“Hacker, Spitz and Margo win” [Issue 840]

Writing you on Wednesday, the morning after our School Board election. With congratulations to Isabel Hacker, Mel Spitz, and Noah Margo and with gratitude to Carter Paysinger for running a clean, intelligent campaign that reflected his own personal integrity. All four of these candidates, along with Lewis Hall, gave our community the opportunity to be heard. Although the campaign turned into a nasty, mud-slinging affair, the voters were not deterred. They turned out in force, with strong opinions.

And with that, a few things are clear. 68 percent of the voters, as of today, rejected the incumbent Board candidates (Hall and Margo), although they both had the political (and financial?) backing of Lisa Korbатов, Brian Goldberg, and Howard Goldstein, the endorsement from *The Courier*, and the “reach” (email power) as seated members of the Board. There is no other way to interpret the numbers: 68 percent said no to ALL of the current Board and its backers. Seen another way, less than one-third of our voters approve of the current Board (in the persons

of candidates Margo and Hall).

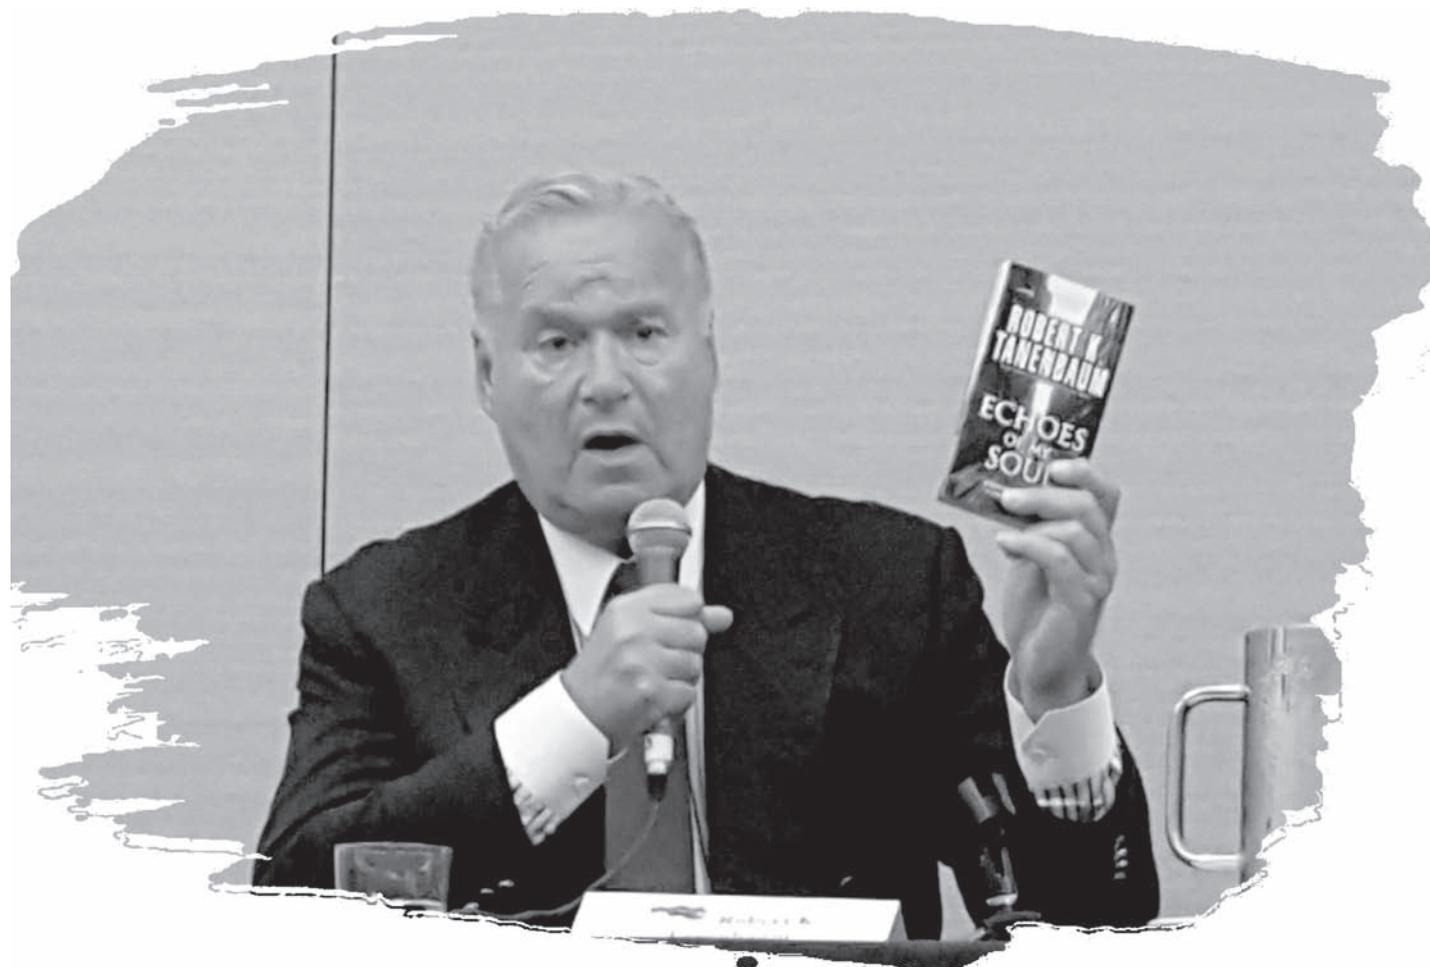

Looking a bit deeper into the numbers, if we are to examine the Board “majority” (that is, Hall, Korbатов and Goldberg) versus the minority (Margo/Goldstein), the numbers are even more impressive. 88 percent said “no” to Lewis Hall (with the backing of Goldberg and Korbатов). Less than one quarter of our voters backed the Board majority.

As to dirty politics, the “anonymous door knocker” led to an overwhelming victory for the two candidates specifically smeared by the tactic. Goldberg’s often emailed “hit list” (hidden under the guise of being a Board message), which warned readers of the three candidates NOT to vote for - resulted in an overwhelming victory for two of those candidates and a near miss by the third.

It’s clear that the current Board Majority and the decisions it has made must be re-examined. Agreements, contracts and hirings must be re-examined. Money spent on Metro, on construction and the reign of Tim Buresh must be re-examined. People want change. They want a strong District run by strong Principals and a strong Superintendent. They want less micro-managing. Less politics. Less of these hallmarks of the past Board majority.

Elections are important, as they give us a sense of where the community’s values lie. But, as Christopher Hitchens said, “The only people truly bound by campaign promises are the voters who believe them.” The next steps belong to the new Board: to returning Board minority members Goldstein and Margo,

Arthur Malin passes at 90

Arthur Malin, a former Board of Education member, passed away on October 26. He was 90.

Born in Chicago in 1925, Malin served in the Air Force before attending medical school at the Columbia College of Physicians and Surgeons in New York. He later became a Training and Supervising Analyst at five Los Angeles psychoanalytic institutes.

Malin sat on the Board of Education for two terms, from 1969 to 1977.

"He was a very vibrant, active, articulate and analytical member of our Board," said former Board member Herb Young, who served alongside Malin for four years. "His analysis was always greatly respected and it was a joy to be with Arthur and interact with him. We all had great respect for his intellect and his knowledge and he

was an active, contributing member of the Board."

A committed teacher at psychoanalytic institutes, Malin penned many articles and book chapters. He was a Clinical Professor of Psychiatry at UCLA and taught in the psychiatric training program at both UCLA and USC.

Arthur Malin

Malin is survived by his wife of 66 years, Naomi; his sister Madeline; his son Barnet and daughter-in-law Jennifer; his grandchildren Lila and Miles; and his

extended family. He was predeceased by his son Norman.

The funeral will be private, but a donation in Malin's honor may be made to Vista del Mar Child and Family Services.

who often found themselves on the wrong end of a 3-2 vote and to the new Board members, Hacker and Spitz who have promised us a District reliant on the wisdom of professional educators like our Superintendent and current Principals. As to the current Board: if they truly care about the schools and the community, one hopes they will refrain from any "lame duck" 11th hour resolutions, contracts, hirings/firings that will only cost the District money when it's time for them to be undone by the Board our community has overwhelmingly chosen to lead.

"Council moves forward with dog park" [Issue 838]

In view of several letters and/or comments regarding the forthcoming Beverly Hills Dog Park... there was a comment from the Mayor that he understood dusk to dawn, but not people walking their dogs in the park at 9 o'clock at night.

Get real Mayor. Not everyone has a 9-5 job, and some people like to take their dogs for a stroll after hours before retiring to bed

for the night. It's NO Big Deal. Obviously, it seems, the mayor must not be a dog owner.

Also, Fred Barman of Beverly Hills, states "What's Beverly Hills coming to?" Not everyone owns their own premise, Mr. Barman, if you haven't looked around Beverly Hills in a while, some folks live in Condos and/or apartments which don't have back yards. So, just because perhaps you don't own, or like dogs. Take a hike. Perhaps, Beverly Hills is going to the dogs. Rightly so, seems dogs have a better disposition than you do sir.

And, lastly Rabbi Dunner and his synagogue, who cares... The dog park is hardly going to ruin your place of worship... last I heard dogs doing their duties hardly drown out your prayers or worship. I am sure most of your congregation has dogs, and probably welcome the park. You sir, with an unfriendly attitude towards Man's Best Friend. Take a hike... just make sure none of the dogs bite your backside for speaking ill of them.

In all due respect, the dogs deserve a park that is open and friendly. And, Beverly Hills should have not one but several dog parks!

Respectfully for Fido!

Rec & Parks questions motivation behind ordinance prohibiting adults from city playgrounds

At the Recreation & Parks Commission meeting on October 27, Human Services Administrator James Latta presented a proposed ordinance that would regulate adult use of City playground equipment.

The ordinance appeared on the City Council's September 1st consent calendar, but was pulled by Vice Mayor John Mirisch and Councilmember Nancy Krasne.

"Sometimes, when I'm upset or depressed or unhappy about something, I like to go to the park and watch children play," Krasne said in September.

The Council later agreed that the Recreation & Parks Commission should deliberate the proposal before it returns to them.

Some commissioners, as well as bicycle activist Mark Elliot, questioned the motivation driving the provision.

"Was your intention when you first formulated this ordinance directed towards the homeless or drug paraphernalia and other things?" Commission Vice Chair Frances Bilak said. "Because I happen to be very uncomfortable with the way this is drafted."

Latta indicated that the ordinance may be an attempt to keep homeless people out of City playgrounds.

"Up until we had our ambassador program, it was pretty widely known across L.A. County that you can sleep in [Beverly Hills'] parking garages, and so people were coming and sleeping in our parking garages," Latta said. "Now that you can't sleep in our parking garages, with ambassadors, folks are dispersing to other areas, and that's anywhere their clan go, which includes our parks."

According to the staff report, City employees had researched strategies adopted by municipalities that endorse "appropriate" use of playground equipment.

The cities of Santa Monica and San Francisco have implemented ordinances regulating adult access to playgrounds. Nationally, two Florida cities—Hollywood and Miami Beach—make the list, as well as New York City.

Elliot, who called the ordinance “over-

broad,” wondered whether an anti-loitering statute would be more effective.

“The mere act of loitering is not considered illegal, but there are local and state laws that prohibit very specific behaviors that have led to problems such as aggressive panhandling, public intoxication and blocking a public sidewalk,” Latta said in a statement.

Another element of the ordinance that remains unclear is what repercussions the perpetrators would face.

“This is not a tool unless there’s a consequence to it—I think you need to go back to the City Attorney [Dave Snow] about this,” said Commissioner Howard Rosoff.

The amendment, if enacted, would apply to the playgrounds at La Cienega, Coldwater Canyon, Reeves and Roxbury parks.

At the Recreation & Parks Commission meeting on November 24, staff is scheduled to provide additional information on the consequences of violating the ordinance and whether a “No Loitering” sign would be sufficient to safeguard the playground areas.

“Balancing the rights of individuals with the needs for public safety is an ongoing challenge,” Latta said in a statement.

NOTICE OF PUBLIC HEARING AND NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

HEARING DATE: November 12, 2015
TIME: 1:30PM, or as soon thereafter as the matter may be heard
LOCATION: Commission Meeting Room 280A
Beverly Hills City Hall
455 North Rexford Drive
Beverly Hills, CA 90210

PUBLIC HEARING

The City of Beverly Hills has prepared a Mitigated Negative Declaration (MND) for proposed amendments to the General Plan and Municipal Code to create an Overlay Zone at the property located at **9291 Burton Way**, commonly known as the L'Ermitage Hotel. The Planning Commission will hold a public hearing to review the MND on **November 12, 2015 at 1:30PM** or as soon thereafter as the matter may be heard. The purpose of this meeting is to review the content of the MND and to allow the public and Commission an opportunity to comment on the MND. During this hearing no final decisions will be made with regard to project approval or denial. A separate, noticed public hearing will be held at a future date to review the merits of the project before any final decisions are made by the Planning Commission.

PROJECT DESCRIPTION

The project involves hotel renovations and modifications to the hotel's existing operational requirements. A summary of the various project components is provided below:

- Relocation and reduction in size of existing mechanical equipment housing on the rooftop.
- Removal of an existing event canopy on the rooftop.
- Reduction in size and reconfiguration of the existing kitchen and associated service counter.
- Reconfiguration and reduction in size of the existing restrooms, and addition of new rooftop restrooms near the pool area.
- Installation of a glass 15 foot "acoustic shield," that would extend around the perimeter of the rooftop and would slope inward, and is designed to reduce noise from rooftop uses.
- Installation of an exterior elevator along the western wall of the building.
- Upgrading of all mechanical systems throughout the property.
- Relocation of existing outdoor seating from the rotunda patio in the southwestern portion of the hotel lobby to the patio along Burton Way, resulting in no increase in the number of tables or chairs.
- Modification of the operational requirements that are currently in place as part of the hotel's existing Conditional Use Permit (CUP) to allow uses on the remodeled rooftop and existing ground floor outdoor dining area until midnight Sunday through Thursday and until 2:00 a.m. on Friday and Saturday evenings and evenings preceding a holiday. All other existing operational requirements would remain unchanged.

ENVIRONMENTAL REVIEW

This project is being assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City prepared an Initial Study to determine the proposed project's potential impact on the environment. After reviewing the Initial Study, the City has determined that this project may have a significant effect on the environment, but by implementing certain mitigation measures, the project's potentially significant effects could be reduced to less than significant levels. Accordingly, a Mitigated Negative Declaration has been prepared.

PUBLIC REVIEW AND COMMENT ON DRAFT MND

The MND is being circulated for a 20-day public review period, from November 2, 2015 to November 21, 2015. During the public review period, written comments concerning the document may be submitted by any interested person and/or affected agency. Following the public review period, a separately noticed public hearing will be scheduled to consider adoption of the MND and the requested project entitlements. Comments on the MND should be directed to:

BHHS football team defeats Santa Monica

The Beverly High football team ended a 15-game losing streak Friday night with a 25-17 victory over Santa Monica in an Ocean League game at Nickoll Field as Jake Wolken threw two touchdown passes and P.J. Goolsby made three of the Normans' five interceptions.

The victory at it-s homecoming game was Beverly Hills first in Ocean League play and first at home since Oct. 26, 2012, when it defeated Hawthorne, 20-6. The Normans had lost both 14 consecutive league games and 14 consecutive home games.

Beverly Hills broke out to an 18-0 lead.

It had a 17-play drive that consumed more than six minutes on the game's opening possession, but turned the ball over on downs on the Vikings' 1-yard line.

Beverly Hills forced Santa Monica to punt after three plays and got the ball back at the Santa Monica 19 following a short punt. Wolken threw a 19-yard touchdown pass to Solomon Nwankwo on the first play after the punt.

The Normans (1-8, 1-3 in league play) increased their 6-0 first quarter lead to 18-0 at halftime on a three-yard run by Rashad Ysaguirre and Wolken's 23-yard pass to Goolsby.

The Vikings (1-8, 1-3, including a forfeit victory over Lawndale which had used an ineligible player in a 62-0 victory on Oct. 16) cut the lead to 18-7 on the third quarter's only touchdown.

Beverly Hills regained an 18-point lead on Joe Kolko's three-yard run in the fourth quarter.

Santa Monica pulled within eight after a 34-yard touchdown pass and 38-yard field goal, but the Normans sealed the victory with about 90 seconds left on Goolsby's interception.

Kolko ran for 138 yards on 20 carries and Ysaguirre 90 on 23 carries as Beverly Hills out-rushed the Vikings 242 yards to 25.

Wolken completed five of 11 passes for 84 yards as Beverly Hills out-gained Santa Monica 326-143 and ended a four-game losing streak against the Vikings.

"We had confidence going in just from watching them on film," against two com-

mon opponents, Hawthorne and Lawndale, Charlie Stansbury said after his second victory in 29 games as the Normans' coach.

"Watching them play those other teams helped our confidence a little bit because we knew how we played against those teams and if we did things right, we were going to have a great opportunity to win the game."

Stansbury praised the entire Beverly Hills defense for "some momentum-changing plays throughout the game" and the offensive line, tight ends and fullbacks for the running game's success.

The Normans are scheduled to conclude

the season Friday at Culver City (6-3, 3-1, including a forfeit victory over Lawndale in a game the Centaurs lost on the field 48-41) in an Ocean League game. The opening kickoff is set for 7 p.m.

The Normans have a 12-game winless streak against the Centaurs that began in 2002 and includes two ties and a 41-12 loss last season.

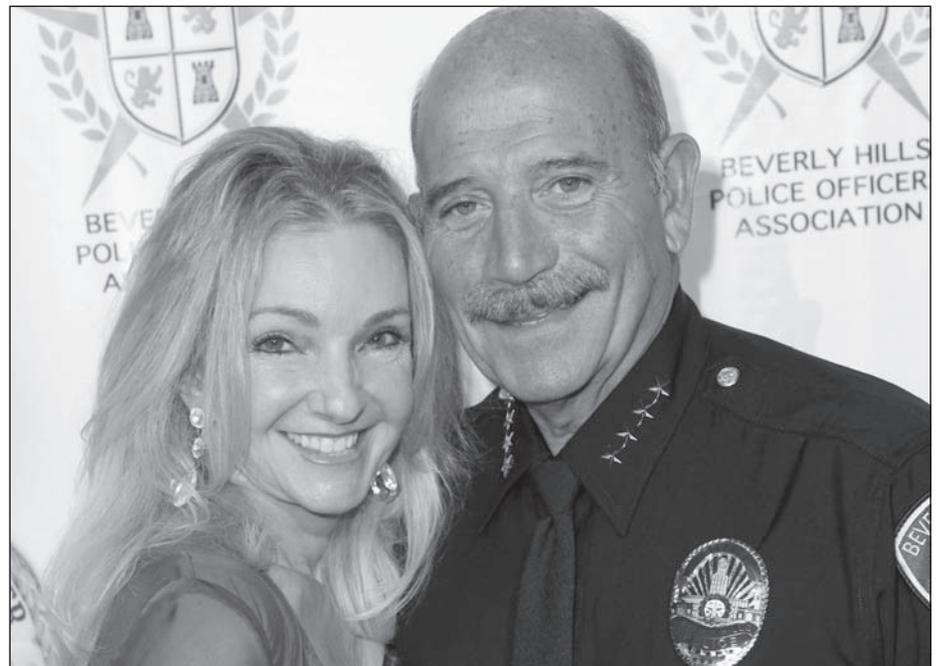

The high school football website Calpreps projects a 48-20 Culver City victory. It had projected Beverly Hills would defeat Santa Monica 28-21.

HACKER, SPITZ AND MARGO WIN

By Mina Riazi

Challengers Isabel Hacker and Mel Spitz and incumbent Noah Margo will fill three seats on the Beverly Hills Board of Education, following a contentious race.

Hacker finished first with 1,625 votes as of press time. A former Citizens' Oversight Committee member, she ran on a four-part platform that prioritized rebuilding public trust and resolving the Measure E bond shortfall.

At a candidate forum in September, Hacker mentioned that a Board's main goals are to set policy and appoint a Superintendent—not personally hire teachers, coaches and principals, as the current Board has done.

"The word is out that this is the way we function, which translates to total dysfunction," she said.

Both Hacker and Spitz were openly critical of the Board majority. The latter often stated that the Board had overstepped its boundaries by micromanaging and assuming the role of Chief Executive Officer.

Spitz benefited from high name recognition, having served on the Board from 1971 to 1979. He placed second with 1,561 votes.

In an April letter announcing his candidacy, Spitz wrote that the financial and organizational problems of the district "have become critical."

Opponents of the Board majority often aligned with Spitz, Hacker and Carter Paysinger, and turned away from incumbents Margo and Lewis Hall. Both the

Board winners Mel Spitz and Isabel Hacker

Chamber of Commerce Leadership Political Action Committee (PAC) and the Beverly Hills North Homeowners Association endorsed the three challengers.

Margo placed third with 1,365 votes.

Though Margo regularly tried distancing himself from the oft-criticized "Board majority," he did not condemn the anonymous hit piece attacking Hacker and Spitz that was walked to homes early October.

Margo's candidate statement focused on putting "education first," a goal he aims to accomplish by improving the quality of teaching in the district, tightening fiscal controls, instituting sound resolutions and fostering civility and respect.

Though he was just three votes behind Margo in the absentee count, Paysinger fin-

ished fourth with 1,279 votes.

A lawsuit filed by Paysinger in July 2014 against Hall and the BHUSD alleging discrimination and retaliation may have hurt Paysinger's campaign, but the former Beverly High principal had a large following after having taught in Beverly Hills for over 30 years.

In fact, at a candidate forum last month, several audience members booed Hall after he accused Paysinger of "ignoring" Beverly High during his term as principal and "calling [Hall] and other Board members racist."

Paysinger, who agreed to a \$685,000 settlement in June, echoed Hacker and Spitz's sentiments, stressing that the role of a Board member is to set policy, manage the business and hire and support "great" leaders.

"That's it," he said at an October debate.

Hall, who received 773 votes, was unable

to replicate the 989 votes he garnered in 2011. Despite an endorsement from the *Beverly Hills Courier* and financial support from Board member Lisa Korbatov, Hall finished a distant fifth.

During candidate forums, Hall repeatedly asserted that the BHUSD is "doing great," citing the fact that Moody's and Standard & Poor's had recently awarded the district A+ and AA+ ratings.

"I really don't like hearing candidates [say] how poorly we're doing, because we're not doing poorly, we're doing great," Hall said.

Due to a recent change in state law, ballots postmarked by Tuesday can be received until Friday and still counted. Although another count will be released Friday evening, the final results are not expected to change.

WILLIE BRIEN ACCEPTS JOB AT HOUSTON MEDICAL CENTER, BUT HOW WILL HIS VACANCY BE FILLED?

By Mina Riazi

City Councilmember Willie Brien has accepted a position as Vice President of Medical Operations and Chief Clinical Officer at CHI St. Luke's Health-Baylor St. Luke's Medical Center in Houston.

At Tuesday's study session, the Council debated possible options for filling the imminent vacancy.

When a council vacancy occurs, cities

generally have two choices: appointing a person or holding a special election.

But the former is currently not a course of action available to the Council. As stated in Section 2-1-21 of the Municipal Code, "within 30 days after the commencement of a vacancy on the council, the council shall call a special election to fill the vacancy for the unexpired term of

Councilmember Willie Brien

the former incumbent."

The Council could always suspend the ordinance and opt for an appointment—a route that Councilmember Lili Bosse said she opposed.

"We have this Municipal Code for a reason," Bosse said Tuesday. "I think it allows for an open public process and it allows for the community to elect who they believe represents them."

Bosse later pointed out that the Council has held "many" meetings in the past with just four councilmembers present.

"When you have five people, you have to have three votes to have something pass, and when you have four people, you have to have three votes to have something pass," she said.

According to the staff report, a special election would cost \$80,000.

Echoing sentiments expressed by Vice Mayor John Mirisch, Mayor Julian Gold advocated for flexibility and gave direction to rescind the existing ordinance, so that the Council will at least have the option of appointing a person.

"There's no reason for us to make a decision today," Gold said. "I think our decision should be based on what the circumstances ultimately come to be."

The Council is expected to vote on rescinding the current ordinance on November 17.

City Clerk Byron Pope said if Brien resigns prior to February 8, the Council will have the option of calling an election for June 7. If Brien steps down after February 8, then it will be consolidated with the November 8th election, which is also a presidential race.

NOTICE OF PETITION TO ADMINISTER ES-TATE OF THOMAS F. BARTMAN
Case No. BP167598

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of THOMAS F. BARTMAN

A PETITION FOR PROBATE has been filed by Eleanor Bartman and Brett H. Bartman in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Elea-nor Barfman and Brett H. Bartman be appointed as per-sonal representative to administer the estate of the de-ce-dent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an inter-ested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Nov. 18, 2015 at 8:30 AM in Dept. No. 5 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a gen-

eral personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (949) 860-9155 for information regarding the trustee's sale or visit www.innovativefieldservices.com for information regarding the trustee's sale using the file number assigned to this case, which is 15-100175. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. PLEASE TAKE NOTICE THAT if the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. REGISTRATION WITH THE DEPARTMENT OF INDUSTRIAL RELATIONS

The Bidder's attention is directed to Labor Code Section 1725.5, which provides that a contractor or subcontractor shall not be qualified to bid on, be listed in a Bid proposal, subject to the requirements of Public Contract Code Section 4104, or engage in the performance of any contract that is subject to Labor Code Section 1720 et seq., unless currently registered and qualified to perform a public work pursuant to Labor Code Section 1725.5. This requirement applies to any bid proposal submitted on or after March 1, 2015, and any contract for public work entered into on or after April 1, 2015.

PREVAILING WAGES

In accordance with Labor Code Section 1770 et seq., this Project is a "public work," and thus, the Contractor and any Subcontractors must pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Contractor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at each job site.

BONDS

Each Bid must be accompanied by a cash deposit, cashier's check, certified check or Bidder's Bond issued by a Surety insurer, each of which must be made payable to the City, in an amount not less than ten percent (10%) of the total Bid submitted. Personal or company checks are not acceptable. Upon award of Contract, Contractor shall provide faithful performance and payment Bonds, each in a sum equal to the Contract Price. Bonds must be issued by a California admitted Surety insurer and submitted using the required forms, which are in the Contract Documents. Failure to enter into a valid contract, including the submission of all required Bonds and insurance coverages, with the City within fifteen (15) Days after the date of the delivery of the contract forms to the Bidder, shall constitute a material breach and subject the Bid security to forfeiture to the extent provided by law.

LICENSES

The Bidder shall possess a valid Class C-20 Contractor's license issued by California State Contractors License Board at the time of the Bid submission. The successful Contractor must also possess a current City business license.

RETENTION SUBSTITUTION

In accordance with Public Contract Code Section 22300, and at the request and expense of the Contractor, securities equivalent to the amount withheld may be deposited with City or with a State or federally chartered bank as escrow agent, which shall then pay such moneys to the Contractor. Upon satisfactory completion of the Contract, the securities shall be returned to the Contractor. Alternatively, Contractor may request that the City make payments of earned retentions directly to an escrow agent at Contractor's expense. No such substitutions shall be accepted until all related documents are approved by the City Attorney.

LIQUIDATED DAMAGES

All Work shall be completed within 90 calendar days following the date specified in the written Notice to Proceed from the City.
