Former Beverly High **Basketball Standout Chance Comanche Arrested on Murder Charges**

Chance Comanche, the only Beverly High alum to play in the NBA, is set to appear in Sacramento Superior Court Tuesday to face a charge of killing a 23-yearold woman who had gone missing in Las Vegas.

Comanche, who is a 2015 Beverly High graduate and a former NBA G League player with the Stockton Kings, will face open murder charges along with a 19-year-old woman, the Las Vegas Police Department announced Sunday.

Las Vegas Police found the remains of Marayna Rodgers, a medical assistant from Washington state, in a desert area in Henderson, Nevada.

Twenty seven year old Comanche was apprehended by FBI agents on Dec. 15 in Sacramento County and is expected to extradited to Nevada. According to The Daily

Mail, Comanche plotted the murder during a basketball game, posed as a sex-work client in order to lure Rodgers so that he could kill her, and has since made a full confession to authorities.

Sakari Harnden was arrested on Dec. 13 in Las Vegas on kidnapping charges. Both are accused of executing a murder plot on Rodgers, who was last seen in the Las Vegas area prior to being reported missing on Dec. 7.

In one conversation, Comanche shared a coffin emoji with Harnden in a text message.

"I can snap her neck or just strangle the [expletive]," Comanche allegedly wrote in a chat, according to the outlet.

Police said that Rodgers went out with friends on Dec. 5 and had planned to meet up with Harnden, who brought Comanche with her.

"Early in the investigation, detectives suspected foul play and obtained evidence to arrest Harnden and her boyfriend Comanche for their role in the kidnapping and disappearance of Rodgers," police said

on Dec. 5. The team released Comanche after his arrest last week.

A criminal complaint accused Harnden of "detaining Rogers against her will and without her consent for the purpose of killing her and/or inflicting bodily harm," KLAS reported. Comanche allegedly told investigators that he was following Harnden's instructions when he lured the victim to her death and later murdered her by strangling her with an HDMI cord.

Harnden was upset with the victim because she allegedly implicated her boyfriend in a double murder in California, according to *The Daily Mail*.

The victim's cause of death has yet to be officially confirmed by authorities.

iPhones. Detectives believe many, if not all, of the electronics recovered were taken in burglaries of vehicles and homes in the Los Angeles area.

Detectives have already identified an Apple MacBook that was taken in a Burglary From Motor Vehicle that occurred near Echo Park back in Nov. Also taken in that car theft was \$45,000 worth of cameras and camera equipment. Detectives recovered much of that stolen camera equipment in the store as well. Detectives were able to track down the owner after discovering video in a camera that included an Investigative Reporter associated with a local news station who was recording an on-scene news report in Downtown Los Angeles last month.

In addition, Rampart detectives have identified eight laptop computers belonging to the Los Angeles Unified School District, one laptop computer belonging to the Los Angeles Public Library, and one laptop computer belonging to the Beverly Hills Unified School District.

Planning Commission Approves Peninsula Hotel Request

The Planning Commission approved a request for a Conditional Use Permit to allow an addition to the Peninsula Hotel located at 9882 South Santa Monica Boulevard, at their Thursday meeting.

The proposed project was initially considered on Aug. 24 and Oct. 26. The proposal consisted of a request for a Conditional Use Permit to allow an addition of approximately 1,200 square feet to an existing hotel villa and an Extended Hours Permit for operation on the rooftop and outdoor dining areas.

At the Oct. meeting, the Commission discussed how the Peninsula and the owner of the neighboring property located at 9884 South Santa Monica Boulevard have both expressed concerns regarding their respective construction projects. At the meeting, concerns were brought up by the adjacent neighbor's representatives. These were related to potential view impacts and building drainage. They also noted that further review still needed to be had related to the proposed rooftop development on the adjacent property.

At the conclusion of the meeting, the Commission recommended the applicant continue working with their neighbor to resolve the issues. The Commission approved the extended hours permit and continued the hearing for the Conditional Use Permit to Dec. 14.

Operation of the extended hours permit is as follows: 12:00 A.M. Sunday through Thursday and until 2:00 A.M. on Fridays, Saturdays, or days preceding a holiday. The extended hours permit also allows up to 12 rooftop events annually to operate until 2:00 A.M. on a day other than Friday or Saturday

The addition encloses an existing outdoor patio to the Villa alongside South Santa Monica Boulevard and adds an additional bedroom and dining area. The addition is not expected to add any height or hotel rooms. The improvements include a new staircase from the first and second levels, layout changes to the first floor, and the addition of a fourth bedroom on the second floor.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information

about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site www.stoxposting.com, using the file number assigned to this case 2023-100609. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. Dated: December 13, 2023 BEACON DEFAULT MANAGEMENT, INC a California corpora-tion, as trustee By Amie S.
