career I was an environmental consultant. I dealt with water issues from a technical side earlier in my career. I'm still a registered professional chemical engineer, although I'm not practicing chemical engineer. I have a PhD in chemical physics.

When I was working as a scientist, I went back and got my MBA from UCLA and I transitioned to becoming an economic and business consultant, which I was at the time I got picked by the Council. I really had work experience and academic experience both on the business and financial side and on the technical side. The dual background was an appropriate background for being on the MWD Board.

What is the MWD?

Metropolitan is a government agency. Most of the urban areas of Southern California

have representatives on the Metropolitan Board. It is the government agency that is the water wholesaler for Southern California. It's charged with the responsibility of making available a reliable supply of water for urban Southern California [that includes] Ventura County, Los Angeles County, Orange County, San Diego, San Bernardino, and Riverside County. All of the members of MWD, have representatives on the Board.

It contracts with the state to bring water from the Big Delta area and it maintains the storage facilities inside of Southern California, and actually outside of Southern California as well. It's the agency that brings in water through the Colorado River. It participates in local water projects. Currently in the planning phase is water recycling project with LA County Sanitation District.

Beverly Hills currently purchases about 90 percent of its water from Metropolitan. I don't know the exact number but the city of Los Angeles purchases roughly half its water from MWD.

It has an annual budget approaching \$2 billion. There's a lot to do to bring water into the Southern California area and to treat the water. If you look at the list of the 10 largest water treatment plants in the country, Metropolitan owns and operates four or five of them.

[Metropolitan] is by far the largest wholesale water agency in the country. It services an area of 19 million people, and so it has quite a bit of responsibility. Metropolitan has to make decisions as to large amounts of capital investment.

Metropolitan has greatly increased the amount of water storage available in Southern California [by building] a reservoir at Diamond Valley Lake out in Hemet and that has dramatically increased the amount of water storage available in Southern California.

What is your role on the Board?

Again, Metropolitan is a

government agency. It is the party that has to make the decisions and implement the decisions as to how best to ensure a reliable supply of water for all of Southern California. As the representative of Beverly Hills, it's kind of like being a legislature. You have to make decisions and you have dual responsibility; you're there representing the interests of the entire region, of all of Southern California, as well as in particular representing the interests of your locality of Beverly Hills.

The politics of it was something that was new for me. Working with other people around Southern California really is one of the parts I enjoy most about being on the Board. It's meeting with people that I wouldn't ordinarily be meeting with and it's working with them. We of course don't always agree on everything but Metropolitan is a very functional agency.

The basic job of getting the water, ensuring the reliable supply and making sure it's high quality water and delivering it every day to 19 million people – that happens. And it does come about from people throughout Southern California working together in regional cooperation to be able to make best use of the resources we have available in an area that is a relatively dry area.

Why does Beverly Hills purchase its water from MWD rather than produce its own?

Beverly Hills produces a minority portion of the water for itself, roughly on an average for the last several years about 10 percent. The City has fewer available resources than some other areas. Some areas, for example, have more productive aquifers – more productive places to take water from groundwater.

Once it is implemented it's estimated that Beverly Hills will increase its amount of local water to about 25 percent, as opposed to the current 10 percent. For example, a key component of that plan is installing additional groundwater wells south of the City. Rather than tapping into the aquifer, the groundwater directly below the City, Beverly Hills [will] be installing wells south of the City and then either exchanging that water to have water available for the City or bringing that water via pipeline up to the City.

[We are also] trying to increase [the City's] local resources and that work is very much done in connection with the Public Works Commission and the department of Public Works here in the City – implementing that water plan and the capital investment for the water plan.

I work closely with the Commission. I do attend the meetings and I'm the City's representative at MWD so I'm communicat-

ing what's happening at the wholesale level, but it's the Public Works Commission and the department of Public Works that would be hands on involved with implementing the water plan for the City.

What is the City's biggest water challenge?

I think that all of Southern California, in fact all of the Southwest United States, is facing a drier future. We could call the last five years a drought, and it probably was more intense than a typical period moving forward but I think we should anticipate that on average the days are going to be drier moving forward into the future.

"I am running for City Council. One of the things I love about Beverly Hills is that it is a small town. People know what's going on in their community and that's one of the things I love most [about the City]."

Recycling is going to be key. Right now, we create drinking quality water and for the most part we use it only once. It is an expensive process and it's not really efficient. It's going to require major investments in infrastructure to be able to recycle a lot of water but that is one of the things the future is going to hold for us. We are going to have to recycle more water.

We have to make better use of the water resources we have. Beverly

Hills, and all areas of Southern California, is encouraged to develop their sustainable local supplies. For example, Beverly Hills is in the process of installing additional groundwater wells that we can make better use of. The long term plan is to stabilize the amount of water brought in from outside of the region, and all or any increased needs will come from local sources or local development.

Tell us about your family.

We've been residents [of Beverly Hills] for 17 years. My wife, Andrea Spatz, is a financial planner in Century City. She's a partner at her own firm Wallensky Spatz & Associates. We have two children, Matthew, 26, and Michele, 23. They went through the Beverly Hills school system. Matthew [recently] came back from living and teaching in Asia for about three and a half years, most of that time spent in Vietnam. He just moved back to the US in the last couple weeks and is living in the Berkeley area now. Michele graduated college about a year ago and we're very pleased she's back in Beverly Hills. She's working in publicity for Starz, the cable TV network based in the City.

Are you running for City Council?

I am running for City Council. One of the things I love about Beverly Hills is that it is a small town. People know what's going on in their community and that's one of the things I love most [about the City].

“I am pleased the House of Representatives passed the West Los Angeles Leasing Act of 2016, which authorizes the VA to implement the Master Plan for the West L.A. VA campus. Today represents a giant leap forward in restoring the property to the Old Soldiers’ Home it was always intended to be,” Lieu said in an official statement. “If enacted, this legislation will enable the VA to construct 1,200 units of housing for homeless veterans at the West L.A. VA and offer new robust services on the campus such as vocational training, recreation and spiritual support. The legislation also ensures that all leases on the campus principally benefit Veterans and strengthen the partnership between the VA and leaseholders.”

BHHS football team loses to Malibu Normans to play host to Cerritos Friday

By Steven Herbert

Harrison Van Pelt caught a 25-yard touchdown pass from Thomas Goolsby and the two connected for a two-point conversion for Beverly High in the third quarter of a 41-8 loss to Malibu in a nonleague football game Friday night at Malibu.

The Normans trailed 14-0 at the end of the first quarter and halftime and 28-8 after three quarters.

Van Pelt, Charlie Green, Patrick Levy and Greg Carter drew praise for their play for Beverly Hills from Norman coach Steve Geanakos.

“We have a bunch of students that are working their tails off to perform up to their potential,” Genakos said. “They might be reaching it.

“We’re playing teams that even though on the surface they may seem like we’re capable of beating, the other teams also have kids that are striving.”

What’s Next?

The Normans (0-3) are scheduled to play host to Cerritos (1-1) Friday at Nickoll Field in a nonleague game set to begin at 7 p.m.

Girls’ Tennis

Beverly Hills 12, Brentwood 6

Justine Elitzur and Sabrina Saitta, the Normans’ No. 1 doubles team, won all three of its sets while the No. 2 team of Rebecca Eberle and Catherine Liner won two of three sets Tuesday in a nonleague match at Beverly High.

Leticia Valle teamed with Dominique Petrie for a 6-2 victory at No. 3 doubles in the first round and India Koloff for a 7-5 victory in the second round for Beverly Hills (3-2).

Norman freshman Hannah Kimura won her final two sets at No. 1 singles, 6-0, 6-1. Malia Balancia won her first two sets at No. 3 singles for Beverly Hills, 6-2, 6-3.

Jacqueline Hauser won her first-round singles set 6-2, helping the Normans to a 4-2 lead.

Palisades 12, Beverly Hills 6

Kimura and Balancia both won two singles sets and Hauser one in an intersectional match at Beverly High Sept. 7.

The Elitzur-Saitta doubles team won it second-round set 6-2.

What’s Next?

The Normans are scheduled to play host to Crossroads Friday at 2:30 p.m., Marlborough Monday at 3:30 p.m. and Mira Costa Wednesday at 3 p.m. in nonleague matches at Beverly High.

Mira Costa was ranked 10th in the Southern Section Division I poll released Monday.

NOTICE OF PETITION TO ADMINISTER ESTATE OF HISHAM MOHIDDIN MOHAMAD OMAR NAZER

Case No. 16STPB03555

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of HISHAM MOHIDDIN MOHAMAD OMAR NAZER

A PETITION FOR PROBATE has been filed by J. Anthony Kouba in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that J. Anthony Kouba be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Sept. 23, 2016 at 8:30 AM in Dept. No. 11 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

Attorney for petitioner:

NOTICE OF TRUSTEE'S SALE TS No. CA-14-651935-RY Order No.: VTSG678946

NOTE: THERE IS A SUMMARY OF THE INFORMATION IN THIS DOCUMENT ATTACHED TO THE COPY PROVIDED TO THE MORTGAGOR OR TRUSTOR (Pursuant to Cal. Civ. Code 2923.3) YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED 3/23/2007. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check drawn on a state or national bank, check drawn by state or federal credit union, or a check drawn by a state or federal savings and loan

association, or savings association, or savings bank specified in Section 5102 to the Financial Code and authorized to do business in this state, will be held by duly appointed trustee. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. BENEFICIARY MAY ELECT TO BID LESS THAN THE TOTAL AMOUNT DUE. Trustor(s): NILOUFAR YOUNESSI TRUSTEE OF THE 2004 NILOUFAR YOUNESSI REVOCABLE TRUST DATED JULY 16, 2004 Recorded: 4/2/2007 as Instrument No. 20070769943 of Official Records in the office of the Recorder of LOS ANGELES County, California; Date of Sale: 9/29/2016 at 10:00 AM Place of Sale: Behind the fountain located in Civic Center Plaza, located at 400 Civic Center Plaza, Pomona CA 91766 Amount of unpaid balance and other charges: \$955,974.15 The purported property address is: 200 NORTH SWALL DRIVE #359, BEVERLY HILLS, CA 90211 Assessor's Parcel No.: 4335-020-092 NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com>, using the file number assigned to this foreclosure by the Trustee: CA-14-651935-RY. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders rights against the real property only. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com> , using the file number assigned to this foreclosure by the Trustee: CA-11-436347-RM . Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. NOTICE OF TRUSTEE'S SALE TS No. CA-14-651935-RY Order No.: VTSG678946 NOTE: THERE IS A SUMMARY OF THE INFORMATION IN THIS DOCUMENT ATTACHED TO THE COPY PROVIDED TO THE MORTGAGOR OR TRUSTOR (Pursuant to Cal. Civ. Code 2923.3) YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED 3/23/2007. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check drawn on a state or national bank, check drawn by state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 to the Financial Code and authorized to do business in this state, will be held by duly appointed trustee. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. BENEFICIARY MAY ELECT TO BID LESS

THAN THE TOTAL AMOUNT DUE. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. THE **FACTS** ABOUT MEASURE HH

DEVELOPER CLAIMS:

Measure HH (Hilton Tower Initiative) just combines an 8 story building with an 18 story building.

FACT:

Measure HH creates a 375 foot high skyscraper, which would be the tallest building in Beverly Hills, more than twice the height of the next tallest building in Beverly Hills. (Measure HH, page 6)

DEVELOPER CLAIMS:

Measure HH creates a new 1.7 acre "public garden".

FACT:

Measure HH adds only 26,616 square feet more open space from the already-approved 2008 project. That's a meager 0.61 of an acre. Measure HH also allows the developer to close the so-called "public garden" whenever it wants to hold a paid party or event. (Measure HH, pages 2 & 6)

DEVELOPER CLAIMS:

Measure HH has the same environmental requirements as the current project.

FACT:

Measure HH removes the requirement to use graywater (recycled water) in the Waldorf Astoria and condominiums, reducing its environmental sustainability. Graywater will only be used for outdoor landscape purposes. This means more total water use during a time when everyone else is conserving water. (Measure HH, page 4)

DEVELOPER CLAIMS:

There will be no impacts to the residential neighbors to the north.

FACT:

There are many unstudied impacts. One example: The Hilton Pool is moving to the roof of the new Conference Center across from homes on Wilshire. There will be no City restrictions on loud music or hours of operation that other hotel rooftops such as the Peninsula have. This means late-night loud pool parties near our homes. (Measure HH, pages 6 & 7)

DEVELOPER CLAIMS:

Measure HH has sufficient parking.

FACT:

Beyond the new private event space, there are 10 new "staff units" in the condominium tower. No one knows how many parking spaces will be needed without an environmental report. Where will all these new cars park? (Measure HH, page 3)

DEVELOPER CLAIMS:

A covenant will make the "open space" permanent.

FACT:

The developer could have made this part of Measure HH. Instead, they maintain complete control over the Hilton "private gardens". They can even build an office building or retail stores on the "open space."

DEVELOPER CLAIMS:

There will be 2-hour free parking for Beverly Hills residents to use the "garden".

FACT:

There is nothing in Measure HH about 2-hour free parking for residents.

DEVELOPER CLAIMS:

Measure HH will generate millions of new dollars for the City.

FACT:

There is nothing in Measure HH that guarantees new money to the City or our schools. By using a loophole, the developer avoids negotiations with the City, thereby keeping all the gigantic windfall profits the new skyscraper will generate while our City and schools get pennies.
