## “The Architect Behind the Hilton High-Rise” [Issue 865]

The architectural rendering on the cover of the *Weekly* (Issue 865, April 28-May 4, 2016) is the first picture I've seen showing what Beny Alagem's proposed 375-foot residential skyscraper will look like.

Is it drawn to scale? Even a tall building can be made to look small from the right distance or perspective.

And why do ALL the architectural renderings for any aspect of the Hilton project show laughably light traffic at the intersection of Wilshire and Santa Monica Boulevards?

If the sky were dark – as it is at 2 a.m. – traffic might be as light as shown, but otherwise this intersection is gridlocked from dawn to well beyond dusk. It took me four light changes to go through the intersection on Friday, April 29, heading eastbound on Santa Monica Blvd. at approximately 3:30 p.m.

Mr. Stern is indeed an accomplished architect even if this building does not look like one of his better designs. But it

doesn't matter if the proposed residential skyscraper is designed by him or Frank Lloyd Wright or Le Corbusier or anyone else.

It's just too big for that spot.

If the City allows this building to be built, other developers will undoubtedly try to same end-run around the City's planning process. Beverly Hills will end up looking like Houston, or Ho Chi Minh City (Saigon), with giant buildings towering over their neighbors, and Beny Alagem will be much richer, but we will all be much poorer for this.

## “An Open Letter to the Community” [Issue 863]

Recently, many Beverly Hills residents have been approached by paid signature gatherers to sign a petition to “let the voters decide” about a change to the Beverly Hilton complex. The gatherers' goal is to obtain enough signatures to qualify a measure for the November 2016 ballot that would allow a massive change to the Beverly Hilton complex, without being subjected to standard planning, entitlement and environmental reviews, including public comment.

The initiative is cleverly called “The Beverly Hills Garden and Open Space Initiative.” Without delving into the merits or faults of the project (adding a 26+ story

9206 and 9212 Olympic Boulevard

## Planning rejects three-story Olympic Blvd. commercial project

At their meeting last week, the Planning Commission determined that a three-story commercial building proposed for 9206 and 9212 Olympic Boulevard was not a proper fit for the street.

“I don’t think it’s the right building for Olympic Boulevard,” said Commissioner Lori Greene Gordon. “I have a variety of reasons: first of all, the height concerns me very much.”

The proposed building stands 45 feet tall and would require a Conditional Use Permit (CUP).

“I was surprised to see that this was reviewed as a CUP,” said Beverly Hills resident Mark Elliot. “When I think about CUPs, I think about non-permitted uses; I think about related impacts of non-permitted uses, conditions, things like that. I’ve

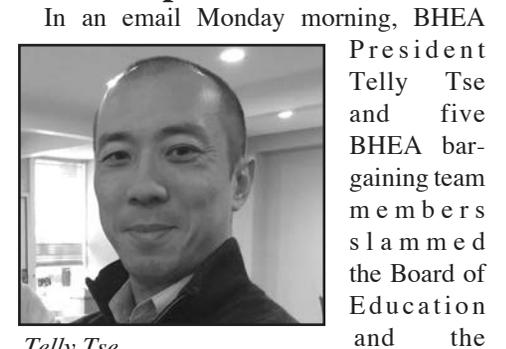

certainly seen a lot of projects come to the city that don’t use a CUP to ask for a third story, so I was surprised to see that baked into our zoning code.”

The project site is surrounded by a mix of low-rise commercial buildings, surface parking lots and multi-family residential buildings.

Helmed by Etco Homes Founder Afshin Etebar, the development would contain three retail or restaurant spaces on the ground floor and office spaces on the second and third floors. A three-level, subterranean garage would contain 58 parking spaces.

“I’m really struggling with the three stories,” said Commissioner Howard Fisher. The Commission is expected to revisit the project at their meeting in June.

building on Santa Monica Blvd. is one of the key elements of the plan), we should all be concerned by and wary of a developer that attempts to circumvent the normal planning process with a ballot initiative.

Mayor John Mirisch’s publicly published open letter summarized the project and the dangerous precedent its developer is attempting to set.

Also worth pointing out – and not to be confused by this project, which would sit on the East side of Merv Griffin Way

– is another project that IS going through appropriate reviews and public comments, called 9900 Wilshire or One Beverly Hills, which would sit on the West side of Merv Griffin Way.

While both projects share close proximity and are doing plenty of advertising sporting attractive (if not fully revealing) renderings, it is important to note that only one project’s developer is going through the normal approval process; the other is attempting to circumvent the process with an atypical and deceptive path to entitlement. No matter what anyone feels about

the merits or faults of either project, this distinction is important to consider. None of us will be asked to sign a petition for the 9900 Wilshire/One Beverly Hills project, but we can attend public hearings to learn more about it and state our views, as is the case with all projects going through the normal approval process.

Finally, given that many of those soliciting us at stores and our homes are merely unaffiliated hired hands to collect signa-

tures and are ill-informed about the Hilton project’s details, some residents may have signed the petition based on incorrect or incomplete information. It is not too late to rescind your signature – Mayor Mirisch’s letter explains how to do that or you can contact the City Clerk at [bpope@beverlyhills.org](mailto:bpope@beverlyhills.org) or at 310.285.2401.

## NOTICE OF PUBLIC HEARING

**DATE:** May 12, 2016  
**TIME:** 1:30 PM, or as soon thereafter as the matter may be heard  
**LOCATION:** Commission Meeting Room 280A  
Beverly Hills City Hall  
455 North Rexford Drive  
Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at its REGULAR meeting on Thursday, May 12, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider:

A request for a Conditional use Permit and Extended Hours Permit for the property located at **9360 Wilshire Boulevard (Sixty Hotel)**. The Applicant was previously granted a Conditional Use Permit and Extended Hours Permit to allow the following rooftop operations at the hotel:

- Use of the rooftop area until 1:00 AM Sunday through Thursday
- Use of the rooftop area until 2:00 AM Friday and Saturday
- Allowance for up to 12 rooftop events per year in which the rooftop can be occupied until 2:00 AM on a day other than a Friday or Saturday
- Maximum rooftop occupancy of 165 persons (excluding hotel staff)

The entitlements have since expired, and the Applicant is requesting a new Conditional Use Permit and Extended Hours Permit to allow the same rooftop operations as previously granted.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. Upon review, the project appears to qualify for exemption from CEQA. Accordingly, the Planning Commission will consider a recommendation to find the project exempt from the environmental review requirements of CEQA as a Class 1 Categorical Exemption (minor alterations to an existing facility) or Class 32 Categorical Exemption (in-fill development) pursuant to Sections 15301 and 15332 of Title 14 of the California Code of Regulations.

Any interested person may attend the meeting and be heard or present written comments to the Commission.

According to Government Code Section 65009, if you challenge the Commission’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Andre Sahakian, Associate Planner** in the Planning Division at (310) 285-1127, or by email at [asahakian@beverlyhills.org](mailto:asahakian@beverlyhills.org). The Planning Commission of the City of Beverly Hills, at its regular meeting on Thursday, May 12, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider:

### AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING BEVERLY HILLS MUNICIPAL CODE SECTION 10-3-507 PERTAINING TO THE BEVERLY HILLS WOMEN’S CLUB

The amendments to the Beverly Hills Municipal Code contained in the proposed Ordinance would modify several operational restrictions that pertain to the Beverly Hills Women’s Club located at 1700 Chevy Chase Drive. The modifications would include removing the restriction on events held by outside groups in the months of July and August, removing the restriction on the amount of rent charged for use of the Women’s Club facility by outside groups, extending the hours during which outside events can be held, and amending the restriction on alcoholic beverages served at events held at the Beverly Hills Women’s Club. The Beverly Hills Women’s Club has been located at its current location, in the R-1.X zone, since the 1920s.

This Ordinance has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. Upon review, the project appears to qualify for exemption from CEQA. The adoption and implementation of the Ordinance is eligible for a class 5 categorical exemption for minor changes in land use limitations and will not have a significant environmental impact. Additionally, the adoption and implementation of the Ordinance is eligible for a class 1 categorical exemption for minor operational changes to an existing facility and will not have a significant impact. Accordingly, the Planning Commission will consider the recommendation to find the Ordinance exempt from the environmental review requirements of CEQA pursuant to Section 15301 and Section 15305 of Title 14 of the California Code of Regulations.

Any interested person may attend the meeting and be heard or present written comments to the Commission.

According to Government Code Section 65009, if you challenge the Commission’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

BHUSD for backing out of agreements pertaining to class size and employee permits.

"This is not only unacceptable, we believe this course of action to be illegal," the BHEA wrote in the email.

The letter centers on a certificated bargaining session held last Friday, during which the district bargaining team stated they could not sign agreements reached between the BHUSD and the BHEA in the areas of class size and permits.

The class size agreement would have set a hard cap of 29 for grades 4 and 5, maintained an average of 29:1 and a maximum of 145 students for grades 6-12, and restricted any individual grades 6-12 class from exceeding 32 students.

"Under the Board's current interpretation of the contract, K-3 class sizes can be at an average of 29:1," the BHEA wrote. "Not a maximum of 29 students per class. An average. This means that a third grade teacher can have 35 students in his or her classroom as long as someone else in the district has 23."

According to Board President Howard Goldstein, Board members did not participate in the negotiation process, unlike previous years.

"After reading the email from the BHEA with regard to the negotiation, there seems to be some confusion between the parties as to the process that occurred," Goldstein

said.

But the BHEA suggests the move was a calculated attempt to wipe out a costly salary formula.

"In short, the Board and the district are holding our students, our children and our substitute teachers hostage in order to take back the salary formula," the BHEA wrote.

### Hilton project alleges over 7,000 signatures

The Beverly Hills Garden & Open Space Initiative submitted more than 7,000 petition signatures to City Clerk Byron Pope Monday, according to a press release issued by Garvey Group founder Marie Garvey.

Pope still needs to verify the validity of the signatures; roughly 3,600 valid signatures are needed to place the project on the November 8th ballot.

The initiative would result in the city's first-ever skyscraper, a 375-foot residential tower designed by Robert A.M. Stern and planned for Santa Monica Boulevard and Merv Griffin Way.

Aided by a canvassing and outreach firm and 100 community volunteers, the Beverly Hills Garden & Open Space Initiative collected the signatures in "just over 30 days."

The Los Angeles County Registrar-Recorder/County Clerk office has until June 14 to verify the validity of the 7,000 signatures, but Pope anticipates the process will be wrapped up before then.

delegate for presidential candidate Hilary Clinton. Albert, who won by two votes, is executive director of New Los Angeles Charter School. "I have always been interested in politics, and I was wondering one night, *who are delegates? Everyone talks about delegates,*" Albert said. "I did a little research and it seemed

pretty straightforward on the Democratic side."

Albert, who lives in Beverlywood, was endorsed by former Congressman Henry Waxman, Congressman Ted Lieu and Senator Ben Allen, among others.

Fourteen Beverly Hills residents ran to be Democratic National Convention (DNC) delegates in two separate elections on Sunday for the 33rd district, which includes Beverly Hills. The results are not yet available.

Ten of the 14 ran to be delegates for Clinton, and four for Bernie Sanders, including Beverly Hills dentist James E. Fabe.

Fabe, a 28-year Beverly Hills resident, ran for City Council in 2001 and the Board of Education in 2013. He has been involved in Democratic politics since 1972, when he was a delegate applicant for presidential candidate Henry M. Jackson.

## Meet the upcoming 2016 – 2017 PTA Co-Presidents

### Emily Wolf – El Rodeo

A non-practicing lawyer, Emily Wolf looks forward to serving with El Rodeo PTA co-president Krissy Austin next year.

“We’re going through some changes, but we’re definitely taking it in stride,” Wolf said.

Wolf is married to Jeff, an El Rodeo and Beverly High ’91 grad, and has been a PTA fixture since their son Sam, now

Emily Wolf

a seventh grader, first started at El Rodeo. They also have a daughter, Abby, a fifth grader.

“The academics at El Rodeo are excellent,” Wolf said. “We’ve been thrilled with everybody.”

### Jill Egerman – Horace Mann

Jill Egerman attended middle school and high school in Palos Verdes, after spending the first 12 years of her life in Long Beach. As newly appointed Horace Mann PTA vice president, she will be continuing her family’s long-time rapport with the local school system.

“[My husband]

Jill Egerman

Lee went to Hawthorne and Beverly High [’89],” Egerman said. “My mother-in-law went to Horace Mann, and so did her sister.”

The Egermans’ sons Evan and Aidan will be in the fourth and first grades at Horace Mann in the fall. Currently in preschool, their daughter Sydney will start kindergarten at Horace Mann in 2017.

“I felt like this was an incredibly worthwhile way to spend my time and energy to get involved in a place where my children are being educated, spending their time and being formed into humans,” Egerman said.

Egerman will hold the position along with co-president Jamie Halimi.

### Bridget Smith – Hawthorne

Bridget Smith moved to Beverly Hills from Minnesota, but her husband Vaughn is from Los Angeles. Their two daughters, Vivianne and Sedona, attend Hawthorne.

“The PTA’s role is to support the teachers, staff and students, and provide the best environment,” Smith said. “Hopefully I can follow the footsteps that [former Hawthorne PTA co-presidents] Tara [Cucci] and Lorraine [Eastman] have already laid a lot of groundwork in.”

Smith acknowledges that Hawthorne will be undergoing quite a few changes in the coming months, including a new principal.

Bridget Smith

Smith will serve as co-president alongside Andrea Frascione.

### April Jergens – Beverly Vista

The 2016-2017 school year marks April Jergens’ second time leading Beverly Vista PTA with co-president Martha Ramirez.

“I love working with Martha,” Jergens said. “We work together very, very well. She’s a great partner and there’s zero drama.”

Originally from Kansas City, Missouri,

April Jergens

Jergens looks forward to helping organize next year is the Beverly Vista Fun Run.

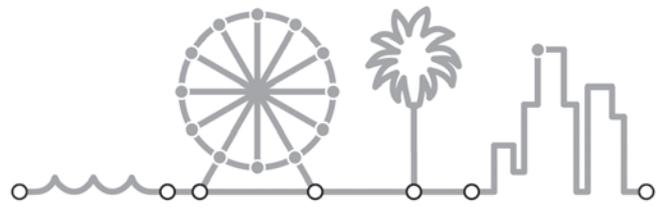

“It did really, really well this year, far beyond our expectations,” Jergens said.

Jergens’ stepdaughters attend Beverly Vista and Beverly High.

“It’s definitely going to be an interesting year, and there’s a lot of opportunity for good,” Smith said.

## BHHS baseball team defeats Lawndale twice Norman shot putter wins league championship

By Steven Herbert

Cannon King went three-for-three with a double and three RBIs and was the winning pitcher as Beverly High defeated Lawndale, 9-6, in an Ocean League baseball game last Thursday at La Cienega Park.

Jacob Hankin went two-for-three with two RBIs, while Grant Gaon and Alex Neustaedtar both had two hits as the Normans completed the two-game sweep of the Cardinals.

King allowed four hits and four runs (three earned) over five innings, striking out two and walking three. Gaon was credited with the save, allowing two runs, both earned, and four hits over two innings.

Niall Bauer, Sean Kochinski, Alex Rosen and Sid Steinberg all singled for Beverly Hills.

## BRIEN RESIGNS: WHAT'S NEXT?

City Council to appoint his replacement

By Mina Riazi

At Tuesday's meeting, around three hours after Councilmember Willie Brien submitted his long-awaited resignation letter, the City Council deliberated their options for filling the vacant seat.

Faced with the option of either appointing a new councilmember or calling a special election, the Council settled on the former, after a lengthy and at times tense discussion.

A special election is the pricier of the two options: a con-

solidated election would be held in November and costs around \$40,000; an unconsolidated election would be held in March and costs about \$200,000. State law does not allow the Council to simply operate with four members.

"I do agree that if we appointed somebody, it would have to be someone who would pledge not to run, because that's not fair," said Mayor John Mirisch.

Councilmember Julian Gold agreed with Mirisch, and said it would be "inherently unfair" to the other candidates if Brien's replacement were able to run as an incumbent in next

year's election.

"If we're going to use that logic, then we probably should not appoint any person who has sat on the Planning Commission, who has sat on the Public Works Commission, who has sat on the Traffic and Parking

Commission, because the people in this community have had the opportunity to see how they function," Bosse said.

Brien's successor will serve for the remainder of his term, which expires in

***"I do agree that if we appointed somebody, it would have to be someone who would pledge not to run, because that's not fair"***  
—Mayor John Mirisch

March.

The appointment process entails an application, and candidates must also attach an essay explaining "why [they] are the best person to appoint to the Beverly Hills City Council." Though applicants must state whether they plan to run in the March 2017 election, the pledge is not legally binding.

Bosse said last year that a special election allows for the community "to elect who they believe represents them." In a November 11th letter to the *Weekly*, bicycle activist Mark Elliot echoed Bosse's beliefs, writing that she "weighted in on behalf of democracy."

Brien announced in late October 2015 that he had accepted a new medical job in Houston, but officially stepped down Tuesday.

Applications can be found on the City website and must be submitted to City Clerk Byron Pope's office or to [bpope@beverlyhills.org](mailto:bpope@beverlyhills.org) by May 20.

## L'ERMITAGE RESTAURANT BACK IN BUSINESS

Planning Commission allows Avec Nous to reopen with conditions

By Mina Riazi

Following a marathon meeting that lasted until 1 a.m. Tuesday, the Planning Commission approved Avec Nous' request to reopen to the public, but not without imposing several restrictions.

A contemporary French bistro at L'Ermitage, Avec Nous closed to the public last month, after it was discovered that the restaurant had been

operating under a long-defunct Conditional Use Permit (CUP).

In a unanimous decision, the Commission approved a CUP to permit the dining facility to reopen

to the public, a Development Plan Review to allow the establishment of open-air dining and an extended hours permit to allow the restaurant, open-air dining and rooftop to operate during extended hours.

"The CUP was granted to allow the restaurant to be open to the public and for outdoor dining, and if the CUP is no longer valid, then the restaurant cannot be open to the public and the outdoor dining area cannot be utilized," City Manager Mahdi Aluzri said last month.

Holding back tears, L'Ermitage

General Manager Sal Abaunza called the closure "heartbreaking" at a Council meeting in April.

At Monday's meeting, the Planning Commission reduced the hotel's delivery hours, downsizing them to 9 to 6 p.m. Mondays thru Friday; 10 to 5 p.m. Saturdays; and 10 to 3 p.m. Sundays. Rooftop events must end by 10 p.m. seven days a week.

***"These are people who did not even anticipate this when the property was purchased"***  
—Planning Commissioner Lori Greene Gordon

Commissioner Lori Greene Gordon advocated for halting Sunday deliveries, but was faced with push-back from her fellow commissioners.

"These are people who did not even antici-

pate this when the property was purchased," Gordon said.

Commissioner Howard Fisher believes the limitation would "send a horrible message to the entire business community."

L'Ermitage attorney Mitchell Dawson could not be reached for comment.

The real property described above is being sold subject to the right of redemption. The redemption period within which real property may be redeemed ends 90 days after the sale. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of the resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may contact Trustee's Assistance Corporation for information regarding the trustee's sale or visit its website saletrack.tdsf.com or call 888-988-6736 for information regarding the sale of this property. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the website. The best way to verify postponement information is to attend the schedule sale. The beneficiary of said Lien hereto executed and delivered to the undersigned, a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned caused said Notice of Default and Election to Sell to be recorded in the County where the real property is located. Date: March 26, 2016 Association Lien Services, as Trustee P.O. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. # CONFUSED?

One Beverly Hills is **not** the Hilton Initiative

One Beverly Hills is the project located at 9900 Wilshire Boulevard (the former Robinsons-May property) on the west side of Merv Griffin Way. The Beverly Hilton is located across the street, on the east side of Merv Griffin Way.

One Beverly Hills has filed a request with the City to remove five floors of residences and replace them with a 134-room boutique luxury hotel. We are complying with the City's process: an environmental impact report, review by the Planning Commission and City Council and public comment.

After we introduced our plan, our neighbors announced the Hilton Initiative, bypassing the City's required studies and review process for their 26-story, 375 foot tall tower.

We understand how there can be confusion. However, we want to be clear: **One Beverly Hills has nothing to do with the Hilton Initiative and has not been gathering signatures.**

You can call us at 310.746.5515 or email us at [info@OneBeverlyHills.com](mailto:info@OneBeverlyHills.com) – we look forward to meeting you and sharing the details of One Beverly Hills.
