# Why I Opposed the Beverly Hilton Initiative in 2008 – *But I Support the Yes on HH Initiative Now*

— Robert K. Tanenbaum, Former Mayor of Beverly Hills

**D**uring my eight-year tenure on the Beverly Hills City Council, my service as Mayor for two terms, and my current role as President of the Beverly Hills North Homeowners Association, I have been steadfastly committed to maintaining and enhancing the quality of life for all the residents of our precious city.

In 2008, when my colleagues and I at the Beverly Hills North Homeowners Association scrutinized the proposed Beverly Hilton expansion project, we committed to placing the matter on the ballot for a vote of our residents. We did not support passage of the project back then, but felt voters should have the opportunity to decide its fate.

Fast forward to 2016. As I've taken a comprehensive look at Measure HH, **I believe strongly that this new plan is better suited to our community, and the Beverly Hills North Homeowners Association agrees.**

Quite simply, we support the tradeoff the new plan provides: the removal of an approved eight-story residential building near El Rodeo School in exchange for a new 1.7 acre green parkland garden and adding additional height to an already-approved 18-story building, bringing it to 26 stories.

Having dug into the specifics of this matter, I offer the following clarifications to Beverly Hills residents:

- |          |   |
|----------|---|
| <b>1</b> | Measure HH, the Hilton Initiative, adds <b>NO NEW USES</b> or <b>SQUARE FEET</b> to the project beyond what was already approved by Beverly Hills voters in 2008.   |
| <b>2</b> | The Hilton Initiative is not a free for all without guidelines, standards, or numerous legal requirements. The 89 specific conditions, 20 "standard" City of Beverly Hills conditions and 32 pages of mitigation measures adopted by the Planning Commission and City Council in 2008 <b>CONTINUE TO APPLY TO THE PROJECT AS PROPOSED IN MEASURE HH.</b>  |
| <b>3</b> | The Beverly Hilton's owner has made meaningful, binding commitments to the people of Beverly Hills in a covenant he signed and filed with Los Angeles County. This covenant makes clear that the <b>1.7-acre garden will be open to the public and will always remain a garden, never to be developed in the future.</b> It also guarantees that Beverly Hills residents will be provided with two hours of free parking while visiting the garden. |
| <b>4</b> | The new garden and all landscaping will be irrigated with recycled graywater from showers and sinks. The graywater system is not being eliminated.  |
| <b>5</b> | Measure HH delivers more financial benefit to the City of Beverly Hills. If the Initiative is passed, according to the City's own study, <b>Measure HH will generate \$33 million more than the original plan approved in 2008.</b>   |

We should show loyalty to our city's long-established, highly successful, iconic merchants and employers like the Beverly Hilton. These valuable economic engines not only deliver excellent and world-renowned services, but also furnish revenue and jobs for our city, year after year.

And in this case, the Hilton is delivering a better plan, a greener plan, and one that delivers more benefit to the City of Beverly Hills. For the good of our city, I urge all residents to vote YES on Measure HH.

**Paid for by Yes on HH – Residents for The Beverly Hills Garden & Open Space Initiative, with major funding by Oasis West Realty LLC / The Beverly Hilton. See [www.beverlyhills.org](http://www.beverlyhills.org) for campaign funding information.**

An Initiative measure to amend the Beverly Hilton Specific Plan to combine the 8 story Wilshire condominium building with the 18 story Santa Monica condominium building resulting in one 26 story building with additional height and to replace the Wilshire building with 1.7 acres of garden open space that is generally open to the public subject to reasonable restrictions determined by the property owner.

## "Hilton's donation raises questions regarding PTAs and their 501c3 status" [Issue 886]

I read that attorney Lee Egerman is suggesting ways for the five BH PTAs to accept funding from The Hilton without jeopardizing the PTA 501c3 nonprofit status. The donations will be made to the BH Education Foundation, also a 501c3.

### A Proposition 65 Public Notice

The California Safe Drinking Water and Toxic Enforcement Act requires California businesses to advise employees and neighbors of any potential exposure to chemicals considered by the state to cause cancer, birth defects, or other reproductive harm.

Veolia Energy Los Angeles, Inc. wants you to know that detectable amounts of some of these substances may be found in and around its facility located at 2052 Century Park East, Los Angeles, CA. Potential sources of these substances can include common products such as gasoline, oil, natural gas, paint.

The donations will be made to the BH Education Foundation, also a 501c3.

Mr. Egerman is working to set up Hilton presentations at meetings with the various

PTAs, with "each school committing to bringing 50 or so people." It appears from your article that gathering an audience may be a requirement for receiving the \$20,000.00 donations. If so, the schools would earn funds by listening to a pitch for the Hilton skyscraper initiative.

The motivation for Mr. Egerman's effort becomes clear by checking the website of Egerman Law Group, LLP (<http://www.egermanlaw.com/attorneys>). In the profile of Mark Egerman, the first name on the list of "representative clients" is "Oasis West Realty, LLC, owner of the Beverly Hilton Hotel" -- the Egermans are on the payroll. With the millions of dollars the Hilton is spending to win the election, \$100,000.00 is a small amount indeed to get BH parents to attend an "informational meeting re: the Hilton Initiative," and the Egermans have a stake in the outcome.

## "But will the show go on?" [Issue 886]

It's a sad day in Beverly Hills when a planned public forum sponsored by the City Council to take place Sept. 29th is called off due to 4 demands sent by the Yes on HH campaign. This stumbling block was put in front of the residents ready to speak against the mega expansion at the Hilton Hotel with a 26 story condominium building.

## City forced to cancel Hilton debate after Measure HH supporters fail to comply

The City-sponsored debate on the Hilton initiative, scheduled to take place

on Sept. 29, has been cancelled by the Council after Measure HH supporters failed to provide representatives for their side by the 5:00 p.m. deadline on Sept. 23.

Council extended the deadline line after receiving an email from Oasis West Realty President Ted Kahan stating Measure HH supporters would not participate in the forum unless given "the opportunity to approve all speakers on behalf of the

opposition to Measure HH."

In an email, the League of Women Voters then declined to provide a moderator.

"In view of Mr. Kahan's decision, the League regrettably will not be able to serve as moderator," wrote League representative Elizabeth Ralston. "It is critically important to the League that the selection of speakers for each side be done fairly, and in a way perceived to be fair to both sides."

The Ad hoc committee, comprised of Councilmember Lili Bosse and Councilmember Julian, Gold will be reviewing how to proceed. The Council meets again on Oct. 4.

## Measure Y ballot arguments released

The pro and con arguments for Measure Y, appearing on the Nov. 8 ballot, were released to Beverly Hills Weekly by the

Los Angeles County Registrar-Recorder.

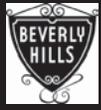

Board President Howard Goldstein and Board members Noah Margo and Lisa Korbatov authorized the \$270 million bond resolution on Aug. 9. Because the measure lacked four votes, with Board members Isabel Hacker and Mel Spitz dissenting, it will need 66.7 percent voter approval to pass.

Proponents of the bond listed on the ballot statement include Goldstein, Margo and Korbatov.

The argument in favor of Measure Y state it is "the solution to make the critical improvements necessary to continue keeping students safe and prepare them for success in college and future careers."

Supporters of the bond advocate for the construction of new science labs and technology classrooms that will support high quality instruction in science, technology, engineering and math. They do not

## NOTICE OF PUBLIC HEARING

The Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, October 4, 2016 at 7:00 p.m.**, or as soon thereafter as the matter may be heard, in the Council Chamber of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

**AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE SECTION 10-3-100 AND ADDING SECTION 10-3-1620.2 TO CREATE REGULATIONS REGARDING ANCILLARY USES TO BUSINESSES IN COMMERCIAL ZONES**

The zone text amendment is proposed in relation to a request to allow a pet wellness center to occupy approximately 285 square feet of the floor area in a 10,200 square foot retail establishment located in the C-3T-2 zone at **9153 Olympic Boulevard**. The pet wellness center would provide services such as animal nail clipping, microchipping of pets, vaccinations, and diet consultations for pets.

The proposed Ordinance would amend portions of the Beverly Hills Municipal Code (BHMC). The proposed zone text amendment would add a new article to the BHMC to establish regulations pertaining to ancillary uses in commercial zones. A definition for ancillary use would be added to BHMC §10-3-100. The proposed Zone Text Amendment would also amend the BHMC to add §10-3-1620.2 to establish a process through which a property owner could establish an ancillary use. Ancillary uses that meet certain criteria would be allowed by right. Ancillary uses that do not fit the criteria outlined in the code would require the approval of a Conditional Use Permit in order to establish the ancillary use. Currently, the code contains no specific provisions that allow ancillary uses in commercial zones.

This Ordinance has been preliminarily assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City Council will consider the adoption and implementation of the Ordinance to be exempt from CEQA pursuant to Section 15061(b)3 because it can be seen with certainty that there is no possibility that the activity in question would have a significant effect on the environment. Adoption and implementation of the Ordinance is eligible for a class 5 categorical exemption pursuant to Section 15305 of Title 14 of the California Code of Regulations for minor changes in land use limitations and will not have a significant environmental impact.

Any interested person may attend the meeting and be heard or present written comments to the Council.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. The comments should be received prior to the hearing date.

Please note that if you challenge the City's action in regards to this matter in court, you may be limited to raising only those issues you or someone else raised at a public hearing or in written correspondence delivered to the City, either at or prior to the end of the public hearing.

The proposed ordinance and resolution will establish a water supply fee that will pay for the cost of facilities to provide additional local water supplies needed as new connections are established or new development / redevelopment occurs. The proposed fee is in addition to the City's current water capacity charge adopted in 2015 and will help maintain the City's goal of reducing its reliance on imported Metropolitan Water District water.

The proposed development is one of the most transformative development issues to face our community. The truth is that the Hilton doesn't want to have an open debate on the merits of Initiative HH on your ballot Nov. 8th. The truth is that they want to discredit residents who want an open forum to inform the electorate in our city with a 2 way debate.

Now the residents have to seek a venue to present the facts on this debacle coming to all of us. 8 years ago the Planning Department unanimously voted down the previous expansion of the Hilton.

Now 8 years later the same owner of the Hilton is back with a worse plan and will try anything at any cost this time around to avoid our planning commission and zoning oversight, traffic oversight, architectural and design review oversight and frankly avoid any voice from your elected officials

on the City Council.

Shame on the Hilton Hotel but there are billions to be made and at an unknown and huge cost to our community. Stay tuned for an invite to everyone about a resident sponsored forum.

address the millions in Measure E bond funds the Board has spent on litigation.

The arguments in favor also promote Measure Y as a "fiscally conservation plan."

The argument against Measure Y takes issue with last year's bond; Measure E. The bond raised \$334 million for school construction and "explicitly promised not to increase [City] property taxes," according to the argument statement. The argument accuses the Board of breaking its promise to the City and unilaterally increasing taxes multiple times since its passage.

## Victoria Olona Miss Beverly Hills USA 2017

**It has been about a month since you were crowned Miss Beverly Hills. Tell us about it.**

It has been great. I've been training with [Crown Diva owner] Kristen [Bradford] for Miss California, which has been a lot of fun. I've been busy attending events for some of our sponsors, like Infinity Sun, and I'm enjoying embracing the title.

**Why did you decide to compete in Miss Beverly Hills?**

I made a goal, I'm a huge goal setter, and I had never done a pageant before so I thought it would be a great long-term goal I could work towards. I trained really hard and it was a great choice.

I started training about a year before [the pageant]. Then about three to four months before [Miss

Beverly Hills] is when I really buckled down and started working out six days a week, meeting with my pageant coaches, [working on] walking and getting my wardrobe together. I had heard amazing things about Kristen from some of the girls who had trained with her before.

It was awesome because Beverly Hills was the first city I moved to when I first came out to California so it was great to represent a city I have a huge passion for.

**What was your reaction to winning the first pageant you ever competed in?**

I had a lot of support. I had my family from Colorado and Arizona come out for the event and it was great to have them come to my first pageant and kind of give 'em something to leave with. That was really positive. It was great to compete on

stage with all that love and support there.

I felt like training paid off. I'm a person who loves to completely embrace an experience and I feel when I do that, no matter the outcome, I won't be disappointed. At the end

of it all I don't second guess [myself]. [The outcome] was exciting.

**What do you hope to accomplish during your year as Miss Beverly Hills?**

I hope to keep volunteering. I volunteer with a company called Ride on Therapeutic Horsemanship. I help special needs children ride horses, which is amazing for them and for me as well. I have my own horse so I know how great it is for the soul to be around a powerful animal.

I also want to do more events in Beverly Hills. I'm attending an opening for Chella Brow Bar, [inside Nail Bar and Beauty Lounge on Robertson Boulevard]. I want to reach out more to the community, I love it here. I plan to continue volunteering, attending events and training for Miss California in the best way I can.

**Tell us about your background.**

I grew up in Littleton, Colorado. I'm the second oldest of four siblings. I've always been huge into the outdoors. I've always played sports. Growing up, I played lacrosse, ran track and [rode horses]. I'm a huge skier.

*You have to be able to handle rejection [and] not [take it] personal. There's always going to be 'no's' and a small percent of 'yes's' but those 'yes's' are going to open doors for you.*

I model for an outdoor company called Moose Jaw and I've been fortunate enough to get to do ice climbing, rock climbing, yoga, and a whole bunch of other different outdoor activities with them.

I had done ice climbing before, but [having] the opportunity to go model it was when I really got passionate about it. I went with professional climbers who showed [me] all the crazy, cool backcountry places.

I went to school and studied biology for a bit, and then ended up traveling and moving to London by myself, which was amazing. [After], I decided to try my chances in L.A. and see if I could get signed out here as a model and actress. I ended up getting signed back-to-back by agencies and have been out here for about two years.

**How is competing in pageants similar or different to working as a[n] actress/model?**

There are definitely a lot of similarities. You have to enter a room filled with beautiful and inspiring women that are all very capable of wearing the crown and representing the title well.

But you have to stand out and be original. You have to be able to handle rejection [and] not [take it] personal. There's always going to be "no's" and a small percent of "yes's" but those "yes's" are going to open doors for you.

**Last year's Miss Beverly Hills winner Taelyr Robinson told the Weekly in issue 846 "people sometimes think pageants are catty, but there's so much camaraderie involved." How did your experience compare?**

I have met so many wonderful girls. There was no cattiness during Miss Beverly Hills. Everyone was really sweet

(Left to right): Miss Beverly Hills Victoria Olona and Miss Beverly Hills Teen Linnea Visbal

and I made some really good girlfriends. I was really impressed by the other contestants. I think it's a great way to meet other inspiring women that want to get involved in the community.

**What advice do you have for young women entering their first pageant?**

Give yourself time to prepare. It can be stressful if you try to do everything last minute. Reach out to family and friends for support because it's hard to do it all on your own, especially for the first one. Have fun with it, embrace it and make sure that you're doing everything in a healthy way [to] build yourself up and be your [own] number one cheerleader.

[Editor's note]: Olona will be competing in Miss California USA, Dec. 3-4, in Long Beach.

## Five new members join COC

The Citizens' Oversight Committee welcomed five new members at the start of the 2016-17 school year. Beverly Hills Weekly asked the new members about their backgrounds and why they decided to run for the COC.

### Frank Tell

For almost 30 years, I was a trial lawyer in New York City, uncovering high-profile and major insurance and commercial frauds. In 2001, [I] moved

Frank Tell

my family to Los Angeles. I established a mediation and arbitration firm while continuing as expert insurance counsel to law firms around the country.

[The COC] appealed to me because of the need for an objective and rationally based approach to understanding the complexities and expenditures of a \$330 million dollar school construction bond. I have no personal agenda; only the desire to safeguard the process so that each and every decision is ethically grounded and made for the right reason.

### Arthel McDaniel

[I am] a creative strategist and problem-solver [at national law firm Polsinelli]. [I work] closely with clients to help them navigate the complex issues inherent in tax credit finance, capital markets and entertainment related transactions. [My] clients rely

Arthel McDaniel

on [my] legal acumen and deep industry knowledge and experience to achieve their business objectives.

[I am] committed to creating opportunities to add value to client businesses. I joined because I believe I can help the COC accomplish its mission by lending my professional expertise and experience.

### Simone Gold

[I've been] an emergency physician for about 15 years. I have two sons in BHUSD, 8th grade at Beverly Vista and 10th grade Beverly High. I am originally from New York, I went to medical school in Chicago, and I

Simone Gold

did additional post-graduate studies at Stanford.

I wanted to run for COC because I attended a few [Board] meetings at the end of the last school year and thought there could be better communication between the BHUSD, the schools, and the parents regarding curriculum. I also heard a lot of discussion about the budget challenges and I wanted to learn more and hopefully contribute.

### Yoav Tamir

As a financial executive with AIG I have been leading teams that develop insurance products and manage complex financial portfolios. I was born and raised in Israel. Like many Israelis, I joined the Israeli Defense Forces where I served as an army officer.

Yoav Tamir

I joined the COC [because] I believe it can use my experience, specifically, dealing with large, inter connected projects. It is a challenging brief since these projects are both visible and accountable to many stakeholders.

It is my privilege to pay back to the city and schools that so warmly welcomed my family. Our schools are key part of our community. They are going through a critical [rebuild] program so I believe it is an important time to engage.

## LAWYER: WANDA USED FOREIGN MONEY TO FUND CAMPAIGN

### Accusations against Wanda contribute to development drama

By Madelyn Pariser

A Sacramento lawyer has accused the Wanda Group of allegedly using foreign money to influence the upcoming November ballot against Measure HH.

Attorney Gary Winuk filed a complaint Sept. 22 with the California Fair Political Practices Commission and the Federal Election Commission on behalf of UNITE HERE Local 11, an international labor union representing hotel workers, against the Wanda Group for directing overseas funds to a California campaign committee.

Winuk did not respond in time for comment.

The committee in question is the Beverly Hills Residents and Businesses to Preserve Our City, which was created by Wanda in opposition of the Beverly Hilton initiative to build a 375 foot tower and garden.

According to the complaint, the committee has allegedly violated the Federal Election Campaign Act by accepting a contribution from Wanda, a Chinese company.

FECA prohibits foreign nationals from making contributions, directly or indirectly, in federal, state and local elections.

UNITE HERE's complaint alleges contributions were made to the committee with the participation of Chinese nationals, which "[threatens] to undermine the integrity of [City] elections" according to a press release issued by the union.

UC Irvine election law professor Richard Hasen, who is not affiliated with the case, explained domestic subsidiaries of foreign corporations are permitted to contribute in a federal election.

"On the federal level, a domestic subsidiary of a foreign corporation is allowed to participate in politics and election related activities concerning ballot measures, so long as the decision is made by the subsidiary and is not controlled by the foreign corporation," said Hasen.

In a statement, No on HH consultant Adam Englander affirmed all funds used to sponsor the committee's opposition campaign are U.S. based.

"Although we have not been sent a copy of the complaints or been contacted by any agencies, we are confident that all

allegations are baseless, as our campaign reports clearly show that this is a campaign fully funded and controlled by American interests with no foreign control or money in any way, shape or form," Englander said. "This lawsuit is just another unethical campaign tactic by the Beverly Hilton and their surrogates to bully those who oppose the Hilton Skyscraper Initiative and their circumvention of the public review process."

Wanda and the Beverly Hilton appear to be in a deadlock as each side attempts to push back the other's agenda.

Wanda has submitted plans to the City for the construction of 9900 Wilshire, One Beverly Hills, a \$1.2 billion project that would include 193 condominiums and 134 hotel rooms. The project is located across from the Hilton.

The Hilton is seeking to build a 375 foot condominium tower at the corner of Santa Monica Boulevard and Merv Griffin Way. The developers have chosen to present the project directly to voters in November, as opposed to applying through the standard city approval process.

## DELIBERATION DELAYED ANOTHER DAY

### 9900 Wilshire to return before Planning Commission on Oct. 10

By Madelyn Pariser

The Planning Commission unanimously agreed to continue its discussion of 9900 Wilshire, One Beverly Hills, to Oct. 10 after Beverly Hilton Hotel developers failed to make a presentation during the special meeting on Sept. 26.

After several Hilton representatives expressed complaints regarding the overall amount of time they had received to discuss their concerns with One Beverly Hills, the Commission allotted 20 minutes to hear from the group at Monday's meeting.

The Hilton did not present its findings on traffic and circulation at the Commission

meeting because transportation consultant Patrick Gibson was unable to attend, according to Oasis West Realty President Ted Kahan.

Commissioner Howard Fisher expressed frustration as it became apparent that the conversation would be delayed until the next meeting.

"I think we've had enough delay," Fisher said "Enough is enough. We have a procedure and we've had more than enough time to evaluate the [supplemental environment impact report] and it's now time to hear final comments. Let's get this

moving. It's long enough [and] it's dragging out."

Hilton attorney George Muhlsten stated the group was ready to present at the previous Commission

**"I think we've had enough delay. Enough is enough. meeting on Sept. 19, but they were not given time.

"[Mr. Gibson] has assembled this major presentation for you. He was not allowed to present at the last meeting," Muhlsten said. "We would like to present it. We think it will be positive. It is not something that is subject to just simply turning in a series of slides."

Athena Group COO Jay Newman asserted his challengers have had "ample opportunity" to

present before the Commission.

"Frankly, this is unprecedented," Newman said. "To wait for [their] schedule, when really our schedule should be the priority, it just seems as if this thing has been turned inside out."

When deciding how to proceed, Commissioners indicated the public hearing will close and they will continue with deliberation after listening to comment at the Oct. 10 meeting. Public hearing can be reopened by the Commission at any time during deliberation.

### Robbery near Rodeo Drive and Brighton Way intersection

On Sept. 21, at approximately 6:40 PM, a robbery occurred on the sidewalk near the intersection of Rodeo Drive and Brighton Way. Two adult males were approached by a male suspect, with a handgun, demanding the victims hand over their wristwatches. The victims complied and the suspect then fled eastbound on foot with the stolen property.

Investigating officers were able to track

Missing wristwatch

the suspect after he fled the crime scene. Investigators also identified the vehicle the suspect had used to travel to and from the area.

The suspect was identified and located in Inglewood, California. He was arrested within eighteen hours after he committed

the crime. He is identified as 22-year-old Kenyon Donester of Altadena, California.

A subsequent search warrant and additional investigation was conducted which lead to the recovery of one of the victim's wristwatches. The second wristwatch remains outstanding at this time.

On September 26, 2016, the Los Angeles County District Attorney's Office filed two counts of second degree Robbery and one count of Identity Theft against Kenyon Donester. Donester is due back in court on October 12, 2016, in Department W31 at LAX Superior Court.

Anyone with information about the outstanding wristwatch is encouraged to contact the Beverly Hills Police Department's Detective Bureau Tip Line at (310) 288-2656.

### BHHS football team loses to Peninsula Normans set to resume play Oct. 7

By Steven Herbert

Beverly High's coaching staff had a "good idea of what" Peninsula was "going to try to do, but couldn't stop" the Panthers run-oriented offense in a 45-0 loss in a nonleague football game Friday night at Nickoll Field, Norman coach Steve Geanakos said.

Beverly Hills again had "lots of effort" but "couldn't come up on the right side of things," Geanakos said after the team fell to 0-5.

Peninsula (4-0) scored at least 45 points and held its opponent to eight points or less for the third time this season. The Panthers have outscored the opposition, 176-31.

The Normans "had to shuffle around a lot of kids due to injuries and things," Geanakos said.

Beverly Hills "played pretty well against" Peninsula's passing game, with Josh Johnson making an interception on the first drive.

Experience continues to be an issue for the Normans, who have several players who are in their first season of playing tackle football, Geanakos said.

"They know what to do, they've never been in that position before," Geanakos said.

The Beverly Hills offensive line "did a pretty good job," Geanakos said, singling out Sam Moezinia, Jon Cedeno and Jonathan Tansey for praise, along with 5-foot-7, 150-pound running back Alex Dennis.

"He's run the ball hard all year," Geanakos said. "It takes four guys to take him down."

The Normans are 0-10-1 against Peninsula, formed in 1991 by the merger of Miraleste, Palos Verdes and Rolling Hills high schools. (Palos Verdes High School reopened in 2002.)

#### What's Next?

The Normans are scheduled to resume

play Oct. 7 by playing host to Hawthorne (1-4) at Nickoll Field in the Ocean League opener for both teams. The opening kickoff is set for 7 p.m.

Beverly Hills does not play this Friday because when then coach-Charlie Stansbury made the schedule he wanted a bye before the league opener so the team would have more time to prepare as it will not practice Monday or Tuesday because of Rosh Hashana, the Jewish new year, a school holiday in the Beverly Hills Unified School District, Geanakos said.

#### Boys' Cross-Country Santa Monica 32, Beverly Hills 35, El Segundo 63, Culver City 101, Hawthorne 161, Lawndale 161

Norman senior Jonathan Cohen was the individual winner, while his twin brother Jason Cohen finished third and fellow Beverly Hills senior Shimon Dubner fourth in an Ocean League cluster meet Sept. 21 at Kenneth Hahn State Recreation Area.

Jonathan Cohen completed the 3-mile course in 16 minutes, 44.31 seconds. Santa Monica senior Stephen Navin was second in 17:09.02, with Jason Cohen following at 17:24.67 and Dubner at 17:30.46.

The Vikings other scoring runners finished fifth, sixth, eighth and 11th. The Normans other scoring runners finished 10th and 17th.

#### Girls' Cross-Country Santa Monica 31, El Segundo 40, Culver City 62, Beverly Hills 104, Hawthorne 140

arrested on 9/19/2016 for grand theft.

JONES, DESHANAI DEANA, 25, of Inglewood arrested on 9/19/2016 for grand theft and outside misdemeanor warrant.

JOHNSON, PIERRE, 27, of Lancaster arrested on 9/19/2016 for grand theft and outside misdemeanor warrant.

Freshman Veronica Valle was the top Norman finisher in an Ocean League cluster meet Sept. 21 at Kenneth Hahn State Recreation Area, finishing 17th in 23:50.91.

Santa Monica junior Anya Strum won in 20:19.64.

#### What's Next?

The Normans are scheduled to compete Friday in the Palos Verdes Invitational at Palos Verdes High School.

#### Girls' Volleyball Beverly Hills def. Hamilton, 25-12, 25-10, 25-9

The Normans struggled at the beginning of the first set "but we were able to come together as a team and new players were able to ... step up," including sophomore Ashley Heravi in the victory in the inter-sectional match Sept. 8 at Beverly High, Beverly Hills coach Miranda LeBrun said.

Heravi had the kill on match point, LeBrun said.

#### What's Next?

The Normans are scheduled to play at Santa Monica today in an Ocean League match beginning at 3:15 p.m.

(This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code. FRANK FICSOR  
CASE NO. 16STPB04286

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of FRANK FICSOR.

A PETITION FOR PROBATE has been filed by ZOLTAN FICSOR in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that GABOR SZABO, ESQ. be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 10/24/16 at 8:30AM in Dept. 99 located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

# Environmental sustainability is more than just a phrase at One Beverly Hills

The design of One Beverly Hills will incorporate environmentally sustainable features in order to achieve, at a minimum, LEED® Silver certification under the U.S. Green Building Council's Rating System.

State-of-the-art greywater reclamation technology will be integrated throughout the property to maximize the reuse of precious water resources.

Sustainable native landscaping and weather-based irrigation systems will significantly decrease watering needs.

Advanced technologies, including passive heating and cooling systems and high-efficiency/low-energy LED light fixtures, will reduce overall electricity consumption.

Site-specific architectural features will harness daylight and prevailing westerly breezes to create naturally illuminated and ventilated interiors.

**Kermit was right – it's not easy being green. One Beverly Hills understands it's the right thing to do.**
