Who Has More Weight?

OUT OF TOWN
DEVELOPER

Take It from the Judge: Only YES on Measure HH Creates a 1.7-Acre Garden and Park

It's turned into a war of words. The out-of-town developer of One Beverly Hills, on the site of the old Robinsons-May department store, is spending over \$1 million to fight Measure HH, the improved plan for the Beverly Hilton, originally approved by voters in 2008. You are left trying to sort out one simple question: will Measure HH create a new park or not?

The Verdict Is In

When asked to rule on whether Measure HH creates a new park or not, Superior Court Judge James Chalfant ruled that only a Yes vote on Measure HH will bring a new 1.7-acre garden and park to the Beverly Hilton property at Wilshire and Merv Griffin Way. That park will be three times the size of the Beverly Canon Gardens at the Montage.

The 2008 Plan Had No Park

The facts are simple: the old plan approved by voters in 2008 included green space around an 8-story condominium building. That's not a park. You can't kick a soccer ball through a building. Discussing the 2008 plan, the judge said he "couldn't find any requirement" for the creation of a garden "of any particular size or even location."

Measure HH Is a Better Plan

Under the new plan, the 8-story building will be consolidated with the 18-story building in the 2008 plan to create a single 26-story building, freeing up space to create a 1.7-acre garden and park that will be accessible to Beverly Hills residents like any other park in the city.

A Permanent Park for Beverly Hills Residents

Judge Chalfant said the 1.7-acre garden and park is "essentially a public park" because Measure HH dictates "the gardens are required, sets forth their location and requires public access." It will be permanently protected by Measure HH and a separate, legally binding covenant that is permanently tied to the property and recorded with the County of Los Angeles by the Beverly Hilton's owner. The covenant also guarantees two hours free parking for Beverly Hills residents.

Don't believe the lies from the out-of-town developer. Measure HH is a better plan for all Beverly Hills residents. Just ask the judge.

“Hilton expected to spend \$1,000 per vote” [Issue 889]

On its front page the Courier endorses Measure HH supporting the Hilton’s radically revised expansion plans, and on the back page and on page 3 runs advertisements mentioning a park.

Where is the park? All I see is a private garden for the benefit of the Hilton and its guests, with others allowed to use the space at the Hilton’s convenience.

If the Hilton and Beny Alagem want to gift a park to the City of Beverly Hills and its residents, that would be nice. The location, almost at the western edge of the City, isn’t convenient, but we can’t look a gift horse in the mouth.

A private garden? Just vote “NO”, like I did.

No on HH alleges voter fraud in support of Beverly Hilton Condominium Tower

Charges made on Oct. 21 by the No on HH campaign allege “supporters of Measure HH, the Hilton Condominium Tower Initiative, have engaged in documented cases of voter registration fraud during the November 2016 election,”

according to a complaint obtained by the Weekly.

The complaint, sent to the county registrar’s office and the L.A. County District Attorney’s office, alleges hundreds of people are illegally registered in Beverly Hills and are likely to vote in the upcoming election.

Specifically, the No on HH group is claiming “331 ‘voters’ are illegally registered at four different post office boxes around Beverly Hills, including numerous new registrants just for this upcoming elec-

Really? Are we supposed to believe that the developer would EVER build something so

tion."

In addition, new evidence filed on Oct. 25 claims Daniel Delshad, paid consultant of Measure HH and the adult son of former Beverly Hills Mayor Jimmy Delshad, is registered to vote at his father's condominium in Beverly Hills, despite living elsewhere.

Included in the complaint is what the No on HH group believes to be "overwhelming evidence showing that [Delshad] does not reside in the City." The complaint from Sutton Law Firm, representing No on HH, also accuses Delshad of voting from this address during the June 2016 election.

UC Irvine election law professor Rick Hasen, who is not affiliated with the case, explained legitimate residency is contingent upon where the voter intends to make his or her primary residency.

"[In California], you can only vote in the place of your domicile, which is the place of your primary residence," Hasen said. "For people of multiple residences, this can become an issue. [Someone] who doesn't live in Beverly Hills, but owns property [in the City] wouldn't be considered a resident."

Hasen also explained circumstances can vary for people who leave the state for a particular purpose, like in the case of some college students and politicians.

"Someone who [leaves the state] for a particular purpose [is] different from someone who owns multiple homes," Hasen said. "[For example], people who go off to college have a choice regarding where [they] intend to reside for the foreseeable future. You have an option to keep voting at home [because you] intend to comeback, or vote in your college town. That's a different situation than someone who has multiple residences."

Other individuals No on HH has accused

of improper voter registration, include Cheri Theakston for registering at "the business address of a law firm" and Amanda Yukelson, daughter of Oasis West's Chief Financial Officer Daniel Yukelson, who "has worked in New York City for the past four years and even purchased an apartment two years ago," according to the complaint.

Hilton spokesperson Marie Garvey told *the Weekly* according to the registrar of official voter records each of the individuals identified in the complaint have been registered at these Beverly Hills addresses for many years, prior to the conception Measure HH.

"This smacks of desperation," Garvey said. "Wanda hasn't even lost yet, but is already complaining of a rigged election. This is completely without merit and quite frankly ridiculous."

Measure HH, also known as the Beverly Hilton Condominium Tower Initiative, proposes to erect the City's first-ever skyscraper, a 26-story residential tower planned for Santa Monica Boulevard and Merv Griffin Way.

The No on HH committee, Beverly Hills Residents and Businesses to Preserve Our City, is sponsored by competing developer the Wanda Group. Wanda and the Beverly Hilton have been feuding over the development of adjacent parcels land.

Mayor John Mirisch plans to discuss the topic of voter fraud at the upcoming City Council study session on Nov. 1.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, November 1, 2016 at 7:00 p.m.**, or as soon thereafter as the matter may be heard, in the Council Chamber of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE TO CONDITIONALLY ALLOW ALTERNATIVE PARKING FACILITIES TO PROVIDE REQUIRED PARKING IN COMMERCIAL ZONES AS A PILOT PROGRAM

Adoption of the Ordinance would amend portions of the Beverly Hills Municipal Code (BHMC) to allow use of automobile elevators and mechanical parking lifts to provide required parking in commercial zones through a Conditional Use Permit. The Ordinance would create a pilot program in which up to two (2) alternative parking facilities may be authorized and establish criteria for such alternative parking facilities. The Ordinance would amend BHMC §10-3-100 (Definitions), BHMC §10-3-1604, §10-3-1702, §10-3-1802, and §10-3-2003 (Conditionally Permitted Uses in the C-3, C-3A, C-3B, and C-5 zones, respectively), and add BHMC §10-3-2730.4 (Alternative Parking Facility). If approved as proposed, the applicant's new restaurant project at **250-260 North Canon Drive** would be the first of the two (2) allowed pilot projects.

The City previously issued a public notice regarding the Planning Commission's consideration of the Zone Text Amendments and the proposed restaurant project. At its September 26, 2016 meeting, the Planning Commission adopted a resolution recommending that the City Council approve the requested Zone Text Amendments, and adopted a resolution approving the requested Conditional Use Permit, Open Air Dining Permit, and Extended Hours Permit. At the City Council hearing on November 1, 2016 the subject Ordinance will be introduced. The City Council may adopt the Ordinance at a subsequent hearing, and the Ordinance would take effect on the 31st day thereafter.

The Zone Text Amendments have been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. The Amendments appear to qualify for a Class 5 Categorical Exemption pursuant to Section 15305 of the State CEQA Guidelines for minor changes in land use regulations. The City Council will consider finding that the Amendments will not have a significant environmental impact and are exempt from the provisions of CEQA.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. The comments should be received prior to the hearing date. Please note that any communication received by the City becomes part of the public record.

Please note that if you challenge the Council's action in regards to this matter in court, you may be limited to raising only those issues you or someone else raised at a public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Emily Gable, Assistant Planner** in the Beverly Hills Community Development Department, Planning Division, at **310.285.1192**, or by email at **egable@beverlyhills.org**. Copies of the project plans and associated application materials are on file in the Community Development Department and can be reviewed by any interested person at 455 North Rexford Drive, Beverly Hills, CA 90210.

BYRON POPE, MMC
City Clerk

was approved by the Commissioners during their meeting on Oct. 19.

The amendment passed with a 3-1 vote. Vice Chair Lori Greene Gordon dissented and Commissioner Alan Block was absent.

In 2008, the City approved the 9900 Wilshire Specific Plan for the construction of 235 residential condominiums and over 15,000 square feet of commercial space along the north side of Santa Monica Boulevard and Merv Griffin Way. The Specific Plan amendments approved on Oct. 19 reduce the number of condominiums from 235 to 193 and incorporate a luxury boutique hotel with 134 rooms.

The changes from Wanda Group developers caused a feud with its neighbors at the Beverly Hilton Hotel. Representatives of the Beverly Hilton attended the meeting to ask the Commissioners not proceed with the vote.

Oasis West Realty President Ted Kahan attempted to delay the Commissioners' decision by suggesting that the public was not given ample time to review the documents being discussed at the meeting.

"Yesterday, late afternoon, we got a new package [with 46 exhibits] we had never seen, so we've now had less than 20 hours to review it," Kahan said. "We have not had the chance to review what we think are critical elements of the plan you are being asked to approve and your resolution today says if you submit this to the City Council it's with the recommendation that they approve it, as is. This package is not complete and it is not ready to send to the City Council."

Athens Group COO Jay Newman highlighted the irony in his challenger's complaint by pointing out that the Beverly Hilton has chosen to circumvent the city planning process entirely by going directly to voters with Measure HH, which will appear on the Nov. 8 ballot.

"Unlike our neighbor who fears the process and abuses it because of their fear of competition, the 'One Beverly Hills' team continues to embrace this process because every major and important development in Beverly Hills, whether it is a new project or a modification of an existing project, needs to be fully analyzed and vetted by the City so we can all be sure that we know what we are getting," Newman said.

The amendments were approved by the Commissioners with several conditions, some of which include the outdoor hotel garden and residential garden areas cannot be used to add additional capacity to the meeting and ballroom facilities and amplified music is prohibited in outdoor dining areas.

"It's one of the most important projects in Beverly Hills in years," said Chair Joe Shooshani to *the Weekly*. "We did everything in our power to make it work for the City. We put measures to try to widen Merv Griffin [Way] and make it safe for the trucks going into the loading dock. We also tried to mitigate the traffic on Santa Monica Boulevard. Overall, I think this hotel will be a beneficial addition to the City."

Council concludes investigation into lots 12 & 13 tree cutting

Parrent Smith Investigations, the firm hired by the City to investigate the removal of trees on Nov. 21 and 22, 2015 from vacant lots 12 and 13, presented its findings during the City Council study session on Oct. 18.

Located in the area between Santa Monica Boulevard and Civic Center Drive, lots 12 and 13 were stripped of their trees without notification to neighboring residents, businesses and the Department of Toxic Substance Control.

Contrary to the claim of lot owners, the Beverly Hills Land Company, the investigation concluded that most of the nearly 100 trees removed that weekend did not need to be uprooted for public safety reasons, according to investigator Joanne Parrent.

The trees were likely removed "primarily to facilitate a planned development of the property," Parrent said.

Parrent Smith formally interviewed forty-one people for the investigation, including members of the Council and city staff.

Attorney Steve Madison denied BHLCO owners Lyn Konheim and Bob Barth had a "secret motive to develop the property."

"Parrent and Smith, respectfully, just don't have experience with real estate development," Madison said. "These parcels [12 and 13] are nowhere near ready to be developed. In internal city emails, which appear nowhere in the report, the staff [reports] Mr. Konheim [offering], at BHLCO's expense, to plant 50 new trees to satisfy this issue. Does that sound like a rapacious developer trying to sneak one by the community? Of course not."

Deputy City Manager David Lightner and former Councilmember Willie Brien declined to be interviewed. At the time of Parrent Smith's interview requests, Lightner referred to the investigation as an "interrogation" and Brien called it a "witch-hunt," according to the report.

"We did not want this in any way to be a witch-hunt," said Councilmember Lili Bosse. "We did not want this to be a citizen interrogation committee. We didn't want this to be about lawsuits [or] subpoenas. We wanted this to be a fair, unbiased process. That is why we hired Parrent Smith and I think clearly in the report there [are] a lot of concerns all the way around. The goal was for it not to be a negative witch-hunt and that's why we hired Parent Smith. I think we did the right thing by going in that direction."

Councilmember Julian Gold, who was mayor at the time of the incident, was critical of the investigation and questioned Parrent on the inclusion of, what he deemed to be, her opinions written throughout the report.

"There are speculations and assumptions, some of which are based in fact, but you didn't reference them," Gold said. "The narrative is misleading. By the way it's constructed; [the narrative] is not objective."

Traffic congestion and air pollution are expected to get worse with more growth, and the measure is intended to raise money to meet those needs. Get educated before you vote at metro.net/theplan.

OUR ELECTION ENDORSEMENTS

(In order of appearance on your ballot)

NO ON M

We don't share *the Courier's* desire to "get Metro". We maintain Metro operates some very important transportation projects countywide.

But our opposition to Measure M stems from the fact that we don't support the concept of a "forever tax". Transit measures should be narrowly tailored and specific. Voters should get a clear idea of what they will receive for their taxpayer money, with tangible goals and results. This was another disingenuous campaign where proponents argued that voters would "save 15 minutes a day in traffic", hyperbole at its finest. Yeah right, maybe in the year 2050?

Mayor John Mirisch took a lead role in opposing Measure M along with many other city mayors.

We need more rail and bus options in

Los Angeles County and Beverly Hills to be sure, but a forever tax is not the way to accomplish this. We recommend a NO vote on Measure M.

NO ON Y

Three weeks ago we published an op-ed from 10 former Board of Education members, urging a NO vote on Measure Y (in case you missed it, it's available on bhweekly.com). These former elected officials couldn't be more accurate in their assessment of the state of the BHUSD today.

We wouldn't trust this board with a dollar, let alone \$260 million dollars, to spend on their losing lawsuits. To say the Measure E bond moneys were squandered is an understatement. Their boy-who-cried-wolf arguments that "the buildings are unsafe" are exaggerated and embarrassing. We point out once again that our major school buildings have withstood three major earth-

quakes in the last 80 years with little to no damage.

The board's construction plans are muddled at best. On top of everything else, they plan to build a ridiculous fence across the iconic front lawn at Beverly High, which nobody asked for and nobody needs.

This is a board majority completely out of control. They can be stopped, in part, by cutting off the faucet on their spending addiction, including their unsuccessful Metro lawsuits. Luckily, they have a tough hill to climb in garnering a 66.67% vote (or 66.66% if Lisa Korbatov votes twice?) Even their pre-election polling indicated a new bond would fail. So do us a favor: vote no on the fence. Vote no on their compulsive spending. Vote no on a board majority that's lost its way. We urge a NO vote on Measure Y.

NO ON HH

We supported the Hilton's original project, Measure H, in 2008. We decline to support their revised, larger project today. Our reasons are simple: for one thing, it's too damn big. Double the height of any existing building in Beverly Hills, and 224 feet taller than the Statue of Liberty is too high for us.

We also are concerned by the developer's end run around the process. By circumventing review by the planning commission and city council, the initiative process will become all too common of HH passes. We

think that's a bad thing.

The Hilton's pyrrhic war against the Wanda Group has also been counterproductive. Rather than try to focus on the merits of their own project, they engaged in a highly publicized scorched earth strategy against their next door neighbor. Dumb.

Regarding the so-called "park", we point out that the originally entitled project includes a "park"; the proponents were highly disingenuous when they tried to argue that there is a "clear choice" between a "park" (which is more accurately a "limited public garden" with no free parking after 6pm) and nothing. This is nonsense. Beverly Hills voters are way too smart for these gimmicky catch phrases.

Some have criticized the role several former mayors had in trying to pass this project. We believe the former mayors are entitled to support or oppose whatever project they wish. We are simply not persuaded by their arguments, their motives, or the way in which this campaign was conducted.

The developer should simply build the original project that was entitled in 2008. Two smaller buildings were preferable to us eight years ago; we feel the same way today. We recommend a NO vote on Measure HH.

VOTE TUESDAY, NOVEMBER 8, or by mail ballot. Polls are open from 7am-8pm. For polling place locations, call 562-462-2748.

Mirisch and Krasne head to New York for annual trade mission

Mayor John Mirisch and Vice Mayor Nancy Krasne traveled to New York City this week for the annual trade mission with the Chamber of Commerce and the Conference and Visitors Bureau.

Throughout the trade mission, city officials participated in various events and meetings in order to maintain current relationships, as well as develop new connections with businesses to encourage travel and trade growth in Beverly Hills.

Vice Mayor Nancy Krasne met with CEO Lyn Lewis and Regional Manager Kiki Nolan of lingerie store Journelle, during a series of business attraction meetings. Krasne also met with celebrity chef Bobby Flay.

The trip also included City Manager Mahdi Aluzri and Marketing and Economic Sustainability Manager Megan Roach; Chamber of Commerce Executive Director Todd Johnson and Director of Economic Development and Government Affairs Blair Schleter; Beverly Hills CVB Executive Officer Julie Wagner, Senior Director of Business Development Mary DeHoyos, Travel Trade Manager Brooke Lyons, and Visitor Center Concierge Beth German

Next phase of Beverly Gardens Park renovation expected to begin in early 2017

The next phase of the Beverly Gardens Park renovation is expected to begin in early 2017 in order to coincide with the reconstruction of Santa Monica Boulevard, according to an informational presentation given during the Public Works Commission meeting on Oct. 13.

"The Santa Monica Boulevard project has been divided into the west segment, from Alpine [Drive] west, and the eastern segment which is from Alpine [Drive] over to Doheny [Drive]," said Community Services Director Nancy Hunt-Coffey. "We are trying, as much as we can with the Beverly Gardens Park project, to mirror those segments and the timeline associated with those segments."

Fundraising has been a main component of the Beverly Gardens Park project. The Friends of Beverly Gardens Park have raised approximately \$3 million and City Council has been matching those funds, according to Community Services Publicist Dana Beesen.

"I think you can get a lot of the cost of this through the [Proposition 1] funds," said Commissioner Jerrold Felsenthal. "I'm delighted that you're raising money for the community. I'm delighted that we're matching it dollar for dollar, [but] the cost of running the City is humongous and to the extent that there is public money available we ought to be applying for grant to subsidize the cost of what we are doing."

The project currently has \$700,000 of Proposition A funds from Los Angeles County, which are intended to address issues such as replacing aging irrigation systems and replacing water hog plants with water tolerant plants, according to Hunt-Coffey.

The plan for this phase of the restoration project incorporates a Cactus garden on the block between Camden Drive and Bedford Drive, according to the staff report.

"We are doing some substantial work on this block," Hunt-Coffey said. "We have a large donation from [Stewart and Lynda] Resnick of \$750,000."

The \$750,000 is included in the \$3 million raised by the FOBGP. Erika Glazer has pledged an additional \$1 million to the FOBGP, which is not included in the \$3 million total, according to Beesen.

Other design elements of the restoration project include plant pallets with color

schemes for many of the individual blocks as well as plants indigenous to warm regions such as the South West, Northern Mexico and Chile, and Mediterranean, according to Hunt-Coffey.

"One of the things that's interesting with this is that you are changing the vegetation as you go from area to area," said Chair Sandra Aronberg "which is one of the things we were thinking about with [the] Burton Way [Median project] as you go from block to block."

BHHS football team shut out by Santa Monica

By Steven Herbert

Beverly High suffered its fourth consecutive shutout and fifth of the season in a 43-0 loss to Santa Monica in an Ocean League football game Friday night at Santa Monica College.

"It got out of hand early, even though we had some of the better games from some of our players," Norman coach Steve Geanakos said after his team's record dropped to 0-8, 0-3 in league play.

Beverly Hills again "had some injuries during the game which then put some players into positions they're not used to playing," Geanakos said.

Norman junior quarterback Jeremiah Klapper "had maybe his best game of the season" and "did a lot of good things," Geanakos said.

Linebacker-fullback Kenny Villanueva, linebacker-wingback Charlie Green and defensive linemen Mert Cantasdemir and Greg Carter also drew praise from Geanakos for their play for Beverly Hills.

The Normans are scheduled to play host to Lawndale (4-4, 2-1) Friday at Nickoll Field in an Ocean League game set to begin at 7 p.m.

The pass-oriented Cardinals lost to El

Segundo, 14-7, on Friday. Beverly Hills lost to the Eagles 69-0 on Oct. 14.

The teams have one other common opponent, Santa Monica, which Lawndale defeated 49-20 on Oct. 7.

Thomas Goolsby, who began the season as the Normans starting quarterback, but has missed the past three games because of a hip injury, returned to practice, but was listed as doubtful for Friday's game. Geanakos said.

BHHS wins race at Mt. SAC Invitational

A 1-2 finish by senior Jonathan Cohen and his twin brother Jason gave Beverly High the victory in a Division 3 cross-country race in the Mt. SAC Invitational Friday at Mount San Antonio College in Walnut.

Jonathan Cohen completed the 3-mile course in 16 minutes, nine seconds, 16 seconds ahead of his brother.

The Normans had two other runners make the top 10 in the field of 129 – senior Shimon Dubner, eighth in 16:56, and senior Noah Lee 10th in 17:12.

Beverly Hills had 57 points. Ridgeview was second in the 19-team field with 121.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this

property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of the resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may contact Trustee's Assistance Corporation for information regarding the trustee's sale or visit its website salestrack.tdsf.com or call 888-988-6736 for information regarding the sale of this property. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the website. The best way to verify postponement information is to attend the schedule sale. Hotel rooms generate the best kind of revenue for the City

Hotel taxes paid by guests stay in Beverly Hills and cannot be taken by the State.

Since 1991, only 201 new hotel rooms have been built in Beverly Hills. The new Waldorf-Astoria replaces the same number of rooms being eliminated by the Beverly Hilton.

CBRE Hotels, the preferred hospitality consulting company for all Beverly Hills luxury hotels, analyzed the Beverly Hills hotel market. The 2016 CBRE Hotel Market Analysis concluded: One Beverly Hills "will not impact the Beverly Hills Luxury hotel market" as there is "significant unsatisfied demand."¹

The CBRE study also determined that the 134-room boutique luxury hotel at One Beverly Hills will generate at least \$8.7 million a year in new revenue to the City at hotel stabilization.²

One Beverly Hills will help satisfy this pent-up hotel demand and will generate vital new revenue for our City.

This new revenue will support our vital city services including Police, Fire and Paramedics.

Before you vote on Measure HH...

Take a Moment to Read what **Measure HH** really says:

The tower is 345 feet with 30 feet of roof canopy, making it 375 feet tall – Three times taller than the Statue of Liberty!

Measure HH isn't about "gardens" or "open space" – It's about a tower that will be the tallest building in Beverly Hills by more than double.

It's not a public garden – it's private.

This is a meager 0.61 of an acre.

BEVERLY HILLS CITY SPECIAL MUNICIPAL ELECTION

HH	Hilton Condominium Tower Initiative – Shall an ordinance be adopted allowing a 26 story (345 feet) residential building instead of two residential buildings of 8 and 18 stories (101 and 218 feet); increasing open space from 3.28 to 3.89 acres and identifying 1.7 acres of open space as private garden generally open to the public subject to property owner's reasonable restrictions ; removing conference center and relocating its uses; prohibiting discretionary architectural review ; reducing graywater use requirements?	196	YES → <input type="radio"/>
		197	NO → <input checked="" type="radio"/>

Unlike every other project in Beverly Hills, there is no public comment or review about how this massive project will look.

By reducing graywater (recycled water) usage, Measure HH increases freshwater water usage from the currently approved project.

"Generally Open" can also be "Generally Closed." It's up to the developer.

Vote **NO** on **Measure HH**

An Initiative Measure to Amend the Beverly Hilton Specific Plan to Combine the 8 Story Wilshire Condominium Building with the 18 Story Santa Monica Condominium Building Resulting in One 26 Story Building with Additional Height and to Replace the Wilshire Building with 1.7 Acres of Garden Open Space That Is Generally Open to the Public Subject to Reasonable Restrictions Determined by the Property Owner.
