## Cheval Blanc Referendum Effort Qualifies

UNITE HERE Local 11's attempt for a referendum to reverse the City Council's decision approving the Cheval Blanc Beverly Hills Specific Plan Project has qualified, with an election date yet to be determined.

"We expect to present an update on the referendum and petition results to the City Council at the meeting of January 24th. It is anticipated that at an upcoming City Council meeting in February, the Council will determine next steps including cost estimates and the logistics involved for a municipal election," City Clerk Huma Ahmed said.

The City Council will decide on an election date at a future meeting.

## Public Works Commission to Discuss Styrofoam Ban Update

At their Thursday meeting the Public Works Commission is expected to discuss an update on a proposed ordinance that would prohibit the use, sales, and distribution of single-use plastic and styrofoam.

At the July 21 commission meeting, city staff brought forward the proposed ordinance framework that is intended to be an extension of the Disposable Foodware Accessories Upon Request Ordinance that became effective last Nov. The ordinance would prohibit the use of single use plastic bags, utensils, straws, and food and beverage containers. It would cover all food service establishments, groceries, hotels, pharmacies, and all retail stores.

At the Dec. 8 commission meeting city staff asked the commissioners to support extending the outreach efforts until May to gain voluntary participation by discontinuing the use of single-use plastic and styrofoam. The extension request was due to low participation from stakeholders during two virtual workshop meetings and also the feedback from the Chamber of Commerce Public Affairs Committee. The Chamber of Commerce Public Affairs Committee unanimously did not support the approach and said that the City will appear to be heavy handed by imposing another regulation on a recovering local economy.

Instead of proposing an ordinance, they recommended that the City can achieve its goals by doing the following:

Incorporate the use of sustainable products through a green business recognition program instead of forcing a business to comply. They also suggested that the City establish a partnership with a sustainable materials company for the community to utilize.

Based on the feedback received from the Public Affairs Committee and the minimal feedback in general, the commission agreed to extend the outreach efforts until May.

Chair Wendy Nystrom requested staff bring this item back to the Public Works

Commission in Jan. for further discussion.

Since Dec. City staff began planning efforts to directly contact food service establishments and hotels to gain voluntary participation in switching to sustainable products. City staff plans to encourage businesses to become a State Certified Green Business. Staff is also planning to promote participation for the Green Business Program by presenting to several local committees such as the Chamber of Commerce, Small Business Taskforce and OpenBH. This is intended to help with assessing the overall interest in voluntary participation with sustainable products and green business practices.

If the interest is very low, city staff will consider other viable next steps.

## Cultural Heritage Commission Expected to Approve Golden Shield Award Nominees

The Cultural Heritage Commission was expected to approve three Golden Shield award nominees for recommendation to the City Council, however the meeting was canceled.

The Golden Shield program was established to honor places of cultural or historic merit. The intent of the program is to allow the community to celebrate these places, as marked by a bronze cast plaque with text to serve as an educational and memorial marker.

The first recommendation is for Beverly Hills Nurseries. The Rodeo Land and Water Company established the Beverly Hills Nurseries. Initially, this was located

along the south side of Sunset Boulevard between Palm to Alpine drives. The establishment of the nursery was a part of the overall development plan for the City and was mentioned as early as April 1907 in a Los Angeles Times advertisement for the Percy H. Clark Company and the selling of building sites within Beverly Hills. John J. Reeves, a landscape engineer, became the nursery superintendent in 1908. Reeves and the Beverly Hills Nurseries supervised the development of the City's master tree planting plan and designed and planted a number of parks, hotel grounds, and large estates in Beverly Hills. Reeves Drive was named in honor of Reeves. As residential development occurred in the eastern portion of the City in the mid-1920s, the Beverly Hills Nurseries relocated to a 16-acre site at the corner of Wilshire and Santa Monica boulevards, now the site of the Beverly Hilton Hotel. In 1946, the Beverly Hills Nurseries discontinued business.

The second recommendation is for Beverly Hills Speedway. The original wooden automobile racetrack, located outside the Golden Triangle, was engineered by Arthur C. Pillsbury and built in 1919. The race track had two entrances: a primary entrance through a two-block long, 600-foot-wide, landscaped drive off Wilshire Boulevard and a second entry at the southeast corner of the site. The track had tiered seating for about 70,000 people. The project was financed by a group of racers that called themselves the Bever-

ly Hills Speedway Association. The track was the first in the nation to be designed with banked turns incorporating a track transition curve. The site was bounded by Lasky Drive, Wilshire Boulevard, South Beverly Drive, and Olympic Boulevard. The track was 1.25 miles in length. The speedway operated for four years before being moved to Culver City in 1924.

The final recommendation is for Warner Brothers-Beverly Hills Theatre. The theatre was originally located at 9404 Wilshire Boulevard and opened in May of 1931. The theatre was commissioned by Jack Warner and the Warner Brothers Studio and designed by Master Architect B. Marcus Priteca, who also designed the Fine Arts Theatre down the street. The building was designed in the Art Deco architectural style and was shaped like a ziggurat with a spire that spelled out the theatre's name in neon. On Oct. 27, 1954, the Warner-Beverly Theatre had the west coast premiere of White Christmas starring Bing Crosby; and on Dec. 16, 1962, the west coast premiere of Lawrence of

Arabia was shown. In the late-1960s, it went from being operated by Stanley Warner to Pacific Theatres. The theater was then called The Beverly after Pacific Theatres left, and operated independently, until 1987 when it closed. The building was demolished a few years later.

The three nominations will move to the City Council for final approval, once the commission moves forward with the recommendations.

### Traffic and Parking Commission Receive Traffic Engineering Quarterly Report

At last Thursday's meeting the Traffic and Parking Commission received a quarterly update on the Traffic Engineering activities from Oct. 2022 through Dec. 2022.

For the Crosswalk Improvements Project, Robertson Boulevard/Chalmers Drive construction is scheduled to start this month. This project also includes crosswalk improvements for South Beverly Drive, North Bedford Drive, North

Camden Drive and Wilshire Boulevard at Palm Drive.

Phase one is complete for the Citywide Signal Upgrade Project. The Contractor for the second phase has been given the notice to proceed and equipment has been ordered and is anticipated to arrive by fall 2023 due to supply chain issues. The project is expected to be completed in early 2024.

For Doheny Drive crosswalks, the new curb bulb-outs, curb ramps, in-road warning lights, and traffic signs have been installed at both intersections on Doheny Drive at Elevado Street and Cinthia Street. Installation of the flashing LED lights on the border of "walk" signs is now expected in the first quarter of 2023 due to supply chain issues.

City staff is scheduled to install speed humps on the 200 South Block of Palm Drive and 100 North Block of Arnaz Drive in the first two weeks of Jan. and is working with residents to process other applications.

### Brien and Soleimani to Teach Class at Southwestern

Will Brien and Brandon Soleimani will be returning to Southwestern Law School to co-teach a class they created, "Drafting Real Estate Transactions," for the second time. Both graduated Beverly High in 2005.

providing all parking spaces with standard parking stall dimensions (9'-0" x 19'-0").

**Variance (Tandem Parking).** A Variance request pursuant to BHMC §10-3-3700 to deviate from total number of dwelling units that may satisfy their required parking through the use of tandem parking spaces set forth in BHMC §10-3-2816. The request consists of an increase in the percentage of units that would be allowed to provide the required parking in tandem configuration, from a maximum of 20% (two units) to 100% of the proposed units (six units).

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. Upon review, the project appears to qualify for a Class 3 Categorical Exemption (New Construction or Conversion of Small Structures) in accordance with the requirements of Section 15303 of the state CEQA Guidelines. Accordingly, the Planning Commission will consider a recommendation to find the project exempt from the environmental review requirements of CEQA pursuant to Section 15303.

### Clifton Way – Le Doux Road Corridor Mobility Study In Next Steps

At last Thursday’s meeting the Traffic and Parking Commission received an update on the Clifton Way – Le Doux Road Corridor Mobility Study, a project that will explore the feasibility of a range of traffic calming and active mobility enhancement options for consideration by the community to implement as part of the Complete Streets Plan and Action Plan.

Both Clifton Way and Le Doux Road received “sharrow” pavement markings in early 2023 and are considered Class III Bike Boulevards. Class III Bike Boulevards are shared streets between drivers and bicyclists. They often incorporate traffic calming features intended to improve neighborhood livability and make a

comfortable transportation environment.

Bike Boulevards are not bike lanes and do not impact the number of existing travel lanes. In Nov., the project team held design charrettes with staff to review feedback received from the Oct. 15, 2022 Community Visioning Workshop and to start brainstorming how those ideas could be translated to infrastructure interventions. The project team also began conducting detailed analyses to determine the feasibility of specific designs.

The next step is to produce conceptual design options for the community to review. This is anticipated to be released in early 2023.

### Traffic and Parking Commission Receive Slow Streets Program Update

The Traffic and Parking Commission received an informational update regarding the Slow Streets Program, at last Thursday’s meeting.

The City has installed nine Neighborhood Slow Streets designations. Neighborhood Slow Streets are residential street blocks restricted to local traffic by using the entire street width for walking, cycling, or other modes of non-motorized transportation.

Neighborhood Slow Streets are not street closures and allow local traffic access for residents and their visitors, delivery vehicles, street sweeping, trash pickup, and emergency vehicles.

Councilmember Lester Friedman, Vice Mayor Julian Gold, Finance Manager Lydia Hooker of Juice Crafters, Mayor Lili Bosse, Councilmember John Mirisch and Councilmember Sharona Nazarian

### City Council Honors Juice Crafters

The City Council honored Juice Crafters for the 60 Second Shout Out at last Tuesday’s meeting.

The program requires a resident sponsor who lives on the proposed street block to nominate their street block for consideration, serve as the block sponsor in obtaining the support of their neighbors, monitor the signs and conditions on the street, and communicate with City staff.

As of Dec. 23, 2022, no new applications have been received and ten applications are pending receipt of the qualifying number of signatures from street block residents.

Slow Streets signs have been installed

on the following street blocks: 400 block of South Camden Drive; 400 block of South Crescent Drive; 400 block of South Peck Drive; 200 block of South Rodeo Drive; 300 block of South Maple Drive; 100 block of North Oakhurst Drive; 400 block of South Clark Drive; 400 block of Spalding Drive; and 300 block of South Clark Drive.

The Planning Commission of the City of Beverly Hills, at its REGULAR meeting on Thursday, January 26, 2023, will hold a public hearing beginning at **1:30 PM**, or as soon thereafter as the matter may be heard to consider the following:

A request to renew following entitlements approved by Planning Commission Resolution No. 1906 on January 23, 2020, associated with the operation of the Viceroy L’Ermitage Hotel and restaurant (Avec Nous) at the subject property located at 9291 Burton Way:

**Conditional Use Permit (CUP) Renewal.** Renewal of a CUP to allow for Avec Nous, an existing restaurant located on the ground floor of the Viceroy L’Ermitage Hotel, to remain open to the public, and allow for banquets or similar private receptions to occupy the entire restaurant for up to 20 times per year.

**Development Plan Review (DPR) Renewal.** Renewal of a DPR to allow for the existing restaurant to continue to operate open air dining within a landscaped courtyard fronting on Burton Way.

**Extended Hours Permit Renewal.** Renewal of an Extended Hours Permit allowing for the operation of the existing restaurant, open air dining, and rooftop uses during extended hours on a property located in a Commercial-Residential Transition Area. This request would continue to allow for the hotel rooftop uses to operate until 10:00 P.M. nightly, with all guests vacated by 11:00 P.M.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and

## LA Marathon Requesting Three Year Contract

On Thursday liaisons Mayor Lili Bosse and Councilmember Lester Friedman are expected to discuss a request from the Los Angeles Marathon for Special Event Street Closures over the next three years until 2025.

The annual Los Angeles Marathon “Stadium to the Stars” is scheduled for Sunday, March 19, 2023. The 26 mile race route spans through Downtown Los Angeles, Little Tokyo, West Hollywood, Beverly Hills and ends at Avenue of the Stars. This year’s route will continue to include Rodeo Drive. The route is intended to allow participants to enjoy an interactive experience close to hotels, transportation and shopping and dining areas.

The LA Marathon is requesting to take place on Sunday, March 19, 2023, with street closures in the City from 5:00 am - 1:00 pm. The street closures will include portions of Doheny Drive, Burton Way, South Santa Monica Boulevard, Rodeo Drive, Wilshire Boulevard, and North Santa Monica Boulevard. While the finish line is in Century City, traffic detours on South Santa Monica Boulevard at Moreno Drive and North Santa Monica Blvd at the western border of the City will impact Beverly Hills. When streets reopen at 1:00 pm, additional traffic control resources will be deployed to assist with impacted intersections until the roads are allowed to fully open in neighboring cities at approximately 6:00 pm.

No roads will be closed in the City after 1:00 pm, including South Santa Monica Boulevard. All businesses and residences will be accessible during the closures.

There is no waiver of fees and the LA Marathon will receive the non-profit rate for street closures. The costs for noticing businesses and residents, as well as any equipment to close the street, will also be included in the final cost. The estimated total is \$174,738.

In the past, City Council approval for LA Marathon-related street closures has been granted for this event in three-year increments. Based on the feedback, the completed proposal is expected to be

brought to the City Council at the next meeting.

## City Receives Honorable Mention as Bike Friendly Community

Last fall Beverly Hills applied for Bicycle Friendly Community (BFC) status through the League of American Bicyclists. Last month, the League of American Bicyclists honored 32 towns and cities with a BFC award and an additional seven places earned an Honorable Mention, including Beverly Hills.

The Bicycle Friendly Community awards is intended to reflect the work of local leaders to build better places to bike and evaluate those efforts as part of a national movement. Each of the levels of the Bicycle Friendly University award – Diamond, Platinum, Gold, Silver, Bronze, and Honorable Mention – is meant to provide a path for towns and cities to improve.

The City received the Honorable Mention award for beginning efforts to address the need of bicyclists. The League of American Bicyclists recognized that Beverly Hills has made considerable accomplishments since the recent adoption of the Complete Streets Plan in 2021 and has potential for an upgraded award level once more improvements from the plan have been made.

Over 100 communities that originally earned an Honorable Mention have gone on to be awarded a Bronze designation or higher. Beverly Hills was in the first round of applicants using the expanded Bicycle Friendly Community application, which included questions about accessibility and equity and placed a greater emphasis on connecting low speed and low-stress bike networks.

## Public Works Commission to Receive La Brea Subarea Update

The Public Works Commission is expected to receive and discuss a La Brea Subarea Update at their Thursday meeting.

On Dec. 21 city staff successfully conducted the final LCW-1 site inspection and walkthrough with the Department of Drinking Water. The Department of Drinking Water is awaiting the water quality lab results from the plant operational and functional testing of LCW-1. The lab results will be incorporated into the final Department of Drinking Water Engineer’s Report and Permit Amendment for LCW-1 and Well 6. Before conveying water to the distribution system leaving the plant, final bacteriological start-up samples will be collected at the request of the Department of Drinking Water.

On Dec. 13 the City Council approved an agreement with Kennedy/Jenks Consultants, Inc. for the design of the La Brea Subarea water production well sites at La Cienega Park.

The 2015 Water Enterprise Plan identified several options for the City to reduce its dependence on the Metropolitan Water District and increase its water reliability. The City chose to revamp its groundwater development in the unadjudicat-

ed portion of the Central Basin. Consequently, a preliminary design report was prepared that evaluated the viability of installing three additional groundwater wells in the Central Basin, conveyance pipeline, and treatment at the existing Foothill Water Treatment Plant. In 2020, the City also adopted its Integrated Water Resources Master Plan, which identified additional shallow wells at La Cienega Park as potential well sites that could be developed to increase the City’s local groundwater supply portfolio.

The City purchased the former Coffee Bean & Tea Leaf located at 1940 South La Cienega in 2017 to serve as a potential well site. Construction of the full production well site is almost complete and the transmission pipeline to convey the groundwater back to the Foothill Water Treatment Plant was completed in 2021.

Since the development of the well started in 2020, city staff has continued to search for properties that are suitable for groundwater production wells. No suitable properties have been identified thus far. To supplement groundwater supply, city staff was instructed to pursue the construction of additional wells at La Cienega Park. The exact locations of the wells have yet to be determined.

The search for additional properties is ongoing and properties are being evaluated on a case-by-case basis. Three potential properties have been identified and are being investigated near the Transmission Main alignment on La Cienega. These prospective properties range from retail, automotive repair, restaurants, and other establishments. One of the properties being considered is a property on La Cienega that the City made an offer on initially but the offer was not accepted.

## Beverly Hills Bar Assn to Offer Free CLEs to Public Interest Attorneys

The Beverly Hills Bar Association (BHBA) and the Beverly Hills Bar Foundation (BHBF) are offering free online continuing legal education (CLE) courses, including in all special subjects required by the State Bar of California—ethics, competence, and bias, including implicit bias—to any California attorney employed by an IRS §501(c)(3) organization. The State Bar’s compliance deadline for Group 3 (last names beginning with N-Z) is Feb. 1, 2023.

“As a bar association we deeply appreciate the good works that charitable nonprofits in California do for the public we are all committed to serving. This is a small way in which the Beverly Hills Bar Association can share the expertise of our members and guest speakers with the attorneys that work for these very important community partners,” BHBA President Malcolm S. McNeil said.

## PAVE THE PATH

### Health and Safety Commission Chair Lee Hilborne on Community Engagement and City Initiatives

By Danielle Berjikian

**You are a pathologist. How did this contribute to you wanting to join the Health and Safety Commission?**

I was always interested in public health and health services. I have a degree in health policy and I focus on that in much of my research areas and other activities. When I was a teenager we started working on making parts for dialysis for a program at Cedars-Sinai. That was before Medicare started paying for it. That is when I really got interested in healthcare. I always knew that I would get into medicine. When I was an undergraduate [at UCLA] we did a course that was very popular that talked about the biology of cancer. I got to meet a whole lot of people in the healthcare field. I got very interested not just in the aspects of medicine, but in the aspects of public health. Then I did the public health degree and actually a health policy fellowship at UCLA. I have been very committed not just to the delivery of healthcare but to the improvement of health in communities.

**You served on the American Society for Clinical Pathology (ASCP)**

**Board of Directors for 18 years and was president from 2007-2008. How is serving on a commission different from serving on a medical committee with doctors?**

It is different because here we are providing input and guidance for our community. It is local as opposed to the specialty society which focuses on initiatives that are related to the practice of pathology and laboratory medicine. That said, ASCP is a non-profit organization for public benefit and education. ASCP is very interested in areas in health policy, access to diagnostics, etc. It was very much aligned in terms of commination. I think with respect to my engagement with the community, that was frankly something that really interested me to get more involved locally. I have been on national committees, state committees, and international groups. This was really the

*“In my mind, Beverly Hills is a great city. As we look at these initiatives, they are good to great, or great to greater. They are not bad to good. I think we are well positioned as a city to really lead”*

first time that I got involved in a local group. I remember when I was in high school one of my classmates actually got involved with the city. I always thought I would one day want to do that. When I saw there was an opportunity to participate with Health and Safety, that

just seemed like a natural [thing to do] and I am just really appreciative of the City Council for selecting me to do this.

**What are some things the Commission is currently working on?**

There are things that are ongoing. We certainly have our smoking initiative. We have had a lot of effort talking about obviously the pandemic and the response as we are hopefully coming out of this pandemic. We have talked a lot about what needs to be done. I think now we really need to focus on resilience and address the challenges of people that are recovering from either physical or psychological effects from the pandemic. This has obviously been a major focus of the last three years. I joined the commission right before the pandemic hit. It is hard to argue that would not be one of the big issues.

There has been a lot of focus, particularly on mental health issues. I know that our incoming Vice Chair Dr. [Erica] Felsenthal is a mental health professional and very committed to that. I think our entire commission supports that. Other things the commission is focused on are things like our nurse practitioner program. The emergency medical services available to the community have been very important to us. Members of our commission in the last year have been involved in the Climate Action and Adaptation Plan development. That is just coming out now and when it does come out there are several activities where they have identified engagement with the commission and we will want to really look at those carefully in terms of initiatives as well.

**The commission receives a Smoking and Tobacco Quarterly Report. What is the status of that since the tobacco ban?**

We see fairly good compliance. There are a few challenges in certain areas. The numbers are fairly stable. We see that the challenges exist mostly in the business triangle and in multi-family residences. But there aren't a whole lot. We see with compliance in terms of our businesses not selling tobacco products has been positive. For the most part, we are a better and healthier city because of it. There are some exceptions right

now and those are things I know the City Council may want us in the future to look at.

**Tell us about your family.**

I grew up here. I moved to Beverly Hills when I was in 11th grade. My mother was a medical secretary and my father was a claims adjuster for the railroads. So, I did not have a lot of medical background. I was influenced positively by the encouragement of my family. I do not have any children myself. I had one brother who passed away just over ten years ago from an unfortunate event. I do have a niece and nephew. My nephew still lives here, my niece is living in the Boston area after she finished college there. I have a very limited family now. It is something you have to work with and I depend a lot on my colleagues and my friends to keep things together. I think we have really good relationships.

**What do you hope to accomplish as chair?**

In terms of an area to focus, one thing that I think particularly we have learned from having been through the pandemic, is to strengthen the cohesive engagement of our residents, businesses, and staff to champion health and safety issues for our community. We have our Just in Case Beverly Hills Program, which is really important. We have our neighborhood watch program. Those are very good. I think if we can find a way to really hold these through and get wider community engagement we will be a stronger city because of that. In my mind, Beverly Hills is a great city. As we look at these initiatives, they are good to great, or great to greater. They are not bad to good. I think we are well positioned as a city to really lead. We have a great City Council really dedicated to Health and Safety, amongst so many other things. That is really where I want to focus if we can continue to expand bringing the neighborhood together so that if we are faced with a future emergency - whether it be something local or something broader than that - that we are increasingly prepared to respond to that. Also, to encourage more engagement in the CERT program. Which is a natural outgrowth of that effort.

### Reading to Kids Monthly Clubs Seeking Volunteers

Reading to Kids organizes monthly reading clubs on the second Saturday of every month at eight downtown Los Angeles elementary schools. The reading clubs run from 9:00 a.m. to 12:00 p.m. Pairs of volunteer readers read aloud to small groups of students from the elementary school, typically between 4 and 6 children per group, in a fun environment. Teachers at the elementary school provide supervision and guidance throughout the morning.

The next reading clubs will be held on

### Danny Elfman to be Honored at LACO Gala

Four-time Oscar nominated, Grammy and Emmy Award-winning Danny Elfman will be honored by Los Angeles Chamber Orchestra (LACO) at its "2023 Gala Celebration" on Saturday, Feb. 4, 5 pm, at the Beverly Wilshire Hotel.

Elfman has collaborated with directors such as Tim Burton, Sam Raimi, Noah Baumbach, Gus Van Sant, Peter Jackson, Ang Lee, Rob Minkoff,

Guillermo del Toro, Brian De Palma, James Ponsoldt, and David O' Russell. He is also noted for his significant body of orchestral concert works. Proceeds from the gala fundraiser as well as a virtual online auction, which opens on Jan. 30, benefit LACO's artistic and education initiatives.

Danny Elfman

According to Executive Director Ben Cadwallader, LACO was founded in 1968 as an artistic outlet for the recording industry's most gifted musicians and LACO's 2023 Gala Celebration will reflect those roots as well as the Orchestra's long-time connection to Elfman. "LACO is absolutely delighted to honor Danny Elfman. Many of LACO's current and former artists have worked closely with him in recording sessions and live concerts over the past three decades of his illustrious career. At the gala we will also announce some exciting news about a very special upcoming project involving Danny and the Orchestra," Cadwallader said.

In addition to the tribute to Elfman, the evening includes a celebratory concert with Grammy-winning violinist/guest leader Joshua Bell and internationally renowned soprano Larisa Martinez on a program that includes J.S. Bach's Violin Concerto in A Minor and a concert aria from Mozart's opera Idomeneo. A suite in three movements arranged by Elfman specifically for the event will also be performed.

Film composer James Newton Howard, who was honored by LACO last year, is the gala's Honorary Chair. Carol Henry and James Mulally are the Event Chairs.

Event Committee Members include Clare Baren, Deborah Cussen, Jennifer Diener, Paggy Falcon, Anne Grausam, Diane Henderson, Molly Kirk, Terri Kohl, Shaheen Nanji, Amy Rabwin, Gene Shutler, Joyce Sommer, Anne-Marie Spataru, Mist Thorkelsdottir and Lauren Wing.

### The Wallis to Present Wuthering Heights

The Wallis presents the Los Angeles Premiere of Wise Children's Wuthering Heights, adapted and directed by Emma Rice, until Jan. 11 to 22, 2023, in The Wallis' Bram Goldsmith Theater.

This production is shot through with music, dance, passion, and hope that transforms Emily Brontë's masterpiece into an intoxicating story of revenge for our time. The Times also said, "glorious stage adaptation of Emily Brontë's novel is a feat of storytelling."

Rescued from the Liverpool docks as a child, Heathcliff is taken to live at Wuthering Heights, where he finds a kindred spir-

### OBITUARIES

#### Cheryl Katz

Cheryl Katz, beloved former math teacher at Horace Mann School, passed away peacefully, at home, on Sunday, Jan. 8, 2023. In addition to her uncanny math skills, (a beautiful woman teaching Algebra), Cheryl loved to dance and sing, was a talented, budding artist, played piano and was a downhill skier. Bump into one of Cheryl's former students and you're likely to hear that she was like a mother to them. Problems at home, troubles adjusting to becoming a teenager, feeling lost in a world where everyone else is happy except for you, Mrs. Katz always had an open door, broad shoulders on which to lean, and sympathetic and encouraging words to help support her students.

Cheryl was laid to rest on Wednesday at Pacific View Memorial Park.

Friends and family are creating a scholarship for culturally and financially disadvantaged math students at one of Hadassah's "Youth Aliyah" villages in Israel. Contributions in Cheryl's memory can be made to "Hadassah" at 40 Wall Street, 8th Floor, New York, NY 10005. Write "Youth Aliyah, IMO Cheryl Katz" on the memo line. Or consider a contribution to the charity of your choice. May her memory be for a blessing.

UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check drawn on a state or national bank, check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state will be held by the duly appointed trustee as shown below, of all right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described below. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. Trustor: Joseph Youshaei and Jila Youshaei, husband and wife as Community Property with Right of Survivorship Duly

Appointed Trustee: PROBER AND RAPHAEL, ALC Recorded 12/22/2015 as Instrument No. 20151606548 in book N/A, page N/A of Official Records in the office of the Recorder of Los Angeles County, California, Date of Sale: 2/8/2023 at 11:00 AM Place of Sale: By the fountain located at 400 Civic Center Plaza, Pomona, CA 91766 Amount of unpaid balance and other charges: \$2,116,227.91 Street Address or other common designation of real property: 268 S. ALMONT DR BEVERLY HILLS, California 90211 A.P.N.: 4333-003-021 The undersigned Trustee disclaims any liability for any incorrectness of the street address or other common designation, if any, shown above. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive

clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (800) 683-2468 or visit this Internet Web site www.servicelinkasap.com, using the file number assigned to this case D.077-452. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. For sales conducted after January 1, 2021: NOTICE TO TENANT: You may have a right to purchase this proper-

ty after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (800) 683-2468, or visit this internet website www.servicelinkasap.com, using the file number assigned to this case D.077-452 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.
