“Praising Arizona”

John Mirisch has it wrong. In his editorial [in the Courier] he says, “In essence, the Arizona law calls for local law enforcement of federal statutes aimed at stopping immigration abuse.” Is it really that easy to obfuscate the issue? Is he serious in his claim that the Arizona law is aimed at enforcing federal law?

The Arizona law gives law enforcement free reign to harass any person with brown skin by requiring them produce papers on demand. I thought we had reached a point where we judge a person not by the color of their skin, but by the content of their character. But apparently we only judge their character after stopping them to ask for their papers.

Perhaps Mr. Mirisch can answer this query: At what point in this nation’s history did the people of the United States repeal the 4th and 14th Amendments to the Constitution? Or maybe he only wants to answer the easier, right-wing talk-radio friendly question about amnesty instead of talking about fascism.

But what should we expect from Mr. Mirisch? He also advocated for forcing individuals to wear badges when representing the First Amendment rights of others. Badges and papers – what’s next? When is the right time

for someone to ask the question, “Councilman Mirisch, have you no shame!”

Kenneth A. Goldman
Sherman Oaks

JOHN MIRISCH RESPONDS:

Good grief. If anyone is obfuscating it is Mr. Goldman, who evidently prefers “painting the devil on the wall” to facts. The Arizona law specifically bans racial profiling, while giving local law enforcement the right to investigate immigration abuse. To imply that current American laws are similar to the Nazi laws of the ‘30’s shows how little Goldman understands the true dangers of fascism.

Goldman also took the opportunity to attack my proposed Lobbyist Badge Ordinance, which attempted to level the playing field with

special interests, big money and lobbyists, who have gamed the system and are largely responsible for the political dysfunction that our State is mired in. The ordinance was an attempt to reduce the influence of big money on politics and create transparency; in equating it with fascism, Mr. Goldman once again trivializes the experiences of the millions who suffered the consequences of fascism in Nazi Germany and elsewhere. And Mr. Goldman asks me if I have no shame...

We would need reasoned and thoughtful discussions on the serious problem of immigration abuse rather than ad hominem attacks and hysterical misrepresentations. It is precisely the lack of reasoned and thoughtful dialogue which has led some politicians to their self-righteous, politically expedient calls for a misguided boycott of AZ.

Carter Paysinger Named Interim Beverly High Principal

Carter Paysinger was named Beverly High's interim principal in a 3-2 vote during Tuesday's Board of Education meeting.

Carter Paysinger

Paysinger's appointment reflects the current board's interest in appointing internal applicants for administrative positions at the five schools. The previous board appointed almost entirely

outside applicants as principals.

Currently one of three Beverly High assistant principals, Paysinger graduated from Beverly High in 1974 and began his 30-year football coaching career five years after when he was hired in 1979.

Paysinger was promoted from athletic director to assistant principal last fall.

"I am extremely excited about the opportunity," Paysinger said. "As we all know, Beverly High is fantastic, and it's considered by many to be one of the best high schools in the area. I'm excited about the challenges that we face and the opportunity to once again be considered one of the most successful high schools in the area."

Board President Steven Fenton said he believes Paysinger will do an "outstanding job" as principal.

"Carter is the right person at the right time," Fenton said. "He's a phenomenal leader. I'm a big believer in promoting from within and finding people who would be the right fit for our district, and I'm a big believer in finding people from the outside as well. I think it's really important to have a healthy balance of both."

Board Rescinds Teacher Layoffs; Saves 10 Jobs

In a 4-1 vote during Tuesday's meeting, the Board of Education rejected a proposal that would have terminated the contracts of 10 BHUSD teachers.

Board member Myra Lurie dissented.

BHUSD Human Resources Director Dr. Alex Cherniss said not proceeding with the staff's recommendation of 10 layoffs would put the district \$800,000 more in the red. The board will have to find a way to make up for that amount by cutting from the 10 percent of the budget that doesn't include personnel, which comprises about 90 percent of the budget, Cherniss said.

The board majority voiced concerns of the layoffs affecting programs offered at BHUSD's schools, especially the proposed cut to Beverly High's dance program.

"I want to look and see if we can redeploy some of those employees into different areas of our district," said Board President Steven Fenton. "We need more librarians. We need reading specialists. I'm hopeful in the future that we'll be able to make that happen. We have to find a way to add those types of positions to our district."

Steven Fenton

Board member Brian Goldberg said he was confident new tax-revenue projections reported by Interim Assistant Superintendent of Business Mary Anne McCabe — which exceeded the district's initial projections by about 14 percent — would offset funds used to keep the 10 teachers employed in BHUSD.

Lurie said during the meeting that she refused to put BHUSD at risk of receiving

Chris Bushée

a qualified certification, or a disapproved budget, from the Los Angeles County Office of Education.

It is unlikely, however, that BHUSD will receive a qualified certification.

"This is a serious risk that may have potentially disastrous consequences,"

Lurie said. "We owe the community a fiduciary responsibility to protect our schools and our kids, not to placate a teachers union. We all hope that these layoffs will ultimately be avoided, but 'hope' is not a solid strategy for governance."

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, May 18, 2010, at 7:00 p.m.**, in the Council Chambers of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING SECTIONS 10-3-2605 AND 10-3-2650 OF THE MUNICIPAL CODE REGARDING THE HEIGHT OF STRUCTURES IN TROUSDALE ESTATES

The proposed ordinance would allow properties in Trousdale Estates that are larger than 5 acres in size and have a level building pad of at least 1.5 acres to apply for a Trousdale R-1 Permit that could permit an existing structure that is over 14 feet in height to be rebuilt up to the maximum height of the previously existing structure without otherwise conforming to the existing building's envelope (e.g. building footprint and siting). Current code requirements allow a structure that exceeds 14 feet in height to be rebuilt, but only if the new structure conforms to the same building envelope of the previously existing structure.

This ordinance has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City has determined that the ordinance will not have a significant environmental impact and is exempt from the CEQA pursuant to Section 15035 of Title 14 of the California Code of Regulations.

At the public hearing, the City Council will hear and consider all comments, and may introduce the ordinance. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. The comments should be received prior to the hearing date.

Please note that if you challenge the Council's action in regards to this matter in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact Ryan Gohlich, Associate Planner in the Beverly Hills Community Development Department at 310.285.1194. A copy of the proposed ordinance is on file in the Community Development Department and can be reviewed by any interested person at 455 N. Rexford Drive, Beverly Hills, California 90210.

The deadline to issue layoff notices is this Saturday, though the notices must be certified and mailed by tomorrow.

"I think that it is critical for us to maintain flexibility in case these layoffs are necessary," Lurie said. "Otherwise, we are left with few viable options other than taking money from our reserves."

McCabe said the district's reserve, currently at 3 percent, would dip below state regulations to as low as 1 percent if the district could not recover the \$800,000 in any other way. However, McCabe also said if the district receives all the projected funds from the L.A. County Assessor's Office, a surplus of \$500,000 would be added to the budget.

Board Vice President Lisa Korbatov suggested the use of furloughs that would only be triggered if the district didn't receive enough funding from the County Assessor's Office. A three-day furlough would save the district a projected \$330,000 over the course of three years.

A motion to cut the number of layoffs in half — giving priority to the subjects of physical education, math and science since K-8 enrollment is expected to decrease — was not seconded.

The board will reconvene today to further discuss the issue of layoffs, with an amended resolution on the agenda that would terminate the contracts of six teachers.

Beverly High Dance Company Director Melissa Joseph, Beverly High English teacher Lynne Heneidi, Beverly High math teacher Alexander Breitman and El Rodeo physical education teacher Kevin Cutler were removed from the list.

Those teachers whose jobs are at risk include Horace Mann second-grade teacher Kathryn Feeley, El Rodeo kindergarten teacher Laura Mitchell, El Rodeo second-grade teacher Rebecca Metrano, El Rodeo fifth-grade teacher Emily McCowan and Beverly Vista fourth-grade teachers Jennifer Postlewaite and Ashley Ireland. "BHEA is pleased that the board rejected the resolution," BHEA President Chris Bushee said. "However, we are concerned that the board could potentially reconsider this matter [today]. BHEA understands that the district administration and five Board of Education members are grappling with serious issues related to the budget and the public's confidence in the

budget. However, it is incumbent upon the board to finalize its decision, and we certainly hope that the board finalized its decision on layoffs with its vote [Tuesday]."

LACOE Grants First Round of Appeals, But Will They Support Natural Breaking Points?

The Los Angeles County Office of Education granted four out of five appeals last week during hearings with BHUSD permit families, allowing those four students to continue attending BHUSD schools.

But several BHUSD Board of Education members are saying the outcome of those appeals indicates that LACOE supports the natural breaking points utilized by LAUSD.

LACOE denied one of the five appeals to a student entering sixth grade. The appeals granted involved students entering seventh grade.

"It looks like LACOE is interested in supporting our rights in natural breaking points and not anywhere else," said Board of Education member Brian Goldberg. "We have another set of appeals next week and most of those kids are from eighth grade. What will really be the test is if LACOE will [deny the appeals] of kids going from eighth grade to ninth grade."

Myra Lurie was the only BHUSD board member present during the public hearing, and was reportedly taking notes.

"Yes, it is true that I went to LACOE to observe the first of the hearings regarding our opportunity permits," Lurie said. "I sat by myself to listen and learn more about a matter of critical importance to our schools. I did not participate in the discussions in any manner."

Goldberg said he has confidence in the BHUSD staff's ability to represent the district well.

"But what is difficult is we have one board member who is actively working against us to help the permit families," Goldberg said.

BHUSD Director of Human Resources Dr. Alex Cherniss said because the County Board of Education looks at every case on an individual basis, it's "very hard to predict how each board member will vote."

"That said, there does appear to be voting trends for each individual board member based on their own perspective," Cherniss said. "It's impossible to predict how future hearings will turn out.

Youth 4 Israel Celebrates Launch

Youth 4 Israel recently celebrated the launch of its organization in Beverly Hills with the Lag Ba'omer event. Headed by Beverly High Class of 2008 graduate Jessica Shomof, the organization aims to educate young adults about peace in Israel, as well as Middle East issues, with pamphlets and prominent speakers. More than 70 people attended the event, which included food, drinks and guest speaker Charlotte Korchak, the west coast campus coordinator for StandWithUs, an Israel education organization, and a USC graduate.

However, the district will do their part to defend our right to self govern, to set policies and practices and to carry out these policies and practices."

Goldberg said they will continue to fight each case on an individual basis, adding that BHUSD staff needs to be prepared to answer questions posed during the appeals.

"Each year these students are going to have to appeal again because unless our policy changes, we're still going to deny those students," Goldberg. "So they got a one-year reprieve."

The seven-member L.A. County Board of Education appears to be split on the issue of BHUSD's opportunity permits. According to reports, Board President Angie Papadakis and board members Maria Elena-Yepes and Leslie K. Gilbert-

Lurie are sympathetic toward permit students, while board members Rebecca J. Turrentine, Douglas R. Boyd and Rudell S. Freer support BHUSD's right to govern their out-of-district permit policy. Board Vice-President Thomas A. Saenz is reportedly the swing vote, at least so far.

The main argument permit families are reportedly using during the hearings is the student's continuity of education.

"LACOE is really messing with our projections and planning, not just fiscally, for the coming school year," Goldberg said. "I'm very optimistic that we're going to win a big chunk of these appeals, particularly when it comes to the natural breaking points."

BHHS Sophomore Shuts Out Morningside

Norman boys' tennis team defeats Santa Monica, Culver City

By Steven Herbert

For the second time in two starts in Ocean League play Ben Sitman-Sommers did not allow a run, but at Morningside April 23, the Beverly High sophomore was able to complete the shutout, twice retiring the Monarchs with a runner on third.

Sitman-Sommers scattered seven hits and struck out 10 in the 6-0 victory, after pitching four and one-third shutout innings against Culver City April 15.

Sitman-Sommers walked one and hit a batter. A Morningside batter reached base in each inning, with two reaching third base. Jibri Rasool tripled with two outs in the third, but Sitman-Sommers struck out Jonathan Davila to end the inning.

In the sixth, Davila singled and Nathan McDonald doubled to put runners on second and third with one out, but Sitman-Sommers struck out Darryl Smith and got Felipe Martinez to ground out, ending the inning.

The first five Norman batters all scored. Beverly Hills combined a leadoff double by Jonas Brock, an RBI single by Ben Jones, a two-run double by Shane Shapiro, a single by Charlie Bennett and a hit batter for its five first-inning runs.

The Normans scored their other run in the fifth as Henry Evans' two-out triple drove in Sitman-Sommers, who reached on an error by Smith, the Morningside third baseman.

Shapiro had three hits and Bennett two as Beverly Hills out-hit the Monarchs, 10-7.

La Canada 7, Beverly Hills 4

Jones had three hits and Bennett drove in runs with doubles in the first and sixth in a nonleague game at La Canada April 24.

The Normans took a 1-0 lead in the first as Jones singled with two outs and Bennett followed with a double.

The Spartans combined two walks, a single and a double for two runs in their half of the first.

La Canada increased its lead to 6-1 with four runs on two hits in its half of the second. Beverly Hills starting pitcher Sam Mason hit the Spartans' leadoff hitter, Brendon Shoemake, and walked four batters during the inning and was taken out of the game after one and two-thirds innings.

Bennett allowed a fifth-inning run and three hits in his four and one-thirds innings of relief, striking out two.

The Normans scored three runs in the sixth. Evans led off with a double and scored on Gabe Laemmler's one-out single. Laemmler advanced to third on Brock's single and scored when Sitman-Sommers grounded into a force out. Bennett doubled in Sitman-Sommers.

Beverly Hills 3, Hawthorne 1

Jones singled in the tie-breaking run with two outs in the sixth and the Normans added an insurance run in the seventh to back his four-hitter in Ocean League game at Hawthorne April 27.

Beverly Hills had runners reach third in three of the first four innings, but was kept scoreless by Cougars junior Amador Monarrez. In the sixth, Monarrez hit Joey Livingston, the Normans' leadoff hitter, with a pitch, walked Evans and allowed a single to Yoni Ginsberg to load the bases with no outs.

Monarrez struck out Jason Ross, but Beverly Hills tied the score on Brock's sacrifice fly.

The Normans (12-6, 4-1 in league play) added a run in the seventh as Livingston was hit by a pitch for the third time, stole second and scored on Evans' single.

Hawthorne scored its run in the first. Isaias Barba led off with a single, stole second and third and scored on Jorge Huante's ground

out.

Jones retired 14 consecutive batters from the first until Jose Villalpando's two-out double in the fifth. Designated hitter Danny Perez grounded out to end the inning.

Jones pitched a 1-2-3 inning in the sixth. Singles by Huante and Uriel Hurtado gave the Cougars runners on first and second with one out in the seventh, but Jones ended the game by getting Jorge Garcia to fly out and striking out Villalpando.

Jones struck out seven and did not walk or hit a batter.

Ginsberg had three hits and Evans and Jones two each as Beverly Hills out-hit Hawthorne, 9-4.

What's Next?

The Normans are scheduled to conclude the regular season today by playing Inglewood at La Cienega Park in an Ocean League game beginning at 3:15 p.m.

The Eric Busi-Steven Kim and Max Eagle-Austin Towns doubles teams both won two of their three sets for the Normans (4-8, 3-0).

Suh defeated Tim Kwak, 6-0, in a first-round matchup of No. 1 singles player. Beverly Hills substitute Charles Kim defeated Paul Chu, the Centaurs' No. 2 singles player, 6-0, in the third round.

What's Next?

The Normans played host to Oxnard Wednesday in a Southern Section Division 2 first-round playoff match that ended after the Beverly Hills Weekly's deadline. If Beverly Hills won, it would play face the Palos Verdes Chadwick-La Canada winner in a second-round match Friday at 3 p.m. The Normans would play at La Canada, while the site of a Chadwick-Beverly Hills match would be determined by a coin toss.

Caution On Staff Cuts

And our own Bijan honored

By Rudy Cole

No, the city sky is not falling and public safety is not yet really in danger; however, the choices your city council is about to make on budget reductions will have serious impacts on our quality of life for many, many years.

Bored already? We have an almost institutional assumption that no matter how often our elected officials cry fiscal wolf, the 911 calls will be answered, the streets will be cleaned and the confusing water bill will eventually arrive. So why worry?

Worry! Despite years of assurance and acceptance of the mantra “never cut police, fire or school funding” it will happen. Although probably not as deep as reductions in other city services, the safety departments could collectively lose \$1,280,000 the next fiscal year.

However, what we need to know is not just how this will effect present police and fire services, but what is being passed over to meet increased or current public safety needs. As just one example, in case of a real emergency or disaster, does our Fire Department have sufficient paramedic response personnel and equipment to assure public safety?

Some questions and thoughts:

First, we have an incredibly talented financial team working for the city led by CFO **Scott Miller**. His office presents the fiscal realities; the political decisions are made by the city council with the advice of the city manager.

Community involvement is a critical first step. Let our able fire and police chiefs answer questions on public safety at a real public forum. About planned cuts and delayed improvements, but also what this city needs to prepare for any public safety crisis.

In the past, some city staffers arranged public forums that were less than effective, to put it generously. Just providing a hall, speakers and publicity, no matter how intensive, simply doesn't work. Some months back, using all those tools, a forum to seek input on community expectations on the selection of a new city manager, following the announcement that **Rod Wood** would be leaving, bombed.

Thanks to former city commissioners and community activists **Rose Norton** and **Gloria Seiff** for actually showing up. But those two were the only residents at the meeting!

Instead, and because this is so critical, a community meeting should be held co-sponsored by resident associations such as the Beverly Hills Southwest Homeowners, the Beverly Hills North Homeowners Association, the Municipal League and other resident groups and the Beverly Hills Chamber of Commerce, all the PTAs and any other real civic association. If each of these groups made the effort to turn out their members, we could actually achieve a meaningful community dialogue on public safety and budget cuts.

What makes no sense is to allow cuts in staff before first reducing non-essential programs. The impact on maintaining first class city services will not be easily repaired, when tax money returns, if we lose city employees who have the experience and the abilities that have contributed to our historic success in municipal excellence.

Some suggested reductions in city agencies may not seem important, but they are. As an example, cuts in building and safety and planning: the loss of a principal planner, one code enforcer, one senior building inspector, and a senior plan review engineer are counterproductive. These jobs, in departments that have long been understaffed, produce revenue! Do we really want more delays in approving permits and the loss of fees this will bring? That makes no sense.

As for privatization of some city jobs, being considered in parks and recreation, that has never been cost effective and is not easily reversed.

Where to bite the fiscal bullet? It is politically much harder to reduce city support for non-essential services, most constituencies will make far more noise than a plan checker. But until the economy returns, funding for sister city programs in China and other council pets need to be shelved. Concurrently, council demands for city support for studies on pri-

vate interests and programs need to be more carefully monitored by the city manager.

Although it would not have solved all our financial needs, the con job the city fell for when it defeated Proposition P did not help. The then-council ran from the modest tax increase ballot measure they birthed when it appeared likely to be defeated because some special interests mounted an anti-tax campaign that was totally deceptive. True, the measure was not crafted all that well, and there were mistakes and imbalances.

However, there was simply no organized effort to support a tax increase, and the fear messages easily frightened voters in the middle of the start of the national economic crisis. Actually, the tax increases would have been very modest, fair and might only have only impacted some high earners such as plastic surgeons, our new growth industry.

Given the real impacts, and with business community support, which could be achieved, a ballot measure should be considered.

Next week: some conversations with heads of departments, including public safety. In the meantime, study and learn as much as you can. Our quality of life is not likely to change overnight, but the lasting impacts of irrational cuts could eventually change our charmed and very lucky city.

There is a new restaurant on south Beverly Drive that replaced our very popular Hamburger Hamlet, actually called South Beverly Drive Grill, and part of a chain that operates a similar menu eatery in Century City that will probably seek valet parking, even though it has an adjoining parking lot. Reportedly, their parking service will only be in the evenings.

But what a change the valet parking demand has made throughout our city, especially on South Beverly Drive and North Canon Drive.

For many years, the city had almost no valet daytime parking permits, and very few at night. Then it all changed, and a plethora of permits were granted, some by routine application and others after considerable debate and even neighborhood opposition. The most notable example of the latter was Il Cielo, our most romantic eatery. It took many years to work out an understanding with neighbors and obtain council approval.

Although the valet services pay fees, and mostly these offset the loss of meter revenues, the effect on other retailers may need study. South Beverly Drive does have a city parking facility, but it is very inadequate for the demand. Valet services actually help in many ways, but for shops that serve quick in and out patrons, the reduction of meters has meant loss of business.

It may be time to not just automatically grant valet parking permits, but really study the need and impacts on other retailers plus alternatives. At the same time, the transportation department should study those now in operation to see if they are actually being used and are still necessary. Maybe we need a cap on permits.

One of our most critical commissions is Planning; unlike most other city commissions they have powers that are statutory and decision making and not just advisory. Now, there is a vacancy on that commission soon to be filled by appointment following recommendations of a joint council-commission ad hoc committee.

Three current members of other commissions have reportedly expressed interest in the job; two have solid land use decision making experience. This is a chance to really make a difference as we move forward to implement a new general plan. If you are interested or know a really qualified person who has experience in the field, call the city clerk at (310) 285-1000 for information on being considered.

One of our community icons, the world famous **Bijan Pakzad** was given the “Design Legend” award by the Otis College of Art and Design Saturday at the Beverly Hilton.

The annual gala featured 75 professional models in nearly 150 fashion designs from the Otis' design program.

Also honored was **Tyrus Wong**, who received the graduate of Otis achievement award. Wong has been a designer for both Warner and Disney.

To coin a phrase, it was a star-studded event, with the usual outstanding service of the Hilton. (They really do banquets better than anyone else. My second helping of the desert may have influenced me.)

The guest list was also impressive. Mayor **Jimmy Delshad** did the honors for the city. (**Lonnie Delshad** let me know how wrong I was about the Taste of Beverly Hills, 9.02.10 program, and when she speaks, I listen. So, another look soon.)

Others we spotted included City National Bank's **Bram Goldsmith**, one of the major driving forces in the Annenberg, the Peninsula's **Robert Zarnegin**, Bijan's business partner **Dar Mahboubi**, **Carmen Warschaw** – who helped create an effective Democratic party structure in California, Neiman Marcus' **John Martens**, and many other luminaries of the fashion and business world.

The student fashion work can also be viewed from May 17 to 31 in the Neiman Marcus windows on Wilshire Boulevard.

We don't usually mention event PR people, but **Sheri Mobley** merits a special nod for her careful and highly professional information made available to the large number of media participants.

Is the city going to the dogs? Not exactly, but according to Charitable Solicitations Commission's chair, **Alissa Roston**, one of the organizations possibly “in violation” of city guidelines on percentages of costs and donations is the Los Angeles County Police Canine Association. So, they need to be careful when they put the bite on people for money. Sorry.

Rudy Cole served for eight years as a member and chair of the city's Recreation & Parks Commission. He was also President of the Greystone Foundation and served on three other city committees. Rudy can be reached at: Rudy@bhweekly.com.

Woman Plants Spring Flowers on 18th Green After Using Thera-Gesic®

BEXAR COUNTY – Apparently inspired by Earth Day, Mary W. applied Thera-Gesic® to her sore lower back and proceeded to plant 55 beautiful petunias on the 18th green of the local golf course during the night. When asked why she chose a busy putting green, she painlessly replied: "None of your dang business!"

Go painlessly with Thera-Gesic®

INSIDE THE MAGBIT FOUNDATION

The Weekly's interview with President
Dr. Behrooz Broukhim

By Kimberly Cheng

The Magbit Foundation of Greater Los Angeles will be celebrating its 21st Annual Gala "The State of Israel's 62 Years of Independence" Wednesday,

May 26 at The Beverly Hilton Hotel.

The black-tie event will be held in the hotel's International Ballroom, and will be featuring worldwide performers

Ishtar Alabina

Ishtar Alabina & The Gypsy Kings.

The gala will recognize Paul & Rose Feher (Feher Foundation) and Julian Geller (Nathan, Anne, Kim and Julian Geller Foundation) for merging their foundations with Magbit to expand on the loan-support program benefiting students in Israel.

In 2009, the Feher and Magbit foundations united to establish a \$1 million joint sponsorship fund designed to provide interest-free loans to college students. Since 2005, the Geller family foundation, through Magbit, has provided interest-free loans to more than 1,500 students in Israel, and has extended contribution in establishing scholarships to gifted children in grammar schools.

Tell us about yourself.

Dr. Behrooz Broukhim

I am a board-certified orthopedic surgeon who has been practicing in North Hollywood and Beverly Hills for the past 30 years. I am Iranian Jewish, and I immigrat-

ed to the U.S. in 1973. I received all my medical school education in Tehran, Iran. I received all my surgical education from the Albert Einstein College of

(left to right) Former Chairman Ebrahim Simhaee, then-President Bijan Nahai, Josephine & Dr. Abner Levy and Treasurer Doran Adhami

Medicine in New York. I moved to California in 1977, and have resided in California since.

How did you get involved with the Magbit Foundation?

My father, Dr. Baroukh Beroukhim, was one of the founders of the Magbit Foundation. My father had been an educator all of this life, and he knew the value of education. As a result, he got together with other people who were interested in promoting education. He got together with [Chairman of the Board] Mr. Parviz Nazarian, the late Mr. Nejat Gabbay, Mr. Nourallah Gabay and the late Mr. Samad Kashfi.

[Other founding members include Mr. Elias Abrishami, Dr. Shokrollah Baravarian, Mr. Eliyadoo Ghodsian, Mr. Mike Ghodsian, Mr. David Javaheri, Dr. Avner Manzour, Dr. Ruben Melamed, the late Mr. Khalil Nahai, Mr. Nasser Nazarian and Mr. Ebrahim Victory.]

The Magbit Foundation was founded 21 years ago, and since the organization was founded, I have been a staunch supporter of the foundation. Because of my busy life, I could not become actively involved, but recently, I have been able to have extra time to give support to this foundation. That's why when the board members offered me the presidency two months ago, I was delighted to take over.

Tell us about the foundation.

For the past 21 years, we've been able to help more than 10,000 students obtain educational loans. The main event that we're fundraising through is the gala dinner at the end of this month. We help about 600-700 college student

Society is improved with education. These are people who are trying to make a difference with their lives, and we should help provide college loans to people who otherwise can't afford college.

Tell us about this year's gala celebration.

Tickets are selling very rapidly. Last year, we honored Dr. Abner Levy [with the Humanitarian Award]. [The year before, we honored David Meraqe.] We are not honoring anyone this year because we have decided to change our program to make it mostly entertainment [in order to] attract more people.

Tell us about some of the members of the Board of Directors that you work with.

There are 21 members of the Board of Directors. They're all very active and involved people of the Iranian-Jewish community, dedicated enough to give their time and resources to help our cause. We have an executive board that is selected among the board members and other members of society who become involved in the day-to-day operations of the foundation. We're planning to introduce a Magbit newsletter to our community of supporters to let them know what we do, the progress of students and their accomplishments.

We have a Magbit Young Leadership [division], and we have a women division of Magbit who are also very involved in fundraising.

[Beverly Hills Mayor] Jimmy Delshad has been involved with Magbit for many years, and has served as Magbit President and Chairman for three years each. He is currently an executive board member.

Tell us about your family.

I have been married to my wife Angel for 30 years. We have three wonderful children: Steven, who is a lawyer, Sharon, who is a kinesiologist, and my youngest son, Shawn, is finishing his sophomore year at Columbia [University] in New York. We live in Beverly Hills.

What is your goal as president of the foundation?

Providing interest-free loans to deserving students to help them complete their studies and become good members of society.

NOTICE OF DIVIDED PUBLICATION
Made pursuant to Section 3381, Revenue and Taxation Code

Pursuant to Sections 3381 through 3385, Revenue and Taxation Code, the Notice of Power to Sell Tax-Defaulted Property in and for Los Angeles County, State of California, has been divided and distributed to various newspapers of general circulation published in the County. A portion of the list appears in each of such newspapers.

NOTICE OF IMPENDING POWER TO SELL TAX-DEFAULTED PROPERTY
Made pursuant to Section 3361, Revenue and Taxation Code

Notice is hereby given that real property taxes and assessments on the parcels described below will have been defaulted five or more years, or, in the case of nonresidential commercial property, property on which a nuisance abatement lien has been recorded or that can serve the public benefit by providing housing or services directly related to low-income persons when three or more years have elapsed and a request has been made by a city, county, city and county, or nonprofit organization that property will become subject to the tax collector's power to sell.

The parcels listed will become subject to the tax collector's power to sell on July 1, 2010, at 12:01 a.m., by operation of law. The tax collector's power to sell will arise unless the property is either redeemed or made subject to an installment plan of redemption initiated as provided by law prior to 5:00 p.m., on June 30, 2010. The right to an installment plan terminates on June 30, 2010, and after that date the entire balance due must be paid in full to prevent sale of the property at public auction.

The right of redemption survives the property becoming subject to the power to sell, but it terminates at 5:00 p.m. on the last business day before actual sale of the property by the tax collector.

All information concerning redemption or the initiation of an installment plan of redemption will be furnished, upon request, by Mark J. Saladino, Los Angeles County Treasurer and Tax Collector, 225 North Hill Street, First Floor, Los Angeles, California 90012.

The amount to redeem, in dollars and cents, is set forth opposite its parcel number. This amount includes all defaulted taxes, penal-

ties, and fees that have accrued from the date of tax-default to the date of June 30, 2010.

I certify, under penalty of perjury, that the foregoing is true and correct. Dated this 21 day of April, 2010.

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of MARIA DIVOFF AKA MARIA E. DIVOFF AKA MARIA ETEL DIVOFF.

A PETITION FOR PROBATE has been filed by CLAIRE MARIE DIVOFF in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that CLAIRE MARIE DIVOFF be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 05/28/10 at 9:15AM in Dept. N located at 1725 Main St., Santa Monica, CA 90401

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100. The time for filing claims will not expire before four months from the hearing date noticed above.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code Section 1250. ORDINANCE NO. 10-O-2582

AN UNCODIFIED ORDINANCE OF THE CITY OF BEVERLY HILLS EXTENDING THE TERMS OF THREE MEMBERS OF THE RECREATION AND PARKS COMMISSION (JILL TAVELMAN COLLINS, MICHAEL BLUMENFELD AND KATHLEEN ROTHNER)

THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS HEREBY ORDAINS AS FOLLOWS:

Section 1. The City Council finds:

1.1 In accordance with the provisions of the Beverly Hills Municipal Code, the City Council duly appointed Jill Tavelman Collins to the Recreation and Parks Commission ("Commission") on September 8, 2004, and Michael Blumenfeld and Kathleen Rothner to the Commission on October 22, 2004, to serve initial terms of two (2) years.

1.2 In accordance with the provisions of the Beverly Hills Municipal Code, the City Council duly reappointed Commissioners Collins, Blumenfeld and Rothner to second terms such that each would serve an additional four (4) years. Therefore, Commissioner Collins' term expires on September 7, 2010, and Commissioners' Blumenfeld and Rothner's terms expire on October 21, 2010.

1.3 Pursuant to Section 2-2.105(b), Recreation and Parks Commissioners who serve two (2) successive terms are not eligible for reappointment to the Commission, and, accordingly, Commissioners Collins, Blumenfeld and Rothner may not be reappointed to serve on the Commission.

1.4 With the appointment of three (3) new Commissioners and, if Commissioners Collins, Blumenfeld and Rothner's terms expire in 2010, the Commission would be comprised of a majority of members with relatively little experience as Recreation and Parks Commissioners. The City Council is concerned about the effect of this potential lack of experience on the Commission, and desires to extend the terms of Commissioners Collins, Blumenfeld and Rothner and allow their appointed successors time to attend all Commission meetings prior to serving on the Commission.

1.5 The City Council duly considered this matter at a noticed public meeting and finds that it would be in the best interest of the City to extend the term of

Commissioners Collins and Blumenfeld on the Commission to November 23, 2010, and the term of Commissioner Rothner to April 1, 2011.

Section 2. Notwithstanding the provisions of Section 2-2-105 of the Beverly Hills Municipal Code, the term of Commissioner Collins and the term of Commission Blumenfeld shall be extended to November 23, 2010.

Section 3. Notwithstanding the provisions of Section 2-2-105 of the Beverly Hills Municipal Code, the term of Commissioner Rothner shall be extended to April 1, 2011.

Section 4. To the extent necessary, this Ordinance amends the provisions of Beverly Hills Municipal Code, Title 2, Chapter 2, Article 1 to allow the City Council to extend the terms of the three Recreation and Parks Commissioners designated herein under the circumstances described in this Ordinance.

Section 5. The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the City within fifteen (15) days after its passage, in accordance with Section 36933 of the Government Code; shall certify to the adoption of this Ordinance and shall cause this Ordinance and his certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this City.

Section 6. This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.

Your life insurance policy may be worth much more than you think!

Alan L. Kaye, CLU, ChFC
President

If you are over age 70, we can show you how your life insurance policy might pay off now, while you are alive and still here to enjoy it! What's more, you may be able to sell your policy for considerably more than its cash surrender value.

One of our clients, a 75-year-old man who owned a \$500,000 term insurance policy that was about to lapse, was able to cash it in for more than \$100,000.

An 80-year-old woman had a \$5 million policy with a cash surrender value of \$600,000. We sold her policy for \$1.3 million. Using the proceeds, we bought her new coverage without any further premium payments, saving her \$120,000 a year.

People have come to us believing that their old policies were worthless. Others thought their existing insurance was so old that it could not be improved. We helped them sell their policies and purchase new coverage at much lower premiums. In most cases, we were able to increase the legacy they left for their heirs and favorite charities.

We may be able to do the same for you. Why settle for the cash surrender value or allow your policy to lapse, when it may be worth so much more? Let us help you decide whether to sell, surrender, keep or replace your old insurance policy.
