Metro Announces Construction Timeline, Wilshire Blvd. Closures

Metro announced its tentative timeline for completing construction of its Purple Line Extension project at its community meeting on July 11.

Piling on Wilshire between Gale and La Cienega

Kasey Shuda, the Senior Construction Relations Manager for the Purple Line project, said the three new stations at Wilshire/La Brea, Wilshire/Fairfax, and Wilshire/La Cienega will open in 2023, followed by two stations at Wilshire/Rodeo and Century City/Constellation in 2025.

Two stations will also be added at Wilshire/Westwood and Wilshire/Veteran Administration by 2026, just ahead of the 2026 World Cup.

Shuda also said that, pending approval of its new Memorandum of Agreement (MOA) from the Beverly Hills City Council, traffic along Wilshire Boulevard from west of Beverly to east of Canon will be limited to two lanes instead of three until September.

Sections of Wilshire Boulevard will also be closed east of Beverly over the course of 9 of 13 weekends, from 8 p.m.

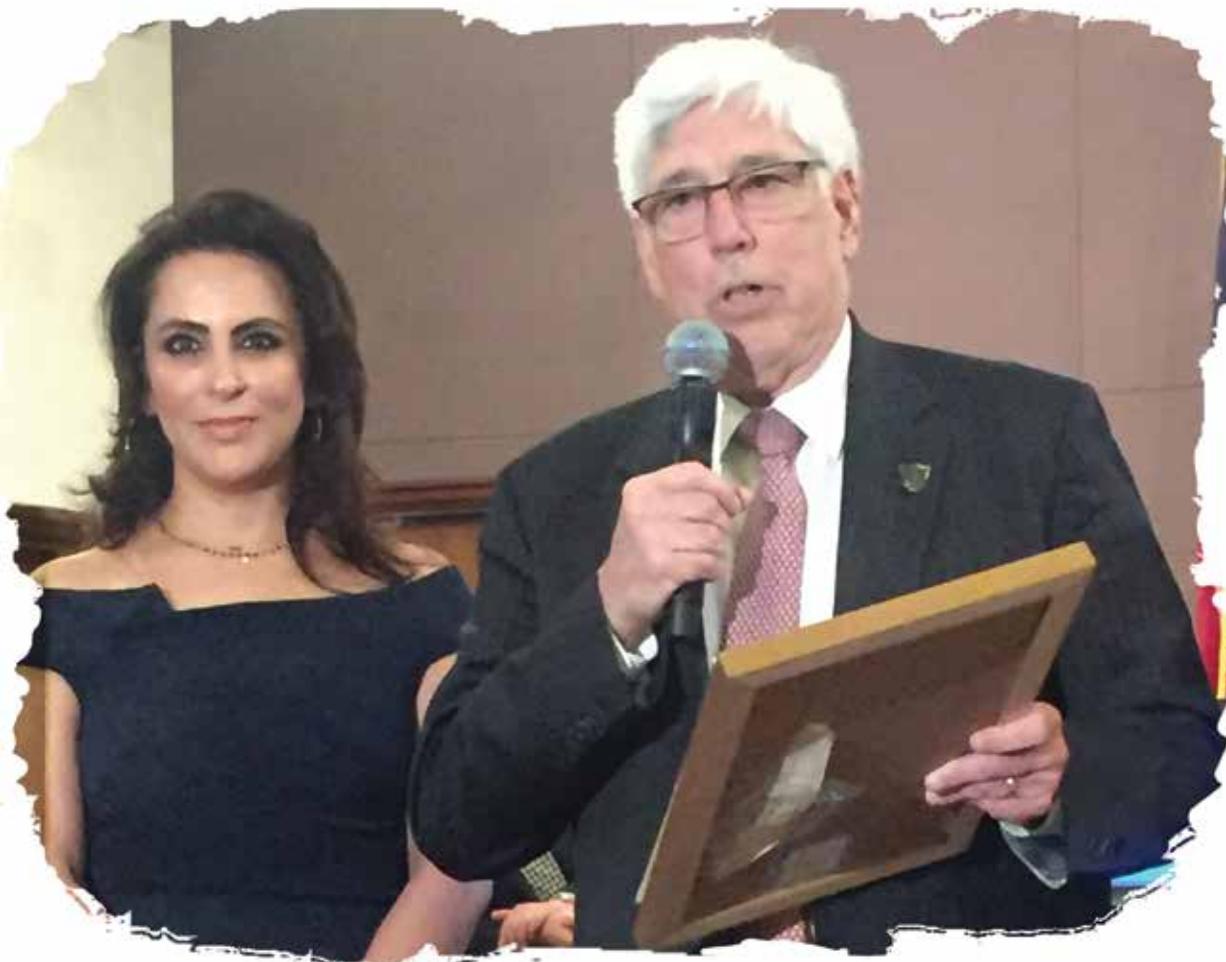

on Fridays until 6 a.m. on Mondays, as Metro begins construction on the Wilshire/Rodeo station. During the 13-weekend construction period, Metro will drill two 110-foot holes, insert two 110-foot steel beams, and then backfill the holes with concrete. Cars will then travel over tempo-

rary decks while Metro employees excavate down 100 feet to station level.

Metro expects to spend anywhere from 9 to 18 months following the installation of the beams removing dirt and soil from the area, depending on whether or not they work during daytime or night hours.

Representatives also announced an eight to 10 week timeline for demolishing the former Ace Gallery at 9430 Wilshire Blvd.

The next meeting to discuss construction plans for section 1 of the Purple Line Extension will be held on August 1.

Mapping the Future: Beverly Hills Selects Next Areas for Development

During its July 5 meeting, the Beverly Hills Strategic Planning Committee determined the sequence of commercial areas that it will work to develop next.

The area around both the Wilshire/La Cienega Metro subway station, which the committee referred to as “East Wilshire,” will see development immediately following the completion of the committee’s work in the business triangle. The Southeast commercial area will be developed

Karen Orlansky

soon after.

Vice Mayor John Mirisch suggested that the East Wilshire corridor be developed first due to the disruption caused by Metro as it moved into the La Cienega/Wilshire area, stating that he believed the area could be developed into a fine arts and theatre district.

The Council decided not to officially designate the area as a potential arts district, though it did not table the idea completely. Instead, Committee Facilitator Karen Orlansky suggested holding final decisions about how to designate the area

until the council takes a deeper look into its needs.

The Southeast commercial area, which includes parts of the Wilshire, Robertson, and the Olympic Boulevard corridors, was selected next because the committee decided collectively that it was an area where they could “do the most good.”

The committee also discussed its plan for further developing the business triangle, focusing largely on ways to ensure more available parking during the area’s peak hours.

Some of the ideas that were floated included creating more pedestrian zones along Rodeo Drive, building subterranean parking structures, and offering discounted rates for rideshare companies like Uber or Lyft to pedestrians who shop in the triangle.

No final decisions were made regarding parking in the triangle.

In other business, the committee tabled the finalization of its vision and mission statement until its next meeting and re-scheduled its start time to 4 p.m. for its regular meeting on August 2.

Beverly High Oil Well Derrick Comes Down

The Beverly High oil well plugging project has been “progressing well” over the past several weeks, according to Superintendent Michael Bregy.

Bregy said the blankets that covered the derrick were removed last month and that the derrick itself is currently being dismantled and removed entirely from the campus.

The dismantling of the derrick is slated to be complete in two weeks.

Afterwards, the next phase includes erecting a temporary service rig to begin *briefs cont. on page 4*

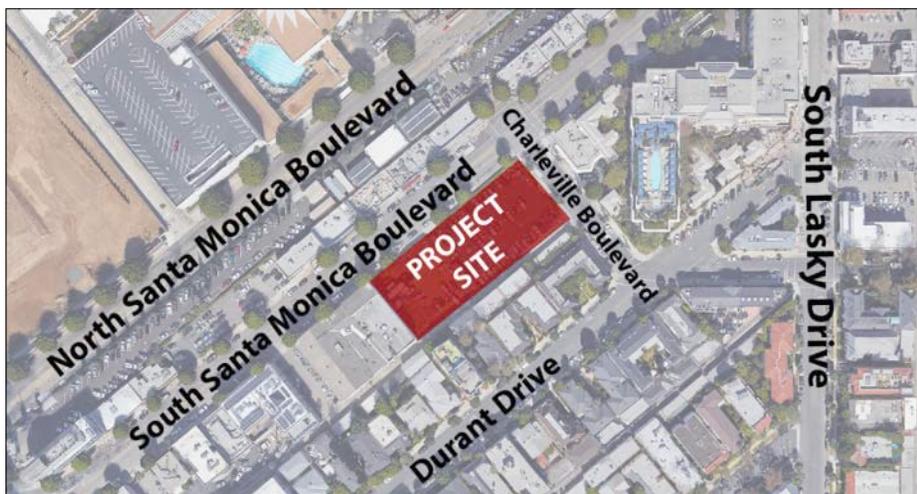

NOTICE OF PUBLIC HEARING

DATE: Wednesday, August 8, 2018
TIME: 7:00 PM
LOCATION: City Council Chamber - Beverly Hills City Hall
 455 North Rexford Drive, Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at a SPECIAL meeting on **Wednesday, August 8, 2018**, will hold a public hearing beginning at **7:00 PM**, or as soon thereafter as the matter may be heard, to consider a request for a General Plan Amendment, Zone Text Amendment, Planned Development Permit, and Vesting Tentative Tract Map for the property located at **9908 South Santa Monica Boulevard** as follows:

General Plan and Zone Text Amendment. The property at 9908 South Santa Monica Boulevard is currently zoned C-3A. The Proposed Project seeks to amend the General Plan and General Plan Land Use Map to create a Mixed Use Planned Development Overlay Zone (M-PD-5) Land Use Designation and apply it to the subject property to allow the development of mixed residential and commercial uses. A Zone Text Amendment is also requested to amend the Municipal Code to establish the Mixed Use Planned Development Overlay Zone (M-PD-5) and associated development standards and other provisions.

Planned Development. The Mixed Use Planned Development Overlay Zone (M-PD-5) includes language requiring a Planned Development to allow construction of the proposed mixed-use project, which consists of 27 residential condominium units and 13,036 square feet of ground floor commercial space in a 5-story building with a height of 58'-0" and three levels of subterranean parking. The proposed project would have a floor area ratio (FAR) of 2.76:1. Prior iterations of the proposed project previously reviewed by the Planning Commission include: 27 condominium units with no commercial space in a 66' tall building with one level of subterranean parking (2.5:1 FAR); and 27 condominium units with 3,541 square feet of ground floor retail space in a 66' tall building with two levels of subterranean parking (2.59:1 FAR).

Vesting Tentative Tract Map. The proposed project includes a request for a Vesting Tentative Tract Map to allow the subdivision of 27 residential condominium units and 1

commercial condominium unit containing the portion of the building devoted to retail and restaurant uses.

A Development Agreement is also being proposed by the applicant in conjunction with the proposed project, and the Planning Commission may discuss and provide recommendations on the terms to be included in the proposed Development Agreement.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City of Beverly Hills has prepared a Final Environmental Impact Report (Final EIR) to analyze potential environmental impacts associated with development of the project. The Planning Commission previously held a public hearing to review the Draft EIR during the Draft EIR circulation period, which studied a prior iteration of the proposed project which included 27 residential condominium units, a 66 foot building height, no commercial space and two less levels of parking with an FAR of 2.5:1. Information updating the analysis contained in the Draft EIR has been included in the Final EIR as a separate section, entitled Appendix 9. This added section updates the analysis to take into account modifications included in the currently proposed iteration of the project. Specifically, the Final EIR analyzes the following potential environmental effects of the project:

- Aesthetics
- Air Quality
- Greenhouse Gas
- Land Use and Planning
- Noise
- Traffic
- Hazards and Hazardous Materials
- Mandatory Findings of Significance

In addition the Final EIR also includes an expanded analysis of a Mixed Use Office and Commercial Alternative, entitled Appendix 10.

The Planning Commission will consider the Final EIR, and may adopt a resolution recommending its certification to the City Council.

Any interested person may attend the meeting and be heard or present written comments to the Commission. Written comments also may be submitted prior to the public hearing to the Planning Division, via mail: attn. Masa Alkire, 455 N. Rexford Drive, 1st Floor, Beverly Hills, CA 90210. Written comments may also be submitted via email to malkire@beverlyhills.org. Any written comments received by Tuesday, July 31, 2018 will be attached to the agenda report regarding this item. Any comment received after Tuesday, July 31, 2018

According to Government Code Section 65009, if you challenge the Commission’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Masa Alkire, AICP, Principal Planner** in the Planning Division at (310) 285-1135, or by email at malkire@beverlyhills.org. the well plugging operation, which involves filling each of the 18 oil wells with concrete, full depth, one at a time.

Work on the project, said Bregy, continues to be monitored by the South Coast Air

Beverly High Oil Well Derrick

Quality Management District and State of California Division of Oil, Gas and Geothermal Resources, as well as the City's Public Works Departments, BHUSD Construction and Facilities Department and the district's geological engineer, WZI.

Oil and gas driller Venoco began operating at the Beverly High drill site in 1995 until its lease with the district terminated in December, 2016 when it was required to restore the drill site to its original condition.

Instead, Venoco filed for bankruptcy, leaving the district with the responsibility of capping the oil well. Although the City of Beverly Hills is set to provide \$4 million in assistance, the total cost nears \$13 million.

Urth Caffé Given Conditions for Approving Open Air Dining Permit, Extended Hours Permit

The Planning Commission tabled a request by Urth Caffé for an Open Air Dining (OAD) Permit and Extended Hours Permit at its meeting last week, pending the approval of a new resolution detailing the conditions of approving the permits.

The commission elected to place conditions on the permit approval after a petition signed by 12 homeowners on the 200

Urth Caffé

block of El Camino Drive opposing the request was presented. Two verbal inquiries and three written comments from area residents were also submitted to the commission expressing concerns regarding parking demand and supply along South

Beverly Drive.

John Markoff, who presented the petition at the meeting, said the neighborhood residents were most concerned with noise, trash, parking, and the "speedboating" of cars throughout neighborhoods in the city. Residents also expressed concern about staff "hanging out" in an alleyway behind the café after closing hours.

To address these issues, the commission outlined the following conditions for the permits' one-year trial approval: the establishment of a sound barrier to prevent sound continuation for the café's back patio, the reduction of delivery hours or the establishment of penalties for deliveries before specified hours, improved Urth Caffé employee training, once per day trash clean-up provided by the café, and notification on tables asking customers to be "good neighbors" and not litter, speed, or smoke in nearby neighborhoods.

"I honestly know that a year from today or whenever that hearing is going to be if you have not complied with all of the things we have asked for, they will be back here and we will not be so inclined to approve the extended hours," Planning Commission Chair Lori Greene Gordon said.

Applicant and Urth Caffé owner Shalom Berkman said he loved "the city and the vibrancy of South Beverly Drive" and vowed to work with neighbors to address their concerns.

"Neighbors have contacted me and I'm one of the neighbors myself, so in the past I've worked to settle issues like these. I'd like to continue to do that and operate as we have for the last 13 years," Berkman said.

If approved, the resolution would allow the café to continue operation of open air dining on private property and on the public right-of-way, change the hours of operation to change to 6:00 a.m. to 11:00 p.m. Sunday—Thursday and 6:00 a.m. to 12:00 a.m. Friday—Saturday, waive 16 code-required parking spaces associated with the open air dining on private property, and allow for a total of 952 square feet of open air dining for a one year trial period.

Who's Behind the Anonymous Hybrid Cars Flyer?

An anonymous flyer cropped up around South Beverly Drive last week encouraging residents to attend an unidentified Thursday morning meeting at Civic Center to "make a difference" and "try to get your hybrid car recharging."

Although the notice instructed readers to "Call Genevieve" [sic] at a number provided in the notice, the woman who answered the call—Electric Drive Transportation Association President Genevieve Cul-

meeting that began at 9:00 a.m. Thursday morning, but a review of the agenda yielded no discussion items about hybrid cars.

Trousdale Area To Receive Transportation Spruce Up

At their study session on July 17, the City Council gave a consensus to move forward with the recommendations of a transportation safety study conducted in the Trousdale Area and offered up a timeline for implementing those recommendations.

The most immediate actions are the installation of flashing lights on steep grade areas, signing and striping two traffic circles, and implementing chicanes, all of which are predicted to be complete within a year.

A community meeting will be held in August or September to discuss the design options of the circles and chicanes.

The city also plans to add traffic calming treatments such as stop signs on primary streets, install crash-attenuation features on the southern portion of Loma Vista Drive, and prohibit on-street parking on primary streets on weekdays between the hours of 9 a.m. and 3 p.m., with an exception process for special needs.

Vice Mayor John Mirisch, though supportive of moving forward with the recommendations, said he thought it was important to continue coming up with new ways to fight traffic issues.

Mirisch suggested a few new ideas of his own at the meeting, including potentially closing streets in the Trousdale area to thru-traffic.

Two follow-up studies will determine whether or not the city will change speed limits within the area to 15 MPH on primary streets and to determine if the city will use cameras to generate "courtesy notices" for speeding.

These changes come as the result of a follow-up to a 2014 traffic study analyzing traffic volumes, speed, cut-through traffic, and collisions in the area following a string of fatal car accidents that resulted in the deaths of two LAPD officers.

Council Votes To Continue Hillside Development Talks

The City Council supported further discussion of items addressing Hillside area development projects with the Planning Commission during its July 17 study session.

The items up for discussion include

len—aid s h e doesn't know who posted the notice or what it's referring to.

Cullen said that the notice could be referring to the Traffic and Parking

establishing a lower threshold for area projects that require Planning Commission review, conducting a study session to determine whether recently implemented zoning code standards have adequately addressed resident needs, requiring third party review to verify earthwork quantities for area projects, and the idea of treating ridgeline projects differently than projects not located on a ridgeline.

Several of these issues were raised by area resident Debbie Weiss during public comment at a closed session Council meeting in April 2018.

At the time, Weiss requested that the city consider changing the Beverly Hills Municipal Code to add a new Hillside R-1 Permit for current pipeline and future projects that are new single family homes or that increase the cumulative floor area on site by more than 50 percent.

"I am standing before you today because I believe it is essential for us to be proactive," Weiss said at the meeting on July 17.

The Council also discussed the Planning Commission's recommendation to limit design review to the central area of the city.

Mayor Julian Gold said he thought, rather than change any rules related to design review or add a new Hillside R-1 permit, one single ordinance be created that reflect the multiple discussions the Council has had previously on the subject of Hillside development.

"I would like to see one ordinance. Take what we've got, re-do it, wrap it up in whatever else is going to be added, and make sure there is one ordinance that reflects all the conversations we've had about the Hillside area," Gold said. "This needs to have some clear structure to it that takes into account everything we've done so far."

Council Adopts Resolution Related to 'Loud or Unruly' Gathering Ordinance

At its July 17 meeting, the City Council approved a resolution adopting fees related to the newly updated Loud and Unruly Gathering Ordinance.

The new resolution would require any individuals who violated the gathering ordinance to pay all reasonable costs incurred by the city in responding to violations or that arise directly from the incident in addition to the established violation fines and fees of \$1,000.

Reasonable costs will include the compensation of personnel responding to the violation, damages to city property, injuries to city personnel and administrative costs incurred with billing and debt collection.

The ordinance defines a "loud or unruly gathering" as a gathering of three or more people for a social occasion or any other activity at any residence during which loud or unruly conduct occurs, including, but not limited to loud noise or music, obstruction of a street or other public right of way, the service of alcohol to minors, public intoxication, assaults, batteries, fights,

briefs cont. from page 4

domestic disputes, vandalism, littering, and urinating or defecating in public.

The administrative fine for individuals who violate the ordinance is \$1,000 per violation.

Property owners who do not reside within the residence at the time such a gathering occurs will not be held liable for violations.

The Council first saw the ordinance at its June 19 meeting. At that time, the Council made changes to the ordinance amending the number of people that constitute a gathering from five to three.

They also changed language within the ordinance related to absentee owner liability exceptions to reflect that owners not residing within the residence who have a written lease or rental agreement dated on or before the effective date of the ordinance need only to demonstrate due diligence in handling an unmanageable tenants to not be held liable for a loud or unruly gathering.

“Screwball Comedy” Premieres at Theatre 40 Tonight

Theatre 40 will premiere Norm Foster’s “Screwball Comedy” tonight in the Reuben Cordova Theatre.

The show, produced by David Hunt Stafford, is set in 1938 and focuses on newly laid-off perfumier Mary Hayes who

is trying to break into the male-dominated world of newspaper journalism. Hayes must compete with star reporter Jeff Kincaid to keep her position at the newspaper.

Directed by Howard Storm, “Screwball

David Hunt Stafford, Lane Compton, and Kate Whitney

Comedy” is an homage to the 1930s and 1940s genre of storytelling from which it gets its name. It will feature slapstick action, snappy patter, and cackling dialogue.

Formerly an A-List comedian, Storm has become one of the busiest directors of television comedy with hit shows like “Mork and Mindy,” “Kenan and Kel,” “The Redd Foxx Show,” “ALF,” “Joanie Loves Chachi,” “Taxi,” “Rhoda,” “Valerie,” and more. Among his directing credits at Theatre 40 are “Moral Imperative” and “Hellman v. McCarthy.” Storm has also acted in Theatre 40 shows “The Last Romance” and “Jimmy and Sam.”

Free parking is available beneath the theatre at 241 S. Moreno Drive. Admission is \$35. Reservations can be made at (310) 364-0535 and online tickets may be purchased at www.theatre40.org.

Bloom to Host Community Open House and School Supplies Drive

Assemblymember Richard Bloom (D-Santa Monica) will host his annual Community Open House and School Supplies Drive on Wednesday, July 25.

Attendees are encouraged to donate school-related items such as new backpacks, various school supplies, and clothing. All donations will be distributed to students at the Hollywood Family Resource Fair.

“The purchase of new clothing and school supplies can be an overwhelming financial burden for any family, but lower-income families that are already struggling each month to provide for their families are particularly at risk,” Bloom said. “Your donation of a new backpack or new school supplies reduces this burden and increases student readiness, leading to better educational outcomes.”

The drive will be held at Bloom’s district office located at 2800 28th Street, Suite 105 in Santa Monica from 5:00 p.m. until 7:00 p.m.

Those who would like to donate but are unable to attend the event are encouraged to contact Melissa Kaufler at (310) 450-0041 to schedule a donation pick-up time.

Richard Sherman 90th Birthday Tribute Set for Saturday

The city will host a 90th birthday tribute for renowned Academy Award and Grammy Award winning composer and lyricist Richard Sherman this Saturday.

Sherman is a longtime Beverly Hills resident who, alongside his late brother

Some of his most memorable songs include “Winnie the Pooh,” “Jungle Book,” “Chitty Chitty Bang Bang,” “It’s A Small World (after all),” and the Academy Award winning score to “Mary Poppins,” which was composed in Beverly Hills.

The event will be held at the Wallis Anenberg Center for the Performing Arts at 9390 N. Santa Monica Blvd. Free parking is available for attendees at 455 North Crescent Drive. Admission is free with a limit of four tickets per person.

RACHELLE MARCUS, TRISTEN WALKER FILE FOR BOARD OF EDUCATION

By Kelcey Caulder

As of press time, two candidates have filed to run the Beverly Hills Board of Education in the Nov. 6 general election.

Rachelle Marcus and Tristen Walker are running to fill seats that will be vacant after the departure of Board President Lisa Korbatov and five-year board member Howard Goldstein, both of whom have announced they will not

seek re-election.

Marcus, a longtime Beverly Hills resident and educator, received her B.S. of Science and Teaching from the University of Minnesota, taught at Horace Mann from 1963-1977, Beverly High from 1977-1978, El Rodeo from 1978, and Hawthorne from 1988-2018.

Her children, Marty and Joy, are both Beverly High graduates who attended

Rachelle Marcus

Beverly schools grades K-12.

“My campaign will focus on working toward solutions for a better future for all our students and parents and ultimately for our whole community,” she said. “I will bring new leadership, strength, and transparency to the next school board and help make my focus a reality.”

Walker, a 1987 Beverly Vista and 1991 Beverly High graduate, has five

Tristen Walker

children, four of whom currently attend BHUSD schools: Jacob Walker, 17, attends New Roads School; Nick and Jeremy Shuman, 15, attend Beverly High; and Charlotte Walker, 13, and Courtney Shuman, 9, attend El Rodeo.

Walker formerly served as a member of the Future Focused Schools Team (FFST) and served as co-chair of the YES on BH campaign.

The filing period runs until August 10.

COUNCIL HEARS PUBLIC COMMENT ON METRO PURPLE LINE EXTENSION MOA

By Kelcey Caulder

The City Council took public comment on a draft Memorandum of Agreement (MOA) presented by Metro for the Wilshire/Rodeo Station and tunnel construction of the Purple Line Extension project at its July 17 meeting.

Representatives from several city businesses, the BHUSD, and the Chamber of Commerce shared opinions on the draft document to the Council. Many expressed concerns regarding the scope of the document, how it would affect community businesses, and the number of days notification Metro must provide to the community prior to starting construction projects.

Todd Johnson, Chamber of Commerce CEO, suggested that Metro provide 60 days advance notice through email prior to the commencement of

each construction activity. Tracey Spillane, who represented Wolfgang Puck and associated restaurants, shared Johnson's concerns.

“We need a much longer lead time of what is going to be happening on the street,” Spillane said. “If someone is going to book their bar mitzvah or special event, we need to be upfront and honest with our guests. Anything that happens negatively will have a reverberation on other Wolfgang Puck restaurants and our brand.”

Councilmembers Lili Bosse, Lester Friedman, and Bob Wunderlich also expressed concern regarding advance notice, though they did not suggest a specific number of days notice they would like Metro to give.

Terry Tau, an attorney for BHUSD

expressed concerns with the MOA, specifically in regard to air quality and construction hours.

“We have concerns with hours of work because obviously if we're in school hours, it's going to be disruptive with the noise standards,” Tau said. “Even five dBs above ambient levels will be distracting for kids. We'd like there to be rules that more clearly address this issue for our students.”

Councilmember Bob Wunderlich also had concerns about the effect of construction on local schools.

“The high school doesn't even have a dedicated section in the MOA. It is discussed in a miscellaneous section,” Wunderlich said. “One of the significant impacts will be on the high school, so

there should be called out emphasis on that. We should establish firm rules and sound walls now so we know what we are getting into before things begin.”

Other suggestions included requiring Metro to notify mapping services like Google Maps and Apple Maps of road closures that will be caused by construction in an effort to ease traffic impacts and negative impacts on businesses and

A final version of the MOA will be presented to the Council on August 21. Any comments residents or stakeholders would like included in the final MOA packet should be turned into Metro by August 9.

Metro will hold a community meeting in the Council chambers at 6:30 p.m. on August 1.
